

## *Princess Penmanship*

Are you ever tired of your gross and boring male handwriting? Have you ever been turned down because a hunky lover has had trouble understanding the love letters you've been writing him? Do you ever wish your penmanship could be as cute, loopy, and girly like all the other adorable women around you? Well, practice makes perfect! *Princess Penmanship* will work to create habits like journaling and writing letters and practicing your calligraphy until your handwriting is as adorable as you have always dreamed of.

So grab a cute pen in a bright, feminine, color and open a fresh new page as you learn to write all of your girly feelings and thoughts and emotions into your adorably, cute, diary. Start leaving cute notes with adorable doodles and words of encouragement for your loved ones, while showing off how classy and thoughtful and confident you are by taking the time to write long handwritten letters to your lovers or maybe pen a silly, charming note to your best friends. The possibilities are endless with your new, perfect, handwriting!

Find yourself writing in your cute little diary each and every day as you discover yourself yearning to compose the most adorable letters on the prettiest paper. Begin your practice by listening and looping *Princess Penmanship* today!
