Muzan-sama..
Those Demon
Slayers has
already smell us.

I will hunt them down.. one by one.

No need, Daki.
Stay where you are.

Then, Muzan-sama.
Do you want me to
weaken them first?

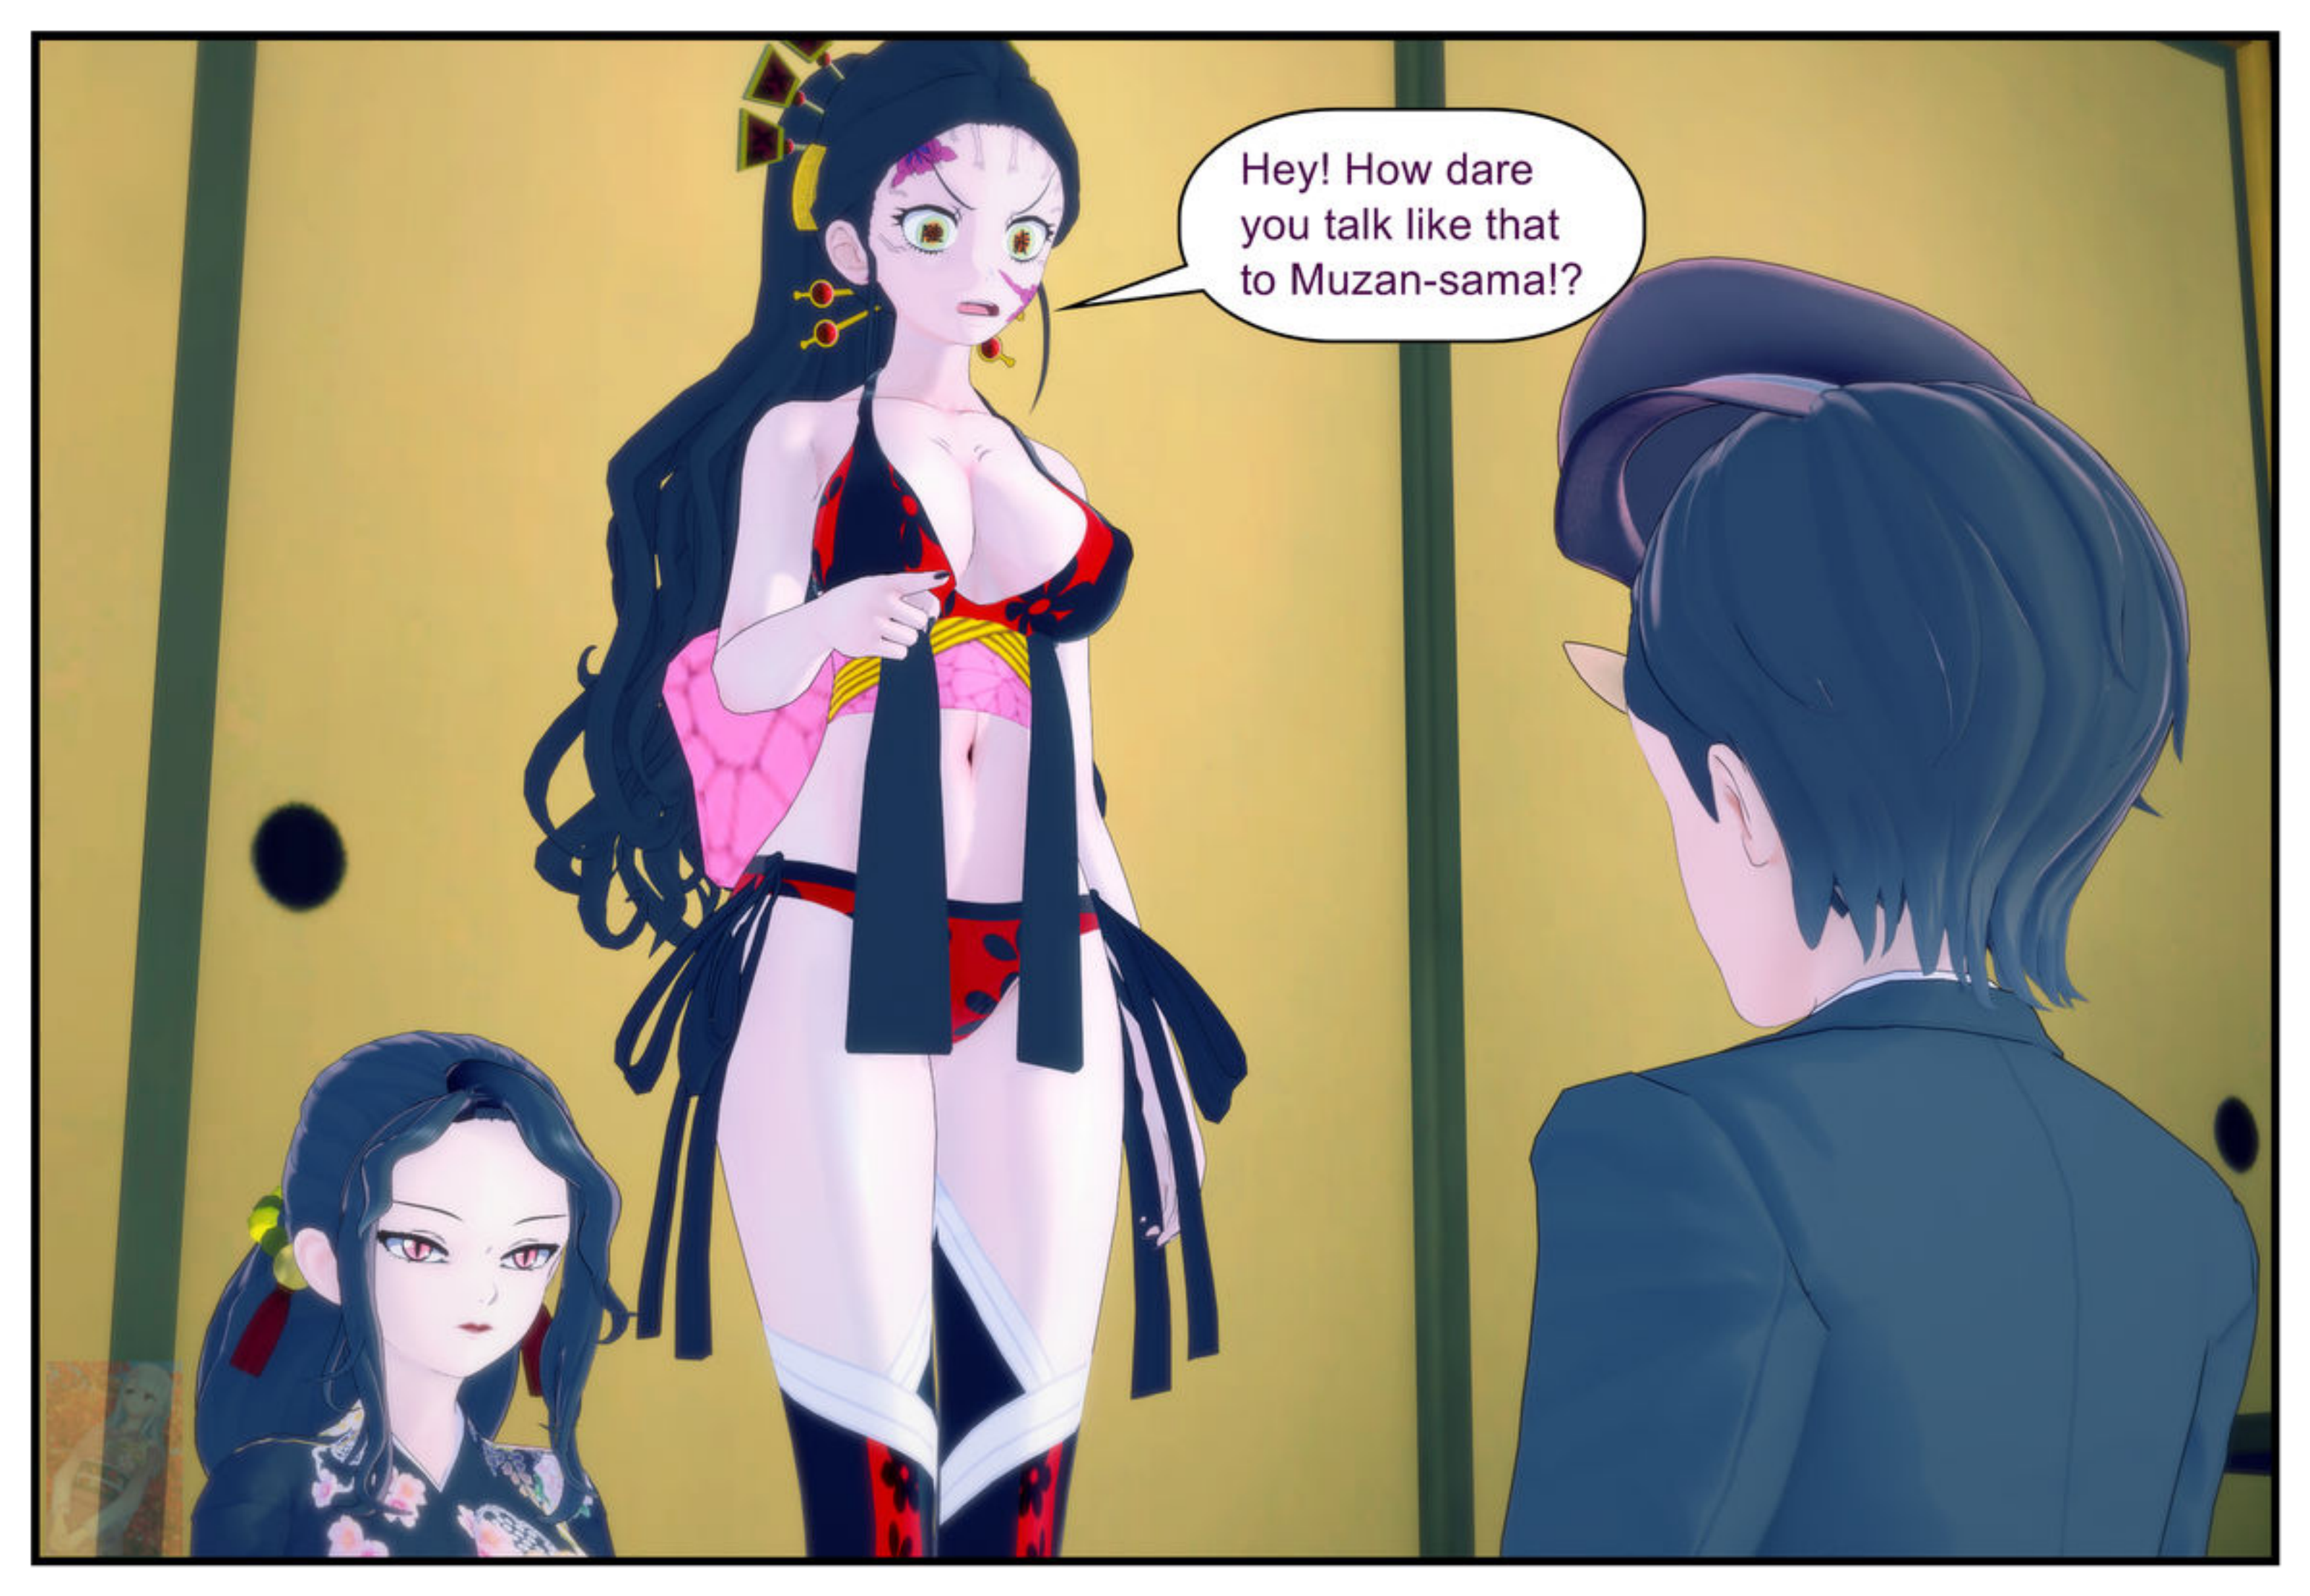

You are..?

You did call me,
didn't you,
Muzan-sama?

Ruji Shinosuke,
one of your low
rank Demon.

Hey! How dare you talk like that to Muzan-sama!?

Stand down,
Daki. I allow
him in.

I don't
believe it,
Muzan-sama!

This low rank
Demon can't even
touch a man than
a Hashira!?

Get out the here and behave like others.

You want a fight?
Let me cut your
head for a warning.

Daki-sama..
You shouldn't
underestimate
someone..

I will say it one more time. Leave!

"If this is what you wanted, Daki-sama."

"I shall leave.."

