

Sex Toy Party

Have you ever seen a particularly erotic looking toy and wondered what it would feel like to use it, but were too nervous to make the leap? Are you bored with a vanilla bedroom and curious about adding some fun toys to spice up your sex life? Maybe you just need a little something extra to get you fired up once the lights are turned down and the clothing comes off.

This subliminal works to remind you of the joys of bringing toys into the bedroom. You will soon learn to think of sex toys wherever you go, imagining yourself using each and every toy that you see in the shop or online, as you play with new and exciting accessories that you have never even dreamed of otherwise trying. Plugs, ropes, pinwheels, whips, strap-ons, and dildos, learn to love them all.

Spice up your bedroom life today with *Sex Toy Party!*
