

**PART 5:**  
**A SLIGHT**  
**INCONVENIENCE**

Well, here  
we are,  
Mr. Magical  
Cat...

...my  
humble  
home.

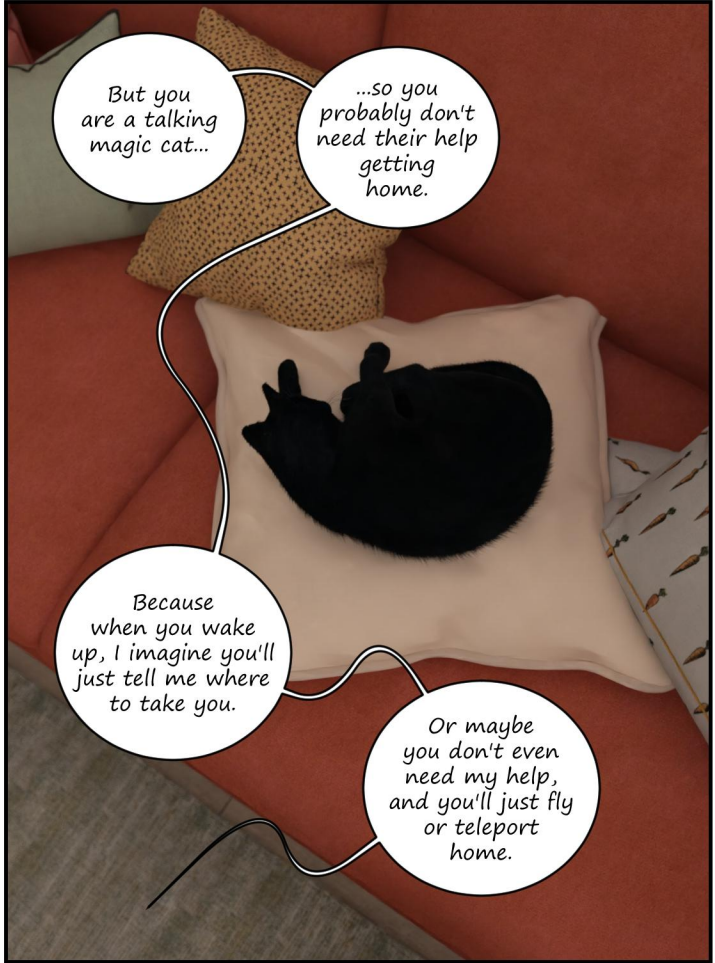

I hope you're  
okay with  
the couch.

I left my  
number with  
the paramedics  
who took your  
human to the  
hospital...

...so hopefully  
she or her family  
calls tomorrow so  
that we can get  
you back home.

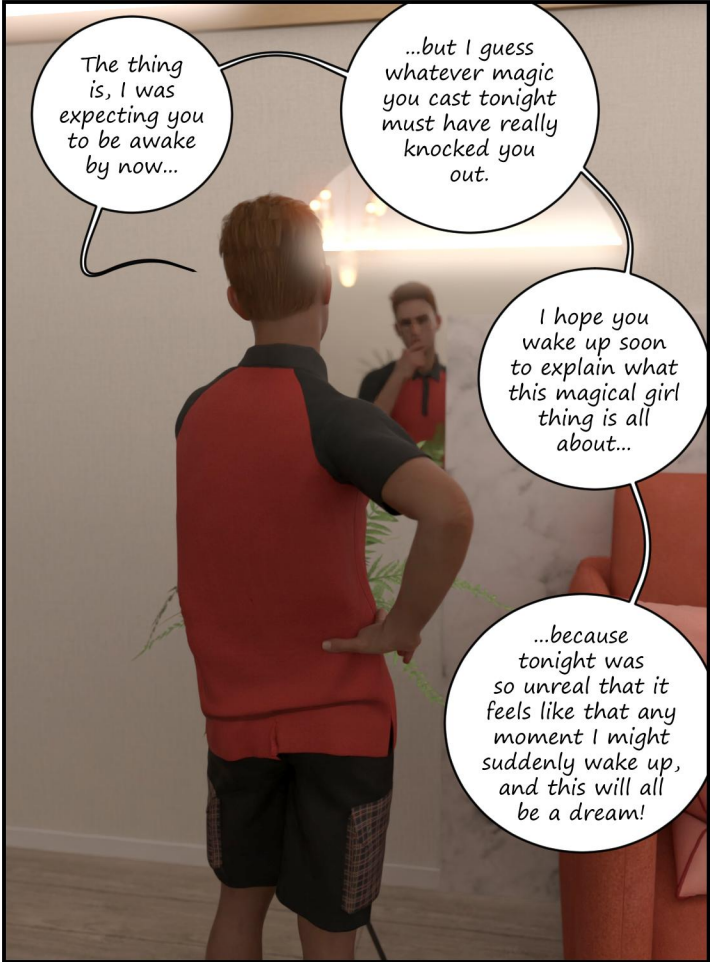

A black silhouette of a cat curled up on its back is centered on a white square pillow. The pillow is placed on a red sofa. In the background, there are other pillows: one with a brown polka-dot pattern and another with a white pattern of small carrots. The scene is set in a room with a wooden floor.

But you  
are a talking  
magic cat...

...so you  
probably don't  
need their help  
getting  
home.

Because  
when you wake  
up, I imagine you'll  
just tell me where  
to take you.

Or maybe  
you don't even  
need my help,  
and you'll just fly  
or teleport  
home.

The thing is, I was expecting you to be awake by now...

...but I guess whatever magic you cast tonight must have really knocked you out.

I hope you wake up soon to explain what this magical girl thing is all about...

...because tonight was so unreal that it feels like that any moment I might suddenly wake up, and this will all be a dream!

But this  
sure doesn't  
feel like a  
dream...

...as surreal as  
it was, meeting  
a magical girl, a  
talking cat, and  
then turning  
into a girl  
myself...

...this feels  
all too  
real.

And speaking of turning into a magical girl...

...was that a one-time deal to save the girl...?

...or can I now transform whenever I like?

And if I can transform whenever I like, how do I do it?

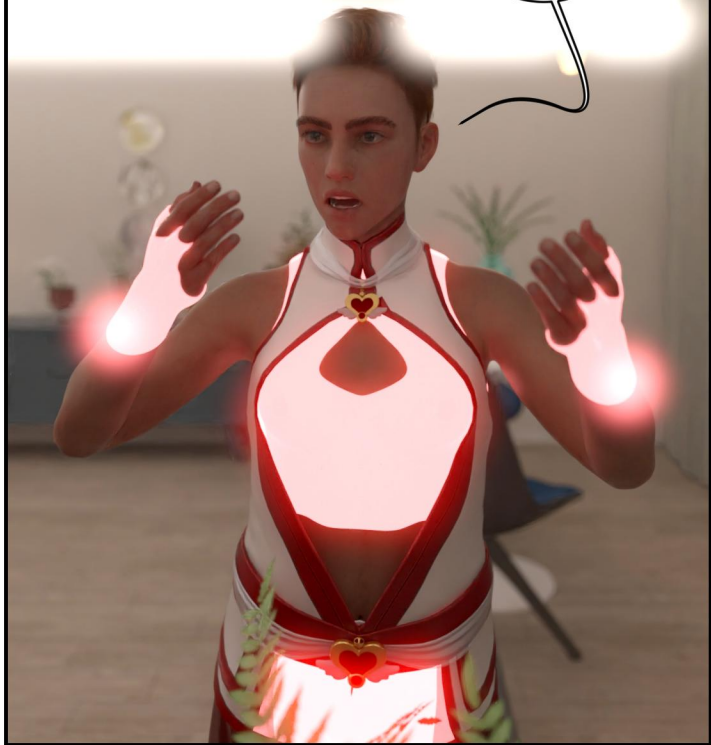

Do I just will myself into that form the same way I changed myself back?

