Lyrics:

Contumacious, inept and brainless
over confident, outspoken and courageous
I'd go on and on and on and on and on about him.
Problematic, and so dramatic
like an elephant in musth, so damn erratic.
And I'd go on and on and on and on and on about him.
A full extremist, obsessed completist
I'd know these things that were not any of my business
But I'd go on and on and on...

Seemed so untouchable, wild, irresponsible
Why was I so drawn to that?
Horse blinkers on I was closed off from everyone and
so much other great stuff....

Hedonistic, masochistic
Fulfill my expectations, completely unrealistic
Still, I'd go on and on and on and on about him
I'd get defensive, overprotective
I'd get so wound up and forget taste is subjective
I'd just go on and on and on and on about it

Stupid elitist, I was transfixed and heedless, oh man
Why was I fascinated?
Not cool to be around, I'd bring my family down
Sick of listening to his licks
Horse blinkers on I was closed off from everyone and
so much other great stuff....

It takes 10 or 20 years to soothe a swollen heart
But every time I'd try, he'd leave another bloated mark
How many wishes do you spend on a rebound?
And it's all but over when your heroes let you down.

It takes 10 or 20 years to soothe a swollen heart
But every time I'd try, he'd leave another bloated mark
How many wishes do you spend on a rebound?
Best not to think about it...

No more ambitions, no compositions
Seems to me he chooses to no longer listen
He just goes on and on and without it.

Just horrendous! And so pretentious
I've waited too long for him to something tremendous
STILL I go on and on...

Seemed so untouchable, wild, irresponsible
Why was I so drawn to that?
Stupid elitist, I was transfixed and heedless, oh man
Why was I fascinated?
Horse blinkers on I was closed off from everyone and
so much other great stuff....

It takes 10 or 20 years to soothe a swollen heart
But every time I'd try, he'd leave another bloated mark
How many wishes do you spend on a rebound?
And it's all but over when your heroes let you down.

It takes 10 or 20 years to soothe a swollen heart
But every time I'd try, he'd leave another bloated mark
How many wishes do you spend on a rebound?
And it's all but over when your heroes let you down.
