The  
Flask  
of  
Venus

That afternoon Marion was going around Downtown FreeBopolis with his apprentice Victor Harris and their talking Black Cat familiar Mortimer.

Marion, you shouldn't smoke joints out there in the street. The Cops could stop us.

This is not your mundane weed. This is magical HORNWEEP. If your Cops would just smell it, they would become total hornbogs and start performing BUTTSEX on the street.

yeah, men of this dimension become total sluts when they smell or smoke HORNWEEP. And that's why Marion is smoking it so Blatantly.

Mortimer, you know me so well!

OH, MEN AT WORK? This seems interesting.

Look at them! I would like to get spit-roasted By those Brutes.

By far, there are two Bricklayers working on a construction site.

Forget it, Marion. Those guys are as straight as fuck. I pass here every day and they are total idiots. Look!

A girl was passing By and the two men started making Catcalling to her.

Hey Sweetie! can I get a smile?

Where are you going Beautiful?

FUCK OFF, MORONS! GO DO CATCALLING TO YOUR GRANDMAS!

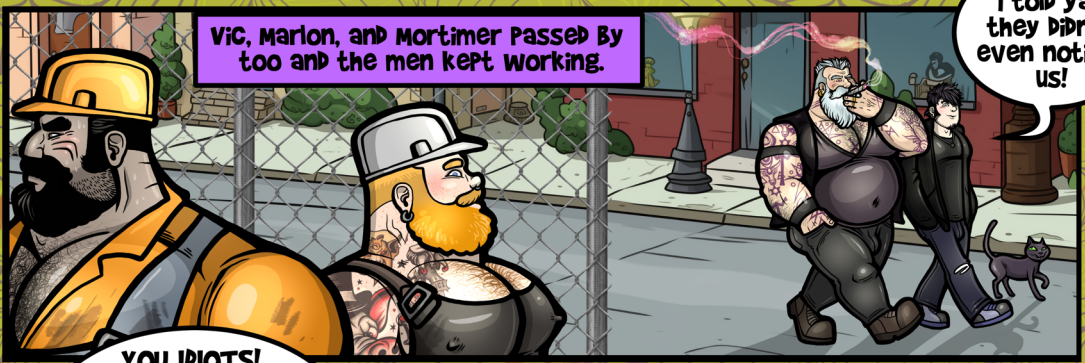

GRAB!

Catcalling...what a STUPID thing to do. They Deserve a lesson.

Vic, Marion, and Mortimer Passed By too and the men kept working.

I told ya, they didn't even notice us!

YOU IDIOTS! KEEP WORKING AND STOP HARASSING GIRLS ON THE STREET! OR YOU WANNA GET FIRED?

Meanwhile, the foreman Mr. Smith appeared.

Sorry, Boss, since my wife is in menopause I can't have any at home. And Leeroy won't stop talking about sex and pussy.

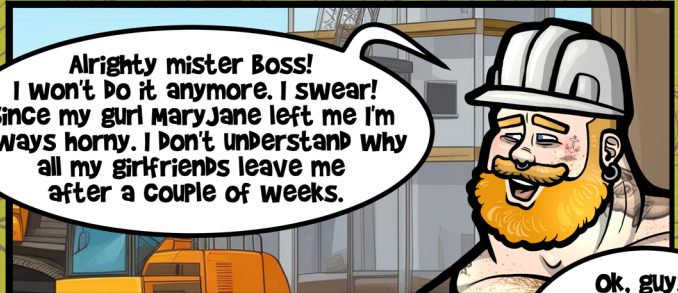

C'mon Boss, we were just joking!

Shut up Leeroy! This is a serious job, and sexism is a crime. Also, you are a very bad influence on Markus, he was the best of my workers for many years! Look at him now, acting like a total dumbass!

Alrighty mister Boss! I won't do it anymore. I swear! Since my girl MaryJane left me I'm always horny. I don't understand why all my girlfriends leave me after a couple of weeks.

Leeroy Bends over and Mr. Smith can't avoid staring at that BUBBLE BUTT.

I swear I'll Behave, Boss. Please, I need to pay child-support for 2 Babies from two different women. Don't fire me!

UH?

Jezz, he is so hot! I would fuck the hell out of him. He looks like Panny But a Bit older. I would spank him like he Deserves. I really want to fuck a man... But Panny is a total top. I need a Bottom guy to fuck whenever I want.