Holy  
shit!

It  
worked!

Holy shit.

I have  
boobs and  
lost my  
dick!

A character with long, flowing pink hair and small horns is shown in a close-up shot. She is wearing a white and red outfit with dark brown gloves. Her hands are resting on her face, and she has a slight, confident smile. The background is a blurred restaurant interior with warm lighting and a window. A speech bubble is positioned in the upper left corner.

*And I'm  
gorgeous!*

Like,  
movie star  
gorgeous!

*It sometimes  
already feels weird  
enough undressing in  
front of a regular  
dog or cat...*

*...but a  
talking  
cat...?*

*...that would  
be like getting  
naked in front  
of another  
person.*

...but he  
could wake  
up at any  
moment...

...and if  
I'm going to be  
checking out this  
hot new body  
of mine...

Click

...I'd prefer  
some privacy.

A woman with reddish-brown hair pulled back, wearing a dark red, shiny, form-fitting latex outfit consisting of a high-necked top and matching shorts. She is leaning against a white door frame, with her left leg raised and resting on the door. She has a confident, slightly smug expression. The background shows a white door with a silver handle and a light-colored wooden floor.

Well now I'm  
glad I have that  
fancy enormous  
mirror in my  
bathroom!

I never  
had much  
use for it  
before, but-

**FLOP**  
**FLOP**

Walking around in this girl form is surreal to begin with...

...but seeing  
a naked girl in  
the mirror staring  
right back at me  
really makes it  
hit home.

This really  
is me...

...magic  
is real...

...and I can  
transform into  
a smoking hot  
girl whenever  
I want!

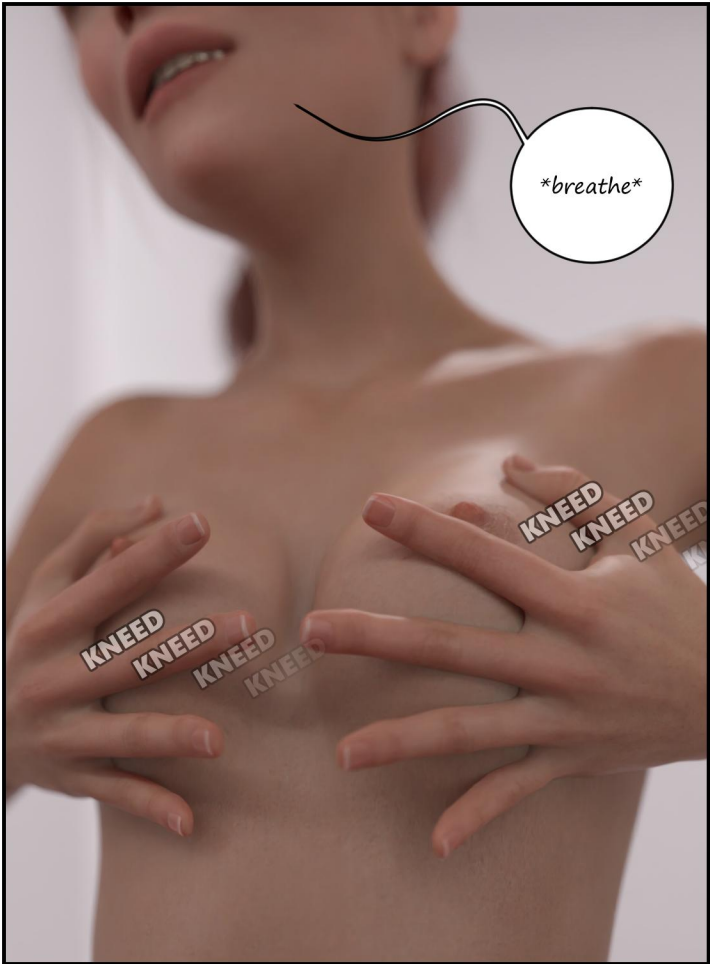

And...

...I can  
summon a  
pair of boobs  
to play with  
whenever I  
want!

Oh,  
yeah...

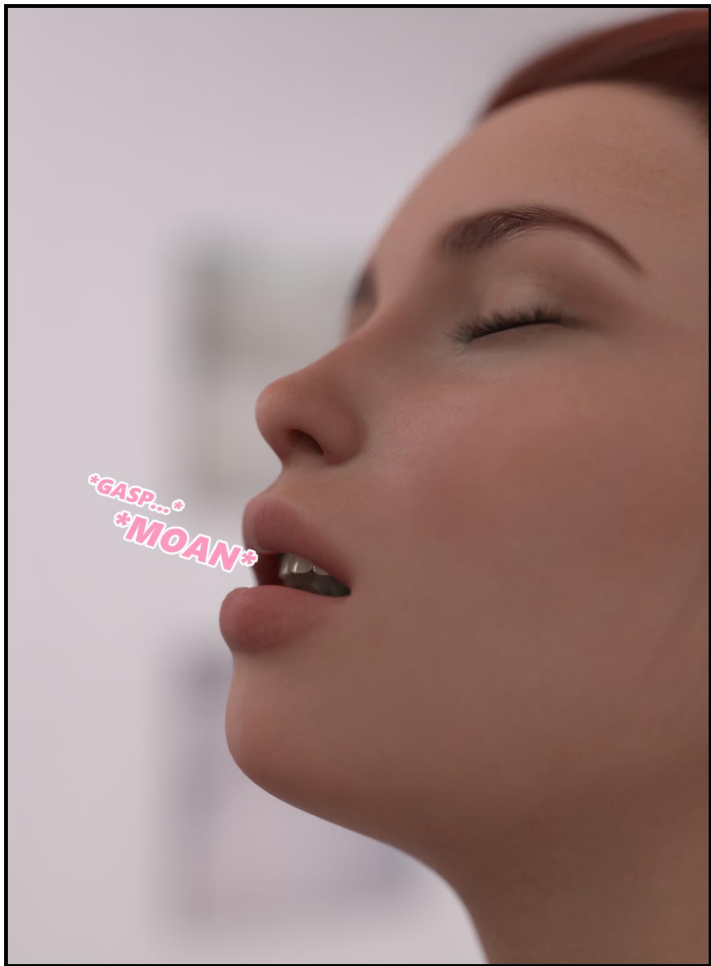

...this  
feels good.

A woman with red hair tied in a bun stands in a modern bathroom. She is looking towards the left with a concerned expression, her hand near her ear. The background shows a glass shower enclosure and a white door.

*Shit!*

*That cat is  
still sleeping,  
right...?*

...also, the door's closed and locked, so even if he was awake, he'd know better than to just walk in on someone in the bathroom.

A woman with vibrant red hair tied in a high ponytail is shown in profile, looking towards the left. She has a thoughtful or questioning expression on her face. Her arms are crossed over her chest. The background is a simple, brightly lit indoor space with a white door visible.

He would  
know better  
than to do  
that...

...right?

A 3D rendered nude woman with reddish-brown hair pulled back, standing in a modern bathroom. She has a slightly concerned or defensive expression. Her hands are held out in front of her chest. In the background, there is a glass shower enclosure and a white door. A speech bubble is positioned in the upper left corner of the frame.

