

# MICHAËL GHELFI STUDIOS

WORLD REFERENCE FOR TABLETOP RPG AUDIO

Dear adventurer,

We are Filip Melvan and Michael Ghelfi.

The project we have is to keep expanding the ultimate fantasy audio library, to cover all possibilities. The library we made is already by far the biggest in the world, but hundreds of other tracks are still waiting to be composed. In that regard, we know we can count on a fantastic community on [YouTube](#) and [Discord](#), which you are more than welcome to join.

However, to make the ultimate fantasy audio experience, we need the best sound effects and virtual instruments libraries. We purchase the most renown audio libraries. This has its price though, therefore we set up a [Patreon](#) page, where you can get hundreds of exclusive ambiences and songs (not on Bandcamp) as well as SFX available nowhere else. On our Patreon, you can also get dozens of battlemaps, game-ready D&D scenarios, magic item cards, SFX, etc.

You can get collaborations we made with great artists such as Czepeku, Loot Tavern, 2MinutesTabletop, TheMADCartographer, etc.

On Discord, we have a thriving community, speaking about tabletop RPGs, worldbuilding and writing mainly. There you can suggest new ambience ideas.

Some of our creations are also available on [Spotify](#).

If you want to use our creations for a specific project, you can check the [conditions of use](#).

Thank you for your attention. Happy adventuring!

Michael Ghelfi
