A woman with her hair in a high ponytail, wearing a dark blue athletic polo shirt with a white Nike swoosh and a crest, and white leggings with red stripes. She stands with her hands on her hips in a gym setting. To her left, a series of speech bubbles are connected by a line, containing a conversation.

Hello,
I'm...

You must
be the new
guy! I'm
Jenny.

And
you are
late!

Yeah...
Sorry.

Traffic's
been a bitch
and...

It's fine.
Just don't
make it a
habit.

You've
worked in a
fitness studio
before?

Yes, Ma'am!
Two actually.
Fit for fun and
Workaholics.

I'm John.
John Doe.

A photograph of a very muscular woman with blonde hair in a ponytail, wearing a bright blue sports bra and white sneakers. She is in a starting crouch on a blue gym floor, looking directly at the camera with a serious expression. The background shows a gym setting with wooden walls and various exercise equipment like kettlebells and a pull-up bar.

I had trouble keeping eye contact with Jenny as my eyes fell on one of the gym ladies doing pushups in the women's area... **she was hot!**

Don't you
Ma'am me.
I'm not older
than you.

Forget
everything
you've learned
in your previous
jobs.

FitTrans is no
mere fitness
studio, it's...

It's a lifestyle!
Don't you
worry. I can
totally sell this!!

So, NOT
what I was
going to
say!

A woman with her hair in a ponytail, wearing a dark blue athletic top with a Nike logo and a crest, and white leggings with red stripes. She is standing in a gym with various exercise machines in the background. Four speech bubbles are overlaid on the left side of the image, containing text.

Oh, hello
Miss
Rjchards.

Yes, Ma'am!
Nadja is ready
and eagerly
awaiting the
transfer.

This here
is John,
the new
guy.

With your
permission I'd
have him watch
so he gets a
feeling for the
process.

Fine.

But John, no questions okay?

I did not have my coffee today and I'm in a bad mood.

Just follow Jenny's instructions and let me do my work.

Yes, Ma'am!

Wow!
Who was
that?

That was Miss
Richards, one
of the EVOIVUM
salespersons.

EVOIVUM?

It's Doe.
My name's
John Doe.

Oh, dear.
You really
know nothing,
John Snow.

Oh, boy...
Follow me into the
office. I give you a
crash course until
Miss Richards is
ready for the sale.

As I follow Jenny to the Office my eyes fall once again upon the push-up girl... I've never seen anybody look this happy doing push-ups...

As I enter the office, I hear a loud scream... no... a moan behind me. I turn around and see THIS... ***gulp***, but Jenny just tells me to close the door behind us. Heck... **is that a puddle forming on the floor?**

moan

Alright!
You haven't heard
of FitTrans and
want to know
what's going on
here right?

Nod

Mhm.

Yeah, sure.
And how
should that
work?

So, this studio's
founder was obsessed
with getting people to
work out more. But
you know, most people
lose motivation and
stop working out,
right?

Well, he built a
solution. Workout
Machines that make
you actually want to
keep working out.

They make you
really horny while
working out and
reward you with
a stimulated
orgasm.

Excuse me,
WHAT?!

Gulp
So... err... are we
as attendants
allowed to use
those machines
for free?

You heard the
lady out there
just now,
didn't ya?

Workout session
concluded, I'd
say!

So, we
have to
pay?

Sorry, I
don't follow.

NO!

**Do not
use the
machines!**

I've lost too
many applicants
already to those
machines. I'm
tired of working
here alone.

Jenny remembers ...

When I started working here, I did try out the machines myself.

Training on them felt amazing!

At first, it's just a soft feeling.

But as you
keep training,
you can feel
the wetness
spreading.

And the pleasure
coursing through
your body.

And just
like that I
was hooked!

I neglected
my job, my
studies, my
family...

All I wanted
to do was
keep working
out!

It's like
a drug!

God, I still miss those orgasms!

But thankfully my boyfriend pulled me out.

It took a month of total isolation!
No Training allowed!

