Jung Aerin,

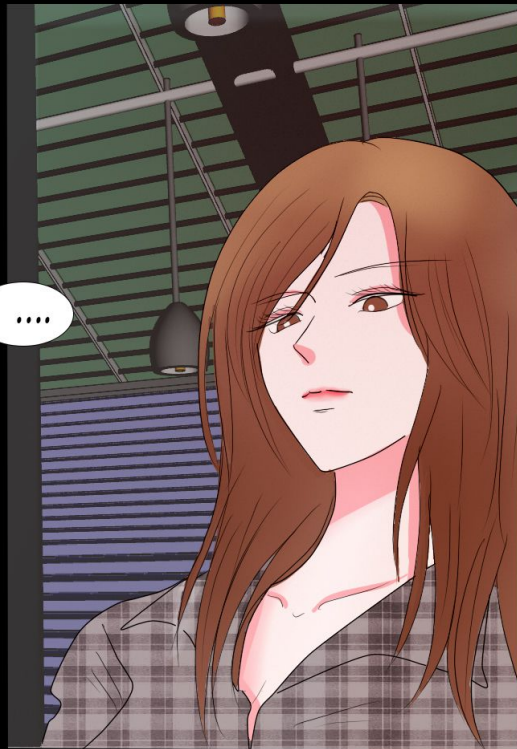

Tomorrow/ 5:10 am /
abandoned house near school

In case you wanna know
who your homeroom
teacher truly is.

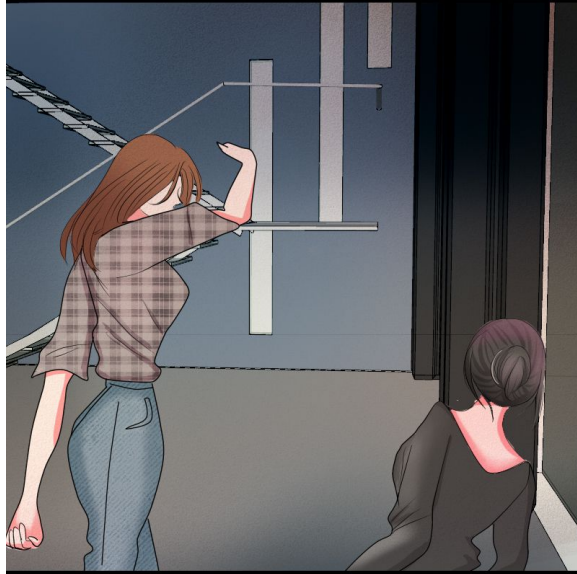

Unnie.
Long time
no see

I'm so glad
that you wanted
to meet me first
right after you're
back to the
country

....

You little brat!!!!

**How many times
have I told you to
step out of my life?!!!**

U..Unnie..
I don't know
what you're talking
about

You dare talk
back at me!?

Such a poorly
written school paper!
You think I don't know
it was you from
the start ?!!!

Haha...Should
I feel glad that
you still remember
about me, unnie?

I don't give a sh*t
about how you feel,
if you continue your
foolishness at my
workplace, I'll make
sure your sister kicks
you out of the country
again!!

Unnie..You can't
do that. You won't do
that to me

Remove the
article!

I don't have
much time to play
with you here

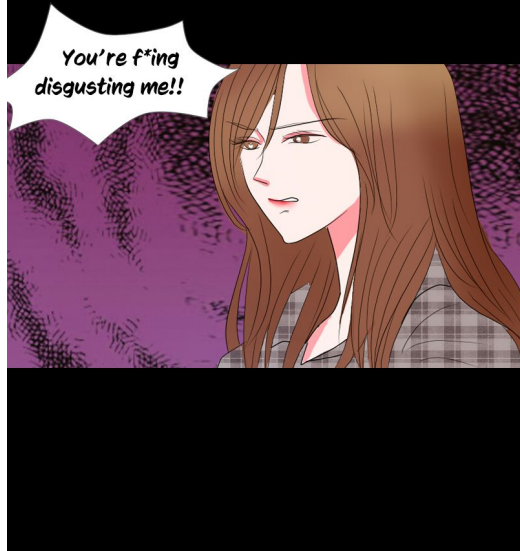

I don't understand, why do you have to protect her that much?!

