Movie Night!

I am so excited!

**Our local cinema decided to show the original
Star Wars trilogy over a span of several weeks.**

Episode V

THE EMPIRE STRIKES BACK

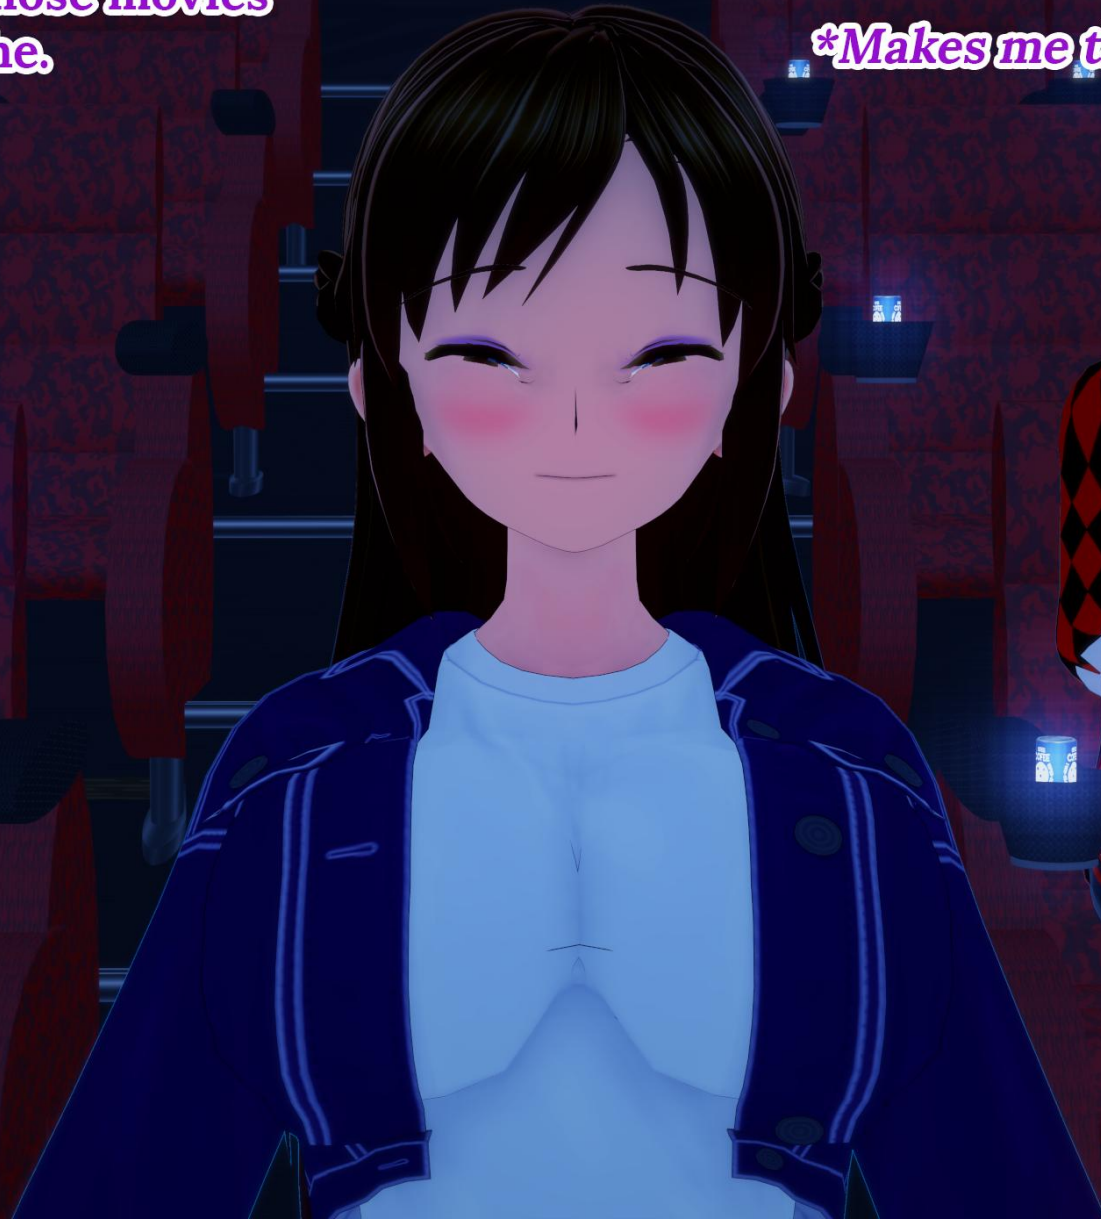

*It is a dark time for the
Rebellion. Although the Death
Star has been destroyed,
Imperial troops have driven the
Rebel forces from their hidden
base and pursued them across
the galaxy.*

*Evaluating the dreaded Imperial
Star Destroyer, a group of freedom*

***That sound!
So much better
than watching at home!***

Of course I have seen those movies
thousands of times, hehe.

Makes me think...

And therefore I thought quite a bit on how it would feel to be in that galaxy too!

Me as a Jedi, hehe..

Yeah, yeah, I can hear you:
Dorothea is fantasizing again, hihi.

Hehe, wouldn't
that be fun?

And every good movie hero needs
a great villain to fight against!

Humph...way too easy.

Wouldn't you agree, that Tiffy would look
absolute fabulous in one of those costumes?

There is nobody that can
stop me and my power!

Not to ruin the atmosphere, but honestly:
my sister is anything but a villain...
...even if she sometimes can be scary!

I control it all!

Time for my entrance. The hero of this story!

Who's there!?

Not...so...fast!

Of course to make this story better, we would naturally have quite the backstory, hehe.

It's...you!

You always celebrate your victories way too early...

Time to take her confidence away!

Oh my, she...

...wouldn't you agree?

**...is taller than
last time!**

Darth...Tiffy.

But how is
this...

...possible?

I can sense fear,
my little Sith Lord.

Gulp

You all know Master Yoda's words of wisdom.
Fear leads to anger. Anger leads to hate.
Hate leads to suffering!

A lot of fear!

She...is right...grrr!

I mean...can you blame this Sith Lord? I am almost twice her height!

Do you want to give up, Darth?