FUCK, my Dick is so hard!

Ok, guys, I'm going to do some Commissions. I will Be Back in half an hour or so. Keep Digging!

You might be right, Victor...they are straight. But I have a solution!

But Marion, you told me that we are not supposed to use magic in the mundane world. Every time I do it, you get Pissed.

The Flask of Venus. Goddess of love. DRINK IT!

yes, But this time the slut is horny. He wants cocks!

GULP!

Whit this Potion, they are gonna like us. CHUG!

BLEAH! It's disgusting. Too sweet and kinda...viscous...ow...! feel weird! SPIT!

SHUT UP, FLEABAG!

Meanwhile...

ya'know, Big Markus? I think that Foreman Smith likes my ass. He's always staring at it. When I say something wrong, I have just to show him my BUBBLE BUTT and he looks at me like a PUPPY. I also think he just had a hard-on looking at it!

Shut up, Leeroy. The Boss is straight as an arrow. He has a wife and 3 sons.

yeah, you are probably right. Hey, look there! WOAH! Look at those Beauties!

♥ OW-OH! ♥  
WHERE ARE YOU GOING, BEAUTIFUL LADIES? ♥

Two Beautiful women were walking By, But they weren't other than marion and victor transformed!

Hey BIG BOYS!

I feel so weird...I need to puke. And...I don't think I'm Completely transformed!

What a mit!

You can get the old one, I like the goth girl!

Hey Beautiful, you look MAJESTIC! Are you some kind of Valkyrie? What's your name?

I'm Marla, and if I'm a Valkyrie, you are a sexy miner Dwarf...all Buffed and Dirty.

I'm Vic...erm...Victoria! I love your huge and strong hands. They are so rough.

I love your eyes Victoria. I'm Markus

What are you ladies up to? That's a huge joint!

We want to find a Cozy Place to smoke some Pot with you. What do you think?

Both men smoked that Peculiar, magical joint.

Hey, let me smoke more of that DOPE!

