## Chap 1: Blu In Peril

What a delicious group of girls. This class should be fun.

Don't dawdle ladies; and stop staring at that statue. It's vulgar and indecent.

I'm sorry Sister Agatha. Her breast were so full, and her hips so seductive.

Of course Sister Agatha. I'll try harder in the future.

I'm dissapointed in you Novitiate Teresa. Staring at that statue was shameful.

When we get to your room you'll have to be disciplined.

Scorpio69

Ladies, I told  
you to stop staring  
at that statue.  
It's indecent. Now  
come along to your  
room. You don't  
want to dissappoint  
me.

Sister Agatha this can't be our room, there's only one bed. You can't seriously expect us both to stay here. There must be a mistake.

I think we'll be fine sharing this room Sister Agatha. Thank you.

There is no mistake. You will share this room. Think of it as a test. I expect you two to behave yourselves. No indecent conduct.

Natalie, you should be more like Blu and have a good attitude.

Cheer up Natalie. It won't be so bad. I can even think of a way to make it fun. Let's take a closer look at that bed.

Aaah!!! This is horrible!. I can't believe I'll have to live like this! I've never had to share a room. How can this be happening to me?

Trust me Natalie; I know how to make you feel real good. Let's have some fun.

Blu what are you doing?

Scorpio69

That's a good girl. Just relax and leave everything to me. Trust me, your in good hands. You're going to enjoy this a lot. I know just how to touch you.

Scorpio69

Scorpio69

Scorpio69

MMMMMMMMMMMM

Scorpio69

OOOHHHH!!! Blw!

Lick Lick Lick

Scorpio69

Lick Lick

Lick Lick

Scorpio69

I'm glad you enjoyed it love.  
Now let's get dressed and to the  
library. We have to study.

Oh Blu, that was amazing.  
I didn't know sex could feel  
good.

Scorpio69

There's no excuse  
Sister Agatha. I deserve  
to be disciplined.

You set a poor example  
out there today Teresa.  
What do you have to say  
for yourself?

I take no pleasure in this young lady. I do this for your own good. Now stop squirming!

Aaaaah!!!

BLAA

Scorpio69

What's happening to me? I shouldn't be enjoying this, but she's making me so wet. I hope Sister Agatha doesn't notice. Oh mercy!

SLEEP!

Scorpio69

You've had your punishment young  
ladie. Now enjoy your reward. Give in to  
the feeling; you've earned it.

Scorpio69

I'll try harder.  
Thank you for being  
so good to me Sister  
Agatha.

As a Novitiate I expect you to  
be more disciplined in the future. Now  
get dressed and report to the library.

Let me see if I can help.

This is so hard. I'm never going to figure this out. It's not fair.

Wow you're right  
Natalie, this is hard. I think you  
need to take a break and relax. I'm  
sure you'll figure it out later.

Scorpio69

A scene from a video game showing two women in dark blue uniforms with white collars sitting at a wooden table. The woman on the left has long blonde hair, and the woman on the right has red hair in a ponytail. They are looking at each other. On the table is a large open book with a picture of a person on the left page and text on the right, and a smaller open book. A candle in a brass holder is on the left. The background is wood-paneled walls with a window.

Sister Agatha is reading her newspaper. She won't notice anything. As for Novitiate Teresa, leave her to me. She's been sneaking peaks at us all night. I know how to handle her. Trust me.

Blu, what are you doing?! We'll get in trouble. Sister Agatha is just across the room, and that novice nun is right behind us. We can't do this here. Let's wait until we get back to our room.

Oh my, what are they doing? I can't believe they are touching each other right here in the library. I should do something . . . but . . . watching them makes me feel strange. I feel so warm. Maybe if I stay quiet they won't notice I'm watching them. This is so wrong.

I...I...  
wasn't...  
Um...OK.

Enjoying the  
show Novitiate Teresa?

Shhh, It's OK. Just  
be a good girl and stay  
quiet. If you do, I'll let you  
watch.