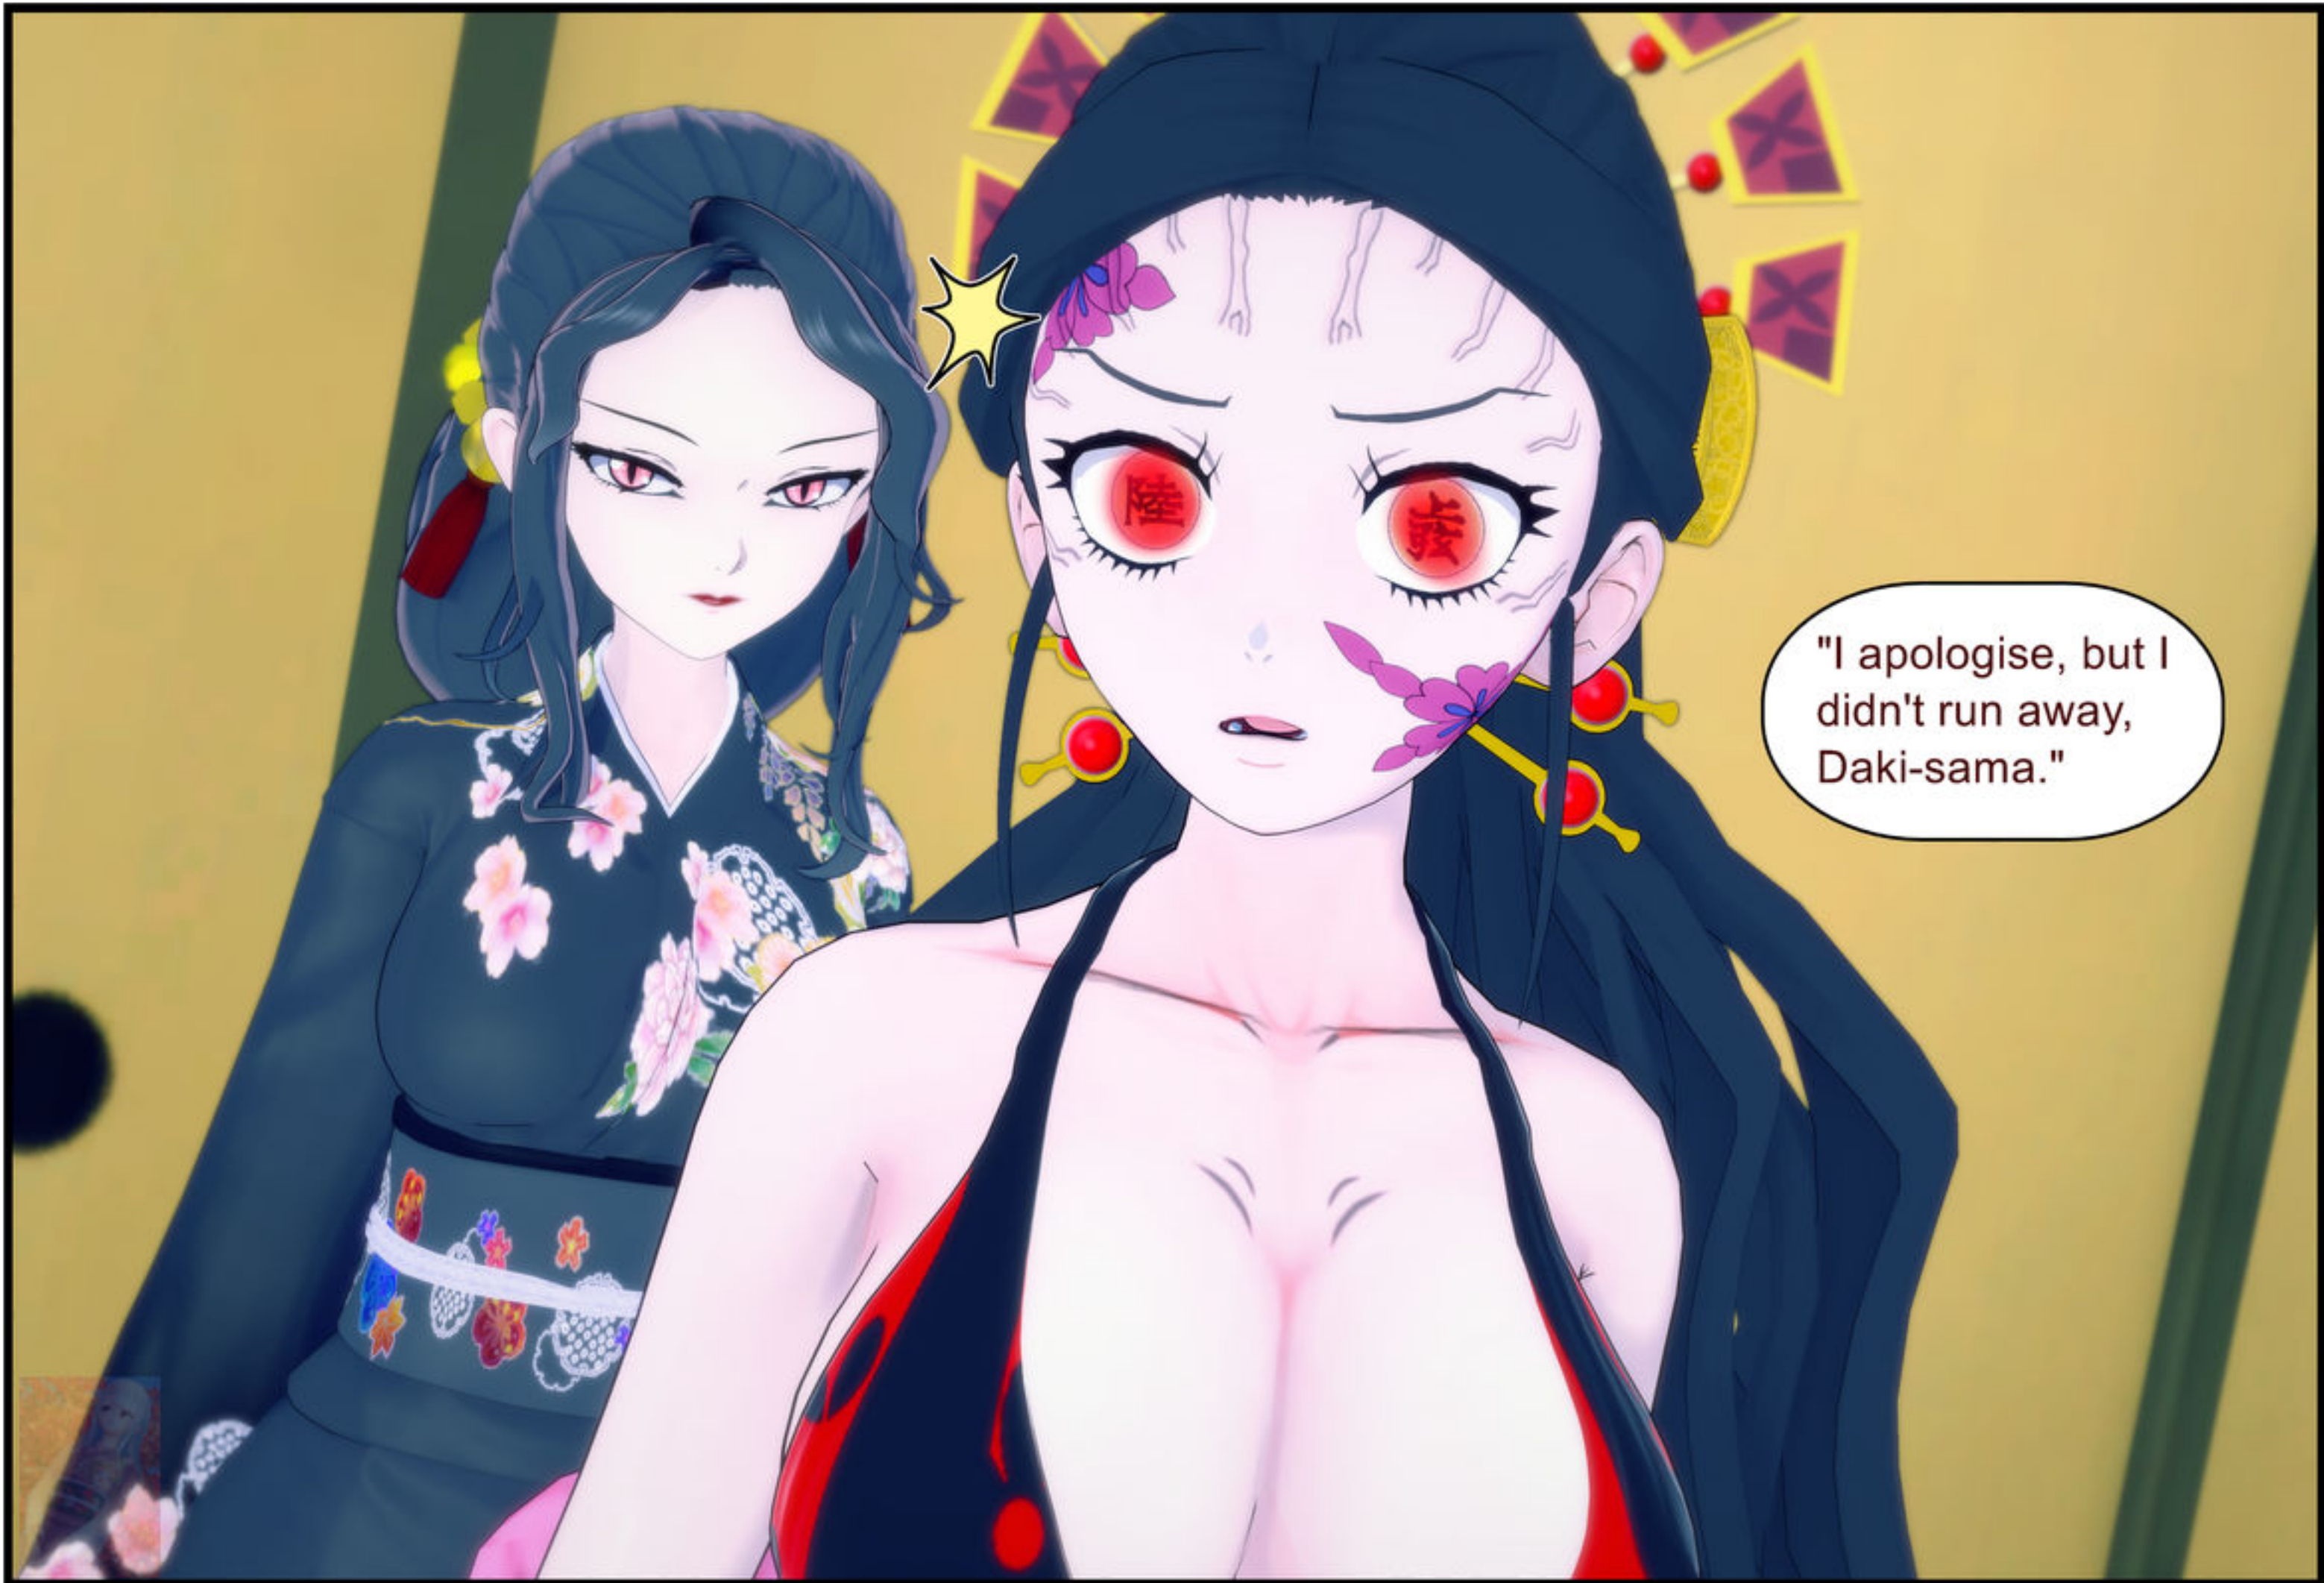

W-Where did
he go!?

