

Office Party – Scene 02

Fuzzy Memories

YAWN

Where am I?

Did I drink too
much last night?

This is my bed...

The drinks at the
bar were good.

I don't have a
headache though.
Actually, I feel
good.

Have to remember
that bar!
No aftereffects!

What happened
last night?

There was a
party... We all
went on stage...

I don't remember
a thing!

What time
is it?

Damn!
I overslept hard!

Hiho!

It's fine. Stacey said to come in later today, cause of the party.

Nice!

Morning!

Sorry for being late.

Morning

Oh, thank god. He does not remember! That would have been so embarrassing.

Hey Dylan. Remember what I told you yesterday at the party?

Oh. Nothing important.

Eh... To tell you the truth. My memory is a bit foggy. What did you say?

Damn... How do I ask them about yesterday without them thinking I'm a stupid drunk?

Damn alcohol! Did she confess to me or something?

Stupid drunk!

Great start of the day. Now I even dropped my pen!

Where is it?

Ah there it...!

Holy cow!

Something wrong Dylan?

Did you forget something today, Isa?

Oh, shit, I said that out loud!

Eh sorry about that. I'll just sit down and shut...

Oh dear, how do I get out of this one... Well, whatever. It's her fault for not wearing any!

No no no. Now we want to know. What did you discover?

Ever heard of panties?

Yeah! What do I have allegedly forgotten?

Can't say I have. What's that?

Panties?

An awkward discussion about panties later.

You put this panty thing over your genitals, wearing it under your regular clothes?

Why would anybody do that?

If you know so much about it, are you wearing panties Dylan. Mind showing them to us? So, we can picture it?

Never mind that! More importantly, you went down under the desk to go Vagina watching?!

No! I just dropped my pen! Listen, lets focus on work now.

Please, forget we talked about this.

Hm that could help hide some embarrassing stains...

Hey Isa, watching anything new on Netflix?

What was that? Are they ignoring me now?

Nothing good right now. But I'm looking forward to next month!

You okay, ladies?

Oh, don't feel left out Dylan. But you know we have quite different taste in series.

Later that day...

Alright. Let's just get these copies and then it's almost time to go home. Today's movie night!

Ah! Ah!
AHHHHHH!

Oh my! There is somebody screaming in the file cabinet!

I hope they did not fall down the ladder!

I need to help quickly!

Oh Yes! Yes! Yes!
Yes!
Ahhhhh!!!!

What the... Is she...
Yep... She's having
an orgasm... and it's
a huge one!

Oh my god! It's still working. It's just like at the party!

Hey, need a helping hand?

Option one, say something cool.

Option two, get out of here before she notices me.

She hasn't noticed me yet!

But she has calmed down ...

The night before...

Sayo thinks back to the events of yesterday's party.

No Way! *Hix* If the man's giving it to you real hard... you cum and scream like crazy!

You never had a screaming orgasm?

... I do enjoy... the act of love making... it feels good. I just never felt like screaming from ecstasy...

Don't look at me. I'm a screamer. Doesn't happen every time. But if the sex is good, I'm an acoustic explosion!

Well, I guess every woman is different...

Bullshit! You just never had a good POUNDING!

I have an Idea!
We can use the
suggestions!

Sayo, I say you should
experience a screaming
orgasm! Who is with me
on this?

Well duh, of
course I'd
like to...

STOP!!!!

Trust me, you do not
want to do that right
here at the table.

Here, take this. I propose that when you read the words written on this paper, you'll experience your most enjoyable screaming orgasm.

Yeah, do that, \$ayo!

Thanks guys...

Now go to the bathroom and have some fun.

I wonder if this will work...

What the hell!?

What was I wearing down there? Doesn't matter. Gonna throw it away later! Orgasm first!

Huff... Alright Sayo! Let's do this!

Funny choice
of words
Charlotte...

Oh my! I
feel strange.
Mhhh. I think
its' working. I'm
all tingly down
there.

Oh my! This
feels GREAT!

