A Cosmic Change

Chapter Four: It's Spreading to the Library

In the library was a student named Abby. She was one of a dozen students seated around six different tables. The room was quiet—save for the occasional rustling of papers and whispers. A few students were reading, but most looked like they were working on homework.

Abby was one of the teenagers sitting in the corner by herself. She was mostly a bookworm type of kid: always studying; always with her nose stuck in a book. Her hair was black and wavy, and her eyes were a light brown—the kind that would change color depending on what she wore or how she colored them.

She wasn't the prettiest girl in the school, but she was nice enough looking. Her body was a little heavier than most girls her age, but it didn't bother her much. She had a cute face and full lips that seemed to beg for attention.

The only thing about Abby that stood out was the fact that she dressed differently from everyone else. For starters, she never wore jeans or pants at all. She always wore skirts—long ones; short ones, too—and high heels. And then there were the clothes themselves. Most days, she'd wear a button-up shirt or blouse and some sort of suit jacket over top. But other times she'd opt for dresses.

Today was an exception though. Today she wore a long, dark blue skirt, and a white cowl-neck sweater with a matching belt. It was modest compared to many outfits she wore, but still sexy in its way.

So there Abby was sitting there reading a book she needed to complete for her English class. She had a stack of books in front of her, each one covering a different section of the novel. She made sure to keep up with each chapter so she could finish without issue, but that proved difficult with all the distractions around her.

'God, I wish those two would get a room already... This is a library, not a club,' she thought as she read another page.

It was easy to tell who the two people in question were because their voices were easily audible—even over her headphones.

"I know you're fucking her, right?" said a young girl with blonde hair and bright green eyes. "I mean, I'm pretty sure."

"Shut up!" replied a boy with sandy blond hair. "You'll give me a boner, and we can't have that now, can we? Not after all this time." He laughed.

Abby looked over to see which couple was talking about. Sure enough, she saw the boy and girl she heard earlier. They were both eighteen years old, which put them, as senior students just like her.

They were sitting near the window, leaning against the wall next to the door. The boy was tall and thin, with piercing blue eyes. His hair was dirty blonde, cut short; his skin pale and smooth. He wore a faded grey T-shirt under a hoodie, and he had a couple of tattoos on both arms.

The girl was quite the opposite. She was shorter, with flaxen hair and hazel eyes. She was a bit plump but still very attractive. Her breasts weren't overly large, but they were nice and firm. She wore a light blue collared shirt over a pair of dark denim jeans.

"Oh come on," the girl whined. "Is that the best pickup line you got?"

"I'm sorry, maybe I should've started with 'Hey beautiful, wanna fuck?'" replied the boy. "At least then I wouldn't be lying."

"And where exactly do you think you are, buddy?" asked the girl.

"This is our own little private area," answered the boy. "No one is around us. We can do anything we want." He laughed again.

"Oh yeah, that's why there are other people in the library you dumbass," said the girl. "Otherwise, you wouldn't be talking a big game."

He laughed again. "Well, I guess you have a point there." He turned back to her and pulled her into a hug.

'God! These two won't shut up!' thought Abby as she tried to focus on her book.

What Abby didn't know was the two teens were a secret couple. They were in the same grade, but they'd been dating since middle school.

But even if Abby knew that she would not care less, as they were interrupting her.

'Just focus on your book,' she told herself. 'Don't let them distract you.'

Her mind wandered off for a moment, and she glanced up at the clock above the door. It was 11:50 AM.

'Hmm? It's almost the end of the period, dammit! I was hoping I had more time,' she thought.

Just then she could hear a commotion outside the library doors. A loud banging echoed through the hallway, followed by the sounds of moaning.

'Great. Who's going to interrupt me now?' she thought.

She sat there reading her book when the doors opened, revealing Justin. He was one of the school athletes. He played football, basketball, and baseball. He was a joker most of the time during school hours, but right now he looked like he was on a mission.

Justin was a handsome guy with a chiseled jawline, brown eyes, and short black hair. He wore a simple T-shirt and some baggy shorts today.