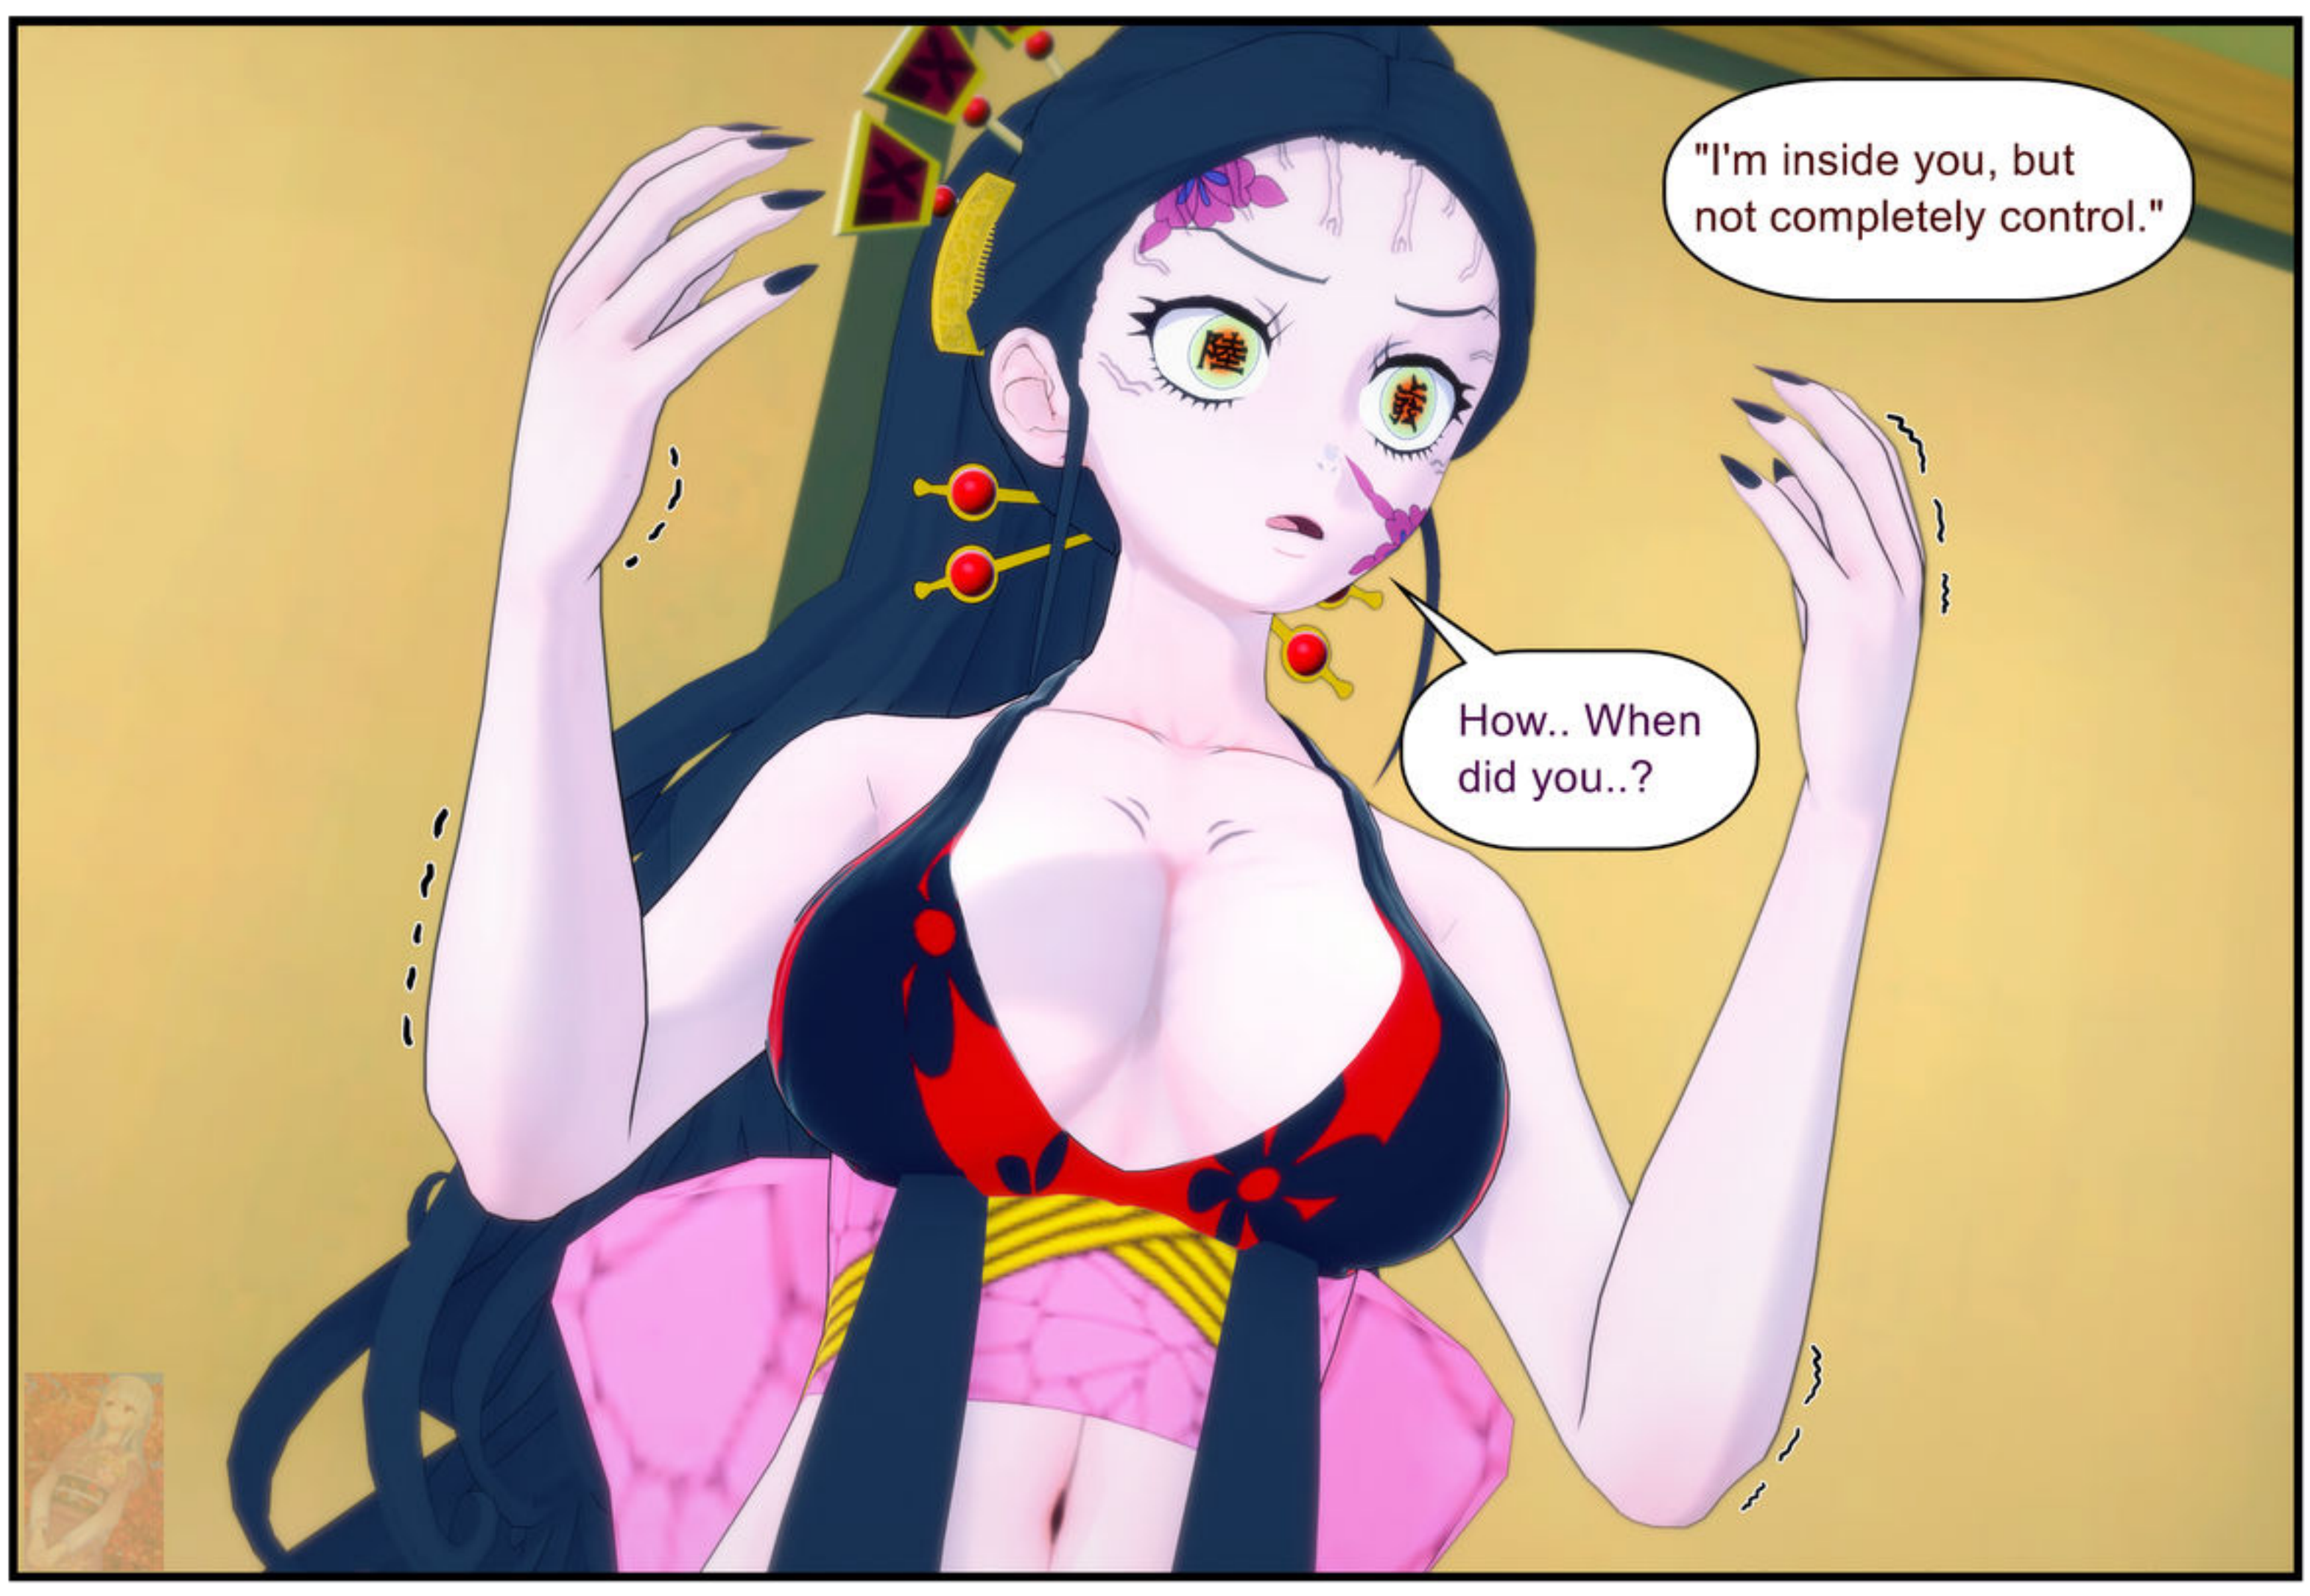

"He can move quickly in just a moment, even Daki can't see him."

Yeah! Run away like a coward!

"I apologise, but I didn't run away, Daki-sama."

