

It's strange not to see you being cooped up in the student council office. What brings you here today?

Are you looking for Jisoo?

I'm not. I only happen to walk around and see you here. Your friend probably just has the same name as someone I know

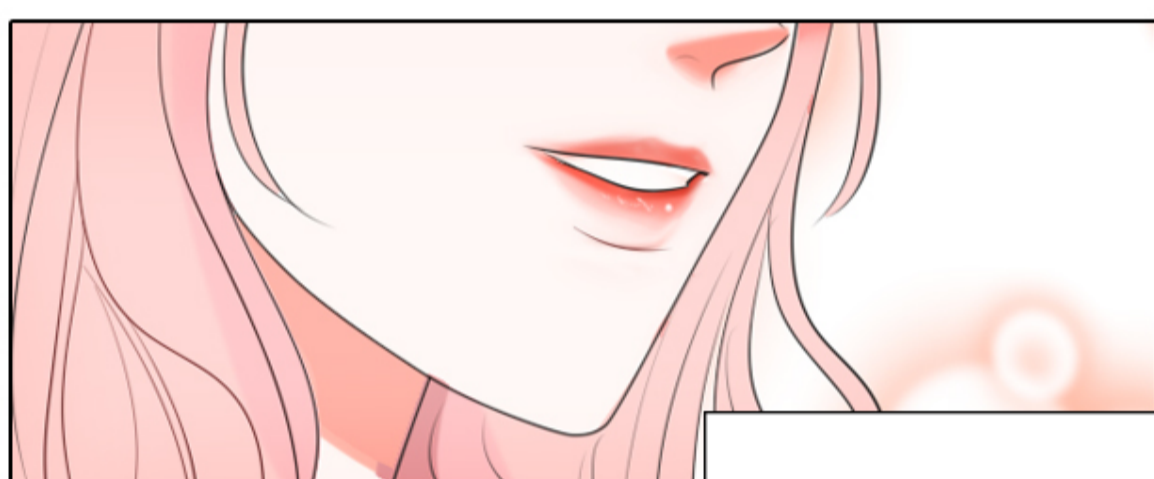

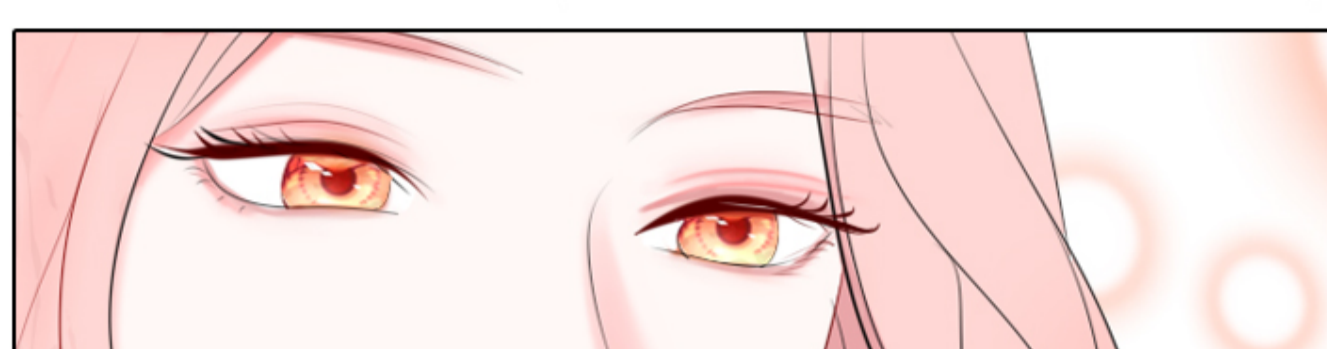

Oh, that makes sense. Jisoo is a very common name

Natural wavy hair

Contact lens.