The first thing Abby noticed was his bulge. He wasn't wearing any underwear, and it was obvious he had a good-sized cock. And he looked a little more buff than usual. He stood there while scanning the room like he was trying to find someone.

'What's up with him? Is he looking for someone?' wondered Abby as she tried to get back to reading her book.

Abby didn't notice Justin's gaze landed on her as he made a beeline straight towards her.

Abby sitting in the corner of the library silently reading.

She thought she heard some footsteps coming behind her and looked up to see Justin staring at her. 'Whoa! What's up with him?' she thought.

Justin walked up behind Abby and grabs her by the chin and kisses her.

'W-What!? Nah! What's he doing!?' Abby thought as she tried to pull away.

The kiss lasted only a second before she was able to break free and glared at him.

"Justin!" she said, trying to maintain her composure. "What the hell is wrong with you—"

Before she could finish her sentence, Justin grabbed her by the back of her head and kissed her again. This time longer, harder, deeper.

'His tongue is invading my mouth!? Mmmmh! I'm being dominated! Oooh! I kinda like it... No! I can't give in! I must endure!' She thought as she was held by Justin's powerful hands and tongue.

Abby couldn't believe what was happening. And she felt a little horny from the surprise kiss. She was starting to give in to her urges that were coming in out of nowhere.

Justin always liked Abby but she would always deny him at every turn until he had the urge to take charge after being affected by cosmic energy that has made him hornier than normal and it was spreading to her.

'It's gonna take everything I have not to moan or scream,' thought Abby as she felt her pussy starting to itch.

His hands moved down her body, sliding under her shirt and groping her breasts through her bra.

The cosmic energy was entering Abby's body which was enhancing her arousal by stimulating her body's changes.

'Jesus, he so fucking good at kissing! Why did I never let him do this earlier? I mean school was more important than dating... Should I stop him? Mmmmmhfff! I think I'll let him have a few more seconds. Yeah, it's just kissing... Oooh! He groping me! Why do I want him to do more things to me?' she thought as her pussy began to tingle and moisten while he was groping her B-cup breasts.

But Abby decided not to stop him as she was surprised by how much she liked being played with. She just moaned along with him, enjoying his touch which caused her nipples to harden.

"You feel so fucking good, baby," whispered Justin.

"Aunh. J-Justin? Where is this coming from? It's weird," said Abby.

"I dunno," answered Justin, kissing her neck and sucking on it.

Abby breathed heavily, feeling her boobs being massaged while he was leaving a hickey on her neck. 'Wow! That feels amazing!' she thought. The sensations were building up inside of her. She could feel her nipples hardening and warm wetness between her legs.

Justin kept nibbling on her neck, sending shivers down Abby's spine. It wasn't long before her breasts felt bloated and heavy.

'No way! This is getting out of control! But I like this feeling!' thought Abby as she arched her back so her breasts could be fondled some more.

Justin was more than happy to squeeze her breasts some more.

'Ooh! I can get used to this. But this is as far as we should go. I don't want to get him in trouble.' Abby thought.

Then Justin's hand slid down her stomach and cupped her vagina through her skirt.

"Augh!" gasped Abby. "Stop that right now!"

Justin smirked and rubbed her clit with his thumb.

'Oh my God!' thought Abby as she felt another wave of pleasure wash over her as the cosmic energy entered her body.

'This is insane! I've never felt anything like this before! Should I stop him? I-I don't know if I can. He's so manly! Aungh! He wants me! And I want him to take me! FUCK! His fingers are teasing me!' thought Abby as she squeezed her thighs together and moaned.

Justin started moving his hips forward and rubbing his crotch against hers while continuing to suck on her neck.

'Oh yes! Do that again! Fuuuuccckkk!' thought Abby as her pussy twitched and spasmed. She, spread her legs out involuntarily to give Justin better access.

