Can't believe that it's  
been a year since the  
outbreak...

Now, human have to  
hide away from the

and not lose any soliders.

A manga-style illustration depicting a scene at night. In the foreground, a young woman with short black hair, wearing a tan military helmet and a tactical vest, is pointing a large assault rifle directly at the viewer. She has a determined and slightly surprised expression. In the background, another young woman with long dark hair and blue eyes, wearing a light blue button-down shirt, stands looking on with a neutral expression. The setting appears to be an outdoor area with a chain-link fence and a dark sky with stars. Two speech bubbles are present: one on the left with red text and one on the right with black text.

This is Chika, where the heck are you!?

We arrived...

...right on schedule,  
Rescue-2!

A group of about ten people are dancing in a large, dimly lit room. They are wearing dark clothing and are in various poses, some with arms raised. The room has a tiled floor and a large, dark, angular structure in the foreground. A speech bubble is overlaid on the scene.

Seem like you got quite a party down there, Rescue-2.

A soldier in a camouflage uniform is aiming a rifle on a metal walkway. The rifle is a modern assault rifle with a magazine and a scope. The soldier is wearing a helmet and a tactical vest. The walkway is made of metal grating. The background is a dark, industrial setting.

It's time to crash it!  
Light them up, D-11

A night scene on a balcony. On the left, a young woman in a military uniform, including a helmet with a microphone and a tactical vest, holds an assault rifle. She has a calm expression. On the right, a woman in a light blue button-down shirt and dark skirt stands with her hand to her chest, looking slightly concerned. The background shows a dark sky with stars and a metal railing.

Party's over. Let's  
get you two home.

We are... saved?

Clear out, girls. We  
are landing.

Hey there lady,  
tired of those  
decayed corpses?

I never thought  
this day would come...

You're late. I  
almost become  
their dinner.