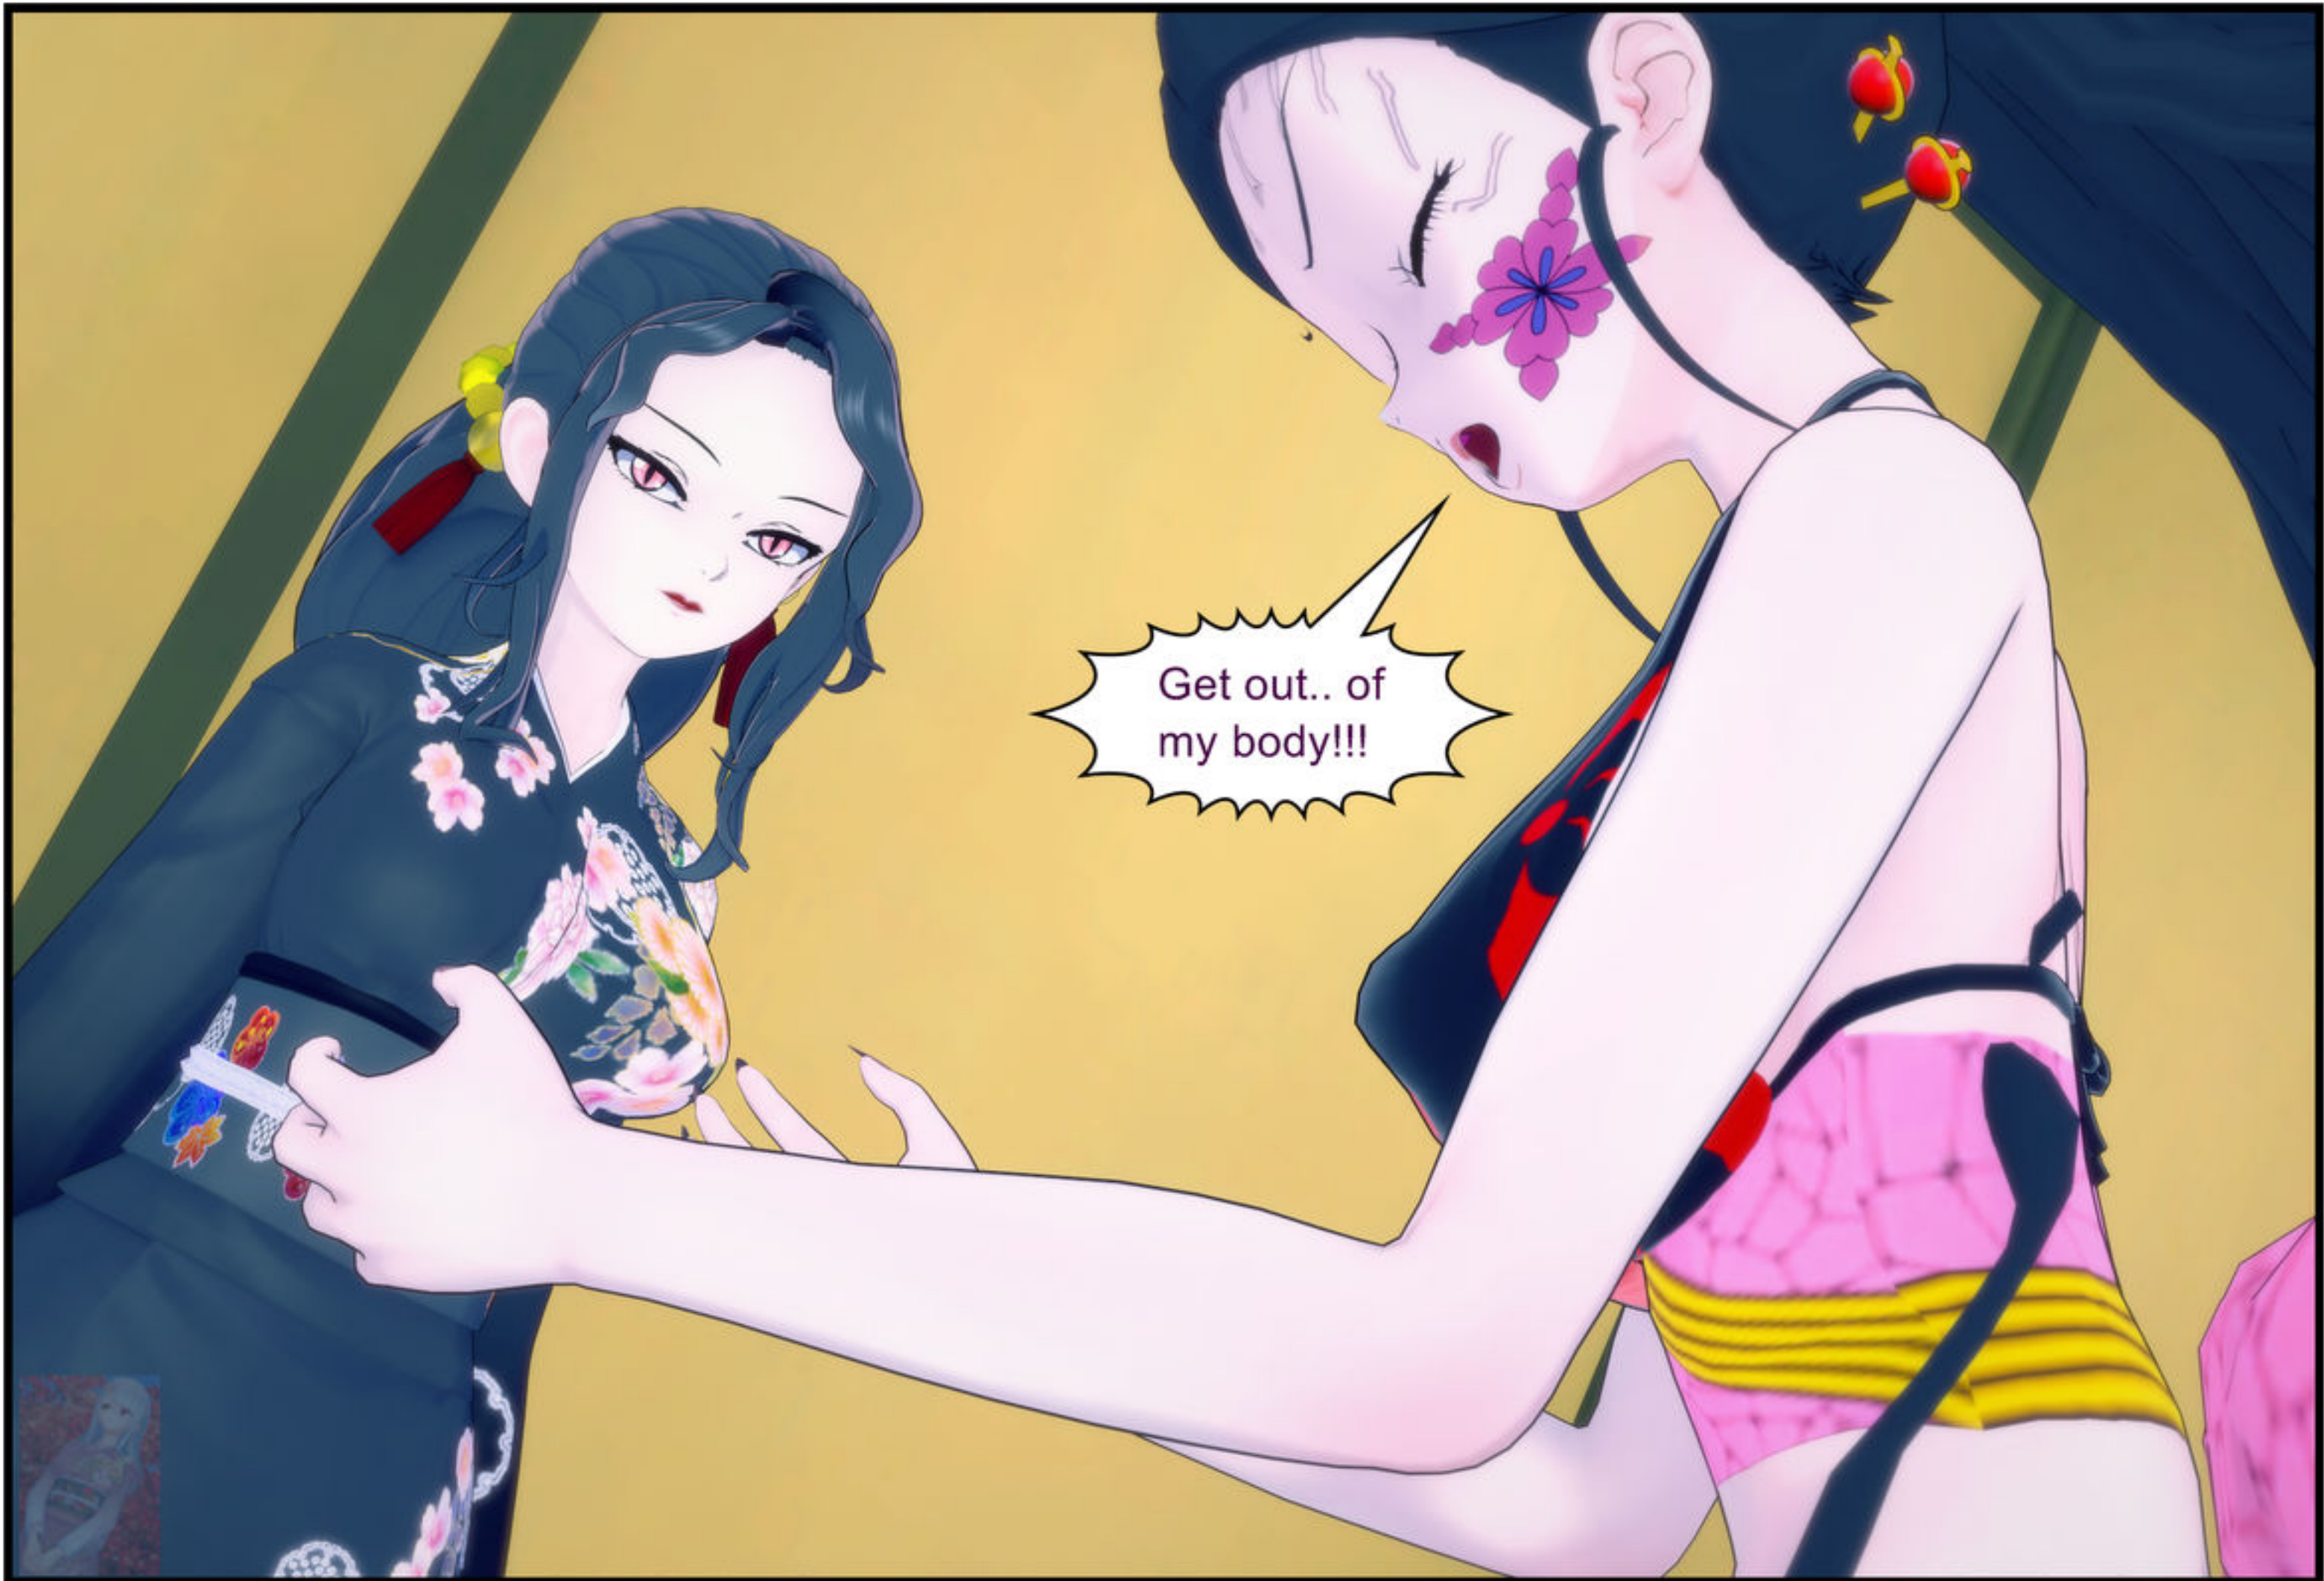

"I'm inside you, but not completely control."

How.. When did you..?