Sister Agatha will be so disappointed with me. I shouldn't be doing this. I should be more disciplined; but they're both so beautiful. I just can't help myself. Please forgive me Sister Agatha. I'm weak.

Blu what did you say to her?  
She didn't tell on us.

I told her if she was quiet, she could watch.

Scorpio69

Enjoy the show little nun.

Scorpio69

A woman with dark skin and light blue eyes is shown from the waist up. She is wearing a light blue, long-sleeved, form-fitting dress with a white lace collar and a white lace headscarf. Her right arm is raised, with her hand behind her head. Her left hand is placed on her chest. She has a slightly open mouth and a look of intense desire. The background consists of dark wood paneling with intricate carvings and a window with a decorative metal grille. A large white thought bubble is positioned above her head, containing text. Two smaller, empty thought bubbles are located just below the main one.

Oh my God, they're so beautiful,  
so sexy. It's all too much; I just have to  
touch myself.

Scorpio69

I know it's shameful, but I just have to touch myself. I can't help it. Oh mercy. Please forgive me Sister Agatha. I'm weak. I'm weak.

Scorpio69

Not another word. Come with me young lady.

Sister Agatha! I'm sorry!  
Oh please forgive me. I just couldn't help myself.

Sister Agatha!!!

We can explain!

Scorpio69

In all my days I've never seen such sinful & indecent young ladies. The three of you engaging in such lascivious behavior when you should be studying. It's absolutely shameful. Especially you Novitiate Teresa.

I'm taking all of you to the Mother Superior. She'll know what to do with you.

I think we're in for a delightfully long night. We'll see just how much discipline these naughty young ladies can take.

Sister Agatha, what's happened?  
Why have you brought these young ladies to  
my office when they should be in the library studying?

Mother Superior, please forgive me.  
I was weak and lost control. Please forgive  
me and it will never happen again. I promise to do  
better, if you just give me a chance.

Scorpio69

Oh my goodness, what kind of place is this?  
I've never seen such devices before. What are the  
Nuns going to do to us?

My misdemeanor has born sweat fruit. I must find a way to get my hands on her.

Mother Superior, I caught these young ladies engaging in lascivious behavior in the library. Blu and Natalie were entwined in a sapphic embrace, while Novitiate Teresa masturbated in a state of voyeuristic abandon.

Scorpio69

Yes Mother Superior, it was all Blu's fault. I was studying when she seduced me. I was powerless to resist. I was bewitched too. I'm a good girl; I swear.

Mother Superior, it's all Blu's fault. She seduced me, while I was studying I was bewitched, I swear it!

You snakes! How could you turn on me like that? Especially you Natalie! How could you do this to me?

A woman with dark hair, wearing a red hooded dress with gold embroidery, sits at a dark wooden table in a library. She is looking towards the left. On the table in front of her is a large, glowing yellow oval. To her left is a black, teardrop-shaped object on a stand, and to her right is a wine glass. An open book lies on the table to her right. The background consists of dark wood paneling and bookshelves filled with books. A speech bubble is positioned above her head.

Silence ladies. You will each be punished in accordance with your guilt. Blu, since your friends both named you as the ring leader, you will be punished most severely.

You Witch! Do your worst. I can take anything you can dish out. I'm not afraid of you.

You're a spirited one aren't you? Good I like that. Spirited girls are so much more satisfying to break. Sister Agatha, prepare these young ladies for their punishment. I'll leave Blu to your tender mercies.

Alright ladies! You heard the Mother Superior. Strip out of those clothes. Blu, you and I are about to get better acquainted.

You sick old Witches.  
I hope you get your Jollies  
looking at us naked. It's the  
satisfaction you'll get  
from me.

I can't believe I'm  
standing here naked. I feel so  
vulnerable. I hope they don't  
use those devices on me.

Oh the shame of  
it all. I'll never become  
a Nun now.

A 3D rendered woman with a dark complexion is sitting on a wooden desk in a library. She is wearing a red hooded garment, a red choker with a cross, a red strapless corset, and black high-heeled shoes. She has a serious expression. The background features wooden bookshelves filled with books, a large globe on a stand to the left, and a wooden cabinet to the right. A speech bubble is positioned above her head.