Okay, stop  
being so  
paranoid...

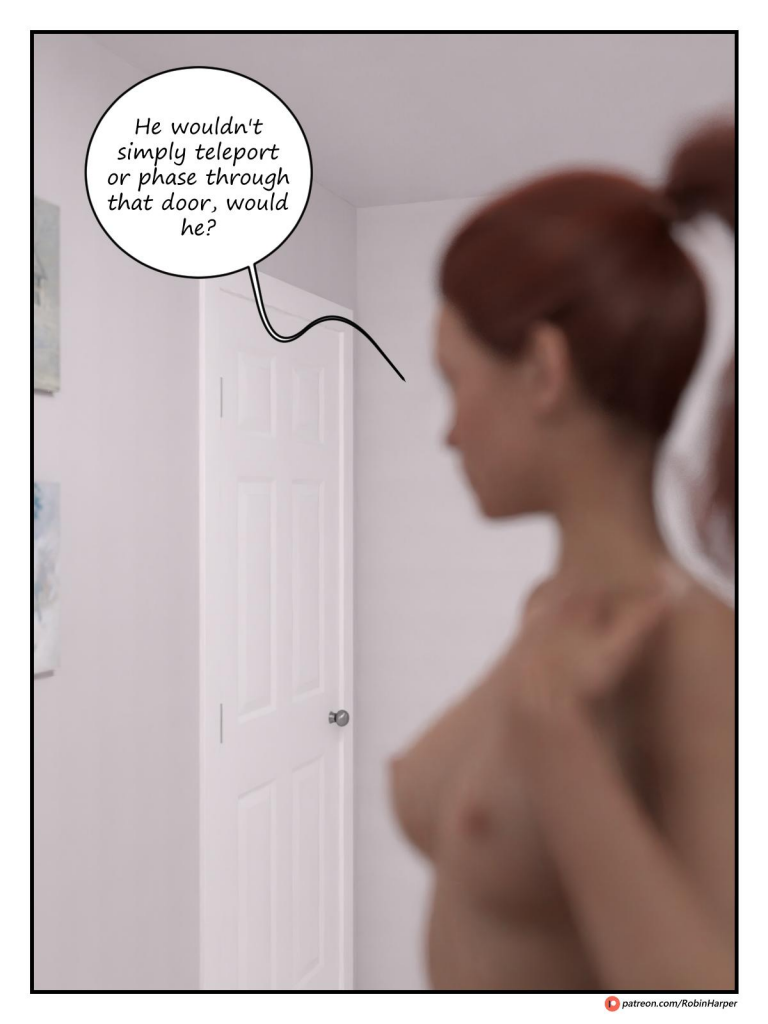

*...it's just  
a cat...*

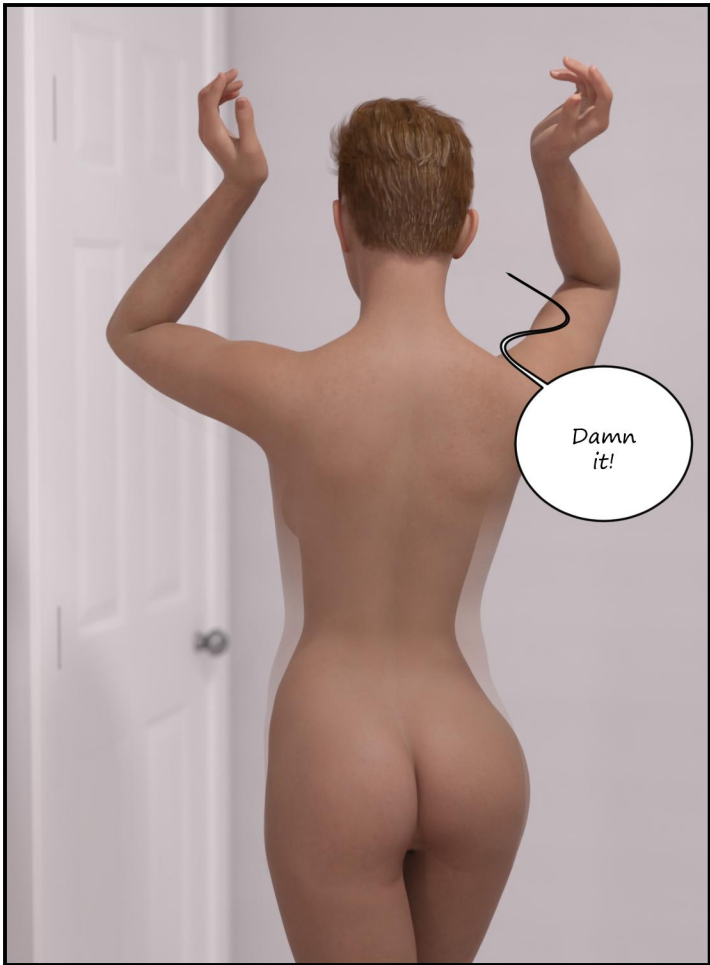

...a magic  
talking  
cat.

A woman with reddish-brown hair tied back is shown in profile, looking towards a white door. She is unclothed. The scene is set in a room with light-colored walls. A speech bubble is positioned above the door.

He wouldn't  
simply teleport  
or phase through  
that door, would  
he?

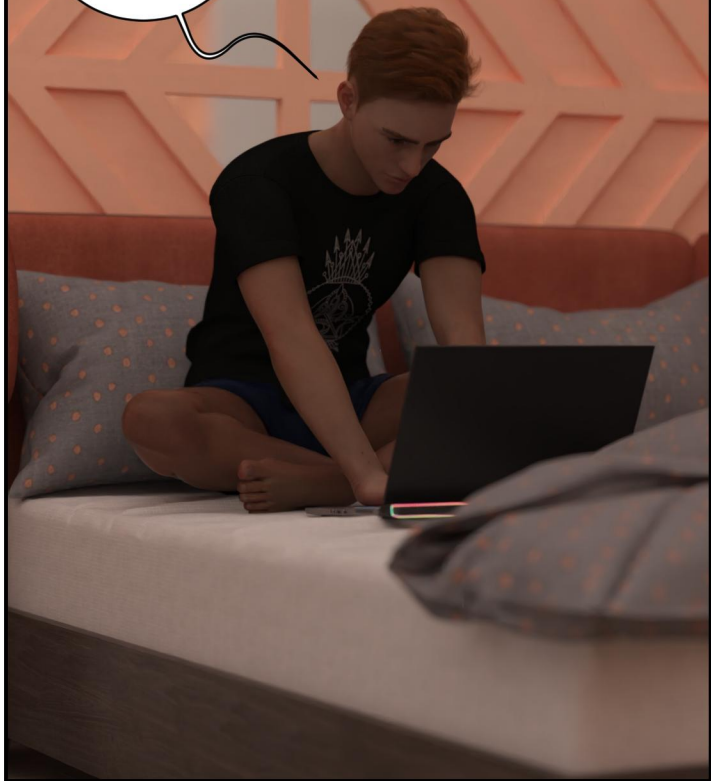

Damn  
it!