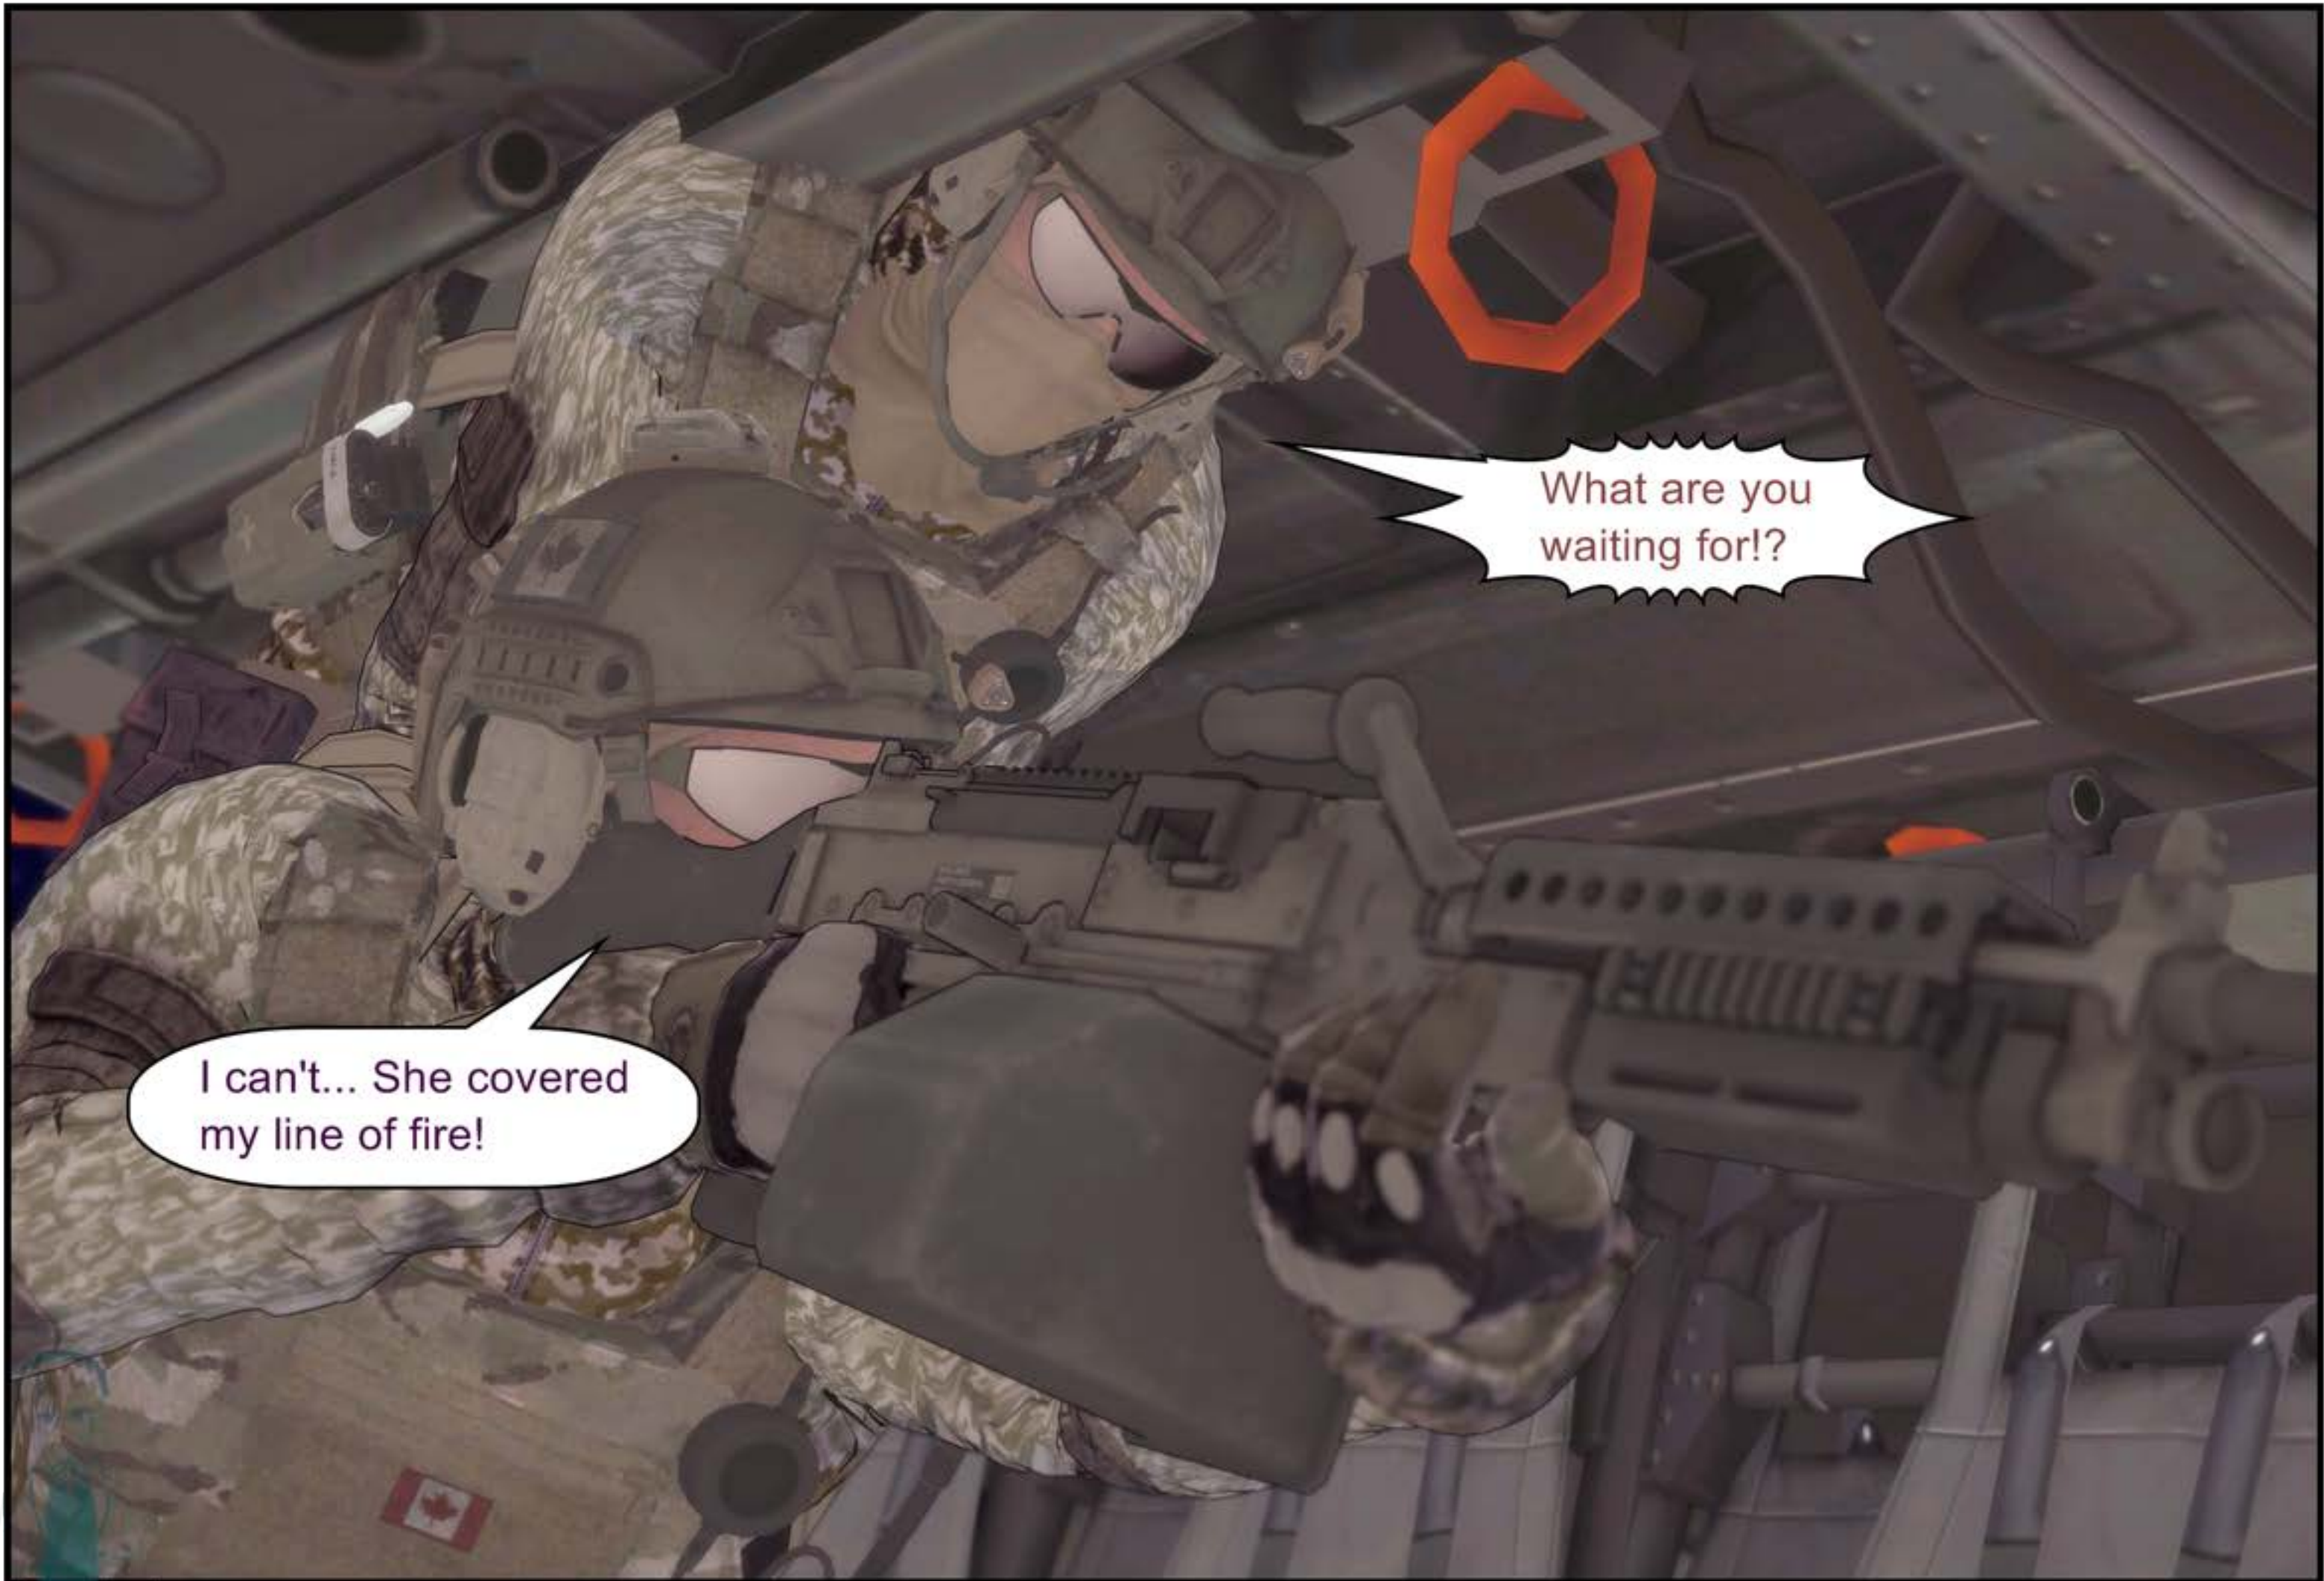

There's one more!?  
Where did it come from!?

Kyyyyyaaaaaaa!!!!

Gaaaaahhhh!!!!

Please!!! Help me!!!  
Someone!!!

I can't... She covered my line of fire!

What are you waiting for!?

What in the world is...

It came out from that corpse...

Un... Gulp... Gulp...  
Nn.... Gulp...

Someone do  
something! She's...

Gulp... Gulp...  
Un... Gulp...

We must go now,  
Chika! We already  
lost her!

Gulp... Gulp...  
Slurp... Gulp...

Come on! We must leave, NOW!!!

All aboard! Ready to take off!

Gulp... Gulp...

A woman with dark hair and blue eyes, wearing a light blue button-down shirt and a dark skirt, stands in a gym. She has a thoughtful expression. In the background, several muscular men are working out. A speech bubble points to her.

Hummanity... huh?

What was that...?  
Some kind of parasite?

Definately... I have  
never seen anything  
like it since the outbreak.

We should have put  
a bullet into her head...

Yeah... Right now,  
report back to HQ  
what happened.

A character wearing a dark, well-tailored suit is sitting on a metal grate. The character's hands are clenched into fists, suggesting frustration or anger. The background shows a metallic structure with a handle. A speech bubble is positioned above the character's head.