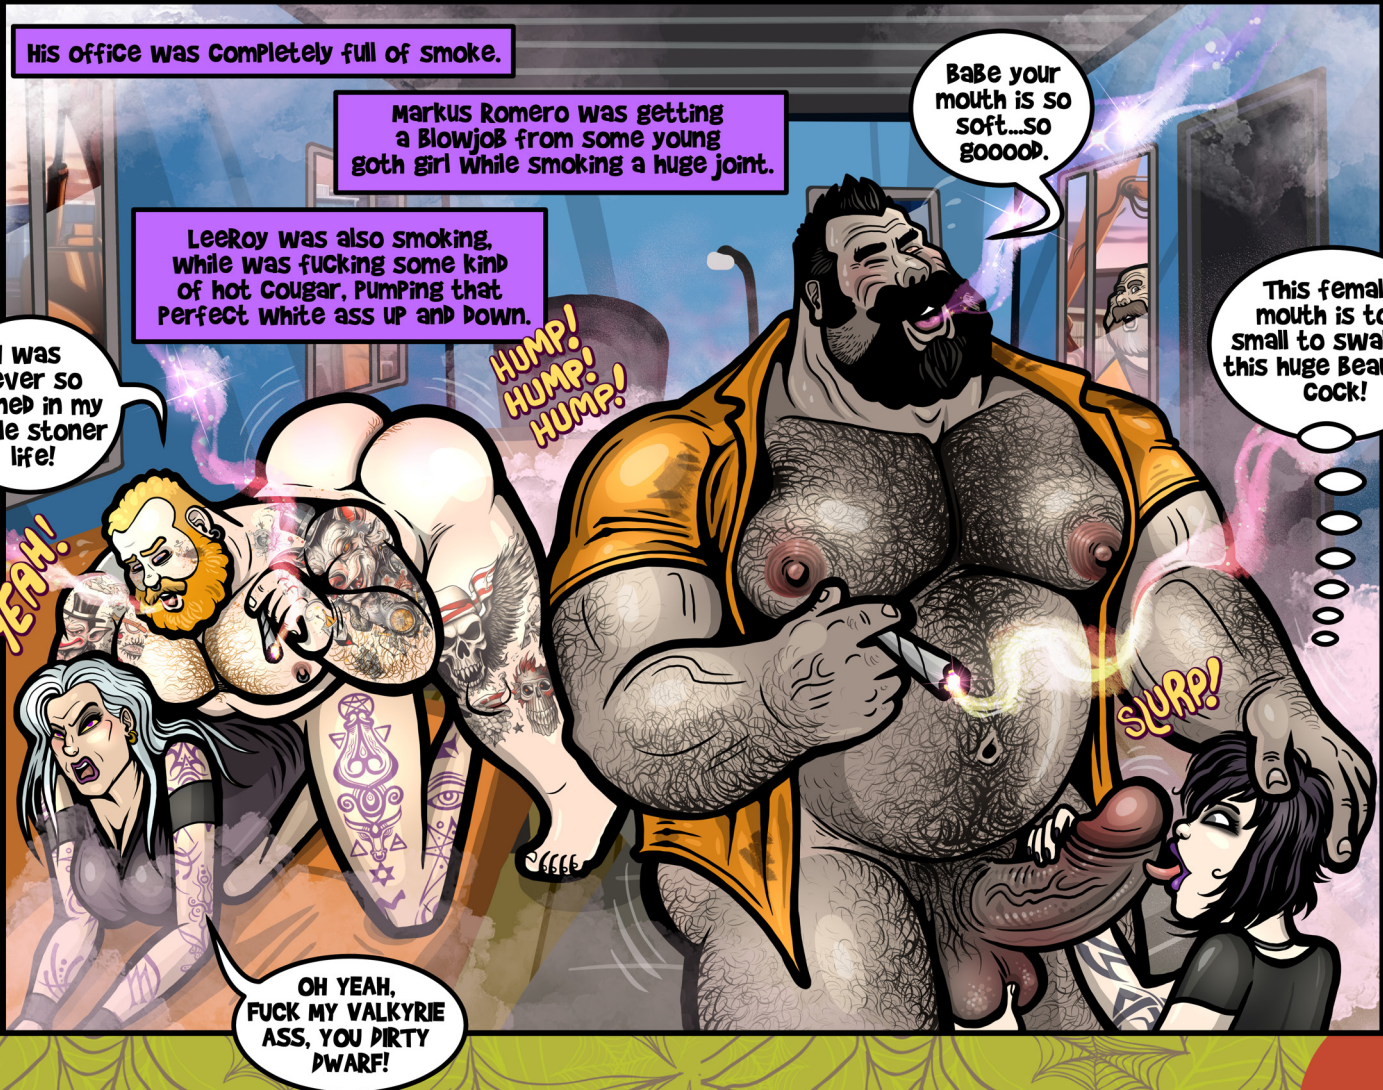

Wow, what are you smoking laby? This is strong stuff even for a stoner like me.

Marla Puffed some HORNWEED in the face of the men who got stoned right away!

Steve looked from the window of his own office, from which the smell was coming, and he couldn't believe his eyes.

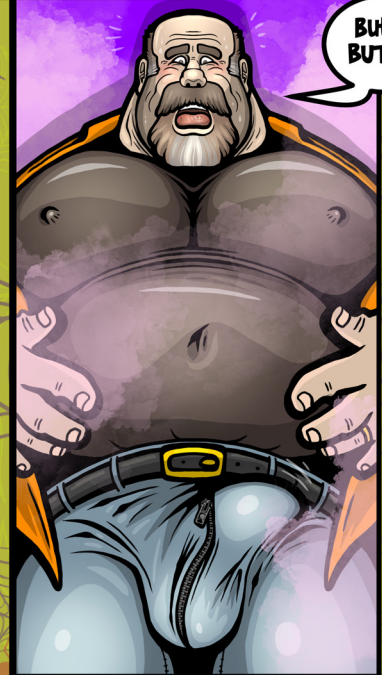

Foreman Smith was really angry, But at the same time mesmerized By Leeroy's Big Butt, Pumping up and Down while fucking that hag.

Mr. Smith inhaled that weird smoke and his Brain started immediately working slower and slower, But his Cock was getting more and more turgid in his jeans.

OMG, his ass is Perfect! So Perfect that I must destroy that thing!

Hey you idiots, the Party is over...

But... BUT???

Hey Boss! Chill! come and have some fun! Take a Puff!

Mr. Smith was in a trance, took the joint, and didn't think twice.