"Even you are
a high rank, I
can still possess
your mind."

Get out.. of
my body!!!

A woman with long black hair, wearing a pink kimono with a red and black floral pattern, is shown in a state of shock. Her eyes are wide open, and her mouth is agape. She has a yellow starburst on her forehead. Her hands are raised to her face, with fingers spread. The background consists of green and yellow geometric shapes.

"Daki-sama..
Did you want to
take my head off?"

You can stop it
now, Shinosuke.

I said you can stop it right now.

"But I haven't proved myself to you.."

Am I not make myself clear?

Yes, my apologise, Muzan-sama.

和敬清

You can get more
of my blood if you
do this for me.

Yes, anything
you wanted.

Also, the Demon that went with him too. If can, destroy them from the inside.

Bring me the head of a Demon Slayer who wear earrings and a green plaid.

A young man with dark, wavy hair and a purple hat with a light blue band is bowing deeply. He is wearing a blue suit jacket over a white shirt. His eyes are closed, and his hands are clasped in front of his chest. The background consists of green and yellow vertical panels.

Yes, I will take care
all of them for you,
Muzan-sama.

"I never let my
prey run away.."

Haaaahhhh!!!

"I must.. become stronger.. to protect Nezuko."

Ah.. Nezuko?
What are you
doing out here?

You didn't see
me anywhere so
came looking
for me?