**What kind of power
does she have?**

So this is where
the fun begins!

I need to find out!
Not...at...all!

And so, our fight begins!

Take that!

Nice try!

Oh no, Master Yoda was right again:
Many Jedis tend to be arrogant!

Damn it!

Underestimated my speed,
my little one?

**Composure, Dorothea.
Show composure!**

****The force is my ally!****

**This is just
the beginning!**

And yes, fighting with my size can make some things look a bit awkward, hehe.

Your arrogant trust in darkness will be yours!

Your size will become your downfall!

Makes me think...would Tiffy be my sister in this story too?
Uh, that would add drama. Write that down!

We will see!

I am not so sure
about that!

Jedi vs. Sith.
Sister vs. Sister.

Get ready
for this!

Is this my chance?

But what caused her to turn to the dark side? Hmmm...

She thinks that I made a mistake. Good. Good!

What a rookie mistake!

**I may have a few good ideas.
Hire me, Disney!**

**Your size makes
you slow, Dorothea!**

**Damn it!
Missed her!**

Where was I? Oh, right.
Me fighting a Sith Lord, hehe.

You will never get
me, Dorothea, because...

Impressive, I must say.

A feisty little Sith Lord in fact!

...whatever you will try...

**Why is every Sith
just soo damn arrogant?**

But she forgot one important aspect...

**Give up?
Oh, I am sorry.
I'm a slow learner.**

**...I will always have
the high ground!
Now...give up!**

...and that is that the force is my ally!

Harrumph!

But it is you, that will
learn something now!

And a powerful ally it is!

Your empty words
are of no use, Dorothea.

If...you...think...so...

Time for my ultimate force power.

****Huh, what is she doing?****

****I can already feel it!****

The Light Side of the Force is a pathway to many abilities some consider ...

What is this that I am sensing?

Any second now!

It feels...powerful!