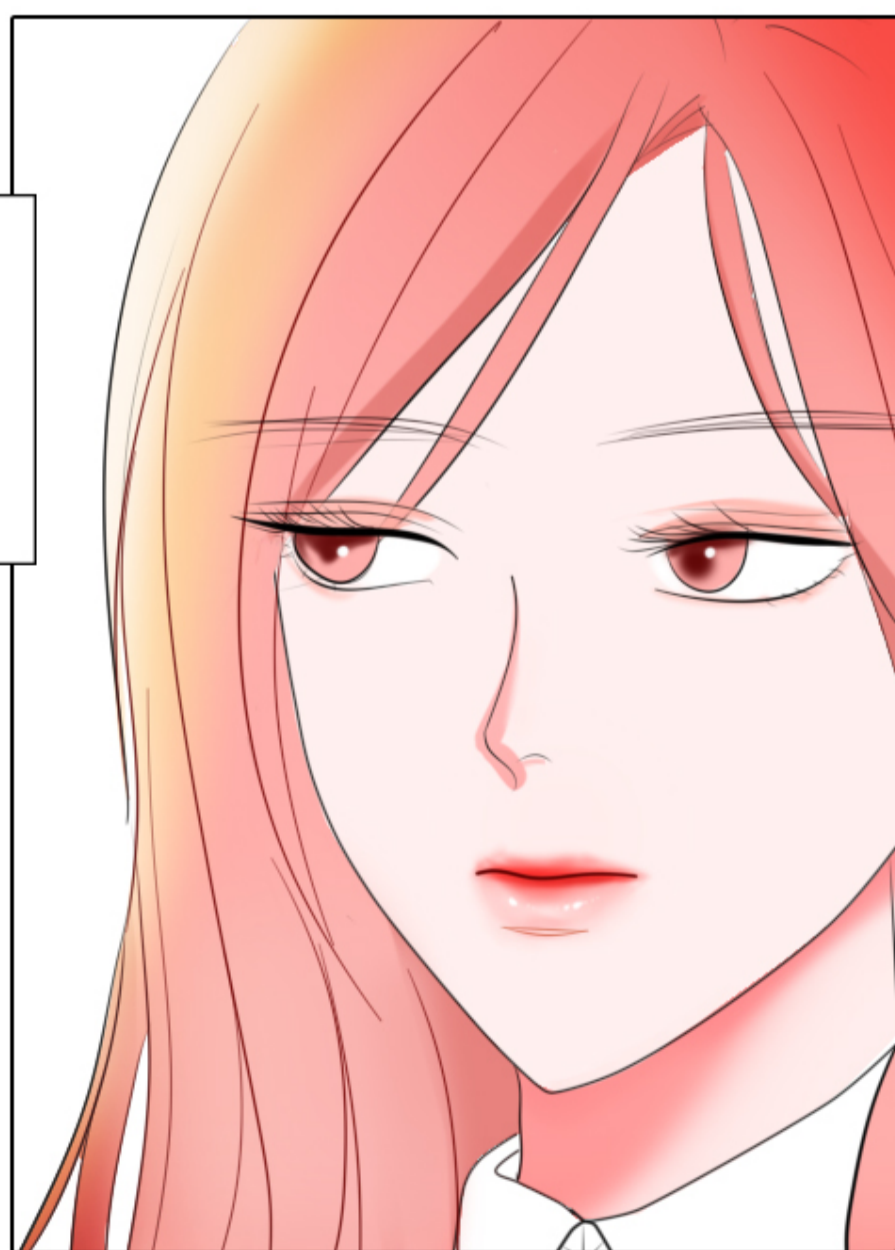

Long lashes with
neutral nude eyeshadow

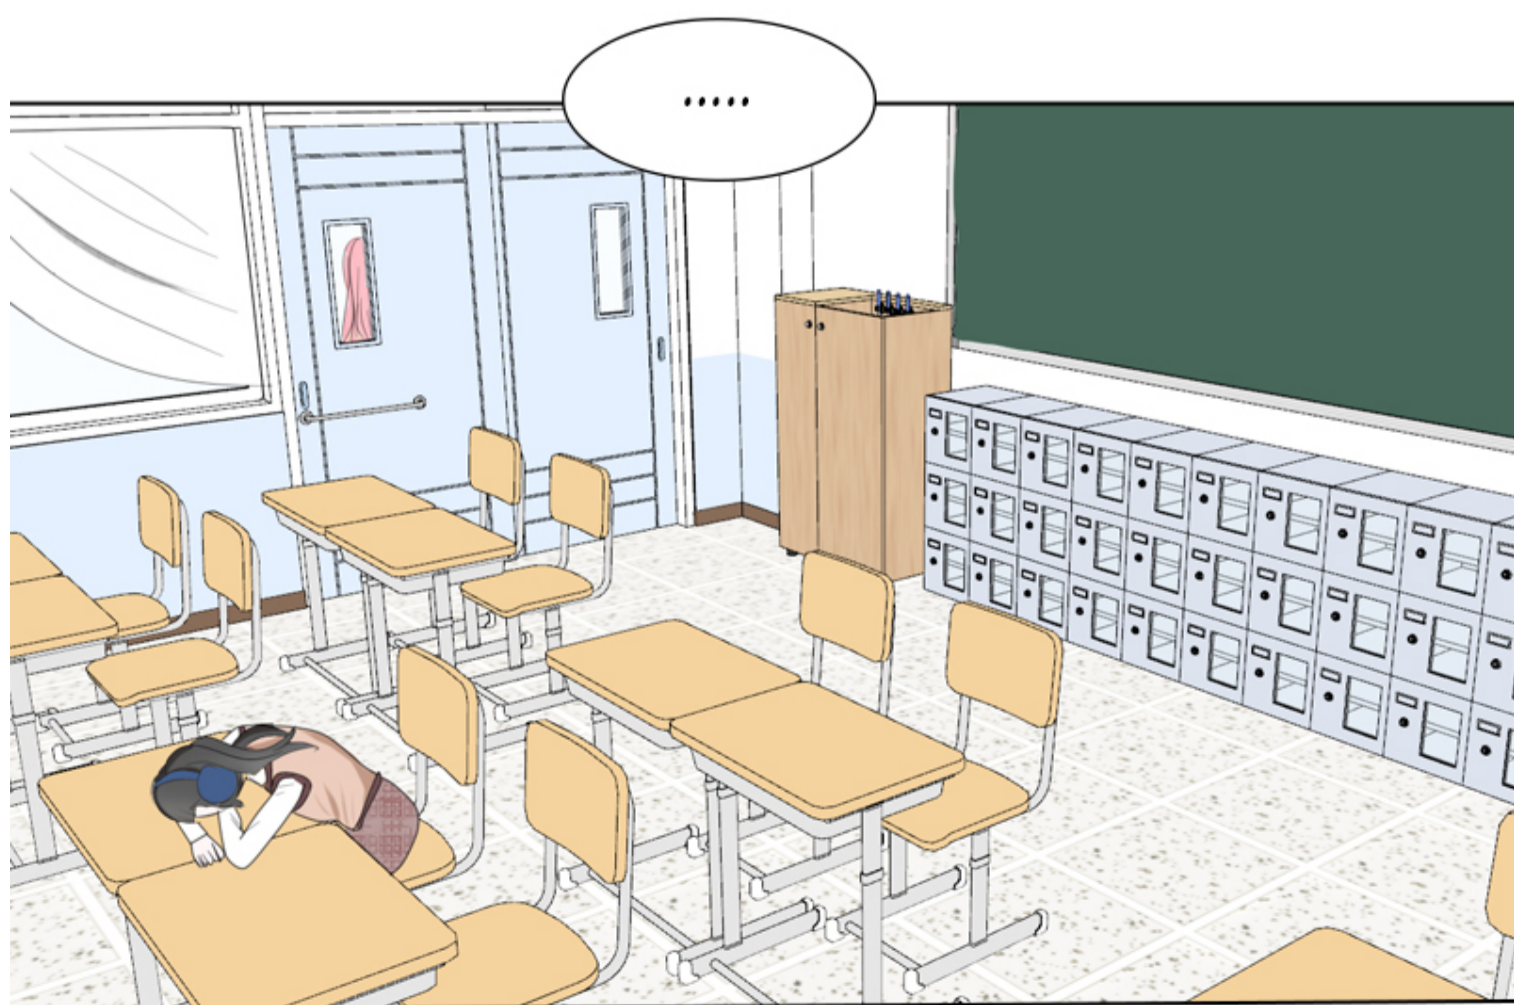

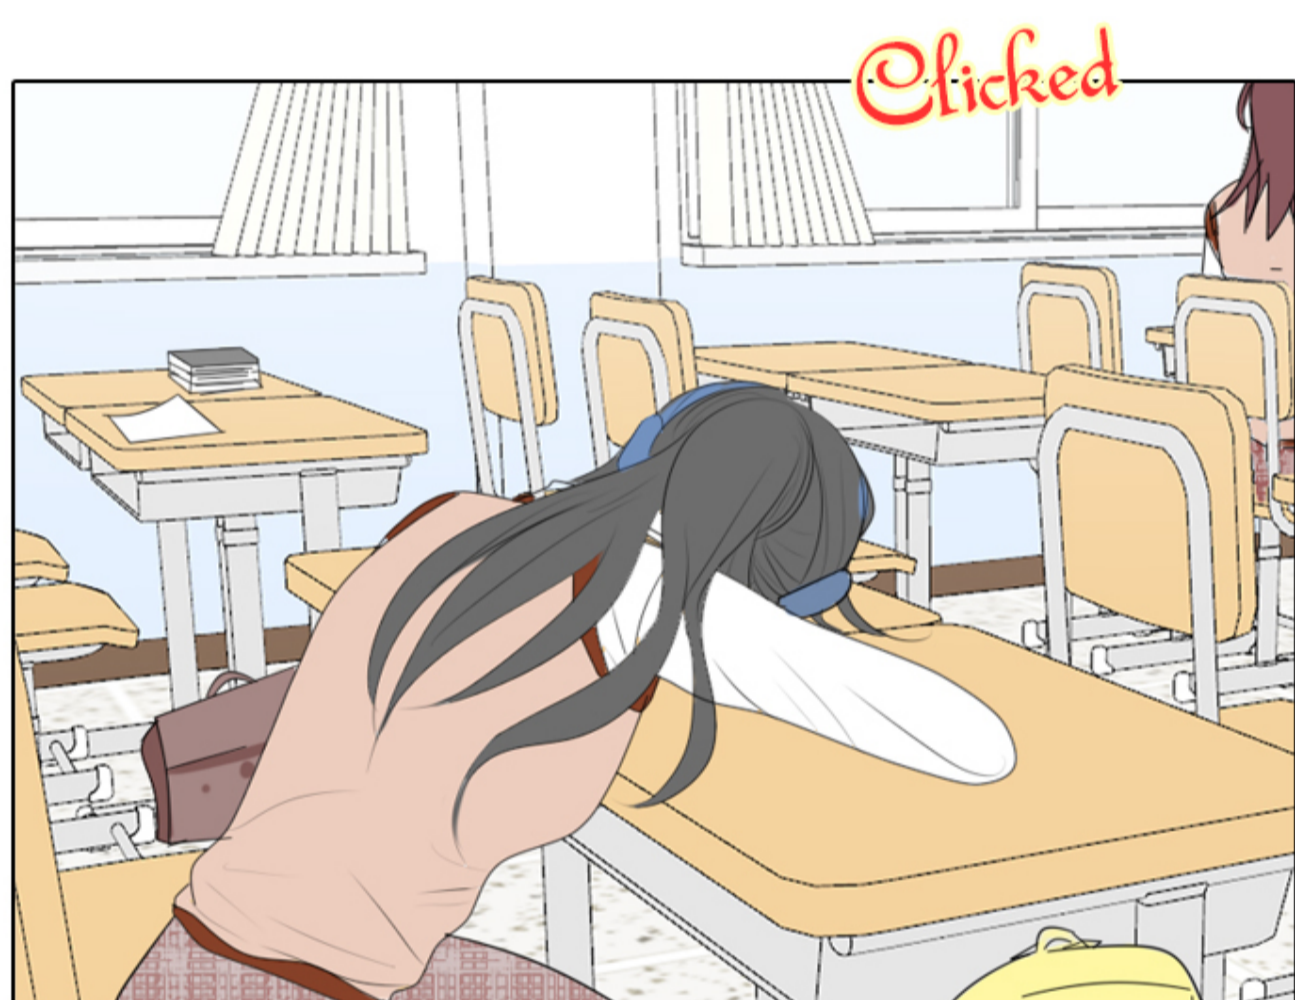

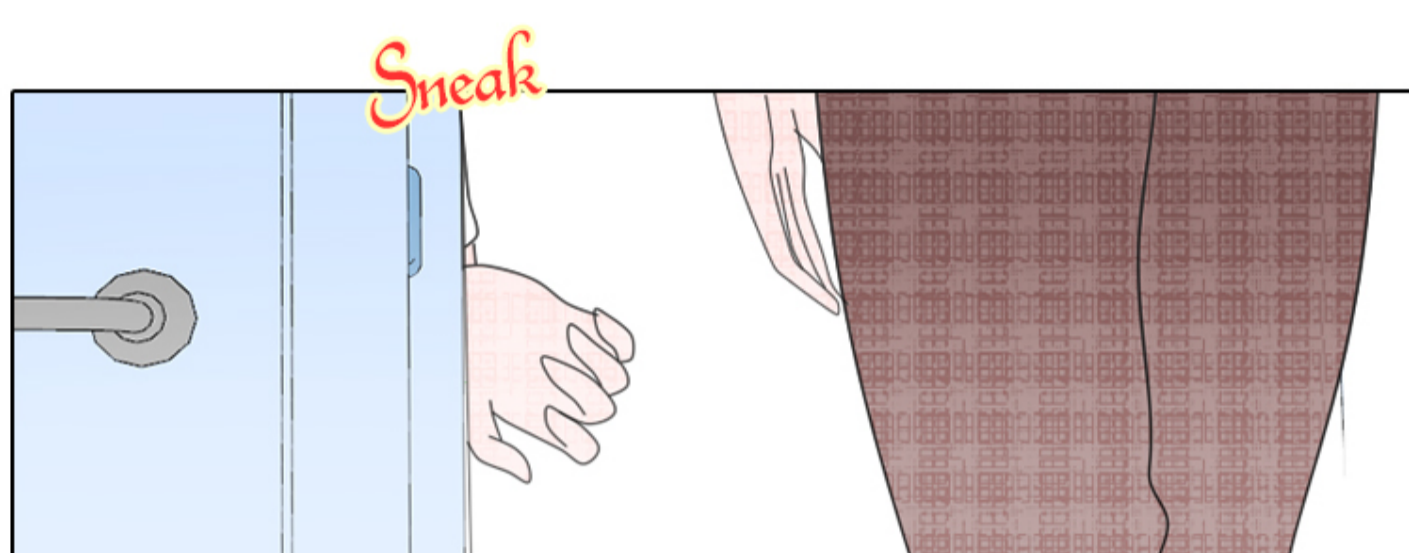

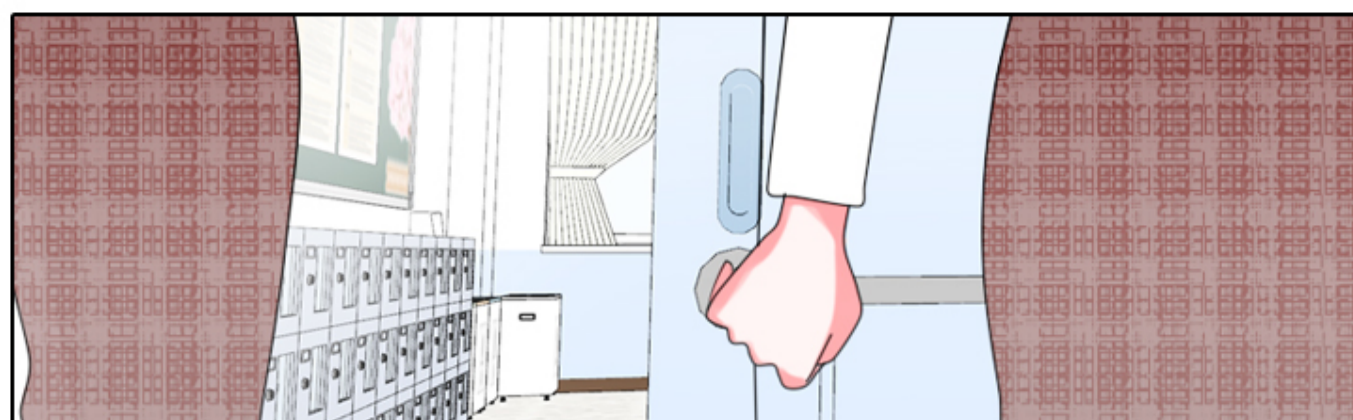

