

Man, you smile
really differently than I do

giggle

It's weird!

Yeah... watching
you giggle with my face is...
interesting

...and then it's
upside-down, too!

But did you
do it on purpose?

Face? Yeah!

If you think about
how you want to pop out
the part while pressing down
on my nipple

you can control
how it's rotated as
it comes out

Man, I'm so glad you're cool with this stuff!

I was afraid you'd run away like I was some sorta weirdo

Well... you're definitely some sorta weirdo

But you're my weirdo!

A close-up photograph of a woman's bare torso and arms. She is holding a large, realistic-looking breast prosthetic with both hands. The prosthetic is a light skin tone and has a natural-looking shape. The background is a blurred indoor setting.

I wanna show
you more stuff!

I've always wanted to
see what it'd be like to just...

go all the way inside
my own boobs

But I've never done
it because...

well, I wouldn't be able
to get out, after

But if you
help me...

Hm... interesting

Hey, that's a look
I'm more used to seeing
on my face!

Let's get ourselves
back to normal

Hey! Feel my
face back again
is so strange!

giggle

A woman with long, dark hair is sitting on a white, textured sofa. Her legs are crossed at the ankles, and her feet are resting on a round, light-colored wooden stool. She is wearing a dark, possibly black, top. The background is a light-colored wall. A speech bubble is positioned to the left of her legs, containing the text "Alright, here goes nothing...".