**Time to
unleash it!**

**..some might even call it a
great disturbance in the Force!**

No...way!

grow

***I am one with
the Force!***

grow

grow

She gets
even taller!

grow

**And the Force
is with me!**

grow

grow

How is this possible!?

grow

And I am not done.

grow

grow

Time to give the oh-so powerful
Sith Lord a bit of hope.

Is it...over?

**Hehe...far
from it!**

Only to crush it!

No...it isn't.
gulp

grow

*I am just
starting!*

grow

grow

This just has to break her will to fight!

**So...much...
power!**

grow

***And you could have
had it as well, Tiffy...***

grow

grow

**Any maybe, it was my only chance to
turn her to my side and save her!**

D-Dorothea!

***...but you chose
the Dark Side!***

Because there is still light in her.
I can feel it!

Stop. Please!

*What was it that
corrupted you?*

grow
grow
grow

And even after all you did...
I still love you!

This is insane!

*You can
be saved!*

grow

grow

grow

**But if you don't...
I will do what I must!**

grow

***I give you
one chance!***

grow

grow

Can you feel...the conflict?

grow

grow

Or is my growth
distracting you?

**How should I
fight her now?**

grow

grow

Time to hit her with the ultimate quote:

****It's...IMPOSSIBLE!****

****That felt so good!****

Hello there!

