No...
That can't be right...
You must have
misheard me!

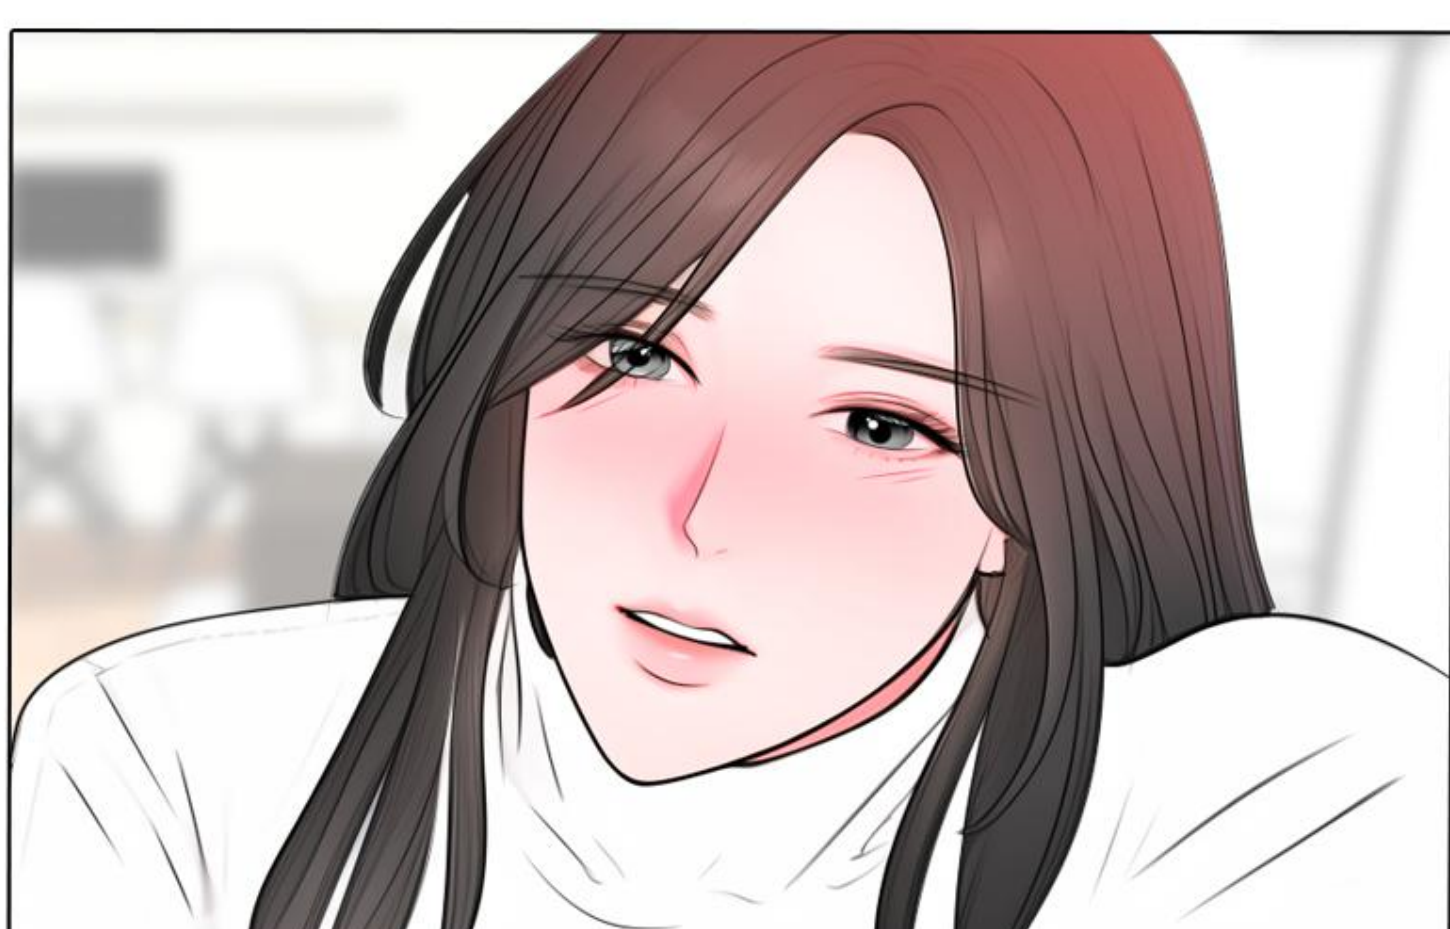

Is this...
a side effect of
getting drunk?

My head...is spinning
around...
It feels like I can't control
what I say anymore..

The reason we end up in this
situation....

I was feeling so guilty...that...
If I don't do anything for her,
I'll feel very bad

If only
she didn't like
me that much

That would be good,

If we stopped here,

...?
