```
        Bm                  A
      Baby, do you understand me now
        G                           F#
        Sometimes I feel a little mad
          Bm                                        A
      Well don't you know that no-one alive can always be an angel
        G                                 F#
        When things go wrong I seem to be bad
```
[Chorus]
```
        D                   Bm                  A

      G       G                             Bm [Start Intro Riffx2]

```

[Verse 2]
```
        Bm                  A
      Baby, sometimes I'm so carefree
      G                             F#
      With a joy that's hard to hide
          Bm                                  A
      And sometimes it seems that all I have to do is worry
      G                                 F#
      And then you're bound to see my other side
```

```

    Bm/// A/

    That I never mean to take it out on you
    G                A          G      A
       Life has it's problems and I get my share
      G                            F#
    And that's one thing I never mean to do, 'cause I love you
```

[Verse 3]

    Have thoughts like any other one
    Bm                                  A
    Sometimes I find myself long regretting
    G                              F#
    Some foolish thing, some little simple thing I've done