'Mmmm!? My bra feels so tight! Why is my bra so tight? Oh, fuck! Justin is playing with my pussy!' thought Abby as her nipples grew rock hard in response to the cosmic energy coursing through her body.

Justin's cock felt big, thick, and hard compared to normal. He couldn't help but rub it up against her butt cheeks, making them both groan.

Abby felt her juices leaking down her thigh as Justin's dick hardened even more and poked her buttcheck from behind.

'Holy shit! His cock is poking me! That can't fit inside me! I-I need to run, but I've never been so horny in my life!' thought Abby.

"Justin!?" she said, trying to escape him because she was too sensitive.

But Justin wouldn't let go and instead pulled her up out of her chair and placed her hands on the table.

Her knees went weak, and she fell onto the table. Justin then yanked her skirt up around her waist exposing her lacy white thong.

"Aahhh!! What are you doing, Justin?" said Abby, squirming and trying to get away from him.

Justin positioned himself and grabbed his cock and rubbed it against Abby's pussy lips, which were already soaking wet pushing aside her thong giving him a nice view of her hungry pussy.

"Mmmm... Aunh!" gasped Abby as she felt Justin's cock enter her pussy and rub against her insides.

'No! I'm a virgin! It's going to hurt! Aungh! No! You can't do this!' thought Abby as she tried to fight him off.

"Unhhh!" moaned Abby as Justin pushed himself inside her. His cock head slipped past her cervix easily, and he couldn't help but push further inside her.

'It didn't hurt? Aunh! That's weird! But it feels fine! No, great! Oh my God, he's huge!' thought Abby as she felt Justin's shaft slide inside her.

The cosmic energy was starting to take effect on Abby's body, and she felt dizzy and light-headed as her body was changing. Her breasts got bigger, becoming larger than normal and her nipples became hard.

'Why is he making me feel this way? He's in control of me! Aunh!' thought Abby as she continued to moan as Justin was pumping in and out of her from behind.

"Ahhhhh!" moaned Abby as she felt Justin's cock throbbing and pulsating inside her pussy. She grabbed the edge of the table for support and arched her back moaning louder each time Justin's cock penetrated her.

She was at his mercy and it was driving her crazy.

"Shit! Addy, you're so tight that I'm going cum! Arh! Yes! That's it, baby! I'm almost there!" Justin said as he focused on her.

'W-What!? Aungh! He's going to cum inside me!? Aunh! But I'm not on the pill! Naugh! Oh God! He's getting deeper! AUNH! YES! GET DEEPER BABE!' Abby was loving how deep Justin was pushing and she went on her tiptoes to help move her hips higher. So he could get easier access to her pussy.

Justin thrust in and out of her faster now, until finally he reached his peak and let loose with a massive load of cum deep inside her pussy.

'Fuck! This is so hot! I'm cumming TOO!' thought Abby as she felt the cosmic energy course through her entire body. Causing her eyes to roll back in her head and made her body convulse.

"Aaahh! Oh my God! Mmmm! FUCK!" moaned Abby as she came harder than ever before.

'NAUGH!? EVERYTHING HAS GONE WHITE!? MMMMH! I NEVER KNEW ORGASMS WERE THIS AMAZING! AAUUNNGGHHH! I'M SORRY JUSTIN! I SHOULD HAVE ACCEPTED YOU SOONER! AAARRRH! PLEASE! MAKE ME YOURS!' Addy's thoughts were a mess as her climax continued rampaging through her body.

Justin pulled out of her and looked down at her as she collapsed on the table, exhausted. Her mind was recovering from her first sexual experience. And some clarity was coming back to her.

"Fuck Abby! I've been wanting to do that for years... You ready for round two?" said Justin, smiling.

Abby was stunned speechless. 'What just happened? I thought I wanted to be independent of relationships. But Justin made me lose my mind! Wait! We just had sex in front of the other students! Why am I letting him do that?' she wondered.

"I think we'll be able to keep going," said Justin, who was already hard again.

Abby had no idea what to say or do. But when Justin's hands touched her hips. She couldn't help but respond, and she sighed deeply as his hands massaged her firm ass cheeks.