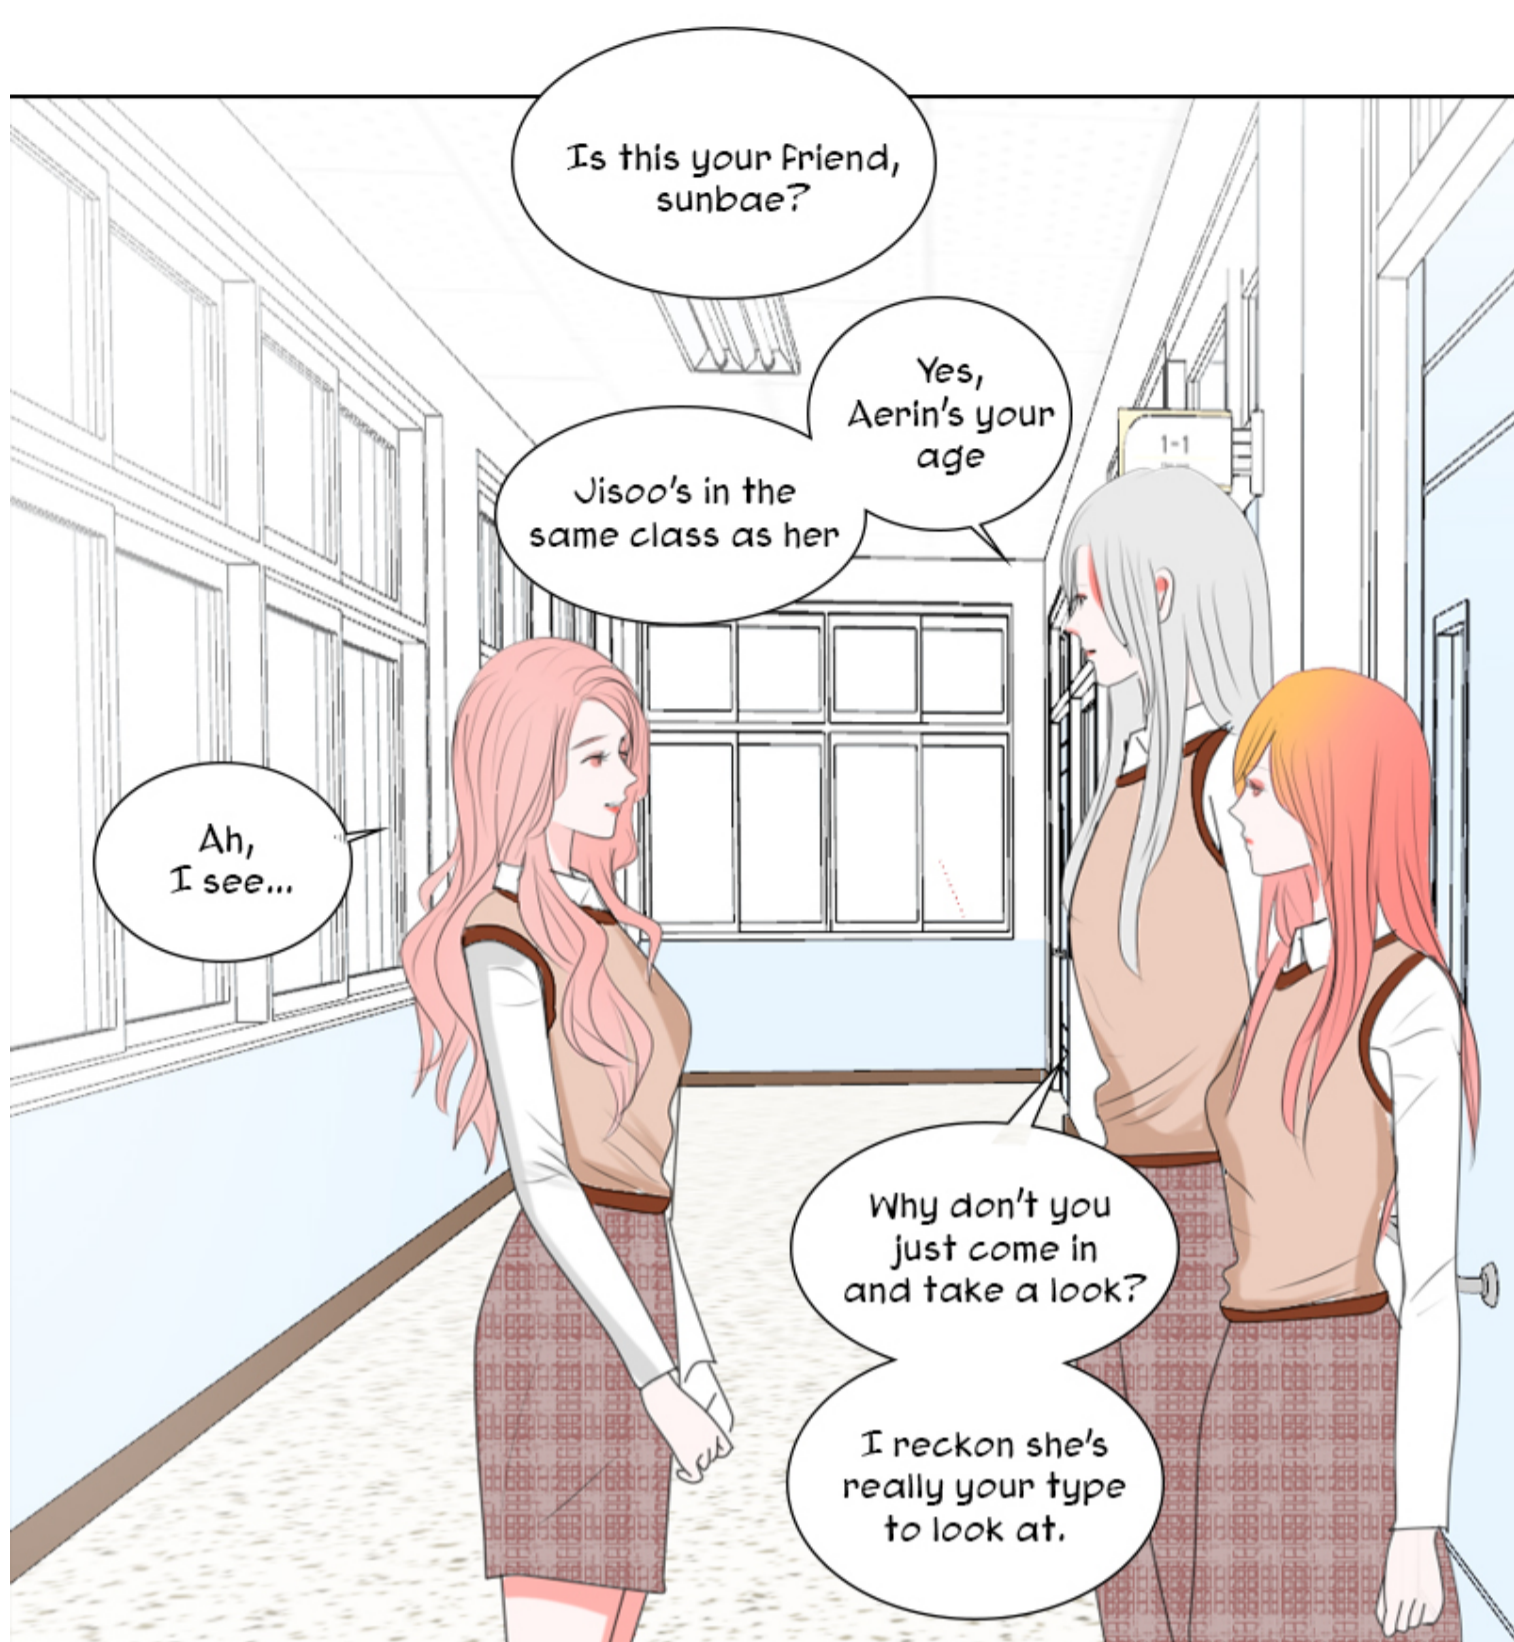

Orange coral
lipstick

Just like a professional
makeup artist

She really puts
much effort on
dressing herself

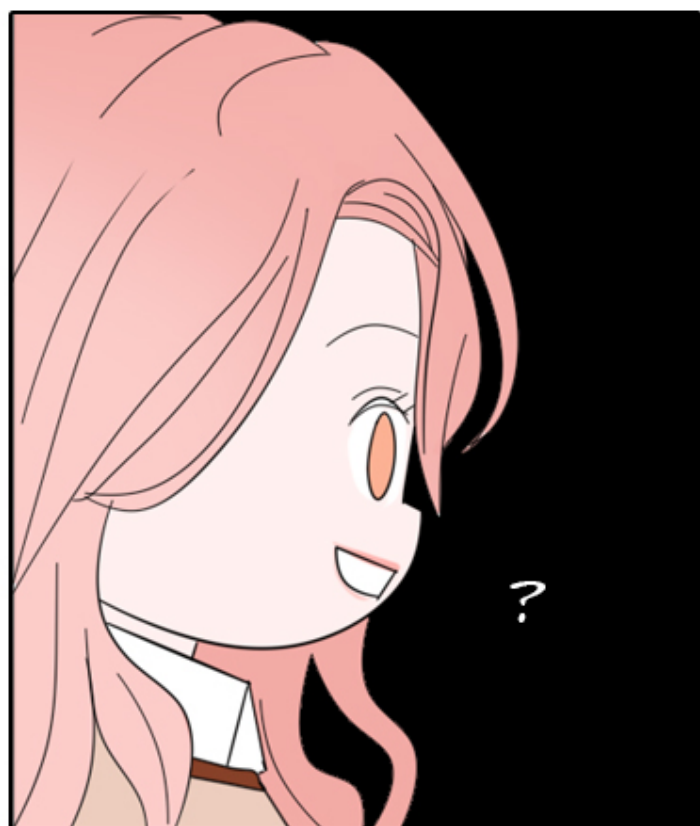

Oh, sorry!
You must be