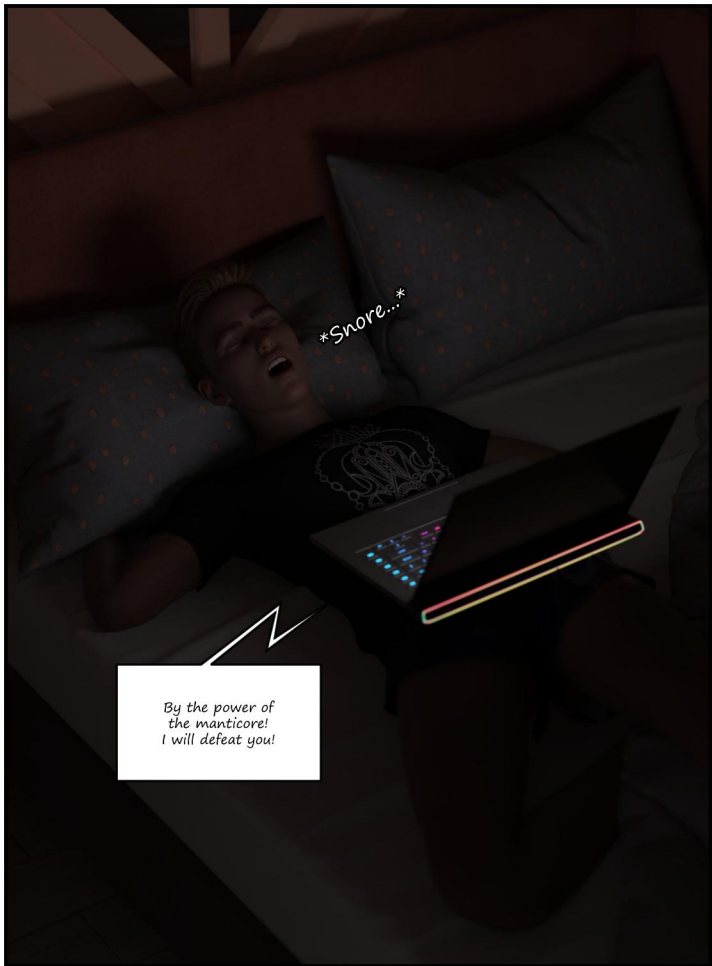

I'll never be  
able to keep my  
focus with that  
cat in the other  
room!

I'll watch  
a few shows  
for a bit and  
try again  
later.

*\*Snore...\**

*By the power of  
the manticore!  
I will defeat you!*

zzz...

\*Snore...\*

BEEP!  
BEEP!  
BEEP!

Oh,  
man...

...last night  
almost doesn't  
feel real...

*...and I feel  
so exhausted,  
I'm tempted  
to call in  
sick!*

But I have  
that presen-  
tation I have  
to-

-what the hell!?

Did I  
wake up  
like this?

How the hell did I not notice?

And how  
could I have  
possibly missed  
these?

Whatever.  
As long as this  
is just a one-  
time glitch.

Because  
as much as  
I'd love to play  
some more with  
those boobs...

...I need to  
get to the gym  
for my morning  
swim before  
work!

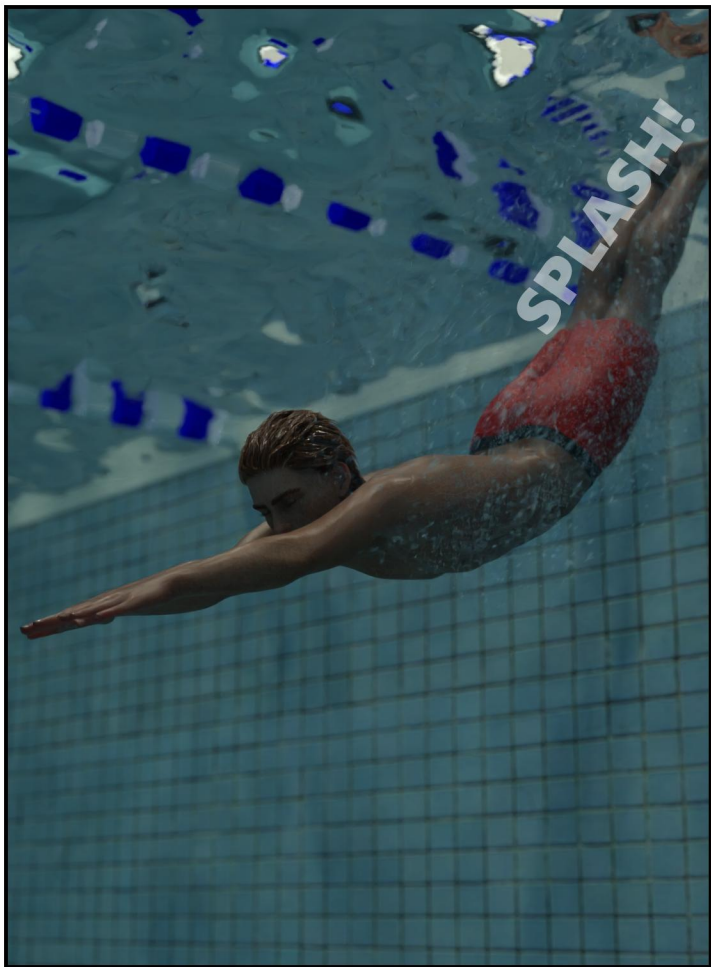

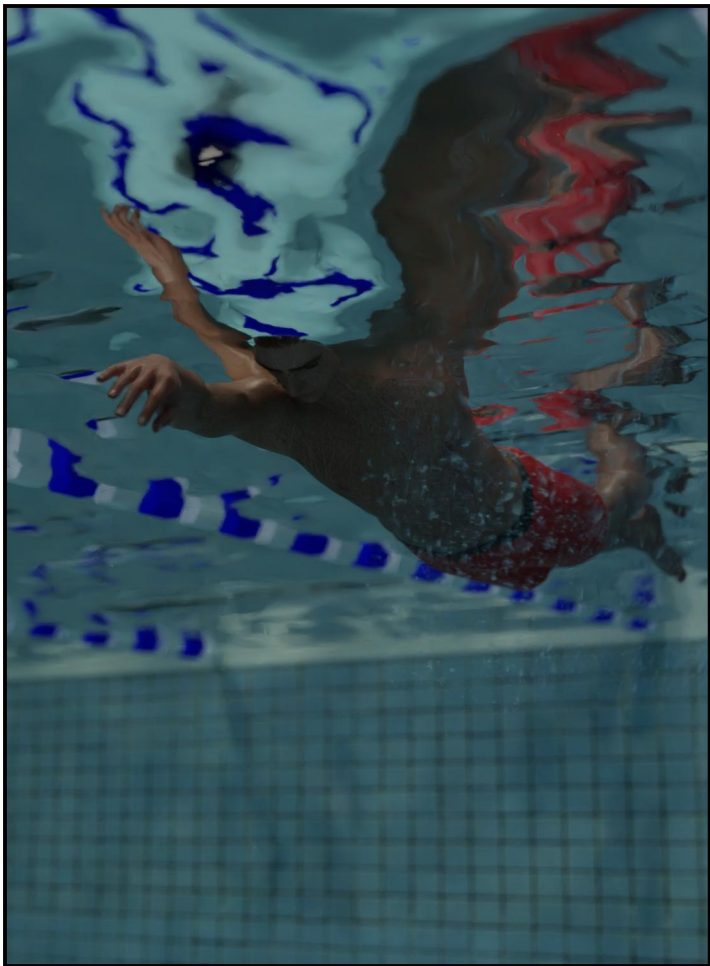

Alright, Mr.  
Sleeping  
Cat!

I've left  
you a note  
in case you  
decide to  
wake up!

