

Woah, this place is packed!

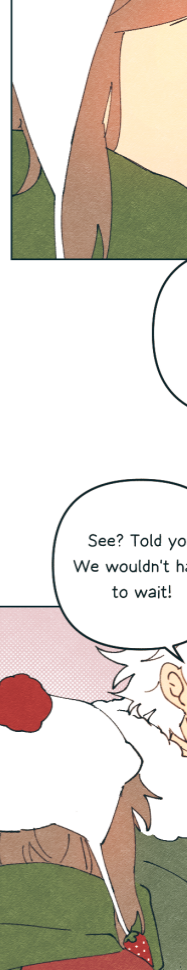

Well, it is Christmas after all..

Don't worry!

I already got us a reservation two weeks ago!

I'm sure we wouldn't have to wait!

Hi, welcome. How many?

Just two, and we have a reservation!

Great, what's the name?

Fraise.

Alright, we're getting your table set up now.

Should be about 5 minutes.

See? Told you we wouldn't have to wait!

Did I hear it wrong..?

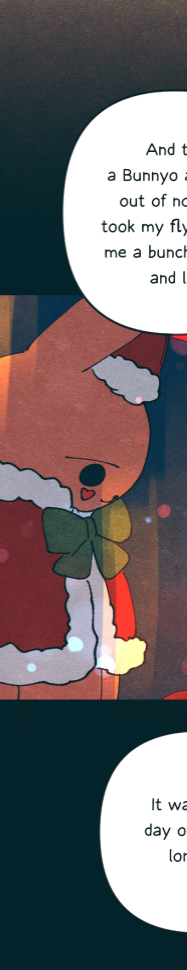

Is he seriously..

Fraise?

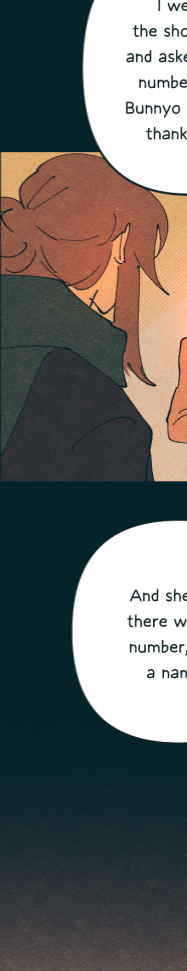

Oh yeah, that's just one of my aliases that I use when I go outside.

Most Sector 1 members have aliases, plus it makes things easier for us when we need to go undercover.

I'm not in Sector 1 anymore so it's really just a habit, plus it's convenient!

'Cause I still got my fake IDs~

I see..

Cherie?

So that was you, huh.

What?

Last Christmas..

I was handing out flyers in a mascot suit downtown..

Some asshole pushed me over

And then a Bunny appeared out of nowhere, took my flyers, gave me a bunch of cash, and left.

It was my first day off in such a long time..

I went to the shop owner and asked for the number of the Bunny so I could thank them..

And she said there was no number, only a name..

And it was Fraise.

Was that you, Crush?