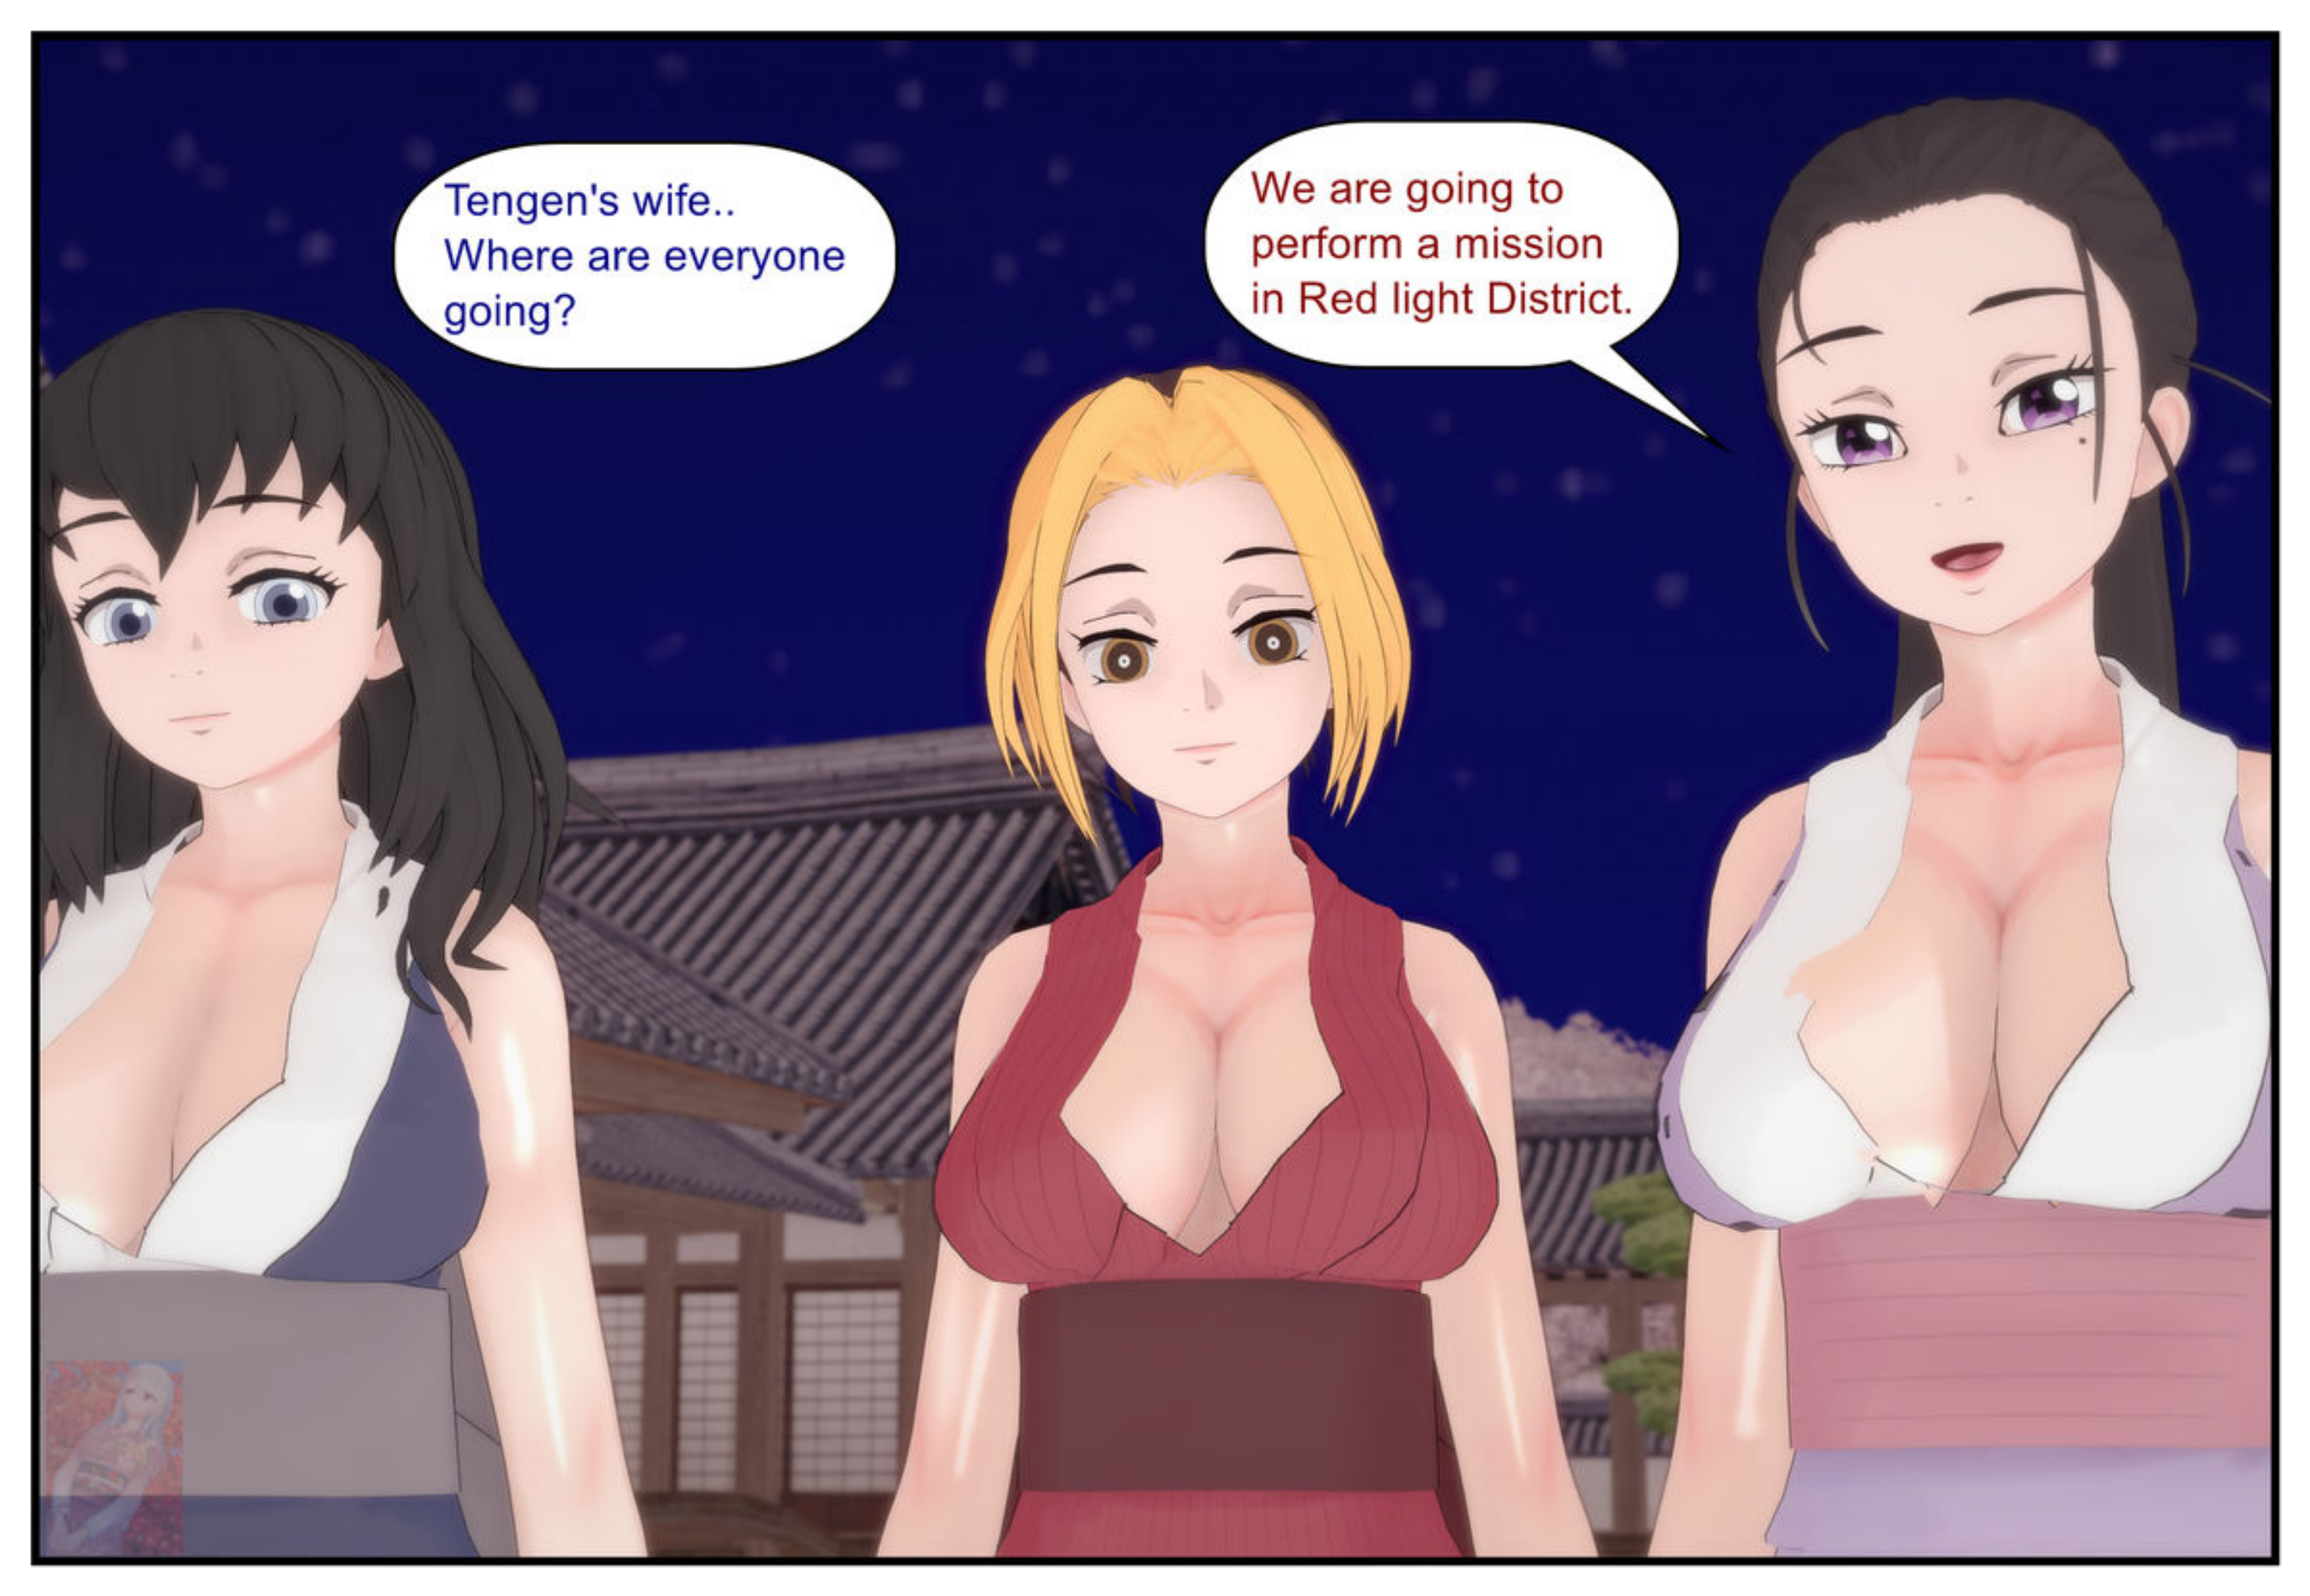

Don't worry, I need more practicing to protect you and everyone.

Tanjiro really hard at practicing.

Y-You three are..

A night scene with three anime-style women. The woman on the left has long black hair and blue eyes, wearing a white and blue dress. The woman in the center has short blonde hair and brown eyes, wearing a red dress. The woman on the right has long black hair and purple eyes, wearing a white and purple dress. They are standing in front of traditional Japanese buildings with tiled roofs under a starry night sky.

Tengen's wife..
Where are everyone
going?

We are going to
perform a mission
in Red light District.

T-Tengen-sama
said there will
be a high rank
Demon there..

Hey! We won't
fight them, we
just scouting!

Then, may I come along and escort you?

B-But.. If I made a mistakes, the Demons would catch and eat us!!

Stop worrying about that!!!

Thanks but we
shinobi can take
care of our own.

Please, Tanjiro!
Escort us!!

Come on, Suma!
Stop disturbing him.

Sorry.. but I can't do that..

Please.. hold me back.. Tanjiro..

Let's get inside
and take a rest,
Nezuko.

Hey, how were your injuries, Tanjiro?

I'm recovering, Mitsuri.

It's the time for Demons to work, isn't it?

Are you ready for a mission? This late?

Thought bubbles above Nezuko.

Ah yes.. And I just met Tengen's wives.

ZZZ...

"Nezuko is sleeping.. How cute!!"

Mitsuri?
Mitsuri..?

What is it, Tanjiro?

Ah, nothing. You seem spacing out a bit. I want to say good luck to you.

Oh okay, thanks. You too, recover soon, Tanjiro.

"Tanjiro.. and
Nezuko.. Hm..
If they were said to
be trusted, then.."

Makio.. Hinatsuru..
Where are you..?

Uwoahh.. Just
a single blink..
I lost them..

Makio? Are you there? Hinatsuru!