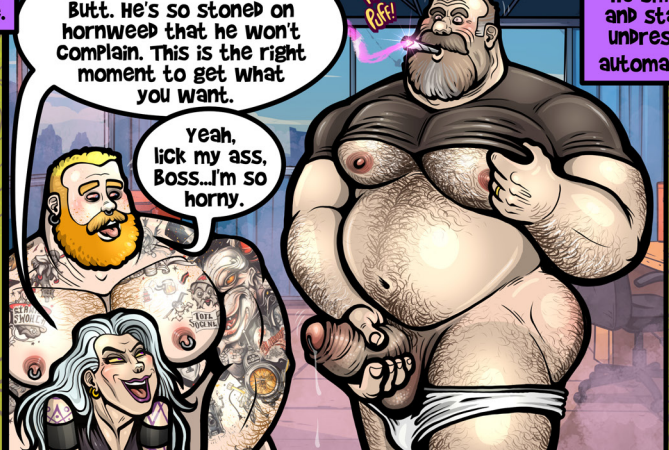

I know you want to taste the Blondie's Butt. He's so stoned on hornweeb that he won't complain. This is the right moment to get what you want.

He smoked and started undressing, automatically.

yeah, Big guy, come and join the fun!

HUMP! HUMP!

yeah, lick my ass, Boss..I'm so horny.

Steve couldn't Believe his ears and his eyes.

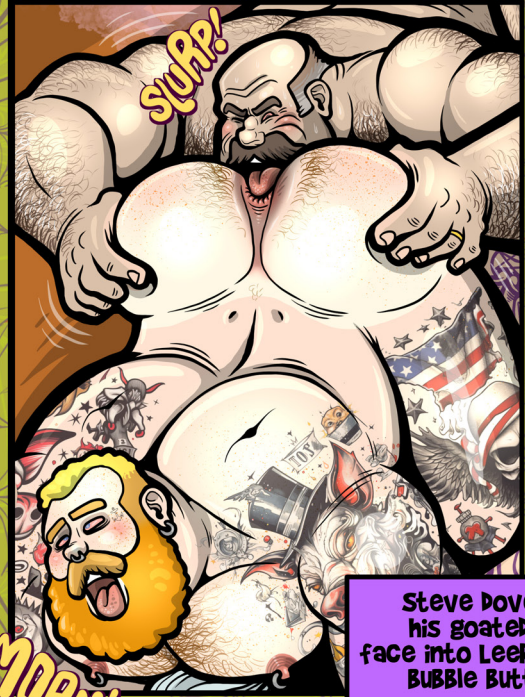

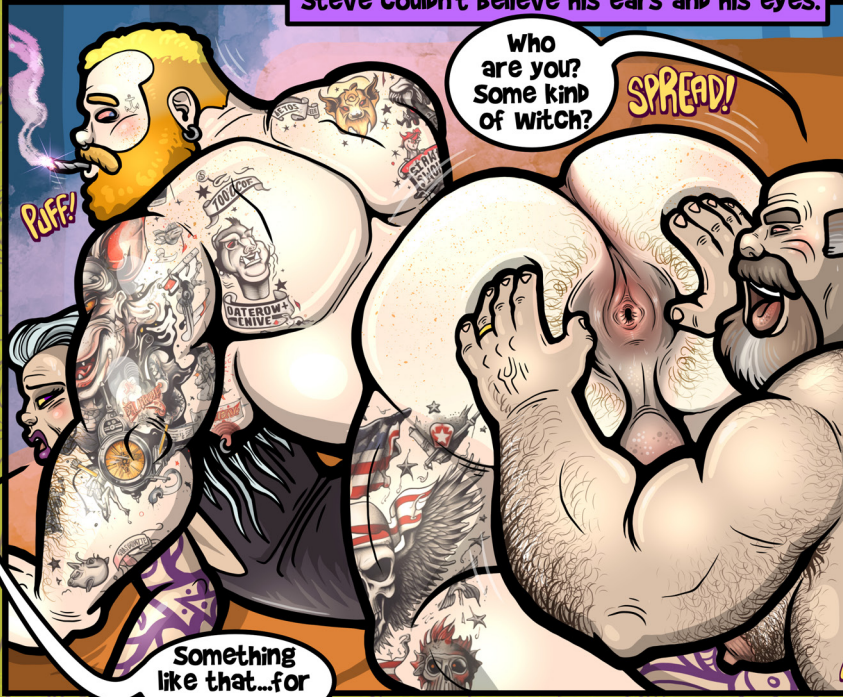

Who are you? Some kind of witch?