Sister Agatha, please teach Blu some humility. Think of it as a challenge to whip some of that spiritedness out of her.

ouch!

Natalie, you get to ride the horse.  
Novitiate Teresa, since you need more discipline,  
you get to ride my favorite toy - the bull.

Whoever spills their wine  
loses. The secret is to control yourself.  
Don't give in to the pleasure. Good Luck  
ladies; and don't disappoint me.

I'll never make it.  
This vibrator is right on my clit.  
It feels so good.

BUZZZZ

I know I shouldn't enjoy this,  
but it feels so good. I'll have to get  
in trouble again tomorrow. Please  
forgive these impure thoughts

Don't be ridiculous Blu.  
We're just getting started. I'll  
know when you're truly  
sorry.

Sniff. Sister Agatha, I'm sorry  
for what I did in the library. I've  
learned my lesson. Sniff. I promise to  
be good from now on.

Not so sassy now,  
are we? How does that  
cute little as feel?  
Does it burn?

Scorpio069

How are we doing ladies?  
Comfortable I hope? Since our little  
contest looks pretty even, I'll try to make  
more interesting.

BUZZZ

BUZZZ

Oh no! Please don't touch it.  
Her hand is so soft. It feels so good  
when she touches me. I have to  
concentrate. I'm getting  
wet.

My dear, has anyone  
ever told you how lovely your  
breasts are? So delicate, so tender.  
I hope you don't mind if I have  
a touch? Just a quick feel.

BUZZZ

You're such a little slut. I know you love this. I can smell your arousal. I can see your filthy juices coating my precious bull. I bet you'd love some fitty torture you slut. You love it when I pull on the nipple clamp. Do you want me to pull harder?

Scorpio69

Blu, you didn't think I would forget your lovely clitoris did you? I'm hurt that you have so little faith. Let's see if we can do something about that.

It had been little more than an hour since a defiant Blu walked into the Mother Superior's Office. Oh what a difference an hour can make. The constant whipping targeting the most sensitive parts of her body had broken Blu's spirit. Her skin burned and her nerves were raw. There was a dull pain in her arms and a sharp pain in her wrist from the suspension. Despite the torment, or perhaps because of it, her sex was dripping wet. Blu felt a burning arousal she had never experienced before. Her thighs were slick with the proof of it. She belonged to sister Azatha now; and longed for more.

mhmmm

Just look at you Blu, you're a hot mess. The fire in your eyes has been replaced by something softer. I can even smell your arousal. Have you learned your lesson?

Good. Now that your feeling less defiant, let me comfort you.

Poor Natalie, I don't know how much more she can take. I wish Mother Superior would whip me like that.

I hope you're not getting tired dear. I've been whipping deserving young women for years. I can keep this up all night.

Yes that's it. Your cries are like music to me. Give me more.

That should be me. Please don't forget about me.

Aaah!!! Please no more! I can't take any more!

Blu, I've had many women,  
but I've never met anyone like you - the way  
you respond. It's like there's something  
special between us. Do you feel it?

You've earned a rest. You can go  
back to your room, or if you want, I  
can mount you on the wall?

Yes, I felt it too when you  
started whipping me. I never  
knew how much I needed to  
be controlled and disciplined  
until now.

Scorpio69

I love you.

The wall please, I need it.  
I've been a very bad girl  
today, and I'll be even  
worse tomorrow.

A 3D rendered blonde woman with blue eyes is depicted in a state of bondage. She is suspended within a dark wooden frame, likely a door, by several black mechanical restraints. Her arms are raised and held by clamps, and her legs are spread wide, also held by clamps. She is wearing black fishnet stockings and black lace garters. Her mouth is gagged with a blue ball, and a blue ball is also visible in her vaginal area. A thought bubble above her head contains the text "I'm such a lucky girl." The overall scene is set against a dark wood background.

I'm such a lucky girl.
