Luigi will come for me, I just know it!

Ohh~ I know, of course that pesky lil plumber will eventually come for you dear; one of those two always come to steal my toys away~

But not this time, I'm going to keep you some where a bit more... secure ♡

What awful prison could possibly stop them!

They've crossed galaxies for me you know!

Oh don't worry hon, I assure you it's quite well hidden, not to mention warm~ ♡

H-hey now, why are you looking at me like that... Y-you're kidding right?

Afraid not hon, I'm gonna gobble you up ♡ hehe~

Ooh... Is... isn't this a bit too intimate

Ooohh~ Silly princess,
Do you really think they'll
find you in there?
♥

I'll just tell them

They can search me all they like,

on the outside~ ♥