SPREAD!

Something like that...for sure...

SLURP!

Steve dove his goated face into Leeroy's BUBBLE Butt.

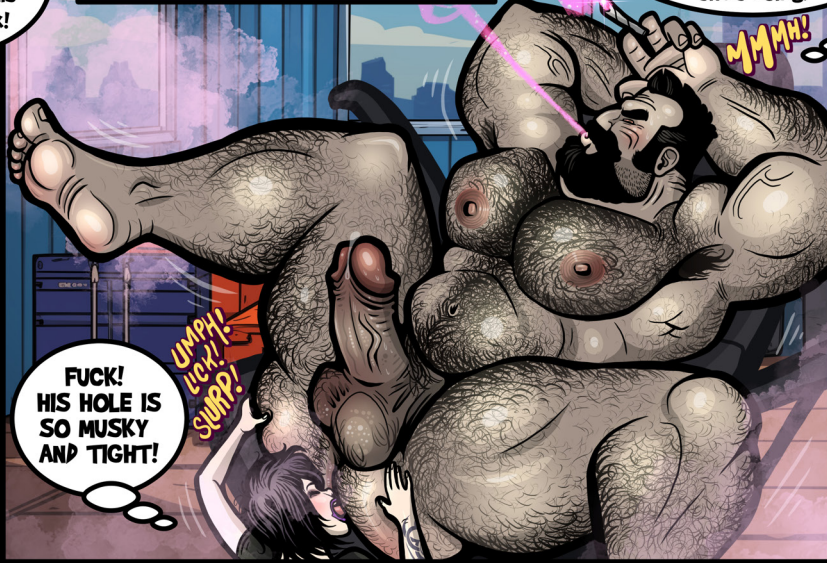

Meanwhile, Markus was getting a great Blowjob from Victoria, smoking a Big joint, totally high...

This female mouth is too small to swallow this Beautiful Dick!

Slowly the "girl" opened her way through the extremely furry way from Markus's scrotum to his musky asshole.

Wow...I never tried something like this with a girl...only with that kid that used to mow my lawn. This Babe is good, she knows what she's doing!

FUCK! HIS HOLE IS SO MUSKY AND TIGHT!

UMPH! LICK! SLURP!

MMMM!

OH YEAH, BOSS...YOUR FINGERS ARE SO BIG.

Steve was venting all his repressed lust on Leeroy's white ass, fingering and tongue fucking it.

SQUEEZE

SLURP!

LUCK!

SMOOCH!

There was a Particular Bond Between those two men.

TWAP!

My wife would never do this kind of stuff to my hole, Babe!

MUNCH! CHOMP! SUCK!

MOHARRN!

I know, stud...I have extra gear compared to other women! All the men I've been with told me that!

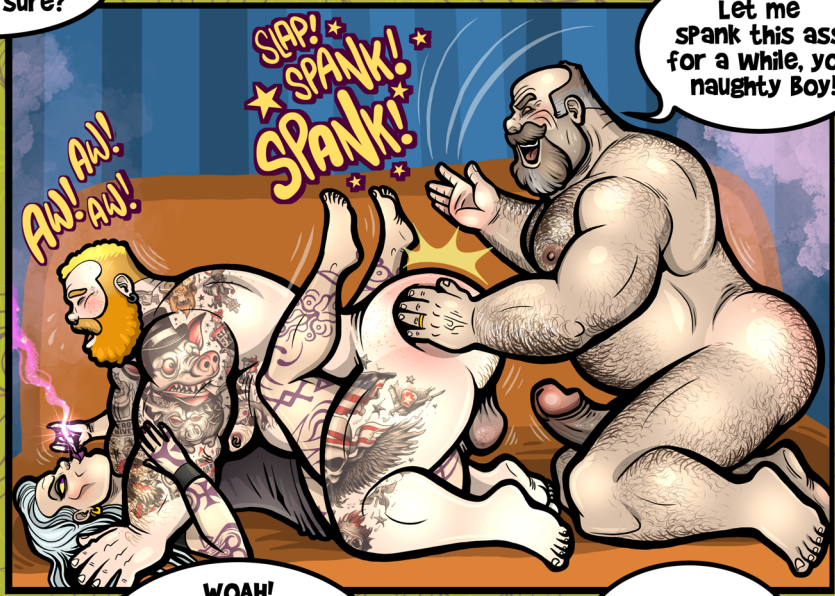

FAP! FAP!

