

How was dinner? Did you have fun?

It was soo fun..!

Bamae drank just like me two years ago, he lost his job and his house because of Sodam's scandal..

But don't worry! I've already issued an N.Q.A request for him.

He'll be back on his feet, soon.

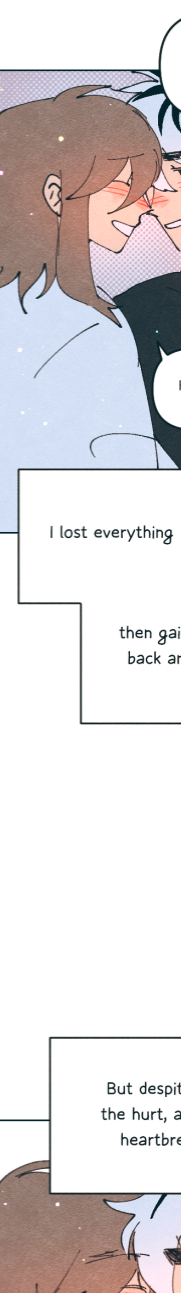

Oh wow~ You're already abusing your power, huh.

Yep, I'm gonna be the Syndicate's most corrupted team leader by helping everyone I know~

Hm..

What?

Nothing..

It's just..

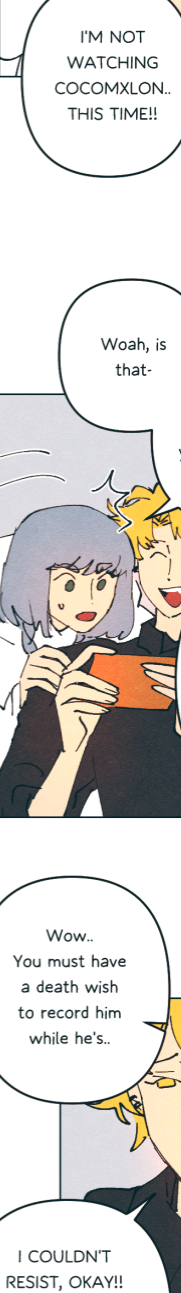

When we first reunited, your eyes were full of despair.. and hatred.

You looked like you already gave up on life..

But now..

Those same eyes, are filled with hope and life, it's been so long since I've seen you this.. determined. I'm in awe..

Haha

What's with that..?

So cheesy..

I'm only like this..

because of you..!

When we're together

It's like I can do anything.

You're my rock, Crush.

you make me brave.

It's been a crazy couple of years

Who's the cheesy one now..?

Haha.

I lost everything

then gained it all back and more

But despite all the hurt, all the heartbreak

I've learnt to trust again.

And for the first time ever

I need a new phone, by the way..

What happened?!

I dropped it..

I'm actually hopeful for what the future brings.

What the- Kang, you haven't even packed yet??

Our flight leaves at 10!!

Aughhhh I'm tiredddd!! Harper usually packs for me~

She's been with Chohan ALL day, you know, DOING WORK!

The East Side and the West Side is finally forming an alliance!

This is big stuff! She doesn't have time to baby a manchild like you anymore!

So stop watching Cocomxlon and PACK!

I'M NOT WATCHING COCOMXLON.. THIS TIME!!

Woah, is that-

When did you take this?!

Wow.. You must have a death wish to record him while he's..

I COULDN'T RESIST, OKAY!! When else am I gonna get another chance to see him in action??

He's my idol!!!

Whatever, it's your funeral.

Just don't let this video get out, alright?

Yeah, yeah. I know..

But like, What are the chances of that ever happening anyways?
