

A 3D rendered woman with long dark hair is lying on her back on a bed with a white and grey diamond-patterned sheet. She is unclothed. Her eyes are closed, and her mouth is slightly open. Her arms are raised above her head, and her legs are bent at the knees. A white speech bubble with the text "AHH!" is positioned near her head. A blue oval text box with white text is located below her. The bed is on a dark brown wooden floor. A white pillow and blanket are visible at the top of the frame.

AHH!