**By the way: Dear prequels,
thank you for all the good memes!**

**Dorothea...where did you learn...
how is this all possible!?**

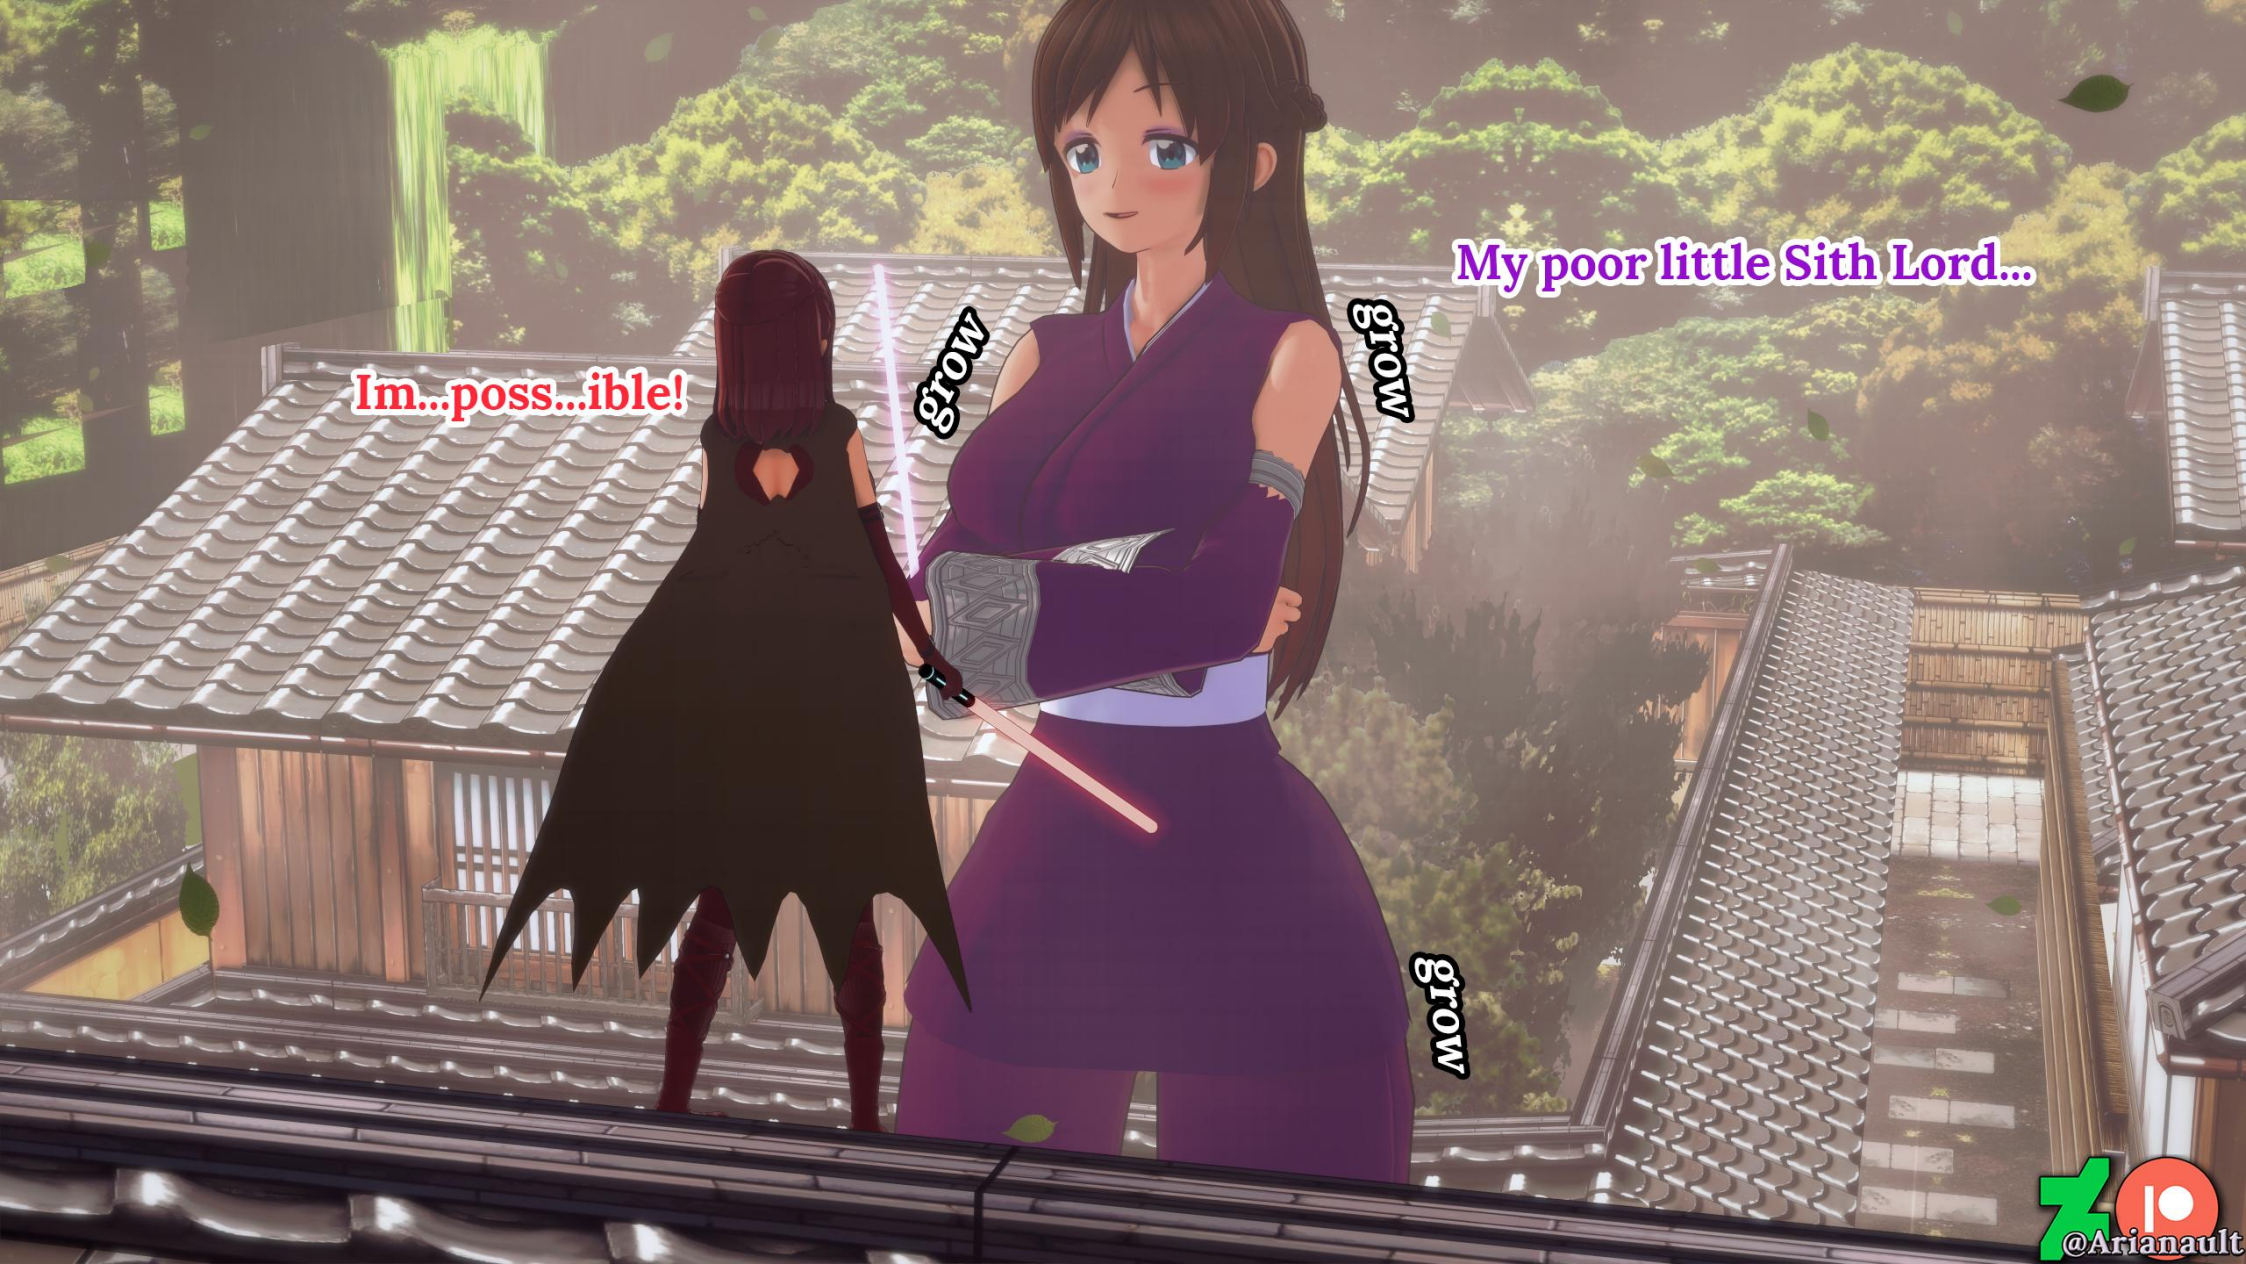

Well...

Anyway, back to my little story!

You...aren't!?

...you think that I am done?

Im...poss...ible!

My poor little Sith Lord...

grow

grow

grow

...my power has become limitless!

LIMITLESS!?

grow

grow

grow

Seems as little Sith Lord here finally came to her senses!

I knew it!

I...cannot...fight...

grow

grow

grow

Took her long enough anyway!

...you are too tall!

grow

grow

grow

And she only gets bigger!

grow

grow

grow

So...do you want to continue,
my Sith Lord?

***ARE YOU
KIDDING ME!?!***

Because I can go
like this all day!

grow

grow

***STOP IT
ALREADY!***

grow

As you can see, hehe.

ARGH!