Vice President's
best friend -
Jung Aerin, right?

It's Kang Eunha
From class 2-H!
Nice to meet you

I hope we can be
good friends

I am not looking for
a friend

She's rude...!

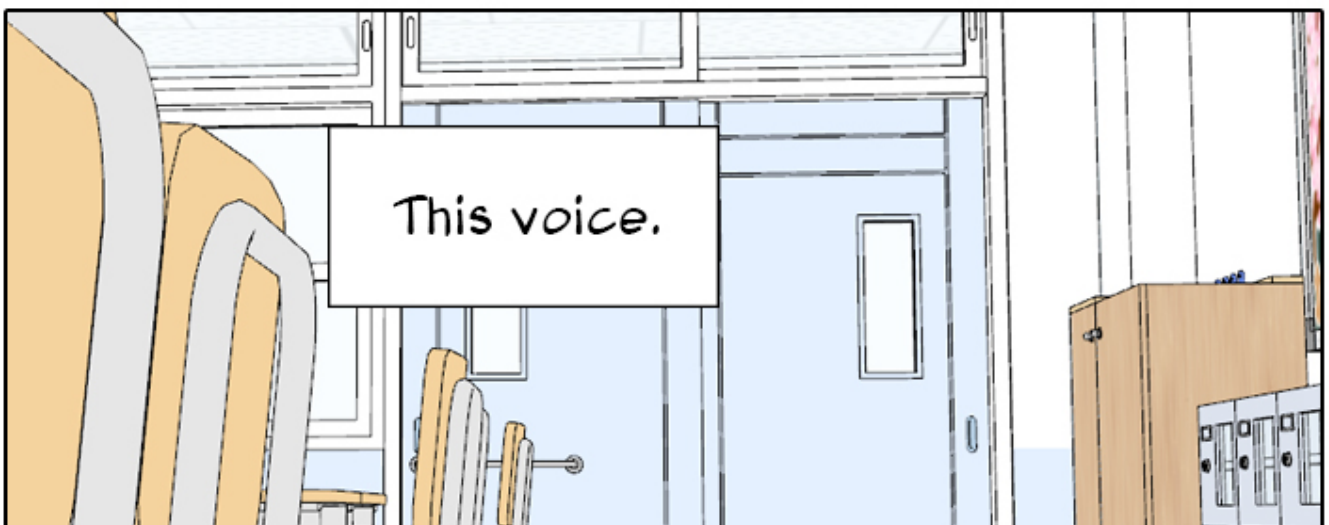

Haha
That's fine...