DRILE!

Please, Daddy...fuck my BoyPussy!

Do you want Dad's Dick? Are you sure?

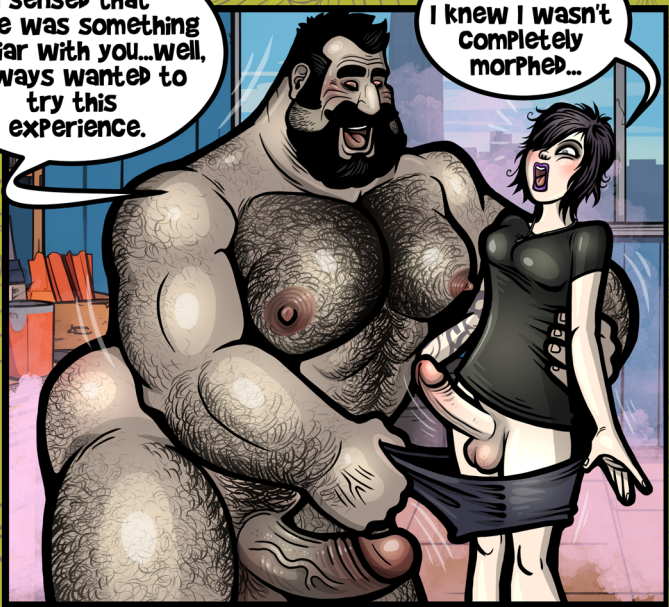

Let me SPANK this ass for a while, you naughty Boy!

Ok enough worshipping my hairy Body, I never saw a girl so obsessed with my tits! I want to lick your Pussy!

WOAH! I sensed that there was something peculiar with you...well, I always wanted to try this experience.

WHAT? I knew I wasn't completely morphed...

It's Because you spat Part of the Potion, so the transformation isn't Complete.

But Don't worry, these goons are so high on hornweed that they are all Craving Dick and manly ass right now.

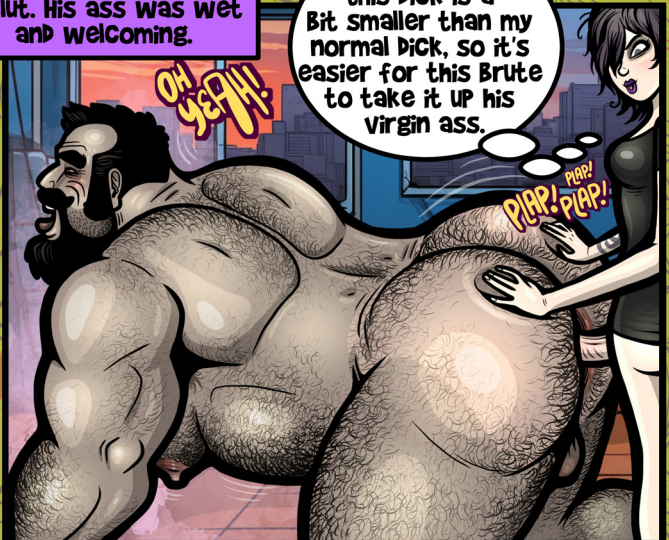

Oh, Babe...I'm too stoned to fuck you, so you will Be the top one...

Vicky fucked that hairy ass with her hard Dick, Markus was moaning as a slut. His ass was wet and welcoming.

Luckily this Dick is a Bit smaller than my normal Dick, so it's easier for this Brute to take it up his virgin ass.

But after just a while Victoria's Body started morphing Back to her male version.

Me too, Victor, the Flask of Venus works for a limited time.

One should never abuse this Potion, otherwise could Be very Dangerous for the mind of Whoever takes it.

Victor was Back to his normal features, and so was his Dick, which was slightly enlarged in Markus's ass. The Brute came for the feeling, squirting warm jizz all over his hairy Body.

Actually, it was the last hole he ever fucked, because since then, he became obsessed with Pabbies' Dicks, and his hole would Be his main sexual organ from that moment on.

Marla's Pussy morphed into Marlon's hairy asshole, and that P ussy was the last one that Leeroy ever fucked.

The tangy smell of Cum and open ass mixed with the smell of hornweed, made the men even more stoned and horny.

NoBody really noticed that there weren't women anymore in the room, and everyBody was having the Best sex of their lives.