Damn it... The engine is fried...

Hardly to find  
any parts to  
replace...

Komuro...

Seem like we have to find another vehicle.

Agree. I don't want to walk along with the undead...

Bad luck for us today.  
Still a long way to the  
military port.

At least, we have  
the army take them  
to safety first.

Due to none character available... Image is set for replacement XD

You mean Zeke and Alice right? I hope they are doing okay.

Yes, but our situation  
right now... Why didn't  
they come pick us up?

Well, they left us with  
an armored car and some  
supplies, Takagi.

Uh... I afraid it's about  
to run out soon.

Most importantly...  
I have to interrupt  
these two...

This morning, we found  
both of them naked  
in the room.

Any of you care  
to explain why?

I don't remember...  
When I woke up,  
I was like that...

M-Me too... I have  
quite a strange dream.

Shizuka-sensei,  
did you try to flirt  
Kohta with your...

O-Of course not! I  
will never do that to  
my student!

I remember the dream now... I saw sensei naked and laid on my body...

Stop those  
pervert thinking!!!

A dream, hm?  
This sound familiar.

W-Well... Calm  
down a bit, Takagi.

Except for this  
one, I won't.

Seem like... they  
want to join in  
our conversation.

T-That many...?

Everyone! Get ready! They're coming!

We don't clear them out soon, we will be cornered.

A character with short dark hair and glasses, wearing a dark uniform with a badge, is firing a rifle. The rifle is pointed towards the left, and several bullets are shown in mid-air. The character has a determined expression. The background is a bright blue sky with white clouds. A yellow and black striped pole is visible on the left side of the frame.

Yeah!!! Eat these  
556 you undead!

H-Hey! You are  
wasting ammo!

Yaaaaahhhh  
Hahahaha!!!!

Haaaaahhhh....

"I... I can't pull it out!"

Stay away from  
her, you ugly corpse!

Nice support,  
Komuro!

Be careful next  
time, Rei.

Everyone! What's the situation on that side?

They just keep coming...

It never ending of those corpses...

It because Kohta  
opened fire and  
drew them in!!!

Run to my side!  
We have to get out  
of the street!

"These undead...  
Something's off  
with them."

Everyone! This way!