Assuming  
you can  
read.

Anyhow,  
I'll be home  
after work!

Hey, Scott, did you notice who's on duty this morning?

Yeah, how  
could I not  
notice?

So when  
are you going  
to make your  
move?

I've told you  
already, I'll ask  
her out when  
the time is  
right.

When  
the time  
is right!?

Dude!  
You've been  
saying that for  
the last three  
months!

At this  
rate, the time  
will never be  
right for you!

You keep on pushing it off, so I'm going to give you a deadline!

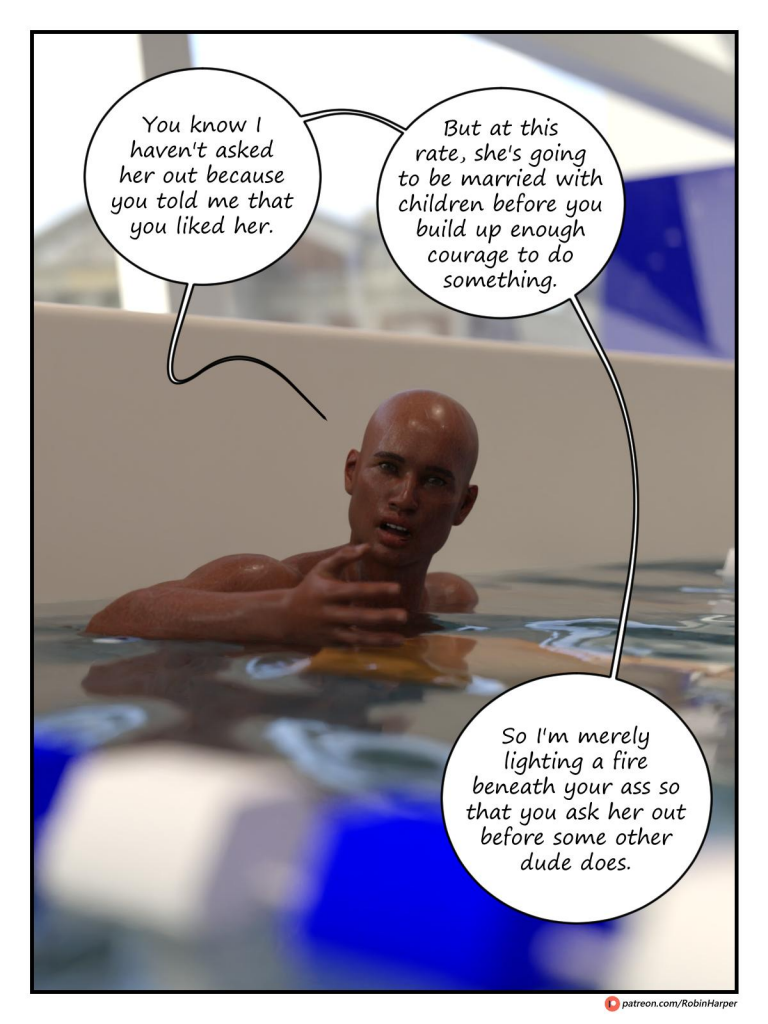

You have  
one week to  
ask Becky  
out...

..because  
if you don't,  
I'm going to ask  
her out next  
Wednesday!

What!?

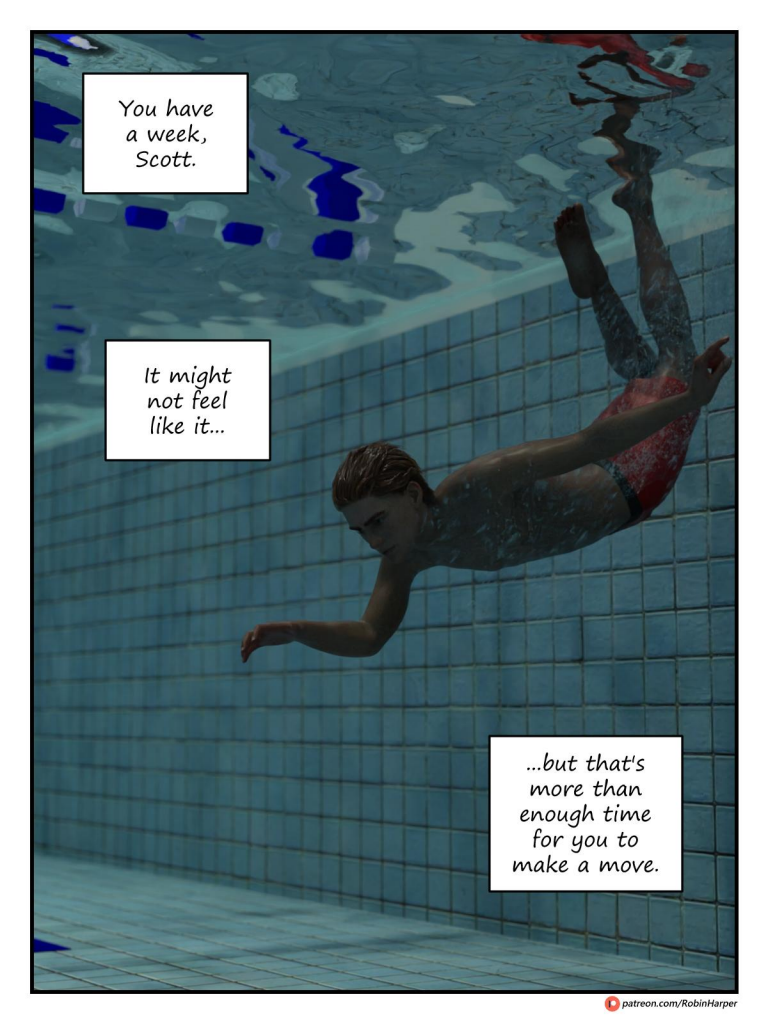

A man with a shaved head is in a swimming pool, looking thoughtful. He is surrounded by water and pool equipment. Three speech bubbles are connected to him, containing text.

You know I haven't asked her out because you told me that you liked her.

But at this rate, she's going to be married with children before you build up enough courage to do something.

So I'm merely lighting a fire beneath your ass so that you ask her out before some other dude does.