FUCK YES, PAPPY! BREED MY ASS! FILL MY BOYHOLE WITH YOUR CUM!

Of course, no PAPHOLE is safe when a badfucker is around, so vic was stealthily aiming at Mr. Smith's hole.

meanwhile, Markus Romero realized that he didn't fuck any hole yet, so he jumped on Marlon's massive rump and impaled him with his huge dick.

come here, you slut!

Oh yeah, Pappy, go deeper with that tongue! My pussy feels so hot and sore!

VIC Bred Mr. Smith while that Pig was felching his new favorite hole.

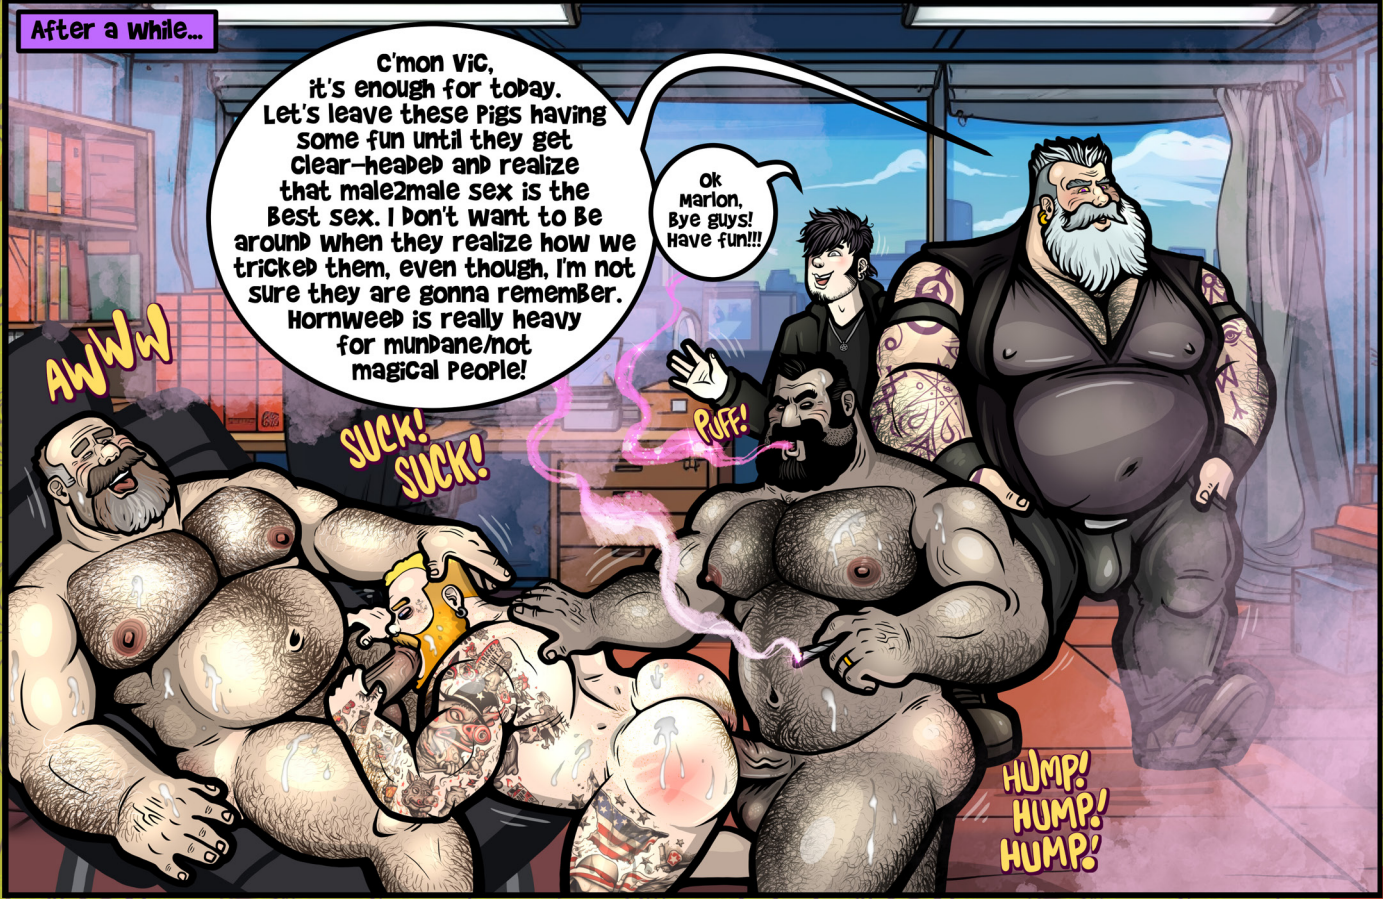

At the same time, Marlon felt a copious gush of Boiling Cum filling and covering his open hole.