Unnie, don't go yet!

You don't love her, do you?

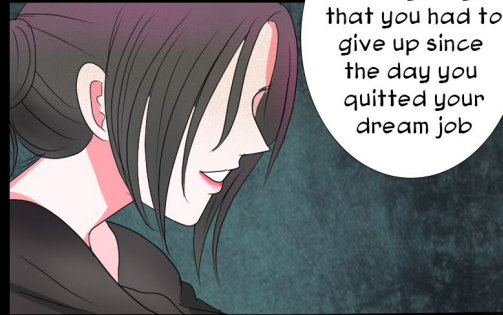

She's just a kid, If you no longer loves my sister, why don't you just date me instead?!

You're f'ing disgusting me!!

Unnie,
I've known
you for 9 years

I've seen
everything
that you had to
give up since
the day you
quitted your
dream job

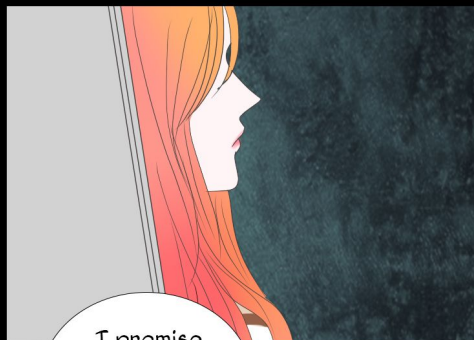

It hurts me even
more to see you
risk your future
with such a young
kid

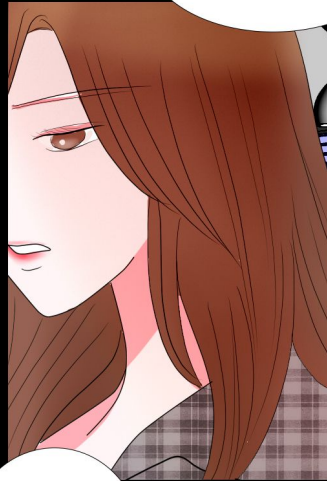

I can't believe
someone who always
embraces the rationality
like you chose to start
a relationship with her
out of all people

Unnie...
Please break up
with her

I promise
I won't expose
her identity,
Please, un-

If you think
that could be a
threat to me,

Then
you're
wrong,

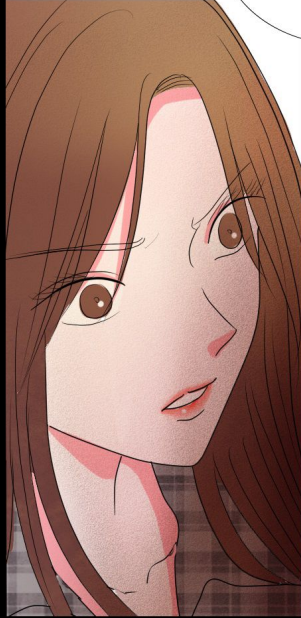

Wrong?

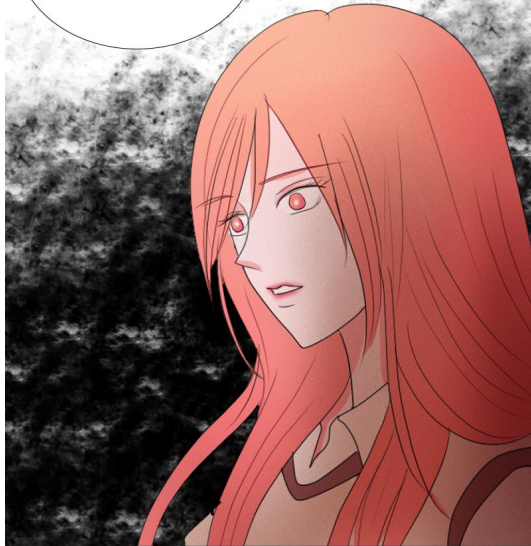

unnie, maybe
you should've known
I've already figured
out your weakness

The reason
you transferred to
this school,

Was because
of Jung Aerin,
am I right?

Because
she ~~is~~
~~is~~

W...what?!