This sounds
Familiar..

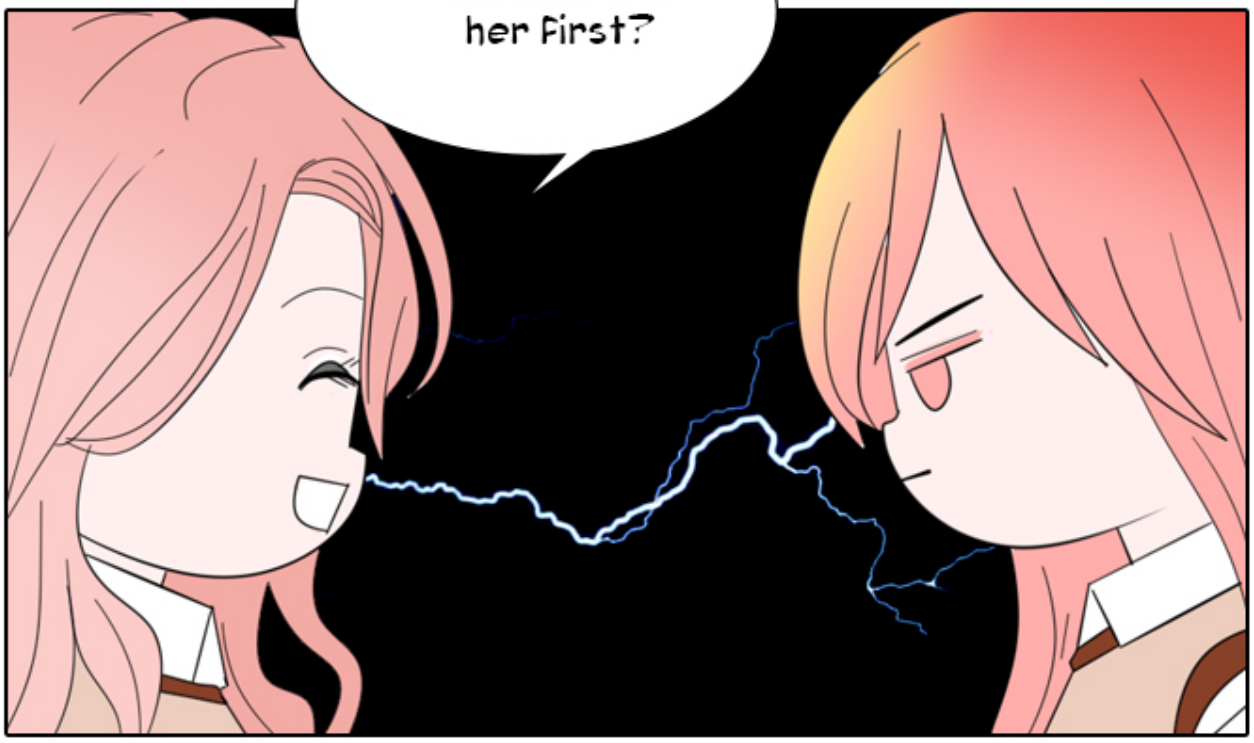

This voice.