"A-a-are you sure? You're not just using me?" she asked.

"Oh? You need me to prove to you that I only want you, aye? Well, challenge accepted." Justin whispered into her ear. Which made her shiver in excitement.

"Alright, just don't break my heart..." whispered Abby, as she raised her hips to meet his thrusts.

The cosmic energy flowed through her body once again, causing her mind to go blank as she focused solely on the pleasure Justin was giving her.

Suddenly Justin stopped and turned her around while his cock was still inside her.

"Eeck! Justin!?" Yelped Abby as she was surprised by Justin's strength.

Her breasts jiggled as she spun around, and Justin immediately went for her lips and kissed her passionately.

"Unggghhh... Ahhhhhh!" moaned Abby as she kissed him back.

'Naugh! When did Justin become such a stud? Mmmmmhhhh! His tongue is dominating my mouth again!'

Their tongues danced together as their bodies moved against one another.

'He's so fucking good at this! He knows exactly how to please me! Maybe he does care about me.' thought Abby.

Soon they broke apart, and Justin began to move his hips again guiding his cock back into her pussy.

'AUNGH! Why does he have to be so big?!' thought Abby as she felt Justin's cock entering her pussy once again.

"Oh fuck! Mmmm! That feels so goooooood!" moaned Abby as Justin began pounding her pussy.

Abby's body slowly changed with every pump of Justin's cock deep inside her. Her breasts grew in size and her nipples hardened further straining her bra. Her hips and thighs expanded, and she began to feel a little uncomfortable as her bra felt tighter than normal.

'This is insane! Is this happening? How am I not breaking apart right now?!' thought Abby as her whole body trembled with every push from Justin's hips.

Her belly which used to have a layer of fat was now toned and muscular. The same went for her arms, legs, and ass, which were now firm and tight.

The cosmic energy also caused Abby to grow taller, and she was now at least 5'9". Her black wavy hair was long and silky, and her brown eyes sparkled with lust and passion.

"AHHHHH! Fuck! Aungh! Ugggh! I'm cumming again!" moaned Abby as Justin continued to pound her pussy.

"Damn straight babe! I love to see you cum! It makes me so damn hard!" said Justin, as he smacked her ass.

"AUGH! J-Justin! FUUUUCKKK!" screamed Abby as she climaxed yet again.

"Yeah, baby! Cum for me!" moaned Justin as he buried his cock deep inside her pussy.

"AAAAHHH! AYAAH! UUGGGGHHHH!" screamed Abby as her orgasm overtook her.

She shuddered violently and her whole body shook as a torrent of cosmic energy coursed through her veins.

All the students in the library heard Abby's scream echo throughout the halls.

"Did you see that?" asked Kevin, who was standing nearby. He had witnessed everything that happened.

"Yeah! Justin just fucked the shit out of Abby! I didn't know she was that sexy. Damn!" exclaimed another student.

"Ghad... That's so gross that he's fucking her right there in front of everyone! What would his parents say?!" added a female student.

Somehow, despite the public nature of their coupling, nobody seemed to be leaving. They all stayed and watched as Abby and Justin fucked themselves silly on the desk.

Finally, as the powerful orgasm subsided, she fell unconscious onto the table.

"Holy shit! That was intense!" said Justin, as he climbed off of her.

Abby's body was limp and lifeless, but her eyes flickered open as she looked up at him.

"You okay babe?" asked Justin.

"I don't know... I can't believe this is happening to me!" moaned Abby.

"Well, it isn't over yet!" said Justin.

With that, he grabbed her now-tight sweater and yanked it over her head.

"No! Wait! Justin, stop!" protested Abby.

But Justin was too strong, and before she could even react he tore her bra off revealing her large bouncing breasts.

"Abby had tits that big hiding under her clothes the whole time?" asked Kevin in disbelief.

"Yeah! That is one of the many reasons I have a crush on her! I'm gonna fuck her brains out! Because I'm her boyfriend now! And if anyone tries to touch her will have to deal with me!" declared Justin.