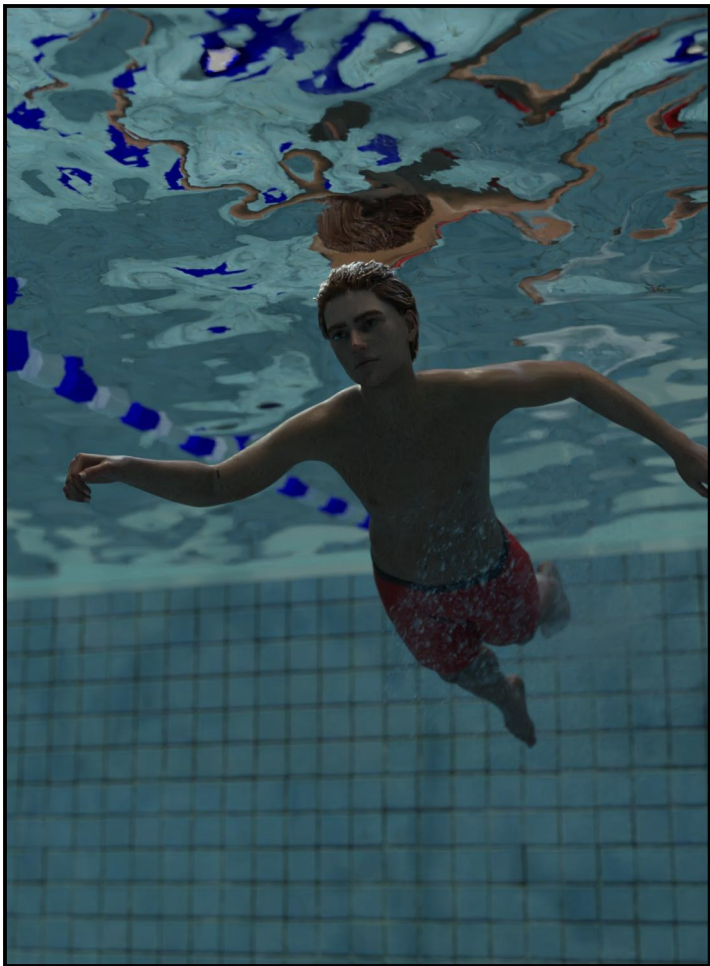

A man with short brown hair, wearing a red swimsuit, is floating horizontally underwater in a swimming pool. The pool's floor and walls are made of light blue square tiles. The water is clear, and the lighting is somewhat dim, creating a serene atmosphere. The man's arms are extended forward, and his legs are slightly bent. The overall scene is a still life of a person at rest in a pool.

You have  
a week,  
Scott.

It might  
not feel  
like it...

...but that's  
more than  
enough time  
for you to  
make a move.