Miss, are you lost?

Y-You are..!!??

A character with dark hair, small orange horns, and a brown beret. They are wearing a dark grey suit jacket over a white collared shirt and a grey vest. The character has their eyes closed and a slight smile, with their right hand raised in a gesture. The background is a lush green garden with a blue stone wall and a blue wheelchair partially visible in the lower right.

A Demon!!??

Nothing to be aware of, Miss. I'm friendly.

You stay back!!
Don't come any
closer!!

Did you really..
want to fight me
that bad..?

"Then, as you pleased, Miss."

"You will do it
along side with me."

Suma!! There you are!!

Hm! You are really..

Sorry.. I was
so scare and
got lost..

Your kunai.. Was something happened?

I.. I kept hearing
the whispering..
Thought it was
the Demons..

Alright. Let's go together to that District, okay?

Don't get lost again, Suma!

"As long as I'm
in another's body,
no one can know
my present."

"Hm.. This one also related to those Demon Slayers."

"Just need to get in the line and draw the target out."

After Suma, Makio
and Hinatsuru set
up at the Red District..

This is my
special to you..

Enjoy it while you still can..

"I can sense..

"Under me!!??"

ARRRGGHHH!!!!

Oh..? You are..
the Demon Slayer?

Hm.. You are not the one I'm looking for.

"No way.. Did Muzan
Kibutsuji here? Turn
her into demon?"

You are.. Suma..
Tengen's wife..

You really..
interupted
my meal.

Hm.. Should I
taste you also?

But Suma here
can't fight a
Hashira like you..

Oh? That was close, almost cut me in half.

But.. let
me tell you..

m~

m~

You cut my head now, you would kill Suma, not me.

I'm just borrowing her body, other words, she's my shield.

I don't see you
dare to do it, hm?