I got cold turkey from that you know?!
It was awful!

moan

A woman with her hair in a high ponytail, wearing a dark blue athletic top with red accents and a Nike logo, stands in a gym. She has a serious expression. Four speech bubbles are overlaid on the image, containing humorous text.

So, what I'm trying to tell you. These machines are dangerous! Don't use them if you don't want to end up like your predecessors.

Gulp
How did they end up?

You mean... they... ejaculate in the middle of the gym?

They are lifting weights 14 hours a day in the male part of the studio until they finally manage to shoot their load.

It's fine. Most guys don't ejaculate that much. The women area is much filthier. I advise wearing shoes with grip if you don't want to slip there.

A woman with her hair in a high ponytail, wearing a dark blue Nike polo shirt with red accents and white leggings, stands in a gym. She has a serious expression. The gym background shows various exercise machines and large windows. Three speech bubbles are overlaid on the image, containing text that discusses the legality of high-priced memberships and the use of natural body stimulants.

This is nuts! So, the studio makes its clients addicted to working out and makes money by high-priced memberships? Is that even legal?

Sure is. Officially the studio is just helping people to work out by using natural body stimuli.

And the memberships are actually cheap as fuck.

I don't get it. Then how are we making any money?

Miss Baker!
Welcome! Yes,
everything is ready
for the transfer. Miss
Richard is awaiting
you in her office.

Let me
take you to
her.

A woman with long brown hair tied back, wearing a dark blue sleeveless button-down vest over a white collared shirt and a dark blue skirt. She is standing in a gym with various exercise machines in the background. Three speech bubbles are overlaid on the image, containing text.

Thank you,
Jenny.

whisper
And that's
how the studio
makes money.

I don't
follow...

Miss Baker.
Welcome. I'm
sure you wanna
see the product?

By all
means, yes
I do.

Follow me
then.

whisper
Where are
we going?

whisper
Where
the magic
happens.

This is her?

Indeed.
Everything is
as specified
by you, Miss
Baker.

whisper
What's
going on?

whisper
Just shut
up and
watch.

None, Miss Baker.
All muscles were
naturally developed.
Breasts home grown
as well, though by
adding hormones to
her diet.

Now, if you
just sign here.
It's 5 million
dollar as...

No
anabolics?

Alright...
She looks
decent.

I take
it.

Yeah, yeah.
Let's do
this!

Mechanical voice:
Starting transfer of
muscle tissue...

Muscle loss 50%.

Transferring breast tissue...

shrink

shrink

**Muscle loss 85%.
Transfer complete.**

Adding excess fat...
Done.

Thank you!
Thank you so
much!

Training,
here I cum!

Meanwhile, at the other side of the room, Miss Baker transforms the other way around.

Mechanical voice:
Starting transfer of
fat tissue...

Alright.

Please stand right here,
Miss Baker. **Perfect.**
Hold still just for a few
moments. The process
does not take long. You
might feel a little tingle.

Fat loss 60%

Starting transfer of
muscle tissue...

Starting transfer of
breast tissue...

Oh, Wow!
I feel strong!

Transfer complete.

I hope you are
satisfied with
your new body,
Miss Baker.

**It feels
awesome!**
Thank you, guys.
You are the
best!

Bye. Have a nice day, Miss Baker. You are always welcome at FitTrans.

whisper
What the hell did I just witness?!

John was it?
That was one
of our best
costumers.

That
woman is
filthy rich...

And she
loves to
eat...

She'll be
back next
year, I bet!

A woman with her hair in a ponytail, wearing a dark blue athletic top with a Nike logo and a crest, and white leggings with red stripes, stands in a gym with her hands on her hips. She is smiling. The gym background includes various exercise machines and weights.

I'm in my Office
if needed. Keep
introducing
John to our
Gym.

Of course,
Miss
Richards.

What the
fuck is going
on here,
Jenny?!