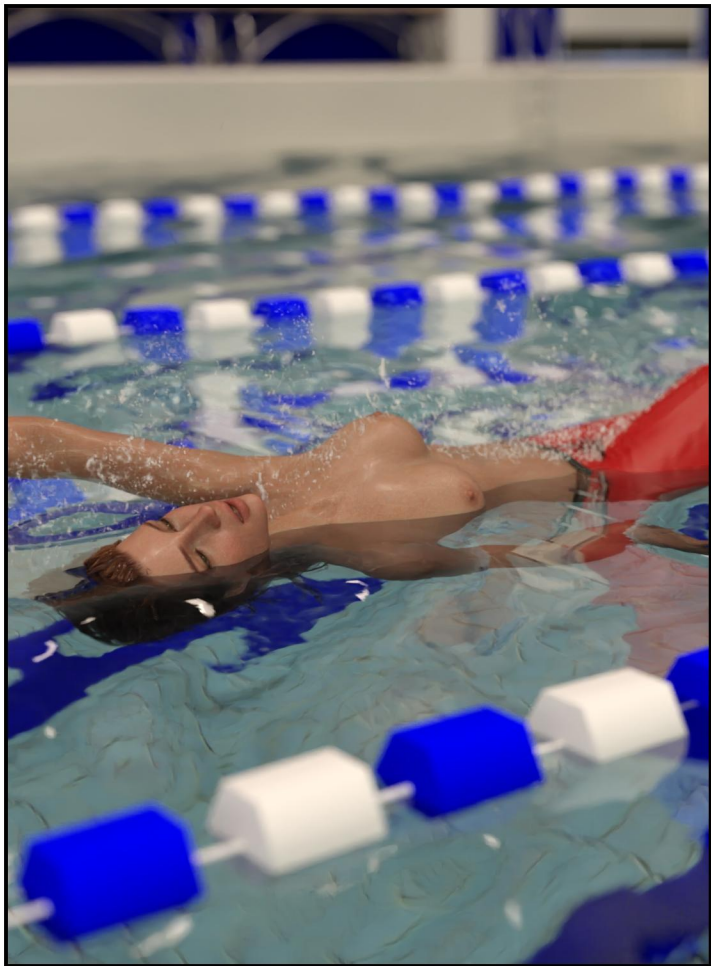

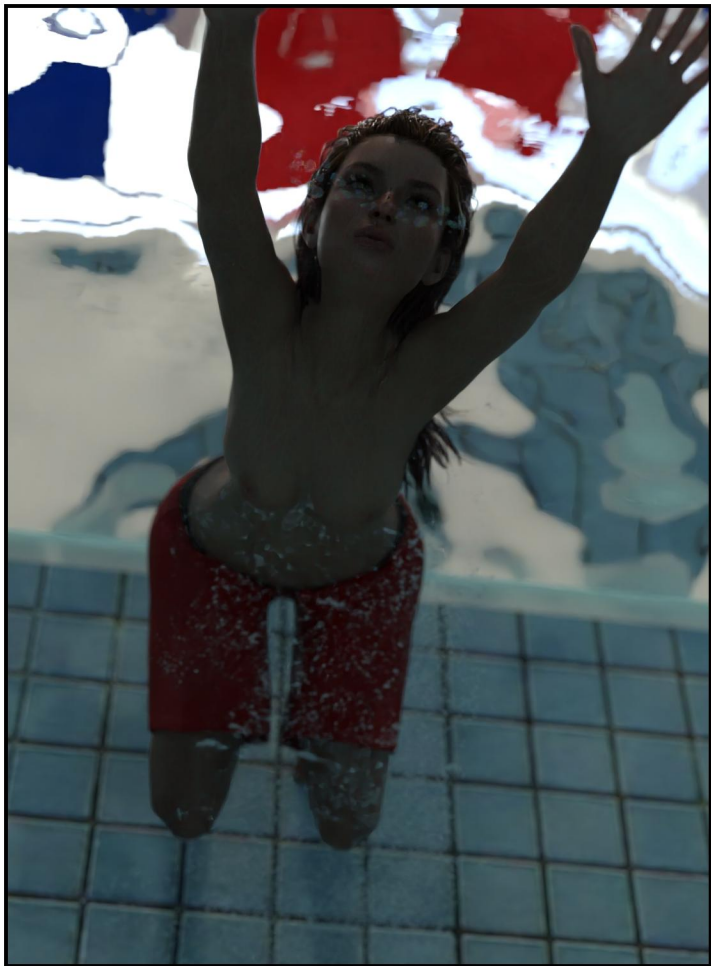

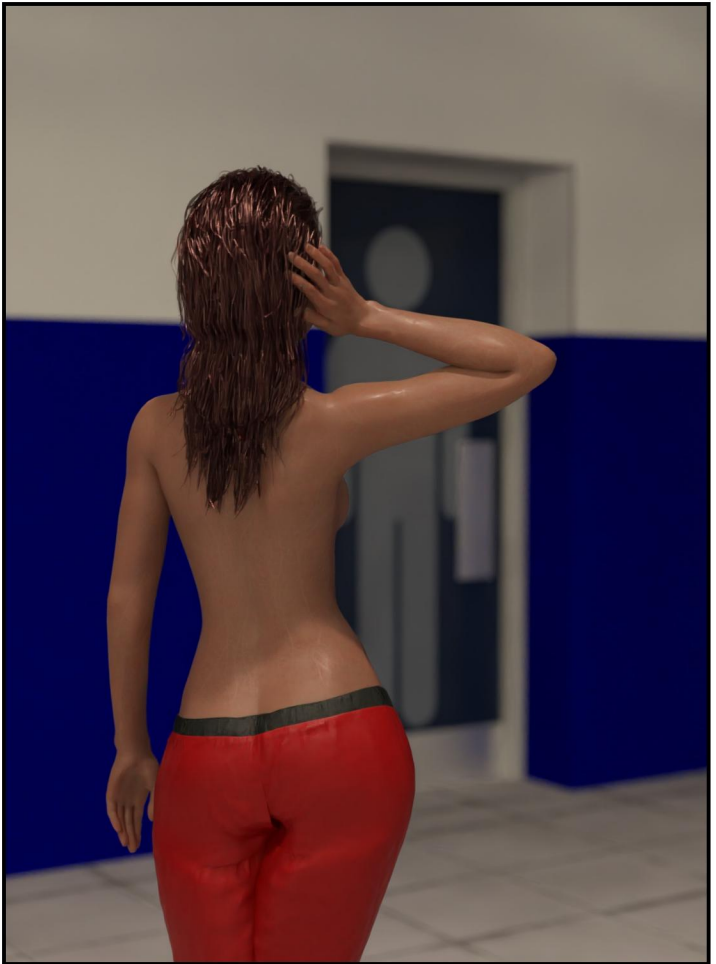

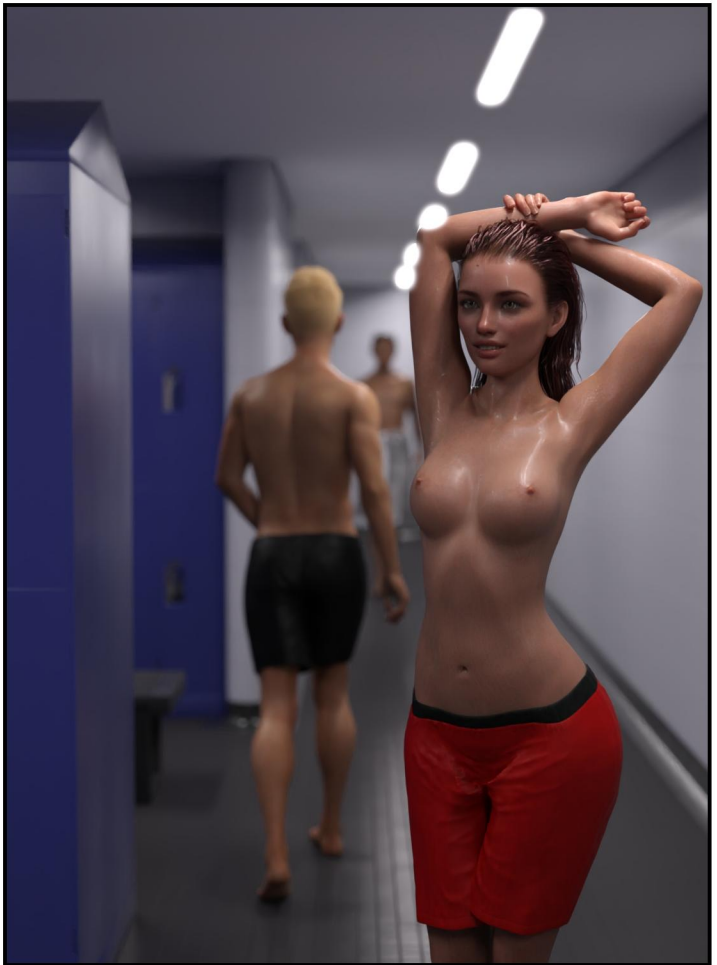

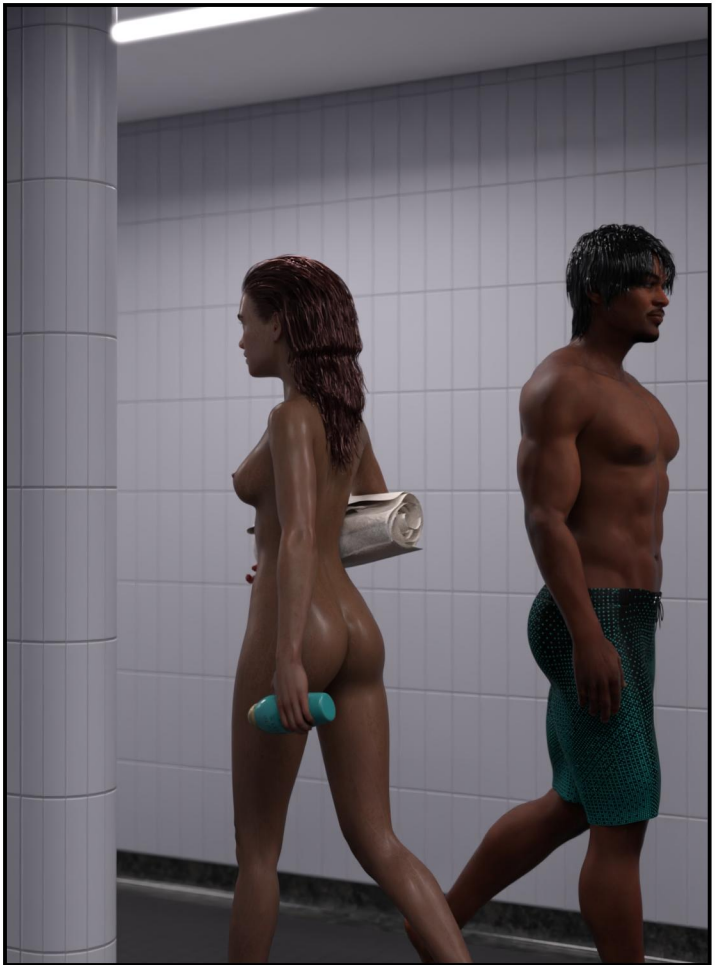

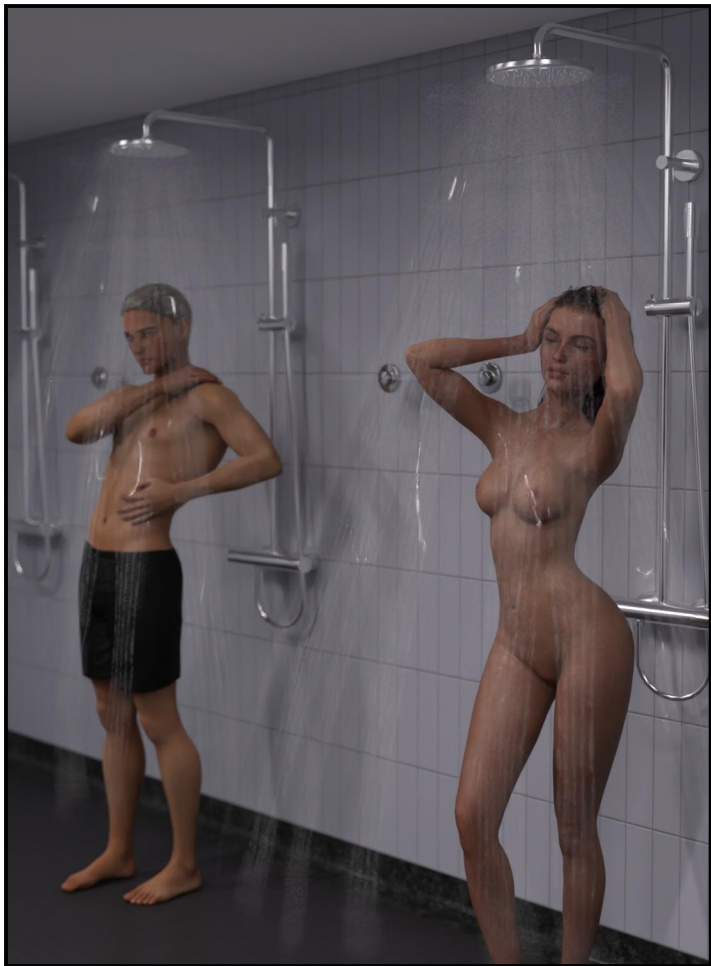

Hey,  
Scott...