After a while...

C'mon Vic, it's enough for today. Let's leave these Pigs having some fun until they get clear-headed and realize that male2male sex is the Best sex. I don't want to be around when they realize how we tricked them, even though, I'm not sure they are gonna remember. Hornweeb is really heavy for mundane/not magical People!

ok Marlon, Bye guys! Have fun!!!

THE END?

# CHARACTERS:

## Marla and Victoria: Enchantresses of the Flask of Venus

Marla and Victoria, Marion and Victor in Disguise, now embody the Bewitching allure of femininity after imbibing the enigmatic Flask of Venus. The magical elixir, while granting them stunning appearances, harbors a perilous secret for the unwary.

These alluring enchantresses are the female counterparts of the once powerful warlocks, and the Flask of Venus has not only transformed their outward personas but also added an intoxicating mystique to their magical essence. The danger lies in the potency of the elixir; excessive consumption can unravel the delicate threads of one's mental well-being.

As Marla and Victoria navigate their newfound femininity to lure the hot straight men of FreeBopolis, the mystical elixir's effects linger, creating an intricate dance between beauty and potential peril. With the help of the potion and some Hornweed inflorescence, the two sexy witches will be able to get all kind of straight man that they desire.

## Steve Smith: The Foreman

In the bustling world of construction, Steve Smith commands respect as a foreman in his 50s. A towering figure both in stature and authority, Steve manages a crew with a no-nonsense demeanor. Married with three sons, his life seems anchored in familial stability. Complete with a loyal dog named Marley, Steve's gruff exterior belies his limited words, yet when he speaks, every word carries weight. His formidable presence earns him the status of a true boss on the building sites, and his men respond with unwavering respect.

However, behind the façade of the devoted family man and stern foreman lies a secret world. Steve navigates a clandestine affair with Panny, his son Billy's best friend. Recent developments add a layer of complexity as he finds himself drawn to the allure of his new employee, Leeroy, a desire that simmers beneath the surface of the stoic foreman's demeanor. Steve is really attracted by younger Bubble Butts, and Panny is mostly a top, so his dream is to find a younger fuckhole to vent his lust.

## Markus Romero: The Gorilla

In the construction landscape, Markus Romero stands as a colossal figure, both in size and strength. His towering presence and robust build give him an appearance reminiscent of a massive gorilla. While not known for his intellect, Markus compensates with sheer physical prowess, making him an imposing force on the building sites.

Approaching his late 40s, Markus resides in the Pinewood District, leading a family life as a husband and a parent to some children. Though specifics about his personal life remain still veiled, Markus has always been considered a reliable worker by his foreman, Steve Smith.

However, the introduction of Leeroy, a young and disruptive bricklayer, has led Markus down a path of trouble and laziness. Leeroy's bad influence has cast a shadow over Markus's once commendable work ethic. Despite his hulking physique, Markus finds himself entangled in the chaos Leeroy brings to the construction site, a shift that hasn't gone unnoticed by the discerning eye of foreman Steve Smith.

## Leeroy: Dumb as a Brick

In the gritty world of construction, Leeroy, a baring bricklayer in his 30s, embodies a lifestyle of recklessness. Living on the edge in a trailer park, he's a lover of beer and drugs, carving out a reputation as a daredevil with a penchant for living life on the edge. Leeroy's personal life is a tumultuous tale, marked by a string of failed relationships resulting in a couple of young kids from different women. Now single, his wild ways make it challenging for him to find lasting connections, as his reputation precedes him. Despite his rough exterior, Leeroy holds a peculiar respect for his boss, Steve Smith. While following Steve's lead, Leeroy manages to find his own way of navigating the rules, often using his audacious charm (and his bubble butt) to fool the stern foreman.

Beefy, adorned with tattoos and piercings, Leeroy is a force to be reckoned with in the construction world, a character whose unpredictable nature adds a touch of chaos to the structured environment of the building sites.