Abby was stunned by Justin's declaration. She never thought about being in a relationship. But here she was getting pleased in front of everyone in the library by Justin and she couldn't help but get turned on.

"Ugh! Fuck yeah!" groaned Abby as Justin rubbed his cock all over her breasts which were almost the size of her head.

"That's right, babe! You're going to suck my cock! Show everyone in here that this cock belongs to you and no one else's!" said Justin as he began pumping his cock between her tits.

'Oh, my God! Everyone is looking at me! Augh! Why is my heart racing so much? Augh! I should be mortified but instead, I'm starting to get turned on!' thought Abby as she opened her mouth and started sucking Justin's cock.

"That's right babe! Claim this cock as yours! Suck it like your life depends on it!" commanded Justin.

'Oh fuck! I never knew Justin's cock was teased so well! Augh! It feels so good!' moaned Abby as she sucked Justin's huge cock.

"Mmmmmm! Oh damn, that feels so good! And your tits are amazing! Ugh! I wanna cum all over them!" groaned Justin as twisted her hard nipples.

"Aaghh! Yes, that's right babe! This is my cock! My dick! All mine!" yelled Abby as she furiously sucked Justin's cock.

"That's it! That's it! Take it all down your throat! Oh fuck! I'm gonna cum! I'm gonna fill your mouth with my sperm!" shouted Justin, as he began thrusting his hips wildly into Abby's face.

"Ahhh! Ahhhhhhhh! Mmmmmph!" moaned Abby as her tongue swirled around Justin's shaft.

'Fuck! Who knew getting deep-throated by a stud felt so good? I-I think I'm going to marry him! Augh! I want to suck his cock every day for the rest of my life!' thought Abby.

"WHOA! FUCK!" Justin yelled as he climaxed inside Abby's throat.

She moaned happily as Justin filled her mouth with his hot cum.

'Mmmmm! His cum tastes so good! I love swallowing his seed!' smiled Abby as she swallowed Justin's warm cum.

After a few moments, Justin pulled out of her mouth.

"Babe! That was fucking amazing. Now let me reward you."

Justin then reached behind Abby and undid her skirt. Without hesitation, he slid them down and revealed her already moist pussy.

"Mmph! Justin! Mmmmm! You alright hard!? But you came in my mouth?" Abby said as she sat on the table and spread her legs wide open and presented her dripping-wet pussy to her boyfriend.

"Because I fucking love everything about you. How could I not get hard for my girlfriend?" replied Justin as he got I positioned his rock-hard cock against Abby's slick cunt.

'Augh! He's so weird! Augh! I'm so horny right now! I need to feel him inside me! I need to cum so badly! Augh! I never knew how much I needed him in my life! You're mine Justin!' thought Abby as she guided Justin's cock to her wet hole.

"Ugh! Fucking hell! You're so thick! Mmmmm!" sighed Abby as she wrapped her arms around Justin's back and helped him penetrate her.

"Fuck! You make me so happy babe! Ugh!" groaned Justin as he pushed himself into Abby.

"Aaaaah! Oh fuck Justin! Your cock feels so good! Aunh! Your mine! Ohhh! No one can have you, but me!" moaned Abby.

They both continued moving their hips slowly until they hit a slow steady rhythm.

"You're so tight! So fucking tight! Oh fuck! You feel so good!" cried Justin as he slammed his cock into Abby's wet pussy.

"Mmmmm! I love your cock inside me!" moaned Abby as she gripped Justin's ass tightly.

"Rah! I love you, Abby! Fuck! I love you so much!" cried Justin as he began thrusting his hips faster.

When Abby heard Justin saying he loved her, she came instantly.

"Aahh! Oh fuck! I'm cumming! I'm cumming! Ugh! I'm coming!" screamed Abby as she tightened around Justin's cock.

'Oh god! I just came so hard! That was so good!' thought Abby.

Justin stopped moving his hips and kept still inside Abby's pussy.

