

You want to help me clean..?

Yeah.. This whole punishment thing was my fault anyways.

But today's your day off!! You should use it to relax!!

Well, it's MY day off and I get to decide how to use it!!

What about Tez?!

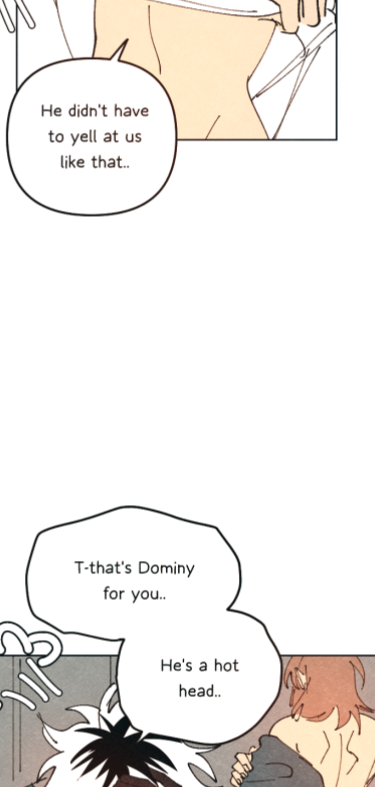

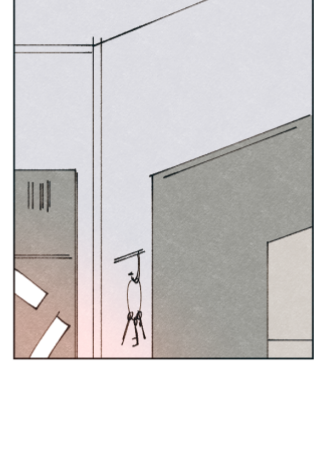

Tez's not here, is she?!

Hmmm.. Should I use my power of invisibility for good or for evil..?

ENOUGH!

BOTH OF YOU!! GET THE FUCK OUT OF HERE!!

EEEEP!! WE'RE SORRY!!

Man, That guy was intense, huh?

He didn't have to yell at us like that..

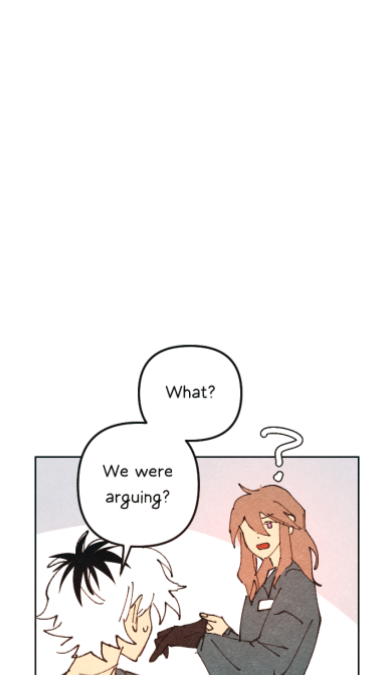

T-that's Dominy for you..

He's a hot head..

WHY WHY WHY WHY WHY WHY WHY WHY IS HE CHANGING IN FRONT OF ME?!?!

We did hog that room for a long time, though..

Did we..?

I guess anyone would grow impatient listening to us argue..

What?

We were arguing?

Yeah..? You tried to stop me from helping you.

I was just worried..!

You looked so uncomfortable yesterday.. Plus I told Tez I'd leave you alone so..

You did, but I came to you.

That was all me.

Then I offered to help you clean.

That was all me.

So I don't know why we're still arguing about this.

We're not really arguing, though..