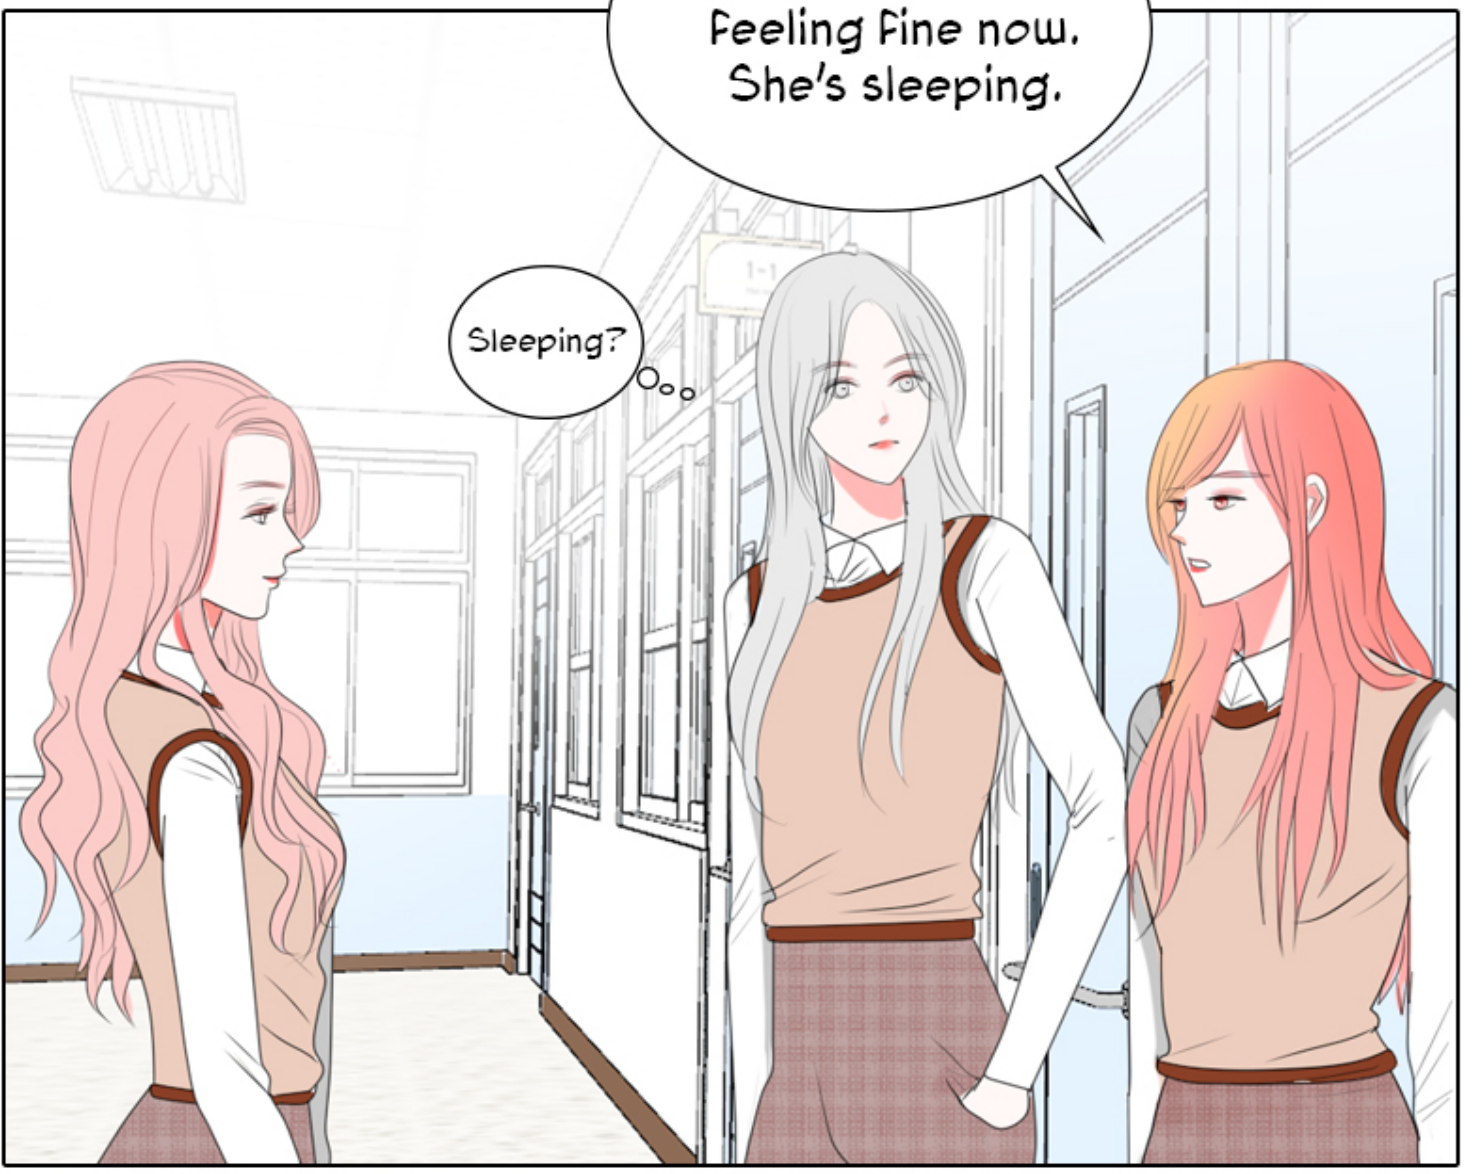

Haha,
Let's hope Jisoo
doesn't mind having
a friend

Should I ask
her first?

Jisoo's not
feeling fine now.
She's sleeping.