"Are you alright? Did I hurt you?" asked Justin.

"No, no! You didn't hurt me at all, Justin! That was so fucking good! I'm sorry! I had another orgasm!" laughed Abby as she looked up at Justin and smiled.

"Wow! I guess you're as turned on as I am right now," said Justin as he began thrusting his cock back into Abby's pussy.

"Yes! I love you so much! I'm going to have your babies someday! Aunh! I'm cumming again!" screamed Abby as she felt her pussy tighten around Justin's cock.

"Fuck! I love fucking you, Abby!" moaned Justin as he grabbed Abby's ass cheeks and began slamming his cock into her pussy again.

'Oh, GOD! He's so fucker strong! I'm going to have his baby! Oh shit! I'm gonna cum again!' thought Abby.

"Aahh! Oh fuck! Don't stop! I can feel you filling my womb! Cum inside me! Fill me with your seed!" yelled Abby.

Justin continued thrusting into her pussy as he shot rope after rope of cum deep inside her. The cosmic energy was coursing through her veins making her body tingle from head to toe. She looked like a goddess of beauty. She had no idea how much her body had changed since Justin started making love with her.

Abby fell limp on the table as Justin's orgasm subsided.

"God! That was amazing!" breathed Abby.

"You can say that again." sighed Justin.

They lay together kissing while their bodies cooled off.

The students that watched that display of debauchery weren't immune to the effects of the cosmic energy that was being discharged into the air around them.

Kevin was feeling very horny. His cock was hard as a rock and it wasn't going away anytime soon.

'Fuck! I wish I could have a woman like Abby! If only I cou—'

Suddenly Kevin's mind went blank when he saw Rebecca standing off to the side. She was wearing a pair of tight jeans and a baggy white shirt. Her black hair was in pigtails and she wore her glasses. She looked so innocent. But her cheeks were blushing red and she was wiggling her hips as if she was trying to hold back her bladder was full. While staring at Abby and Justin.

'Rebecca doesn't have a boyfriend! I should show her that I'm a good man!' thought Kevin as he walked towards his classmate.

Kevin approached Rebecca from behind and put his hands on the sides of her waist.

"Hi," whispered Kevin as he leaned over to kiss her lightly on the neck.

Rebecca closed her eyes and leaned her head back. "Uh-huh," she sighed as Kevin kissed her neck.

"Is something wrong?" asked Kevin.

Rebecca opened her eyes wide and gasped. "I... uh... I have to go to the bathroom," she stammered.

"Is there anything I can do to help? To make you feel better?" asked Kevin.

'Oh shit! Is he flirting with me?' Rebecca thought as her nipples started poking out under her shirt. 'Why is this happening to me? I never was interested in guys before now. Was Kevin always this handsome?'

"Uh... no... that's okay," said Rebecca as she tried to hide her arousal.

Kevin took Rebecca's hand and led her away from the other students. It didn't take long for them to reach an empty classroom. Once inside the room Kevin pushed Rebecca down onto the teacher's desk and kissed her passionately.

'Huh? I-I can let him dominate me! I-I need to fight back! Mmmm! This feels so good!' thought Rebecca as Kevin's tongue started to win the battle against hers.

Kevin moved down between Rebecca's legs and ran his fingers inside her pants. Brushing through her pubic hairs. He could smell her excitement already. It was sweet and musky.

'Yesssss! I'm going to cum! Please don't stop!' thought Rebecca as Kevin slipped his finger into her pussy.

"NAUH!"

She arched her back and almost screamed when she felt his thick finger penetrate her pussy.

The cosmic energy was flowing through Kevin's body and it was making him very powerful. He wanted to give Rebecca what she wanted most. And he knew exactly how to do it.

"Oh my god! Kevin! Fuck me! Oh! F-FUCK ME!" cried Rebecca as Kevin's finger slipped inside her pussy.

He slid two fingers deep inside her and rubbed her clit with his thumb. Rebecca's mind went blank as she orgasmed.