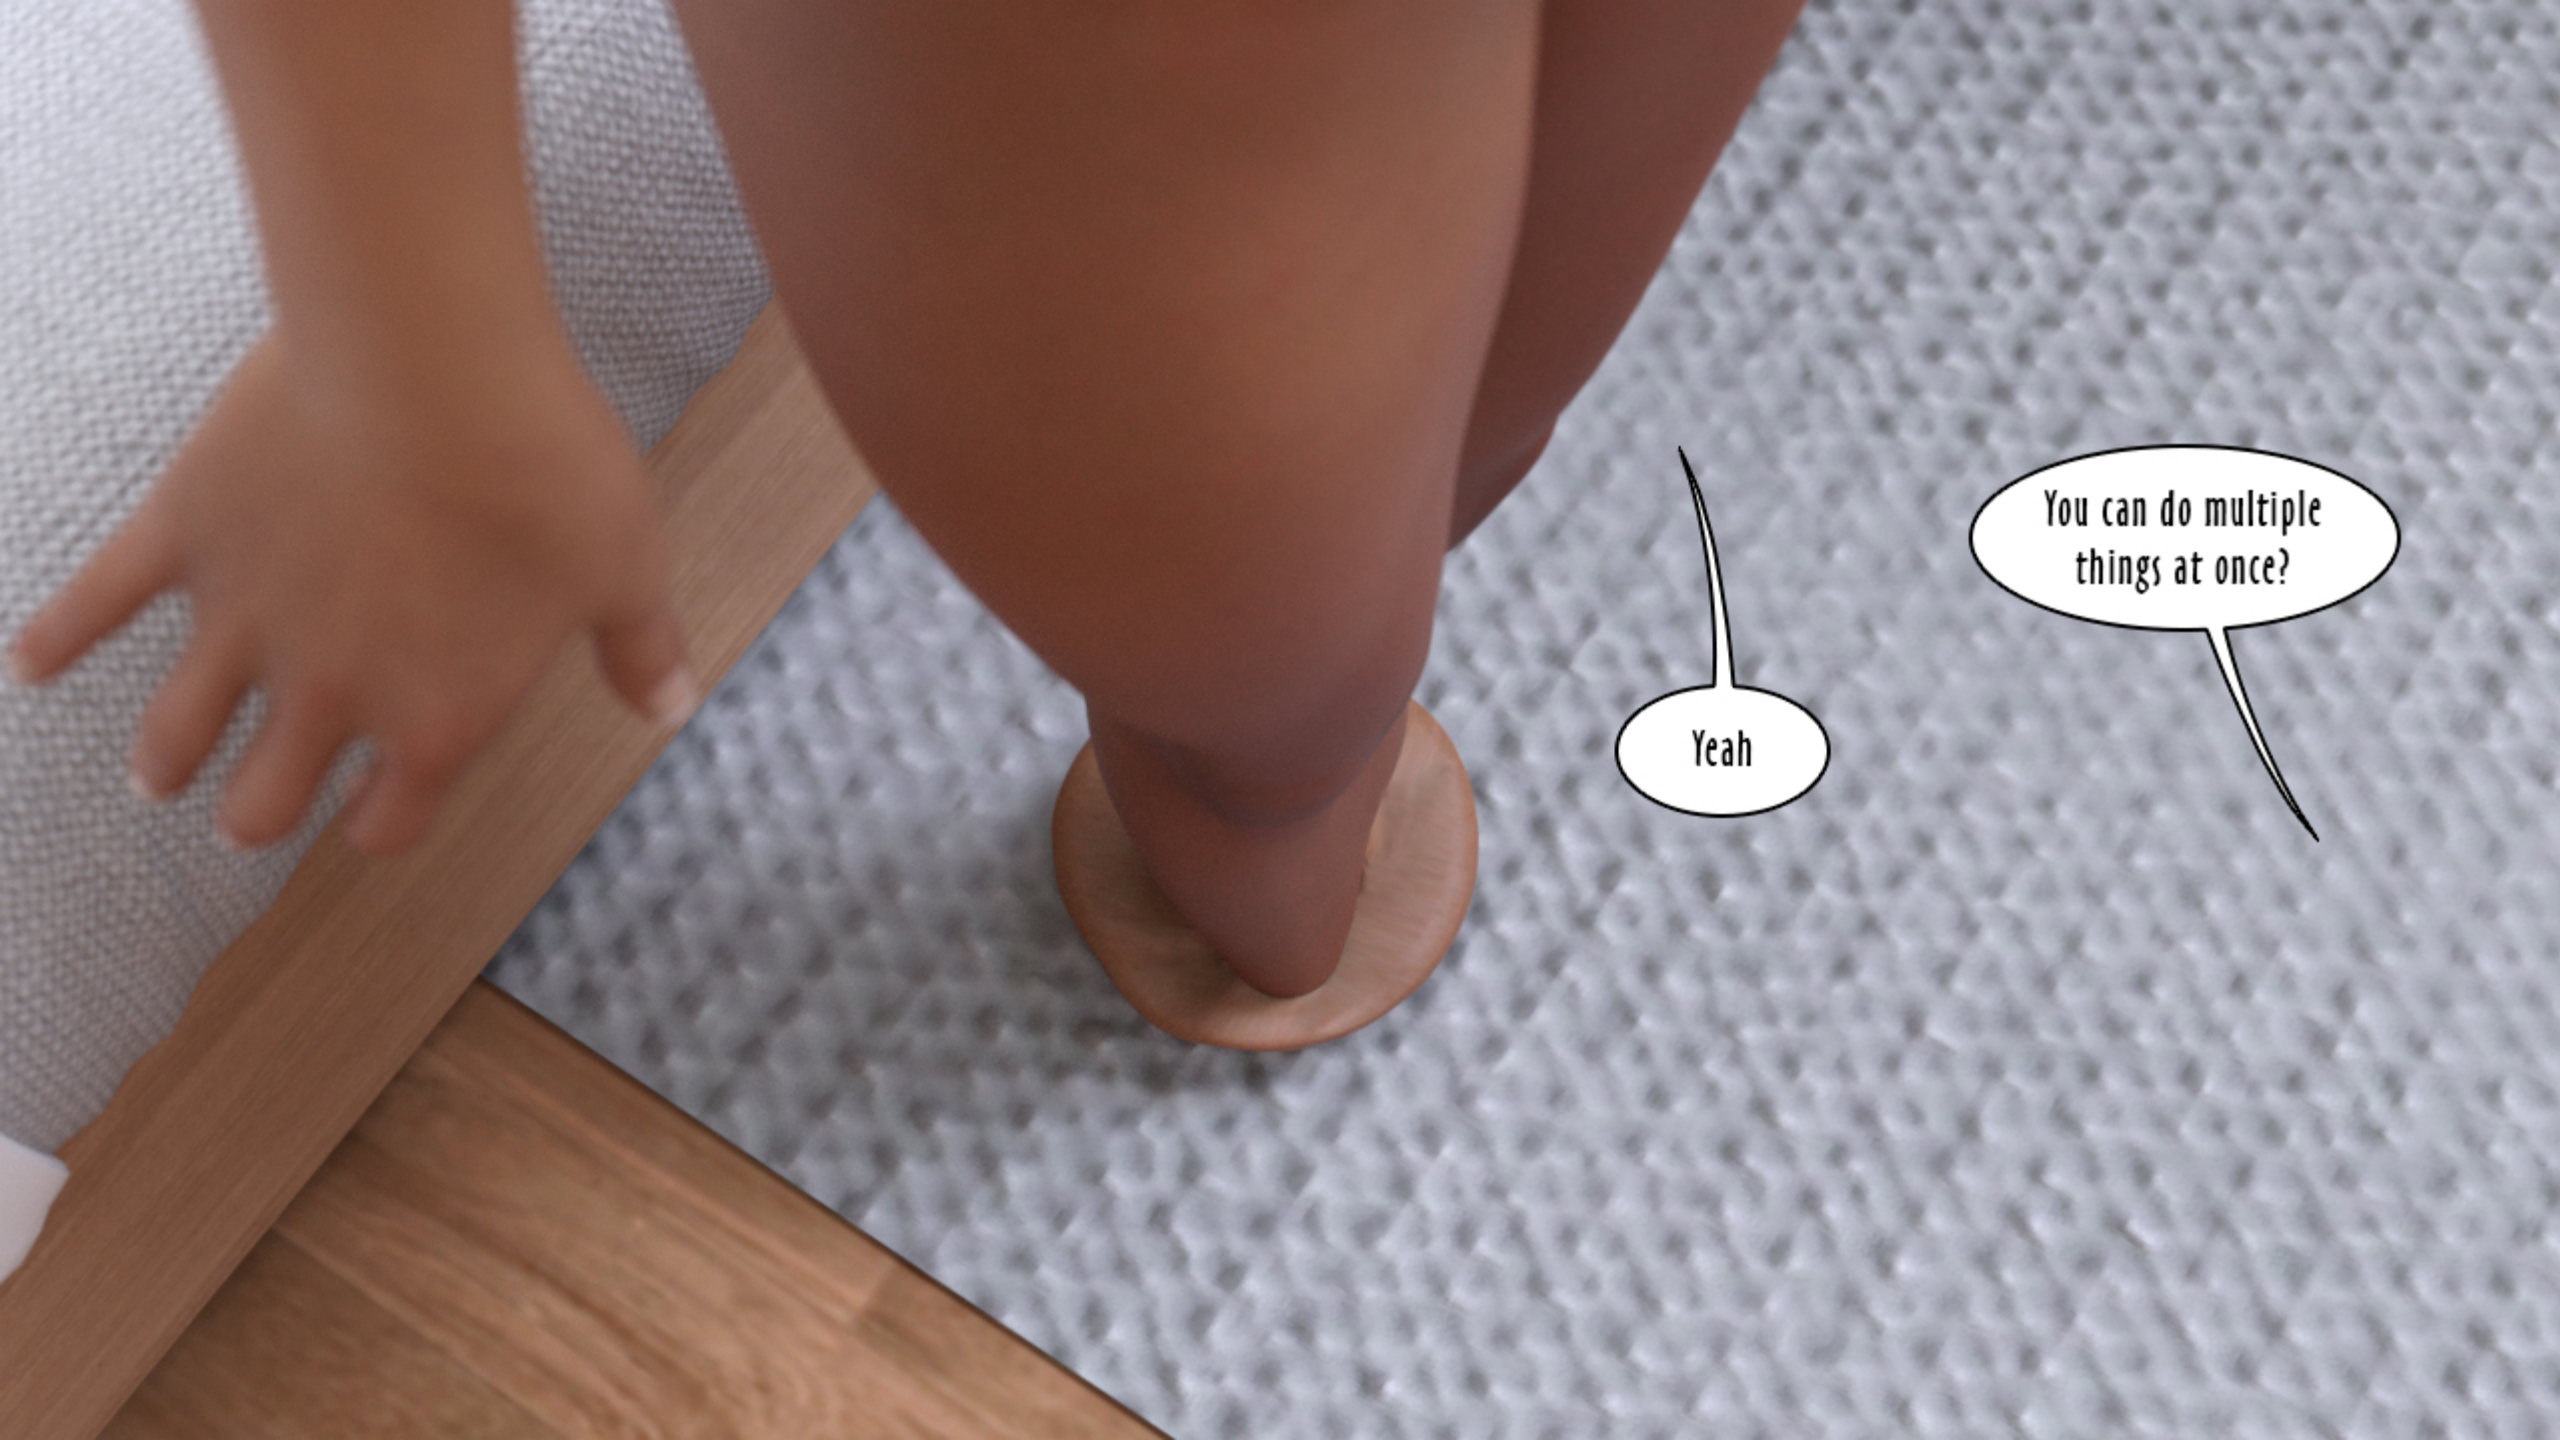

Alright, here
goes nothing...

Mmm...

Does it feel good?

Uh... gimme some time!
I want to savor this!

Yeah

You can do multiple things at once?

This has been
a fantasy of mine for...
years, now!

Wow! Well...
I'm glad I can help you,
I guess...

A close-up shot of a woman with long, wavy blonde hair lying on a bed. She is looking upwards with a slight smile. A speech bubble is positioned above her head, containing the text "Seems I need your hands come help me push!". The background shows a wooden headboard and a grey patterned blanket.

Seems I need your hands
come help me push!

And that's all
that remains of her

...her magic boobs
