

Bye.

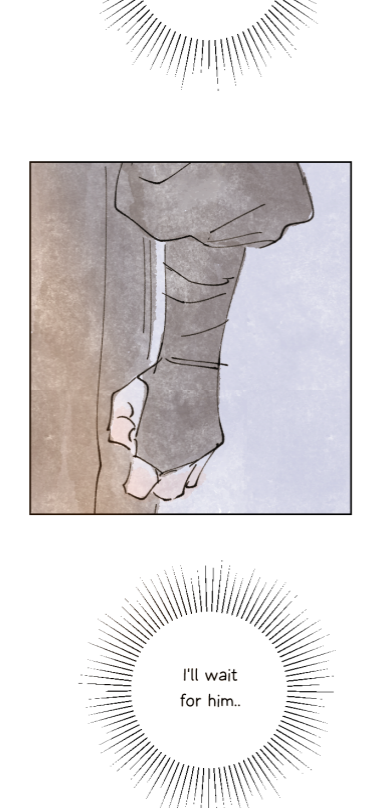

??????????

... What did he just say???

He HATES the monarchy? There's no way he would come with me!

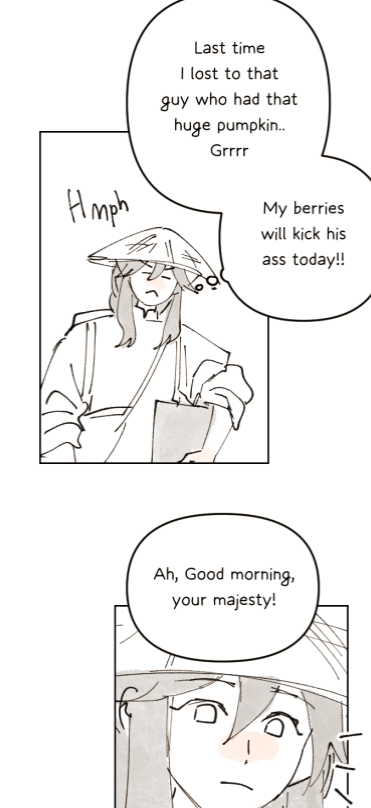

And the Queen specifically told me NOT to use force.

This is impossible!

Argh!! Stop it!

The Queen did so much for me! I can't let her down

Please try your best to persuade him.

I cannot leave this world knowing I have debt unpaid.

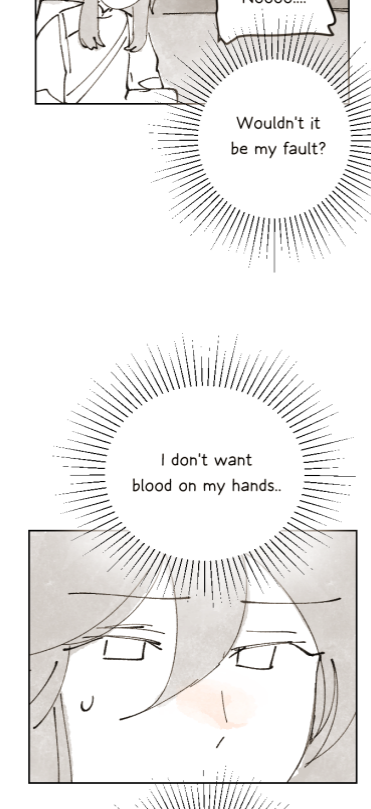

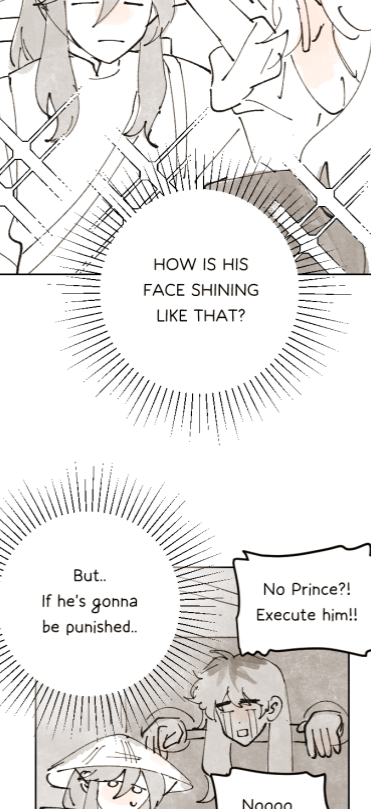

Leave it to me, your Majesty.

I mustn't give up!

I will bring the Prince to the palace!

I'll wait for him..

Yawnn...

Wao.. I had such a good night sleep

Did the racoons not come yesterday?

Oh well, I'll take whatever rest I can get!

Since today's the monthly farmer's meetup will probably run long..

Last time I lost to that guy who had that huge pumpkin..

Grrrr

My berries will kick his ass today!!

Ah, Good morning, your majesty!

Did you sleep well?

There were a few raccoons yesterday but I kept them off.

I hope I didn't disturb your rest!

HAH??????????

WHAT ARE YOU STILL DOING HERE?

GET OFF MY PROPERTY!

I'm not allowed to leave!

Then LIE and tell them I died or something!!

I can't even lie about not finding you!

They don't care about my excuses!

If I come back empty handed, I'm dead meat!

I can't leave you alone..

SHALALALA

And I have nowhere else to go.

Please.....?

HOW IS HIS FACE SHINING LIKE THAT?

But.. If he's gonna be punished..

No Prince?! Execute him!!

Noooo...

Wouldn't it be my fault?

I don't want blood on my hands..

Especially..

Not this poor guy who's just trying to do his job..

WHIMPER

Why am I seeing a wet dog? What's wrong with my eyes??