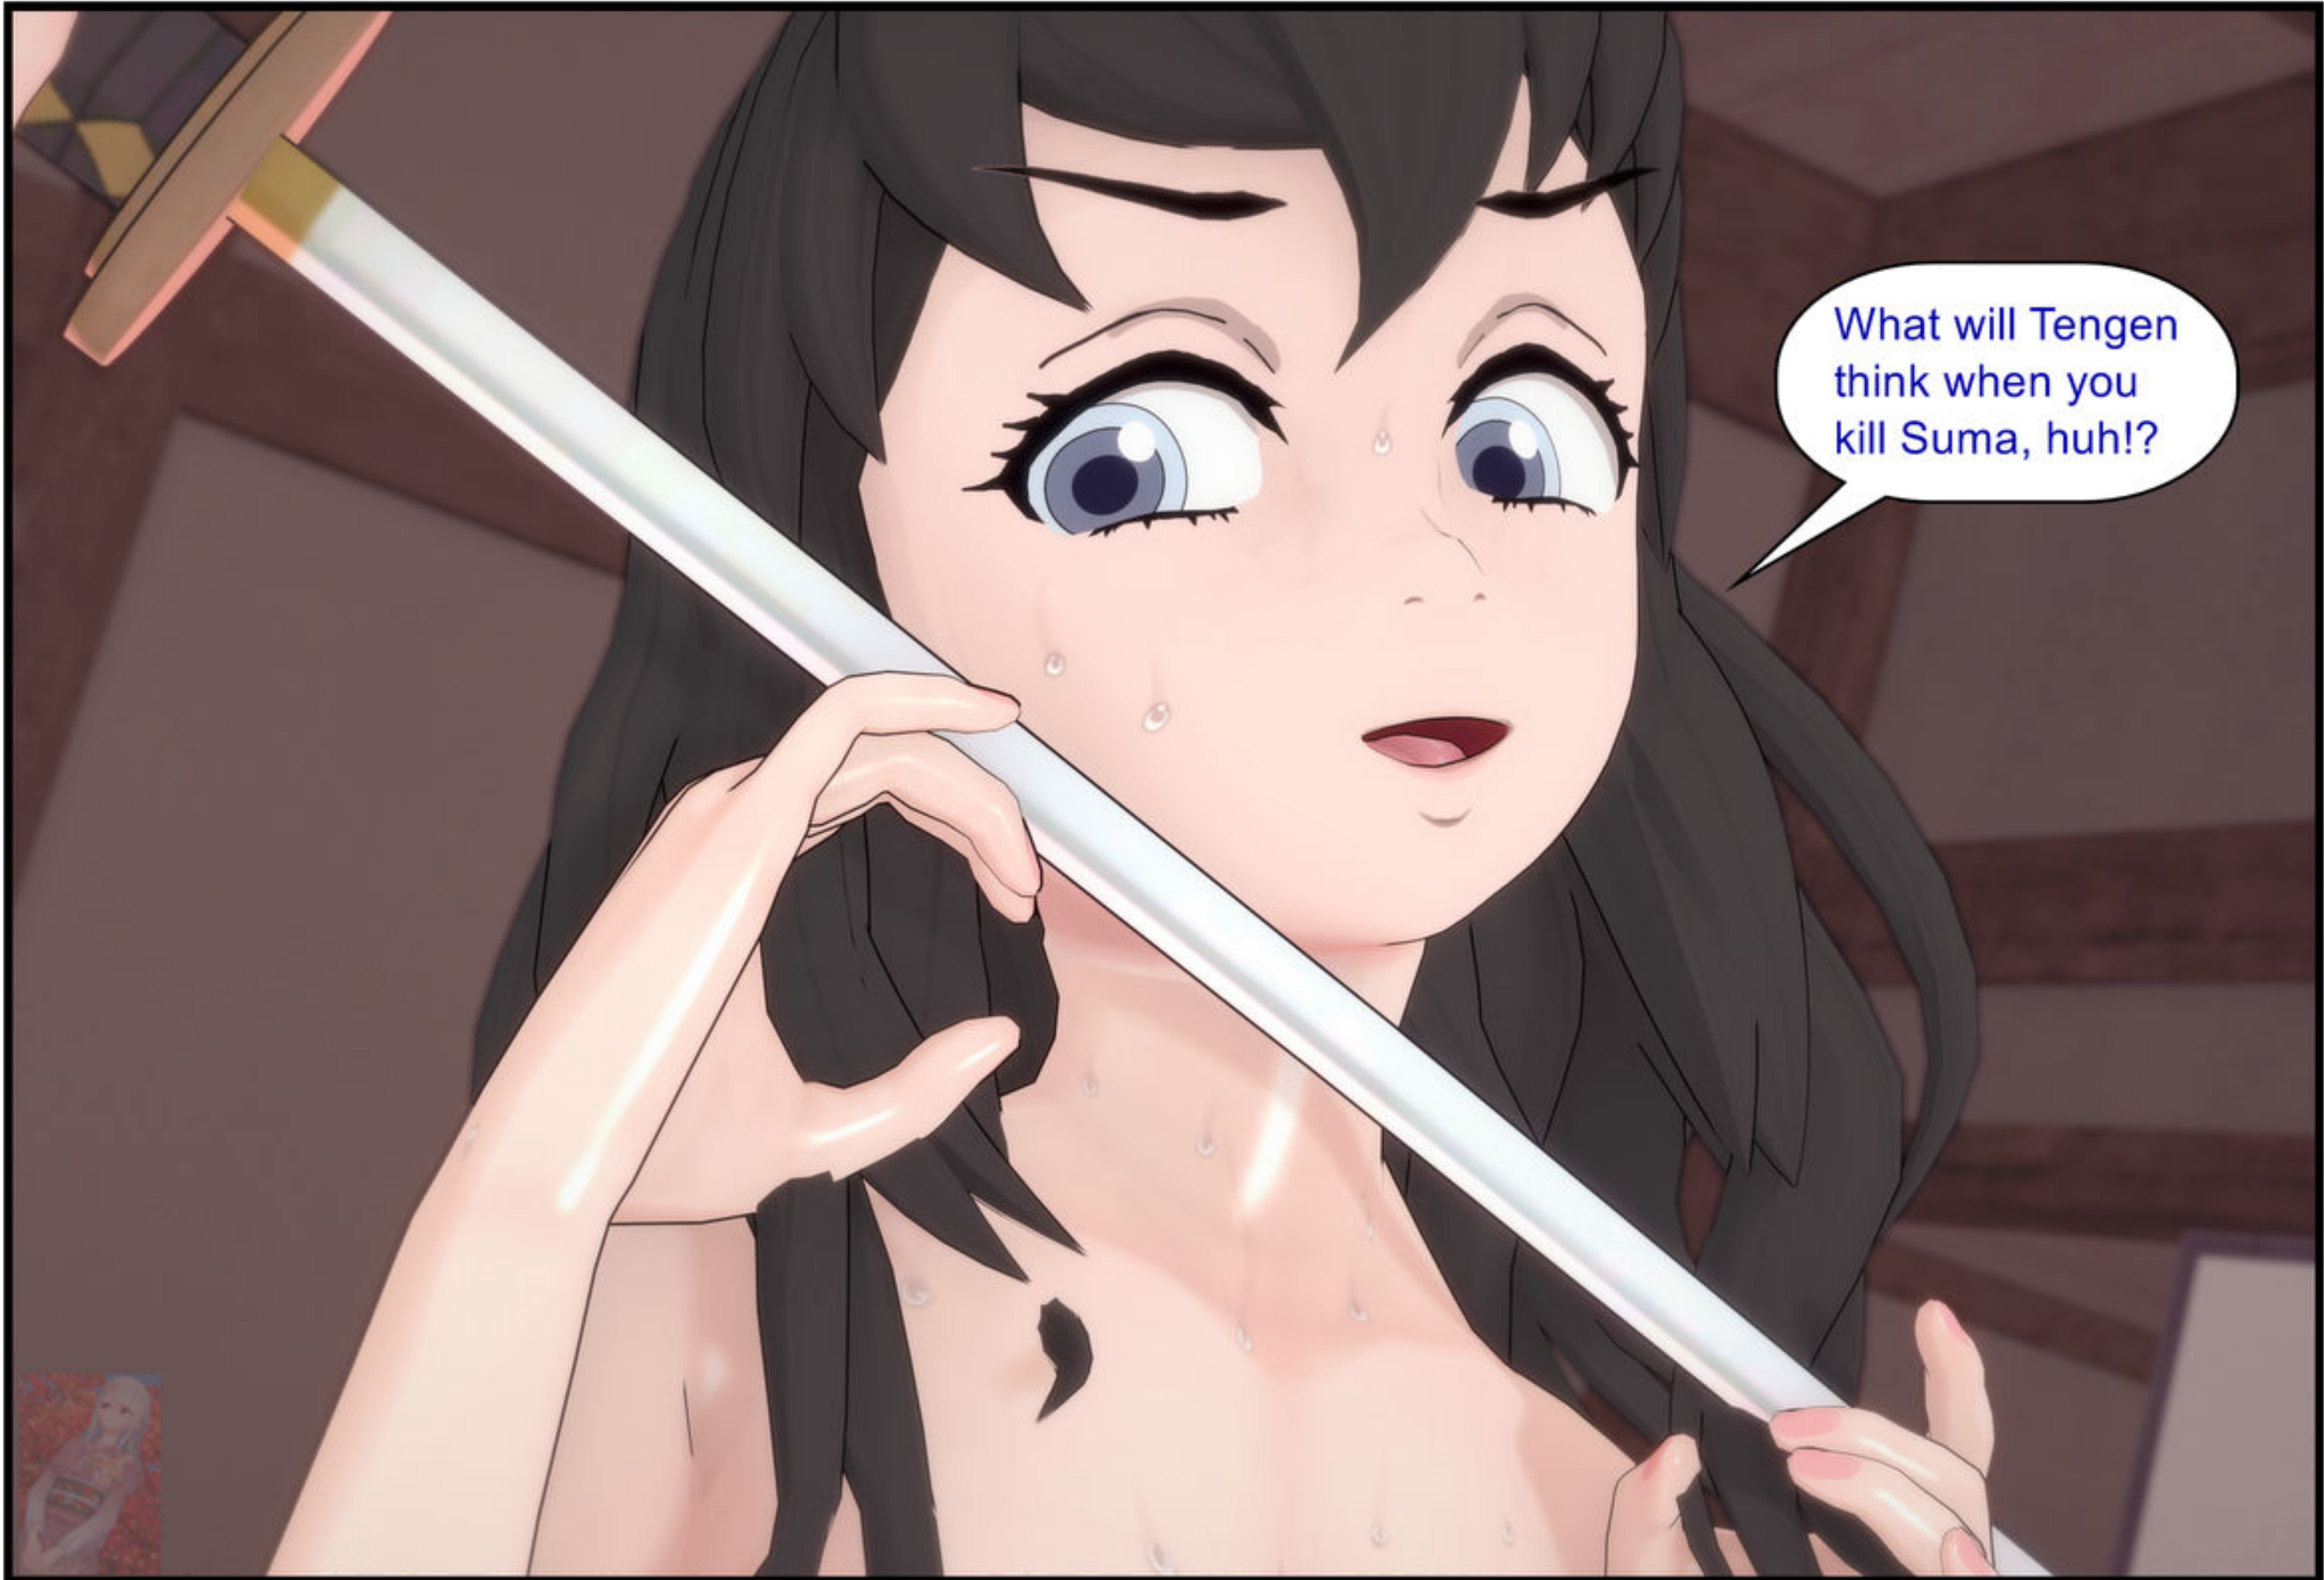

Go on. Cut the head. The longer you waited, the more danger.

Oh, I know. No one believe that Demon has possession ability.

What will Tengen think when you kill Suma, huh!?

Got you,
Demon Slayer!!

"My my.. Look
at how you resist."

"But this is my
ability, possess
anything and
anyone I want."

"That's all for
a Demon Slayer."

"Now then.. It's
time for the hunt."

"Tanjiro Kamado."

To be continued?