grow

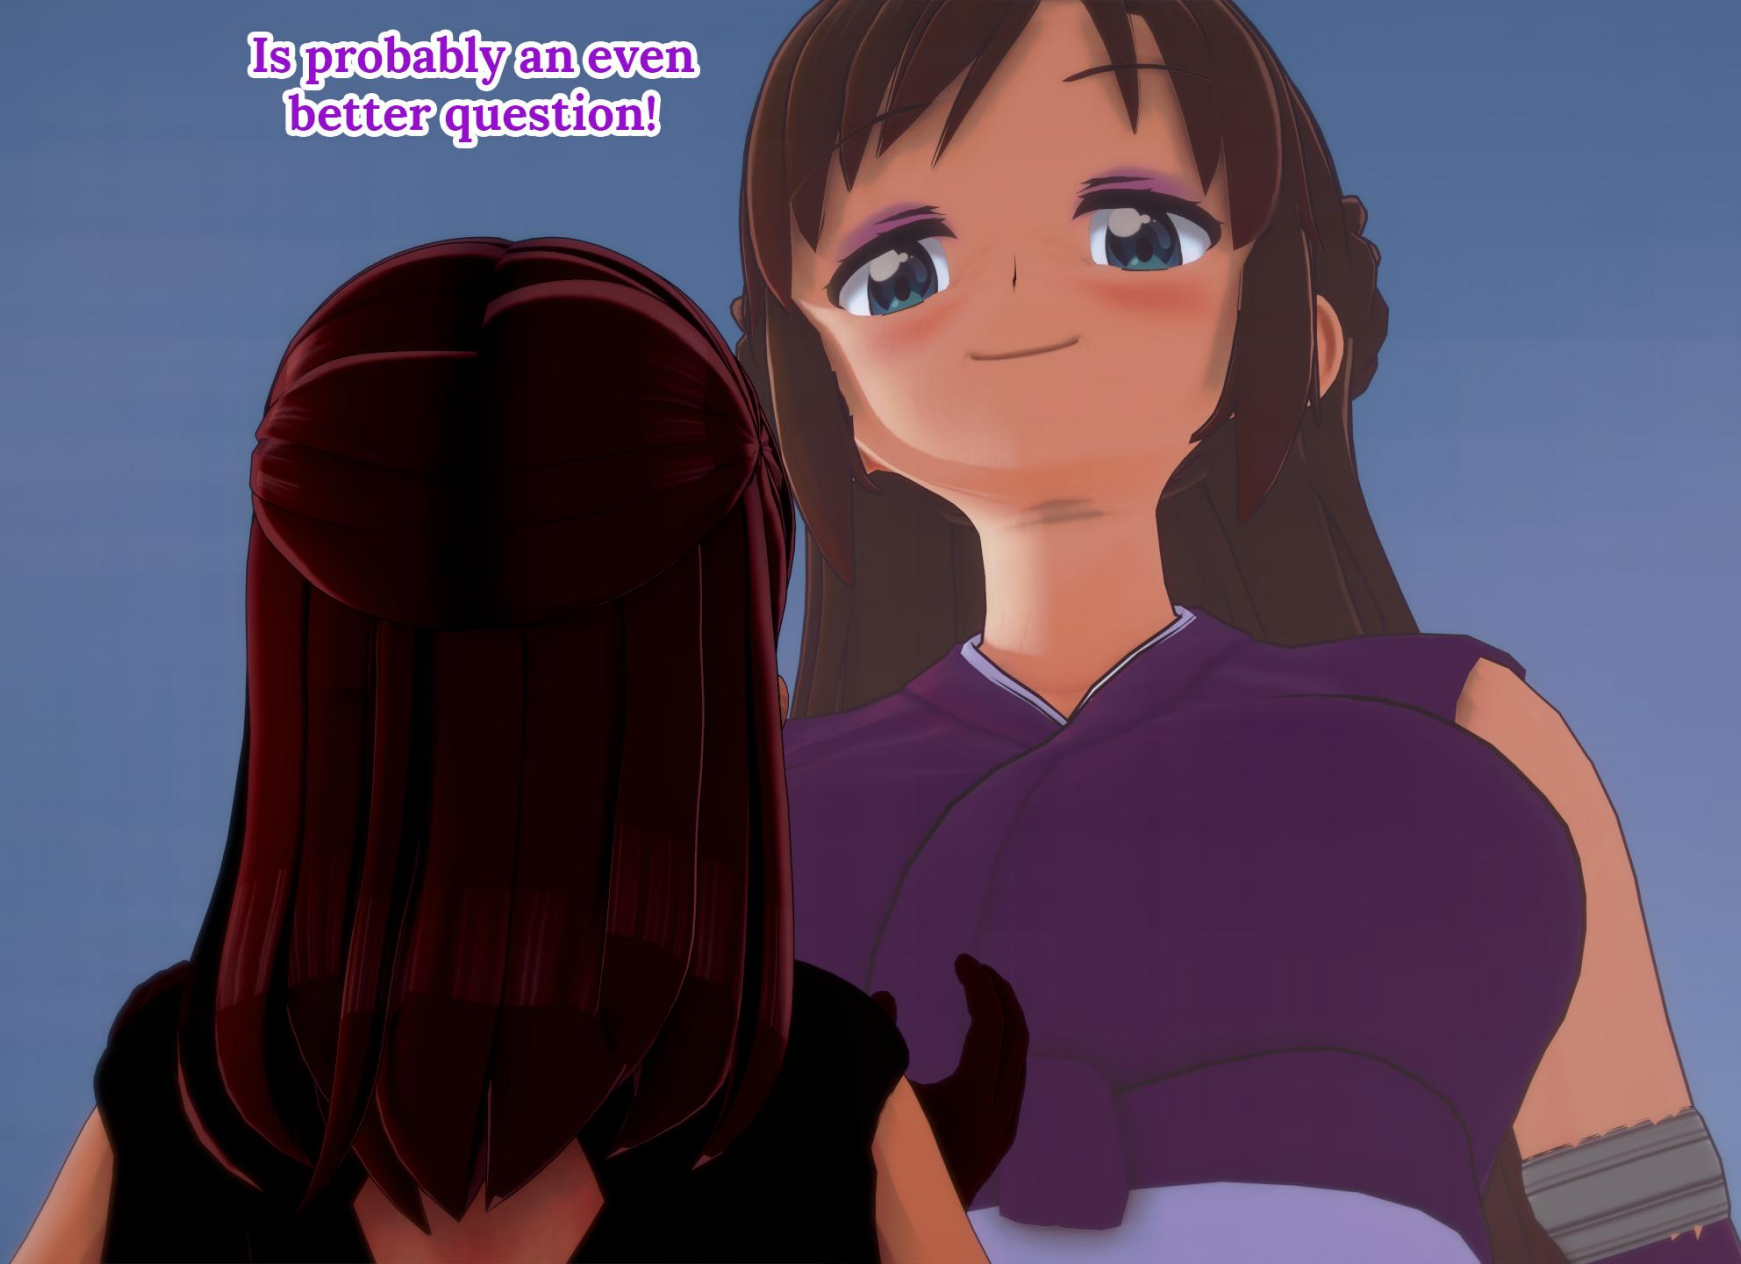

grow

grow

But can YOU still see ME?

Is probably an even
better question!

At long last!

Grrr
Dorothea...
I surrender!

But not only did she give up...

Do you...accept?
Accept and forgive me?

Do you...actually mean it?

Please. Take me
back...my sister!

**And make me learn
these powers!**

Good!

Of course I do!

So...big!

**I want to be with
you, Dorothea.**

And learn
from you!

**Can I trust her after all these years
as a Sith Lord in the realm of darkness?**

**On the other hand...
she is my sister.*

*And with her size no
threat to me anymore.**

Tiffany. I...forgive you!

Good!

And if you truly want to learn from me.
Come and go with me, but I must warn you...

**...this power may be more
than you can handle!**

I will take that risk!

****So damn tall
and powerful!****

This is how I returned my sister to the light!

****I hope, this was
no mistake!****

****I can feel her power
already resonating
with me!****

But still...she is my sister!

grow

grow

Yes!

grow

What if...

**Why do I still have
doubt in her?**

...this was all...

Something clouds...

grow

grow

grow

*...part of a much BIGGER plan?**

...the Force.

SHE will be very pleased with me, hehehe.

grow

grow

****And very soon, even SHE
will be under MY control!****

grow

grow

Was it all a scheme?

Everything is proceeding...

The true puppet master...

...as I have foreseen!

...was not who I thought it was!

Grow, my beauties.
Get more powerful.
Fulfill my plan...
and my desire!

grow

grow

grow

The End...?
