-----Gameplay-----

Gameplay

I’ve been working hard on getting the system for the Quest Guild down and I’ve added a few quests to test it out on.

Quest 1 – Find a dildo around Piratetown.

Quest 2 – Catch a quick bird running around Dough Cal cafe’s attic.

New chests in Water Dungeon 3rd floor.

Droprates for Tentacle and Saphura's Guard.

You can now craft Magnificent Sapphire and The 3rd tier Water Spell Ring at Wizzy's after showing him a sapphire.

Battle changes

A new battle against Saphura's Guard on the 3rd floor of Water Dungeon. He has 2 skills he can along attacking you with water attacks.

Knock-Out

Deal 3 times your ATK to a target that has below 30% HP.

Look Sexy

Heal 30% Max HP and increase ATK and DEF for a few turns. Can only use this below 50% HP and twice per fight.

Octorn will use these special skills in his fight.

Octorn has a fight priority list.

0. When the fight starts, any remaining tentacles left use their 1-hit KO skill on your party members.
1. If no target has STRUGGLE state, Octorn drags one of your party member's underwater.
2. Octorn has a 33% chance to use Squeeze on a target with STRUGGLE.
3. Octorn uses Tenta-Slap.

Drag Underwater

*Octorn drags one of your party member's underwater and giving them **STRUGGLE** state.
You can drag them back by an ACT skill.*

Struggle

Can't do anything and lose 10% HP per turn for 2 turns (3 turns if you count the same turn when the Drag Underwater skill was used)

Squeeze

*Octorn squeezes a target with the state **STRUGGLE** to deal 2 * ATK against them.*

Tenta-Slap

Replaces Octorn's normal attacks.

Skills

4 new ACT skills against Saphura's Guard on the 3rd floor of Water Dungeon.

Tease

Tease the guard with a friendly jab.

Flirt

Flirt with the guard.

Accuse!

Accuse the guard for slacking off on work!

End Game

End the game with an infatuated Saphura's Guard.

ACT skills for Octorn fight.

Helping Hand

Lend a helping hand to a struggling ally. Removes Struggle state.

Think

Think of a way to defeat Octorn.

Tentacle Handjob

*Give a tentacle handjob. Once you've given each 8 one, Octorn becomes **INFATUATED**. At 4 he becomes **CHARMED**.*

A new skill for Fucko.

Struggle Shot

Cost: 50 TP

Shoot at a target and they get STRUGGLE state until the end of next turn.

Enemies with STRUGGLE can't use their normal attacks and skills.

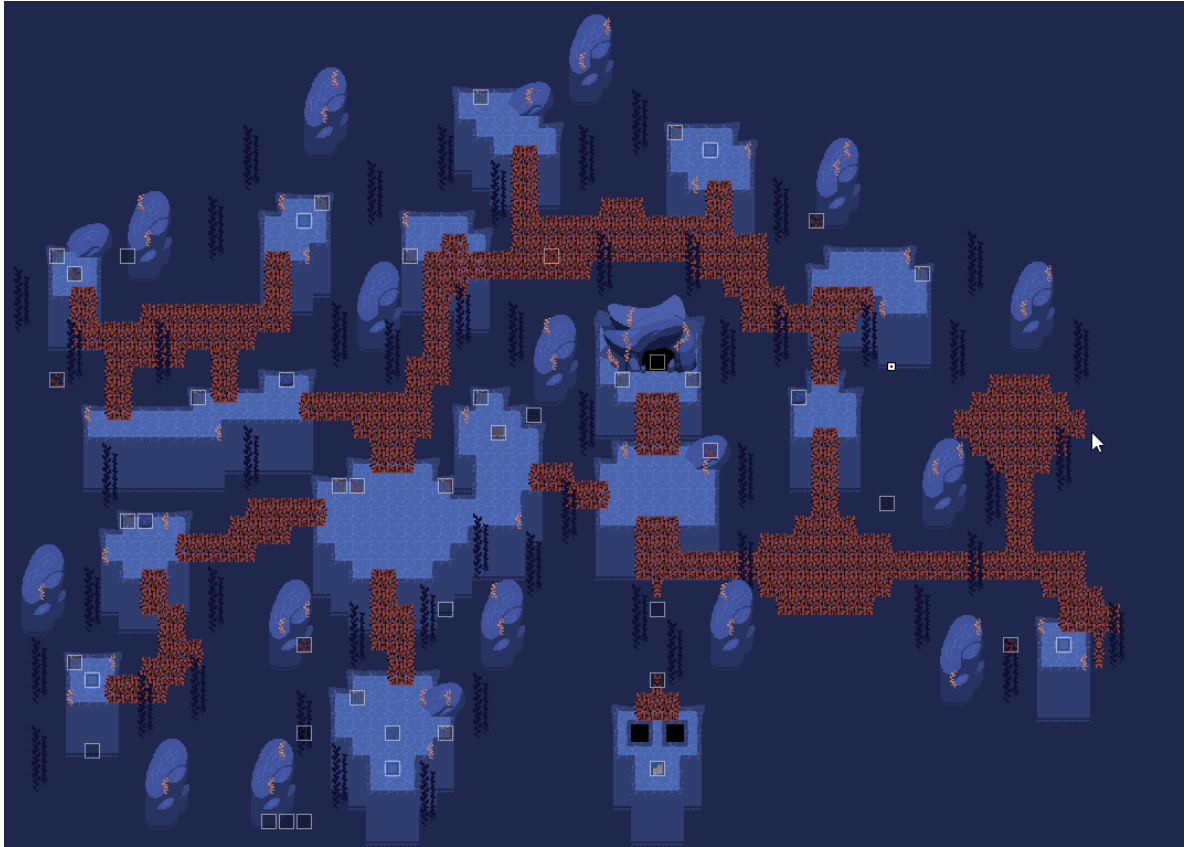

A new skill you get by equipping "Anal-Goggles".