Mhhh

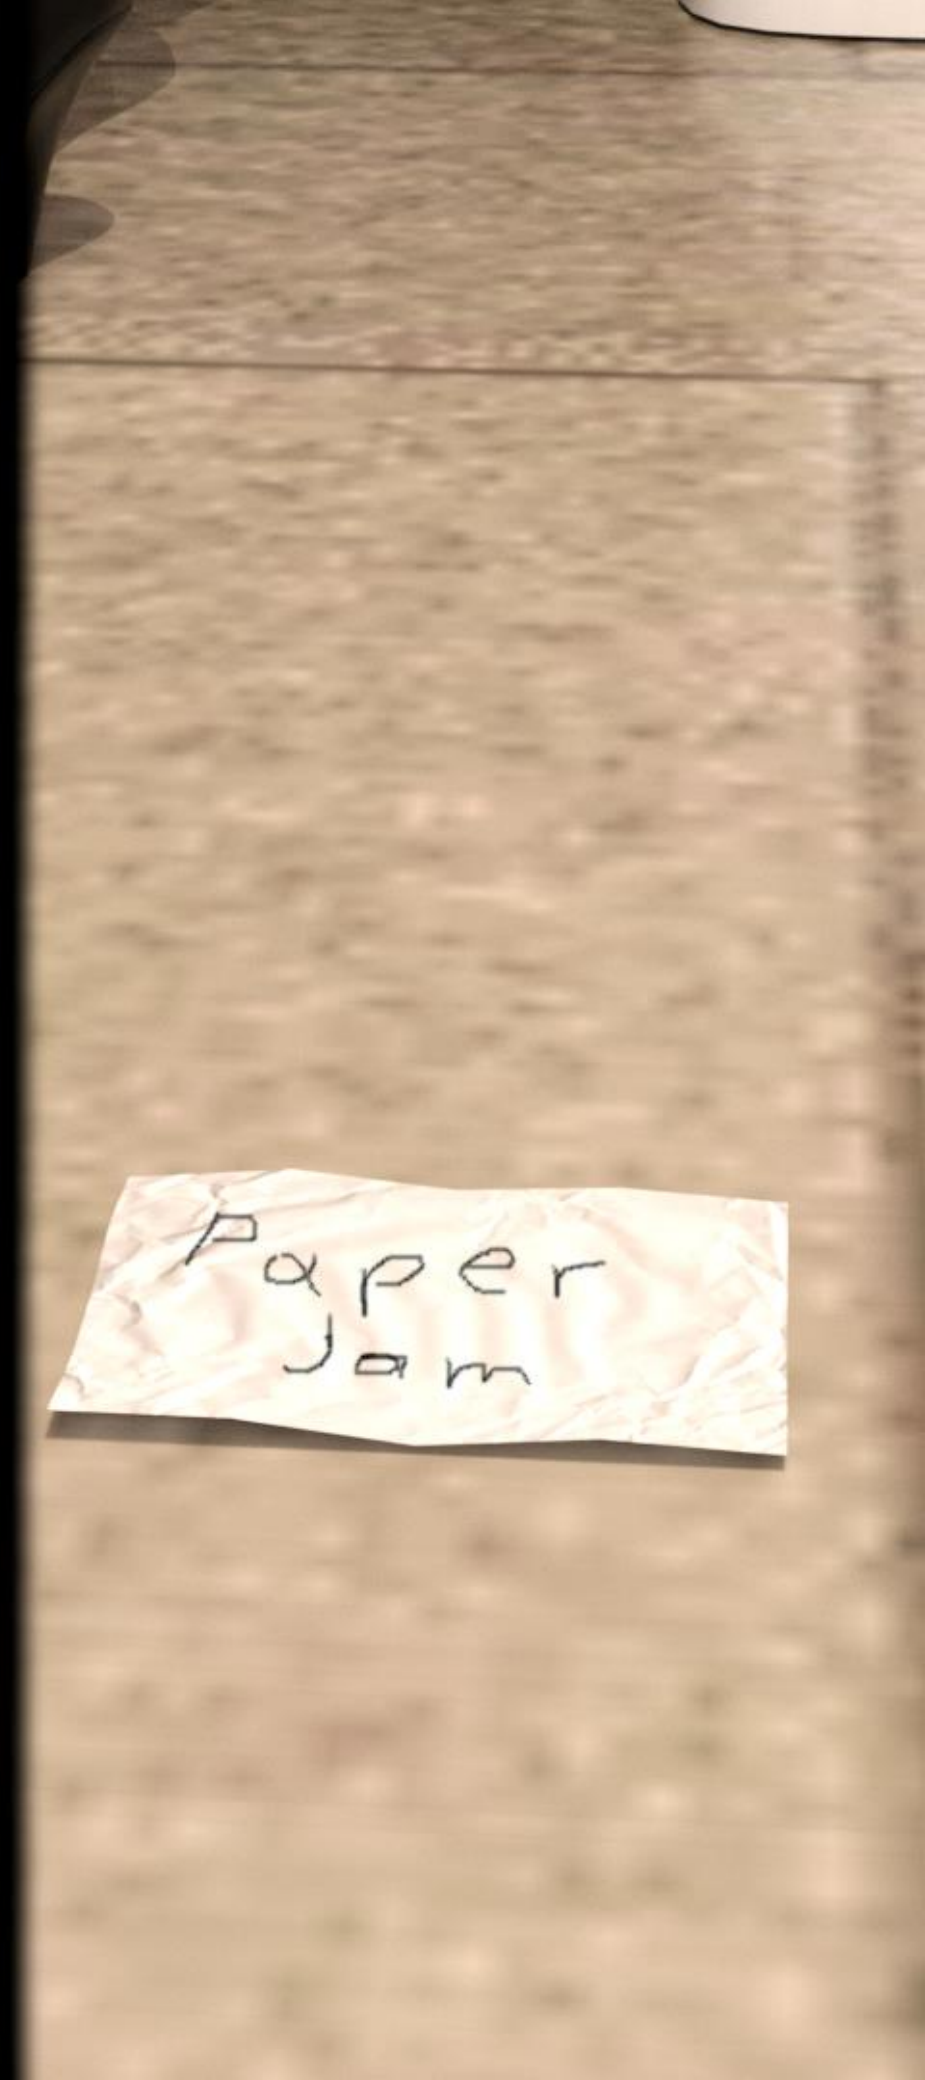

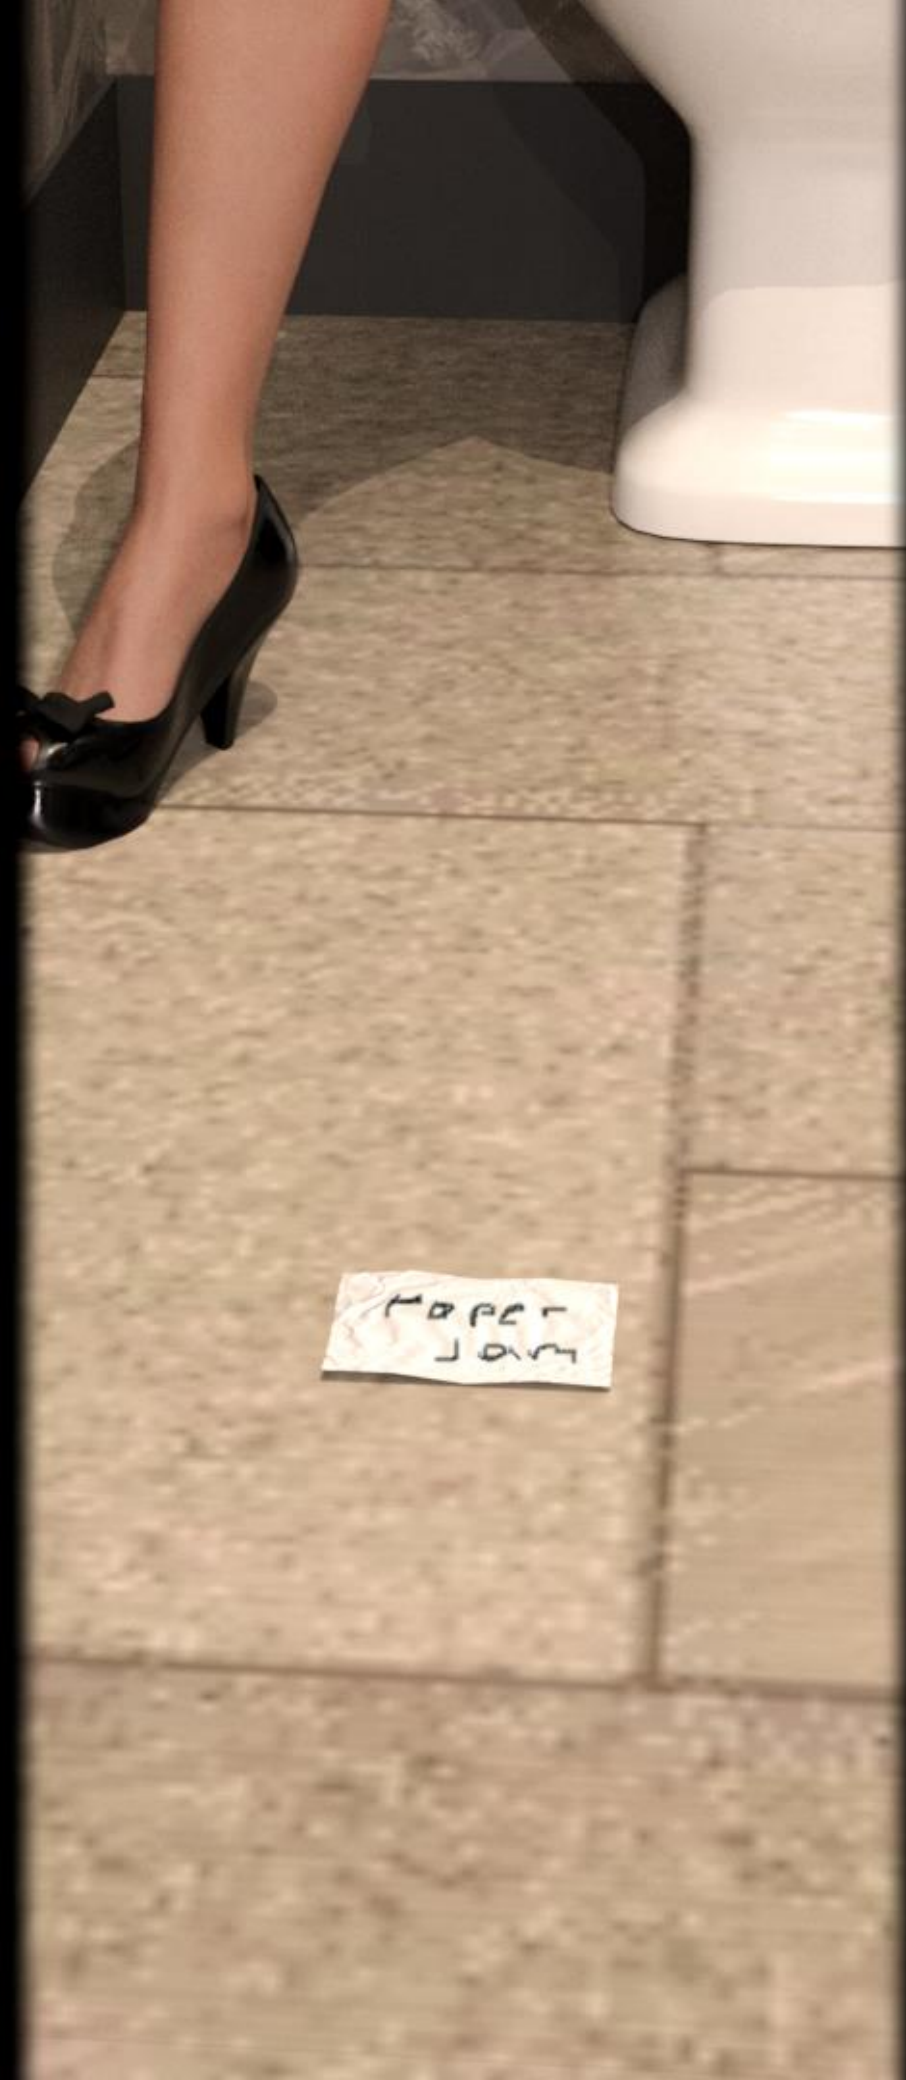

...

Oh YES!
YES!
Ahhhhhh!

Oh my god YES!
Ahhh! Ahhhh!
FUCKKKK!!!

Back to the present

Oh god! Dylan saw!
I'm so embarrassed
I could die!

Since this trigger
is still working...
I must try it at
home!

I have to remember to
tell the others that all
the subliminals from
the party are still
active!

...

Dylan!?

How long have you
been standing
there?

Oh my god I'm so
embarrassed. Please,
can we pretend this
has never happened?

Crap took to
long.

Option three
pretend you
didn't see.

I most definitely have
not seen you screaming
your heart out while
orgasming at the
printer!

Sure!

Just forget
about this whole
situation.

Oh Dylan. It's great that you are here. The printer has a paper jam. I'm sure you can handle this easily? Pleeese?

Thank you!

Eh... Printer... Yeah... ehm.. Sure. I'll help you with the printer.

Wow...She really is good at this "pretending it never happened"!

Last night before my boyfriend leaves for his business trip. Can't stay long today!

5 Please Dylan, do the late shift today. For me. Pretty please!

3 Not doing it today!

Today's movie night! Movie night is sacred! No way I'm staying late tonight!

1 Hey James, can you do the late shift today?

2 Nah sorry. Lucine and I already have something planned for the evening.

Dylan should do it.

6 Fine. I'll do it.

4 Don't look at me. I did it yesterday. Dylan should do it!