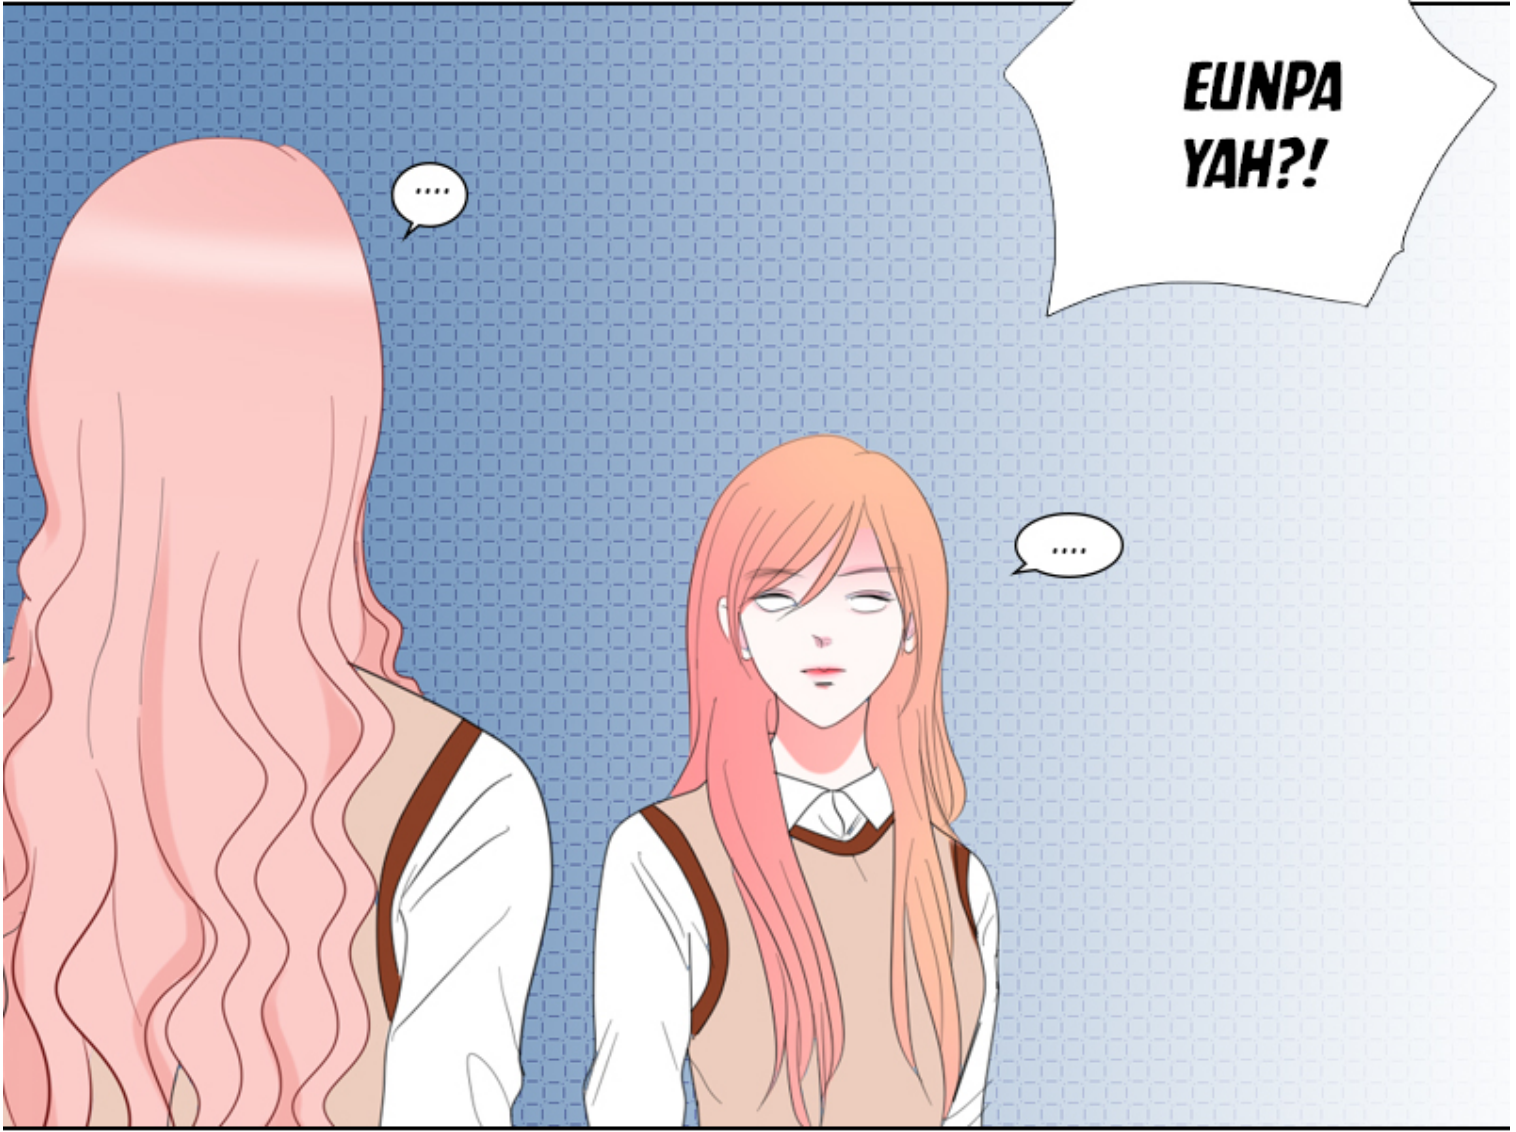

Sleeping?
Ooo

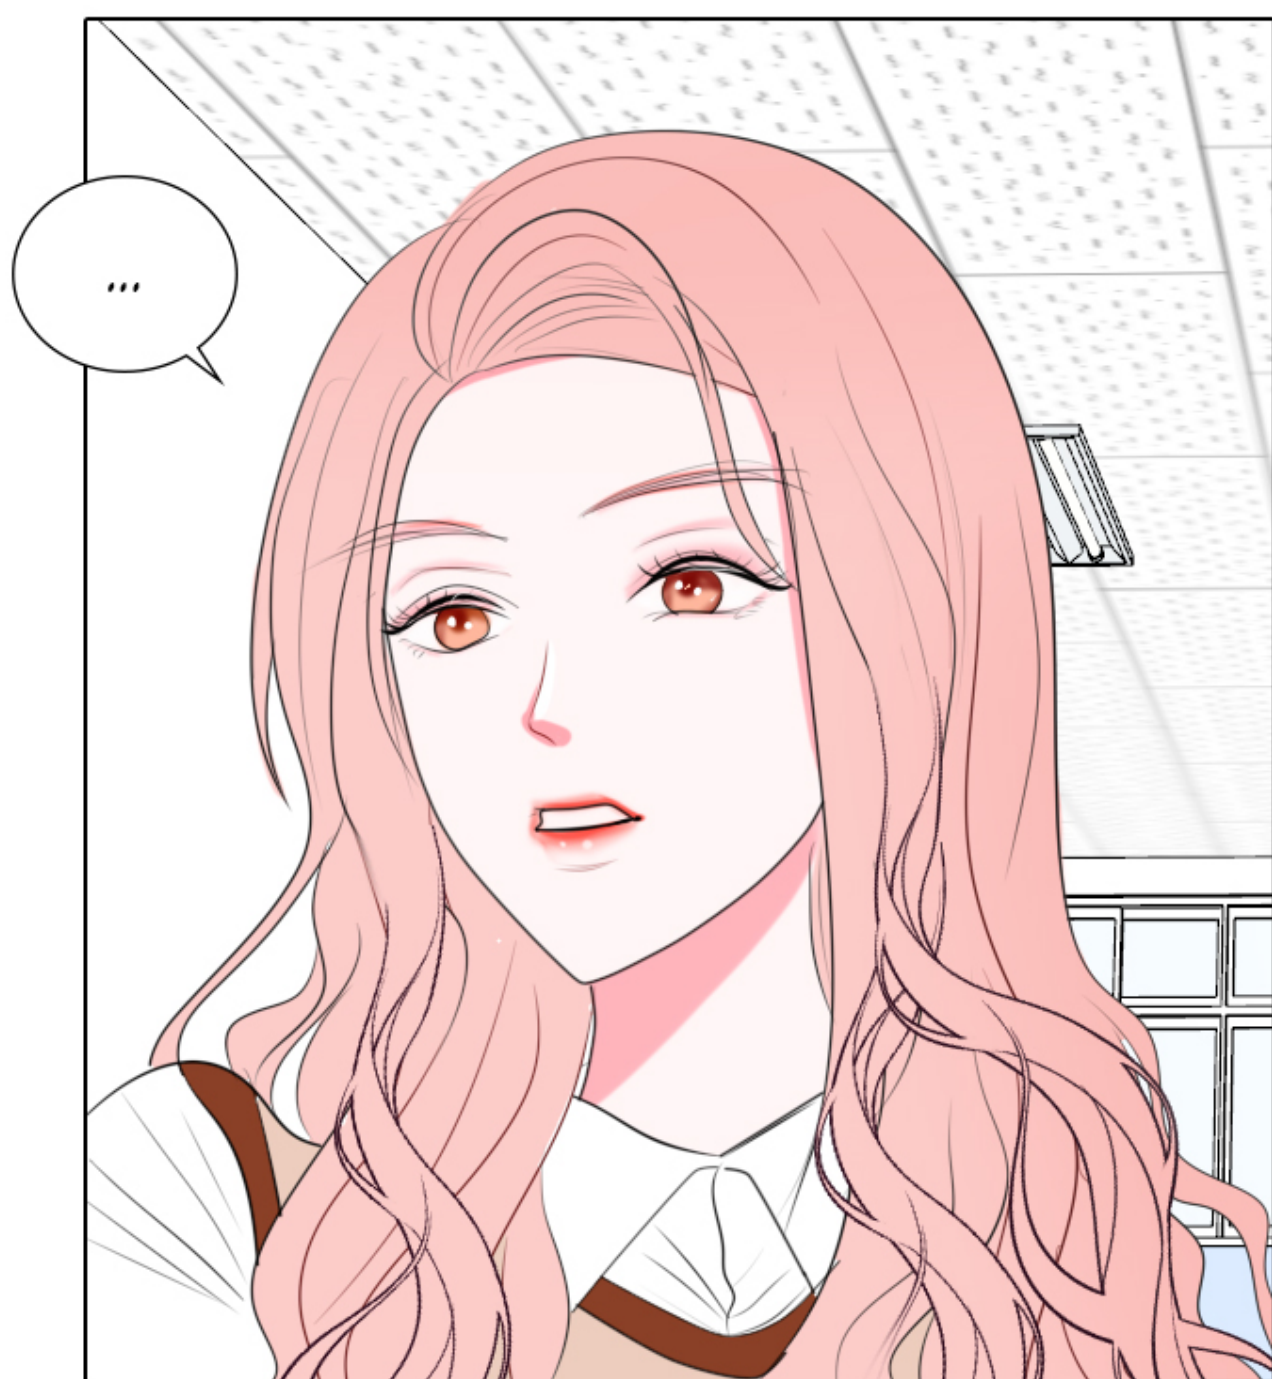