...I didn't  
mean to piss  
you off earlier  
when we were  
talking about  
Stacy.

A woman with wet hair is standing in a shower, looking slightly to the side. She has her arms crossed. The background shows shower fixtures and tiled walls. A speech bubble is positioned to her left, containing the text "What?".

What?

Why would  
you think  
that?

I've never  
seen you swim  
so fast in my  
life!

You were  
nearly doing  
two laps in the  
time I could  
do one!

A woman with long, dark, wet hair is leaning forward in a shower, her body glistening with water. She is looking down. In the background, another person is partially visible, also in the shower. The scene is set in a tiled shower stall with a showerhead and a faucet visible.

Weird. My  
pace didn't feel  
any different  
to me...

...I thought I  
was swimming  
at my normal  
speed!

And I'm  
not angry...

...a little  
annoyed,  
maybe...

...but you're  
doing me a  
favor by giving  
me the first  
shot with her.

What the hell!?

I've emptied, like, half this bottle into my hair, and it's still not soapy enough!

You know...

...I still can't understand how you are so comfortable doing that.

Doing what?

Showering  
completely  
naked in front  
of everyone!

A woman with wet hair and skin is standing in a shower. She has her hands on her hips and is looking slightly to the side. A stream of water is running down her torso. The background is a tiled shower wall.

Oh, it's  
not a big  
deal if you're  
used to it.

I've been  
showering  
like this at  
the pool ever  
since I was  
a kid!

And, sure,  
it might be  
embarrassing if  
I was the only one  
who showered  
this way...

...but plenty  
of other people  
here shower  
naked too!

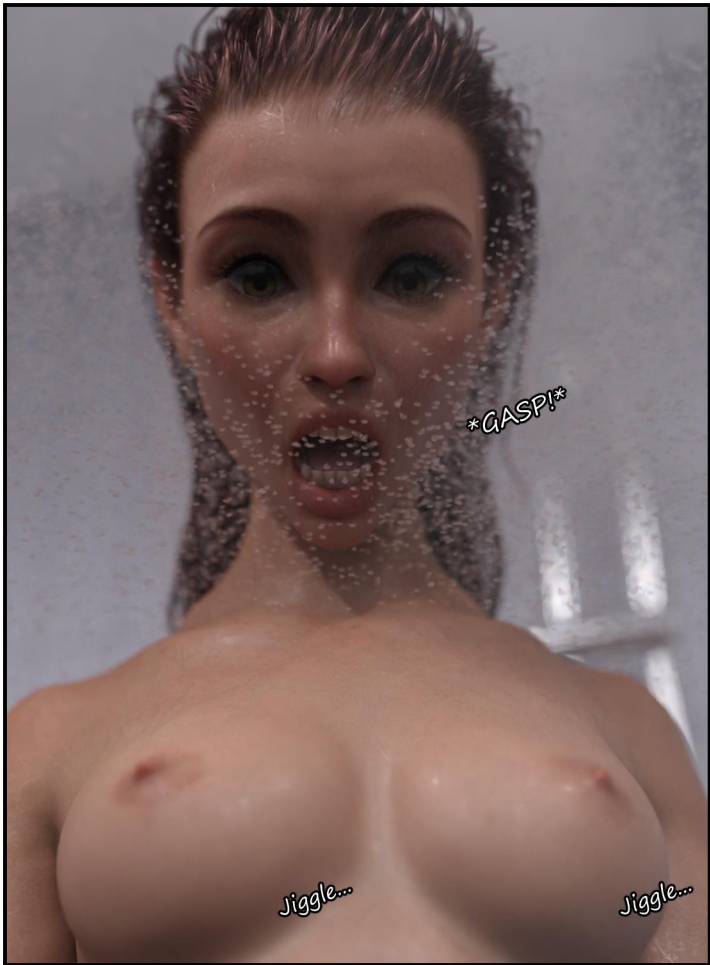

And we're  
all guys  
here...

...it's not  
like I have  
anything you  
don't already  
see every-

Oh,  
shit!

Scott?

Are you  
okay, man?

What...?

A woman with wet hair is standing in a shower, looking down with a slightly distressed expression. She is nude. Three speech bubbles are overlaid on the image, containing text that appears to be a conversation about her gender identity.

...yeah,  
um... I'm  
fine.

What  
the hell?

He reacted  
to my surprise,  
but not the more  
glaring issue that  
I'm currently  
a girl?

But wait...  
if I'm a girl  
right now, how  
does he know that  
I'm Scott?

*And why is no one else in here reacting to a naked girl showering in the men's change room?*

*Are they all still seeing me as Scott right now?*

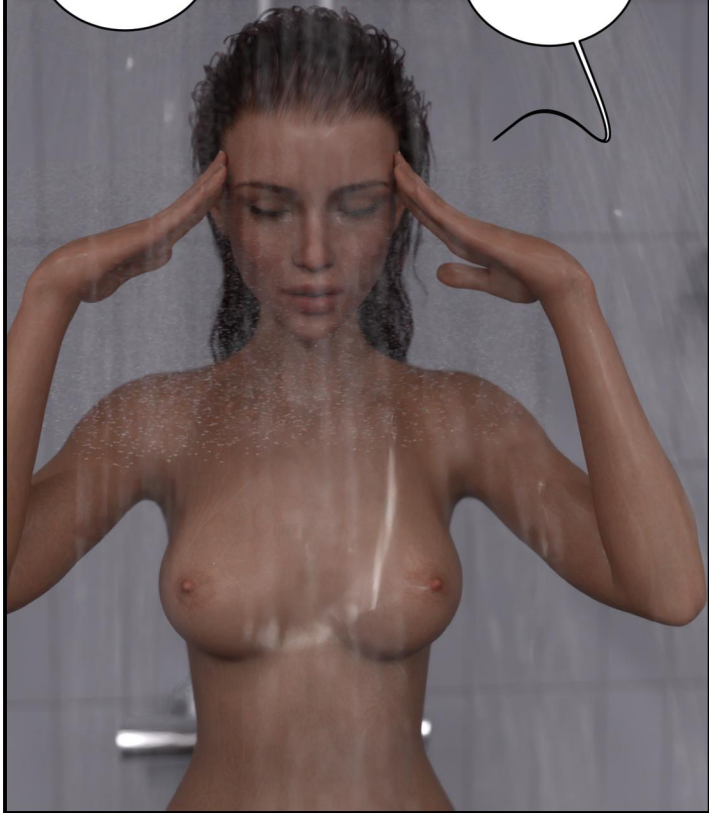

*Am I the only one in here who can see that I'm a currently a girl?*

*So, should  
I just act like  
everything is  
normal and  
just roll with  
it?*

*Either way,  
I should still  
try and change  
back into  
a guy!*

*Sorry  
about that...*

A woman with dark hair pulled back is standing in a shower. Her chest and shoulders are covered in white soap suds. She has a neutral expression and her hands are raised to shoulder height, palms facing forward. The background is a grey shower curtain.

There! It's working!

...I just, um... remembered that I forgot to take care of something important before leaving work yesterday...

...so now I...  
uh... have to  
take care of  
it as soon as I  
get to work  
today.

I just  
panicked for a  
moment when  
it came to me.  
That's all.

So don't  
worry about  
it...

...it's not  
really that  
big of a  
deal.