A woman with her hair in a high ponytail, wearing a dark blue athletic top with red accents and a Nike logo, stands in a gym. She has a serious expression. To her right, four speech bubbles are arranged vertically, containing text. The background shows gym equipment and a window with a view of trees.

Well, the
Previous owner
was no good
with business
stuff.

More of an
inventor
guy.

So, Evolvum
bought the
gym plus
machines.

C'mon, I
give you
the tour.

A woman with long dark hair, wearing a purple sports bra and purple shorts, is standing in a gym. She is looking directly at the camera with a neutral expression. The gym background shows various pieces of equipment like treadmills and weight machines. Two speech bubbles are overlaid on the image, one in the upper left and one in the lower left.

So yeah, ever since
Evolvm took over
we are selling our
member's bodies,
so to say.

You wouldn't
believe how much
some people are
willing to pay for a
fit body if they can
skip the workout
part.

Moan

So, the gym machines hook your members.

By making them horny...

Moan

Giving them great orgasms even, to keep them training and developing muscles.

And then
Evolvum uses
their transference
machine to swap
muscles with some
fat chick for
money.

How much do the members get for their hot bodies?

Moan

Not a single cent.

A woman with blonde hair, wearing a pink sports bra with an Adidas logo and a black bikini bottom, is sitting on a gym floor. She has a pained or frustrated expression with her mouth wide open as if shouting. The word "moan" is written in large, pink, outlined letters across her face and upper body. The background shows a gym with large windows overlooking a landscape with hills.

moan

Okay, I guess I don't get it. Why the fuck are they selling the bodies they worked so hard for?

A woman with blonde hair in a ponytail, wearing a bright pink sports bra and black shorts, is sitting in a gym. She has a serious expression. Two speech bubbles are overlaid on the image. The background shows gym equipment like treadmills and a mirror.

Cause the machines are calibrated to screw you over!

If you are chubby, you get your orgasm after a 20-minute workout!

But once you've built up some muscles it takes more time and effort.

Meaning less orgasms in more time!

A photograph of a very muscular woman with blonde hair tied up, wearing a bright pink sports bra and black shorts. She is smiling and looking directly at the camera. The background is a gym with exercise equipment. Two speech bubbles are overlaid on the image. The first speech bubble is at the top left and contains the text: "Until it's almost impossible to reach orgasm anymore if you don't spend the whole day at the gym!". The second speech bubble is below it and contains the text: "You get where this is going?".

Until it's almost impossible to reach orgasm anymore if you don't spend the whole day at the gym!

You get where this is going?

... the members are happy to turn their muscular body chubby again so they can reset the machine's algorithm to get gratification faster...

Bingo!

Uhhh, That one should be ripe for the taking soon.

You get an eye for that with time.

That girl's been sitting on that bicycle for six hours straight.

And that's her first orgasm today.

How can you tell?

I see...

A woman with her hair in a high ponytail, wearing a dark blue athletic polo shirt with a white Nike logo and a crest, and white leggings with red stripes. She stands in a gym with various exercise machines in the background. Five speech bubbles are overlaid on the image, containing text.

So... now that
you've seen the
works. You in?
Will you take
the job?

Managing a gym
full of hot
ladies orgasming
throughout the
day...

Wait!... do
we have to
clean the gym?

**Then
I'm in!**

No, we have
extra cleaning
staff for that.

A woman with her hair in a ponytail, wearing a dark blue athletic top with a Nike logo and a team crest, and white leggings with red stripes. She is smiling and standing in a gym with various exercise machines in the background. Four speech bubbles are overlaid on the left side of the image, containing text.

PheW

I'm glad! You know, EVOIVUM is kinda picky with their know-how.

So, if you said no after you've gotten the tour... **Let's not talk about that!**

Welcome on board! And please remember, don't use the machines!

I don't know what it is with you guys, but the last three could not hold back. They just had to try...

Hello, Hexxet here,

Would you work at that Gym? Could you put up with Evolvum's work moral? And, most importantly, would you try out those machines our could you stay strong, just watching the sexy ladies cumming their athletic hearts out? 😊