Scan (Special)

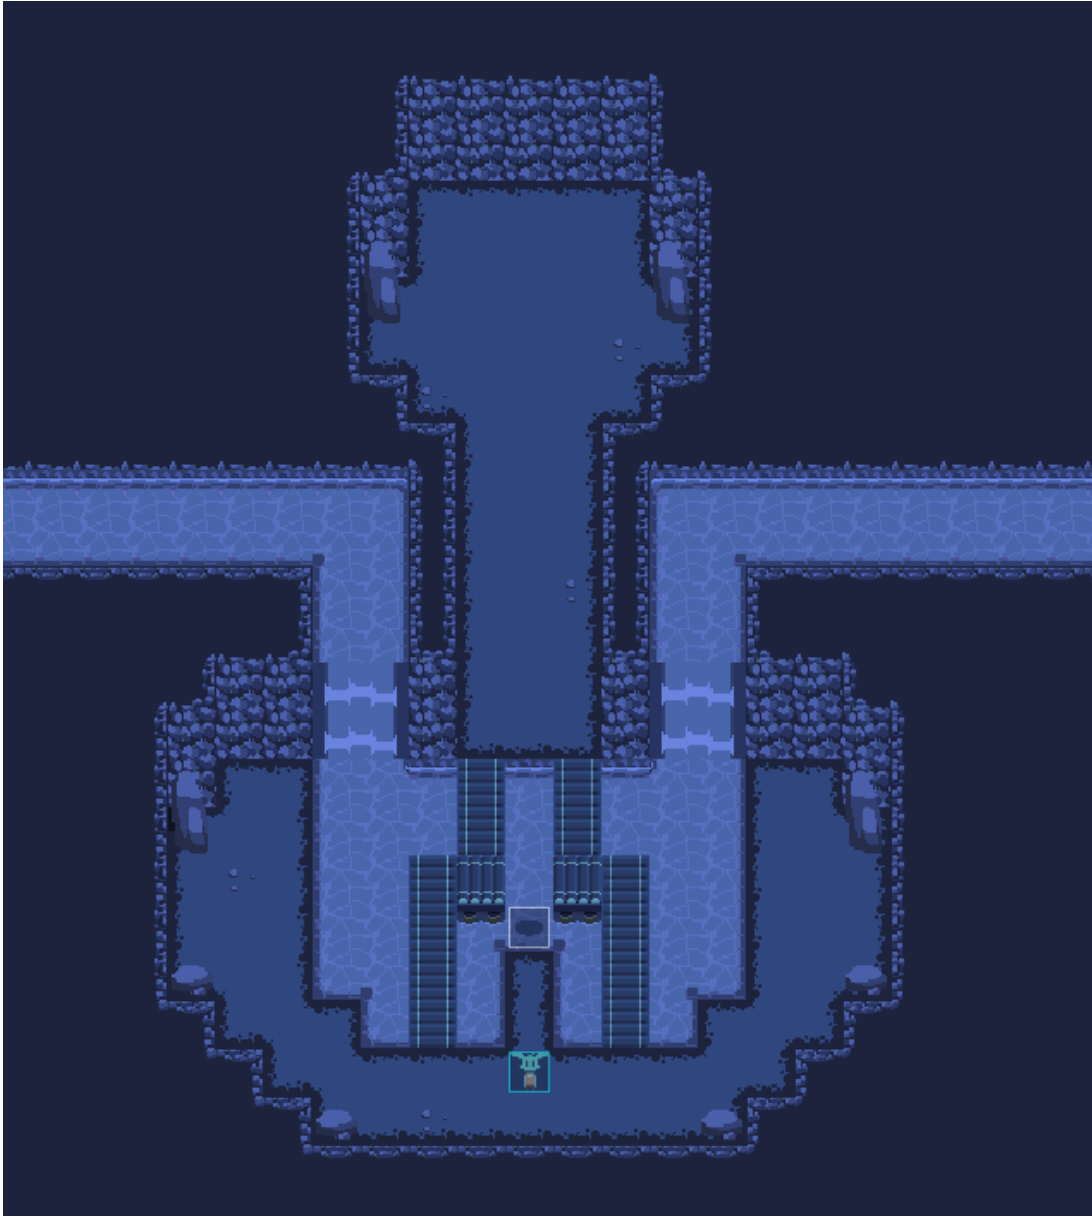

Scan enemies for their weaknesses.

Layout

Extended Piratetown underwater area.

A new cave you can get to through the underwater area. It will be part of a future Quest Guild quest.

-----Bugfixes-----

Fixed a bug where Water Chests didn't consume a Water Key.

Lace's Barrier spells now work as they should. They absorb a fire element for 1 turn for ALL allies.

Determinator's Determination State now correctly gives you 50% CRIT instead of 25% when below 25% HP (not 20% HP).

Confusing Ring now is the correct rarity tier.