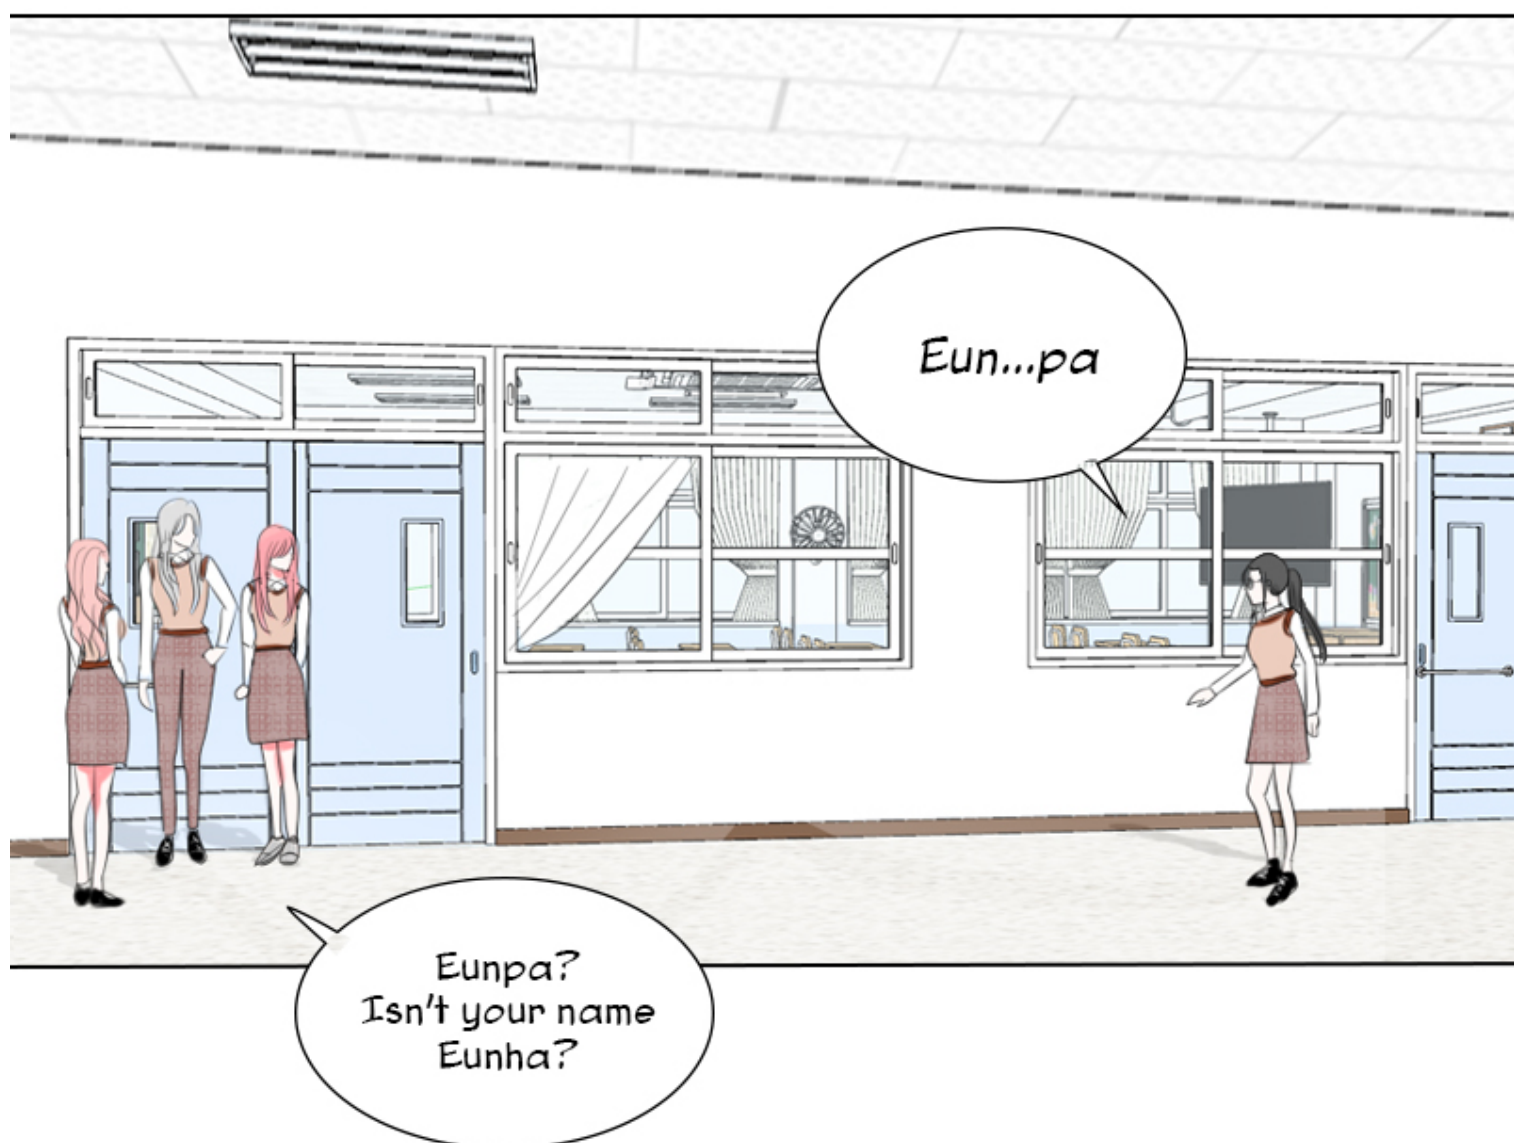

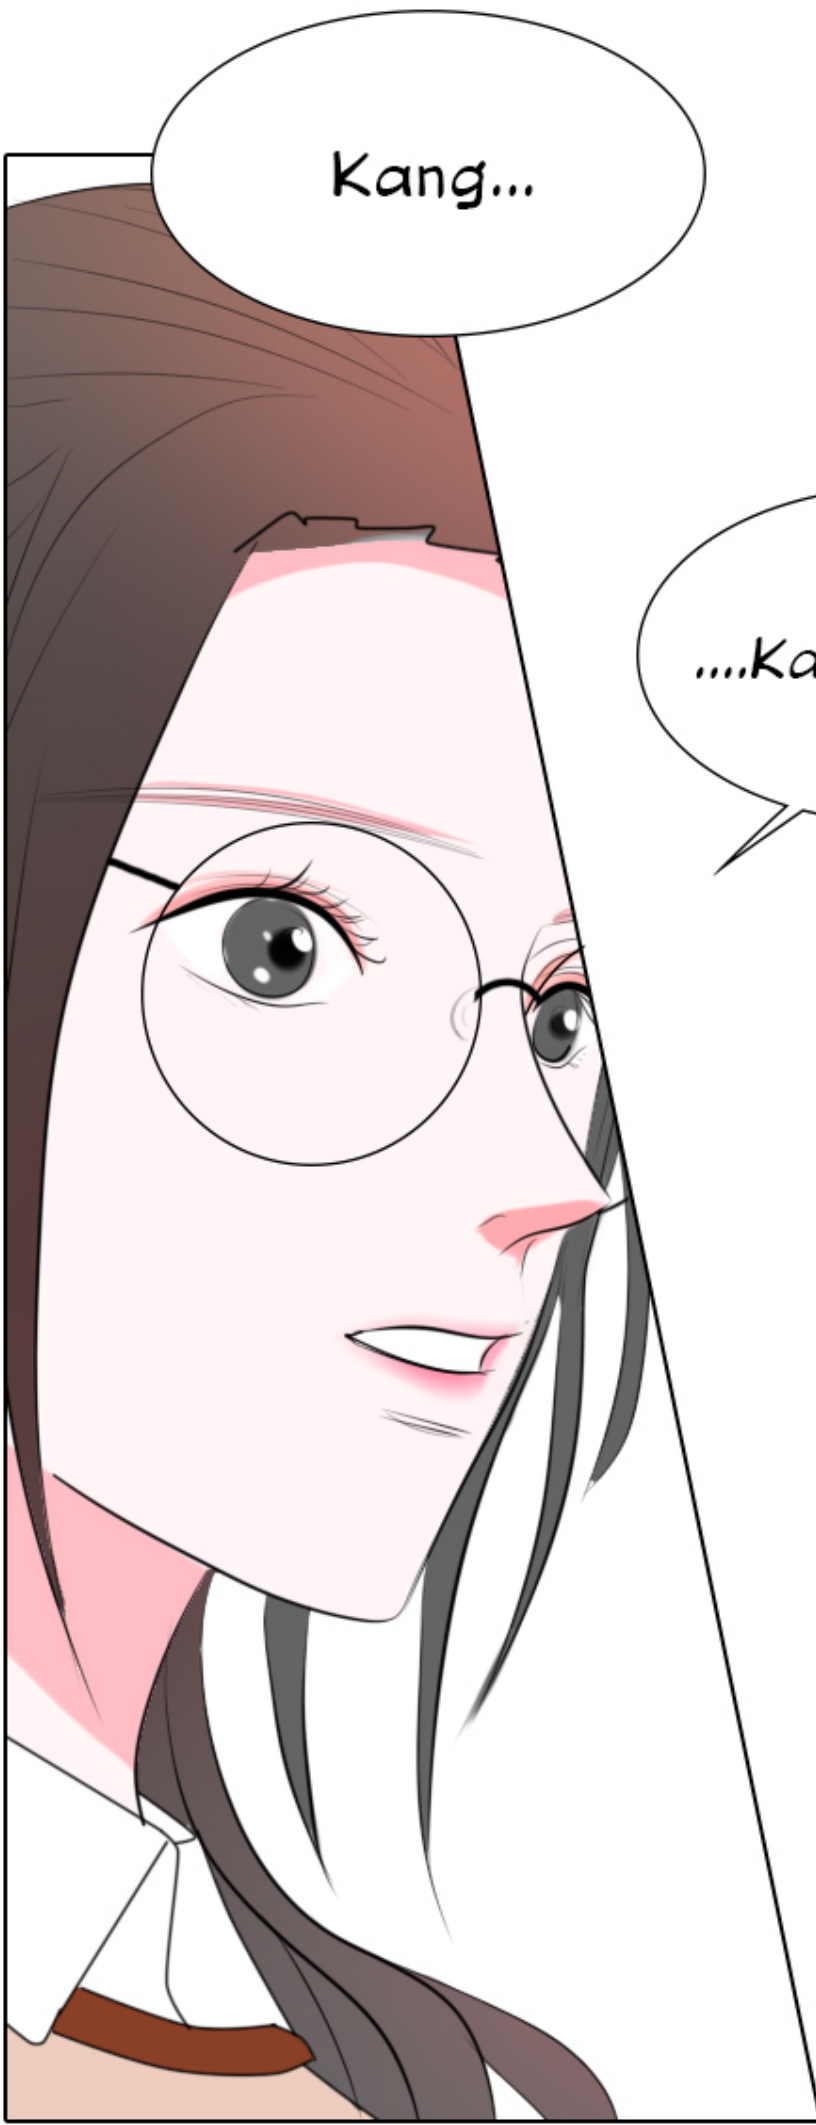

**EUNPA
YAH?!**

....

....

...JISOO!