"OH MY FUCKING GOD! YES! OH! OOOOOHHHHHHH! UGH! UGH! YEEESSSS!!" screamed Rebecca as Kevin's fingers pumped into her pussy. She came so hard that a wet spot formed on the front of her pants.

Kevin stood up and removed his clothes. His cock was huge and it was dripping with precum.

'Oh god! Why am I so horny!? He's just a guy! A guy with a huge cock? Aunh! His dick looks so powerful,' thought Rebecca as she stared at Kevin's massive erection.

She reached out her hand and touched it gently.

"Mmmmm..." moaned Kevin as he watched Rebecca stroke his cock.

Rebecca's mouth watered at the sight of Kevin's throbbing member. There was so much power in it!

"If you want it, claim it," Kevin told Rebecca.

'Claim it? Abby made it look so easy. I guess it won't hurry to try?' Rebecca thought as she wrapped her lips around Kevin's cock.

Her tongue swirled around its sensitive underside. She licked the tip and ran her tongue along the shaft.

'It tastes so good! I've never known cock was this fun to suck! And I-I want more,' thought Rebecca as she sucked Kevin's cock.

She felt his body shudder and knew he was about to cum.

"Oohhhhhh! N-NOOOOW!" shouted Kevin as he shot stream after stream of hot cum directly down Rebecca's throat.

'NAUGH! That was so intense! I wonder what it would be like to get fucked by this thing?' thought Rebecca as she swallowed all the cum in her mouth.

While Rebecca was busy giving head. Her body was changing. Her breasts were growing larger and rounder. They seemed to fit perfectly in Kevin's hands.

The white shirt she had worn became transparent and revealed her large brown-nippled tits.

'My boobs are getting bigger! How big will they become?' thought Rebecca as she looked down at her chest.

"Thanks, Rebecca," said Kevin. "You're beautiful."

Rebecca blushed.

Kevin reached down and started groping her tits.

His hands were strong and firm. He squeezed her tits together and massaged them.

"Aaahh! Th-That feels so good!" Rebecca moaned as she felt Kevin's hands on her breasts.

She couldn't believe how aroused she was being treated like a sex toy by a guy who barely knew her. This wasn't like her at all.

"I think we have some work to do," said Kevin.

Kevin pulled off her shirt and tossed it aside. He stripped off his own clothes and got on top of Rebecca.

'Whoa! Was Kevin always this ripped? No way! He's huge and so handsome!' thought Rebecca as she stared at Kevin's muscular body.

Kevin grabbed the sides of her jeans.

RIP!

"NAUGH!? K-KEVIN!?" Rebecca was shocked by how easily he ripped her jeans into pieces.

"What the hell!?" screamed Rebecca as she saw her pants torn off her, leaving her wet panties in view.

"We need to make you a better woman, Rebecca," said Kevin.

Kevin grabbed the collar of Rebecca's shirt.

TEAR! The fabric tore away from her. It left her naked.

"Ahhhh...!" moaned Rebecca as she felt Kevin's strong hands on her skin.

"Don't worry, babe," said Kevin.

'OH, GOD! Why am I getting so turned on by this!?' thought Rebecca as she saw her nipples harden up.

"I know you want this. You can feel it too."

"Mmmmmmm..."

"Now let's start with your panties."

RIPP!

"NAUGH! KEVIN! AUNH!" yelled Rebecca as her panties were shredded into pieces.

"Sorry," said Kevin. "But we gotta take everything off you first."

"Why?!" asked Rebecca.

"Because I'm going to fuck the shit out of you, Rebecca."

Rebecca felt her pussy tingle.

'Nothing about this makes sense! Why do I want him to do this to me!? How is it possible that my body is changing by the second!? What happens if he does this to me!? WHAT HAPPENS IF I LIKE IT?!' thought Rebecca as she looked at Kevin.

He grabbed her by the hips and pushed his cock against her pussy which sent shivers up her spine.

"This is gonna hurt, but don't worry. We'll be taking care of all your needs," said Kevin as he thrust his cock inside Rebecca.

Rebecca gasped. She felt something big, warm, and hard slide up into her pelvis. She didn't understand what was happening to her body.

'Oh! My pussy feels so good! I-It's like he knows exactly how to please me! I never knew Kevin had such an amazing dick! Aunh! Oh, God! I can't stop moaning!' thought Rebecca as she felt Kevin's cock stretch her vagina open.

SPLAT!

"OH! Y-YOUR COCK!" shouted Rebecca. "IT FEELS SO BIG! IT'S FILLING ME UP! OH, GOD!"

"Good girl," said Kevin.

Rebecca could only moan as she watched her ass and hips begin to widen. Her legs grew longer.

"You look so sexy, Rebecca," said Kevin as he pumped faster into her.

"Mmmmm..." groaned Rebecca as she felt Kevin's cock growing even thicker inside her.

"Fuck, that's hot," said Kevin as he rammed into Rebecca harder making her glasses go flying off her face.

"I'm so close," said Kevin.

"Me too!" cried Rebecca as her eyes rolled back in her head while flinging her pigtails around when he pumped his hips.

"Let me show you how much I love fucking you, Rebecca," said Kevin as he grabbed Rebecca's hair and pulled her head back.

Rebecca felt her lips part wide as she opened her mouth to scream.

"UHHH!" shouted Rebecca. "FUCK! FUCK! FUCK! MMMmmmmhhh?"

Kevin started kissing her as her pussy exploded with orgasmic pleasure. Kevin's cock shot thick ropes of cum deep inside her womb.

'AUNH! His cum is SO HOT! And his tongue tastes so sweet in my mouth! How is this happening!? Ughhhh! I must be dreaming!' thought Rebecca as she arched her back and curled her toes.

"God, you're still cute," said Kevin.

Her body began to shake. Her limbs stiffened.

She screamed as she orgasmed on Justin's thick cock.

"AHHH!"

Kevin kept pounding into her until he came again deep inside Rebecca's womb.

They collapsed on the desk next to each other panting.

"Damn, Rebecca," said Kevin.

"That's all you can say? Haah... Where the hell did that come from? I didn't expect you to take me like that!" Rebecca was surprised by herself.

"Don't you mean, where have you been all my life?" laughed Kevin.

"Haah... I mean, I guess..."

They both sat up and gazed at each other.

"So you liked that," said Kevin as he ran his hand down her back sending shivers through her.

"Augh! Uh-huh," said Rebecca. "But why did we do it? I mean, I did not know I was your type."

"Well, you saw how Justin came into the liberty and became Abby's boyfriend? I couldn't help but wanted to become your boyfriend before someone else did," replied Kevin.

'He wanted me that badly? Hmm... So, he's my boyfriend now? I never knew how nice that would be,' thought Rebecca as she smiled at Kevin.

They kissed and Rebecca wrapped her arms around Kevin's neck.

"Mmph!" moaned Rebecca.

Rebecca blushed as she stared at his cock which had softened some but it was starting to get hard and pointed towards her pussy.

"This might sound crazy," said Kevin as he stroked Rebecca's hip. "But, I think I want you to be a part of my life now."

Rebecca giggled. "You mean, as my boyfriend?"

"Yeah," said Kevin with a smile. "And I really hope you will stay mine forever. But, if you ever want to leave my side, then I won't blame you or hate you for it either."

"W-What are you talking about?" stammered Rebecca.

"I love you, Rebecca," said Kevin as he rubbed his fingers against her pussy.

"Wha-" started Rebecca.

Kevin's finger slipped inside her pussy.

His cock was hard again. He pressed it against her pussy and slid inside.

"AHHH!" shouted Rebecca. "Why would I leave someone as amazing as you!? AUGH!"

The two lovers fucked wildly.

The cosmic event that started inside the English class has begun to spread throughout the school. If only they knew that the government was coming to take over their lives, but then again, it's not like they could do anything about it.

Or so they thought.
