Chapter 1: The Love Lotus

The night sky was calm, with a light breeze. It was the perfect weather for a heist. Kenji crept across the roof, his footsteps were as quiet as the wind. The moon was bright, and the stars twinkled, and the city was lit by a thousand candles.

'Ho! I can't believe I'm living in a fantasy world.' Kenji thought with excitement as he moved swiftly across the rooftops.

He had been reincarnated into this fantasy world and became a Ninja. Now, he had the chance to make a difference. To help others.

Back in Japan, Kenji lived alone. He never had a family and his parents were dead. All he had were his anime and video games. Working at a convenience store to pay the bills and lives alone in a cheap studio apartment.

But after a robbery gone wrong, Kenji died and woke up as a baby in a world of magic and adventure.

He had the chance to start his life anew. He was given the opportunity to become someone who could protect those in need and bring justice to the world.

This is his life. His story. In the world of Asteria, where the magic is strong, the monsters are numerous and the people are always in need. Even though they were mostly males.

Kenji Suzuki: Ninja of the Night.

The only thing that kinda sucked about this world was the male-to-female ratio was like one to twenty.

He didn't mind though. Never having a girlfriend back in his first life, he didn't really care. He wasn't ugly. Just an introverted Otaku with a passion for anime and gaming.

It was his master who took him under his wing once he got kicked out of the orphanage. Training him to be a powerful ninja, and giving him the best gift in his life. Ninjutsu Magic.

"You have the magic of shadow." His master said. "The shadow is all around us. And if you look deep enough, you will see it."

His master showed him how to use his magic, and after a lot of training, he could create things with the shadows.

This was the power that he had been gifted.

And now his clan needed him. The love lotus would be the key to defeating their rivals, the Shadow Blades. They were plotting to expand their army with the use of a rare flower. The love lotus.

Kenji didn't know what the flower did. But if it was going to be used for evil, then he had to stop them.

He snuck past the guards to a hidden hideout. There were only two of them, but they were big and strong. One of them was carrying a huge axe, while the other had a giant crossbow.

'Hmm? Maybe I can use shadow magic to make a clone of myself, then I can distract them and sneak past them.' Kenji thought.

Kenji had learned that he had the power of shadows, which meant that he could use his magic to create things out of the darkness.

He concentrated, and the air shimmered in front of him. A shadowy figure appeared. It looked like him, and it was even wearing his ninja garb.

Kenji smiled. "Nice work. Now you go down and distract the guards. Make them think that they're fighting a real ninja."

The clone nodded, and then it walked away.

Kenji waited until the guards were looking at the clone before he went through the front door.

He slipped into the castle, and the guards didn't notice him. He could hear them talking to his clone.

"Get him! You can't escape!" One of the guards yelled.

"Yeah, we're gonna chop you up into little pieces and feed you to our pets." The other guard added.

Kenji chuckled to himself. As his clone ran into the dark night. 'Idiots. I can't believe that worked. That's the beauty of having a clone. He can do all the hard work while I can sneak in here.'

Kenji looked around, trying to find the love lotus. There was a door at the end of the hall, and he silently walked towards it.

"I hope it's here. Otherwise, I wasted my time and energy making a clone for nothing." He whispered to himself.

He opened the door and saw that it was a large two-story storage room. But there was only one item in it and it was in the middle of the room with a magic orb floating above it giving it magical sun light.

"Aha! Found it. Now all I have to do is grab it and go."

Kenji was excited, but as soon as he was halfway to the lotus, he heard the door slam behind him and all the magical lights turned on.

"Damn. I guess I have no choice but to fight." Kenji said as he drew his ninja sword.

Kenji looked around and saw six ninjas on the second floor. While those two guards were blocking the only door out.

'How did they know I was coming?' Kenji thought.

Clap! Clap!... Clap!

"So! Ryu decided to send one of his disposables to steal the lotus. How amusing." A voice spoke from the second floor that looked down on Kenji.

The voice was coming from a young man, maybe a year or two older than Kenji, and he was dressed like a high-class noble.

'So, that's the leader of the Shadow Blades. How is he the leader at such a young age? I mean I'm 16 and the leader of my clan is easily over 60 years old. And this guy can't be older than 21.'

"I'm not here to steal the flower. Just taking it back to its rightful owner."

"Ha! So you believe the lies of that old man! I bet he told you that I intend to use it for evil. But that's not true. My plans are far more important than you can possibly imagine."

"You are the one who speaks lies. I will stop you!" Kenji said as he pointed his sword at him.

"Such a brave boy. We could use that in the Shadow Blades... Let's show him what we have in store... Disarm him."

"Yes, master," The ninjas said as they jumped down.

Kenji prepared himself, and his body shimmered. He was getting ready to use his magic. But then nothing happened.

"Huh? Oof! What's going on?" Kenji said as the ninjas rushed him and knocked the sword out of his hand while two others tied his hands behind his back before he could blink his eyes.

"Ryu didn't tell you about the major weakness of shadow magic, did he? It's magical lights that cancel out the power of shadows." The leader said as he looked at the candles.

'Fuck! Why didn't my sensei tell me about this? I can't let him see me panic. I'm the hero! Gotta keep cool and get some info. Then I can break out of here doing a daring escape.'

The leader of the shadow blades jumped down from the second floor and walked up to Kenji.

"Don't worry, you will have a very important role in the future." The leader said.

"And what is that?"

"Haha! I like this one's spirit... Ryu was a fool to treat you like everything else. I will show you a different path."

"I don't understand."

"Of course you don't... Kota. Can you extract some of the love lotus sap, please?"

"Yes, master," Kota said.

Kenji struggled, but the guards held him in place.

'Fuck! What is he planning on doing? I need to find out. But not like this! But I'm the hero. I'll have to beat them with my will!'

Kota pulled out a five-inch needle and poked it into the flower, causing a small amount of purple sap to ooze out.

'They must be planning on using this to mind control people... Damn. I have to get out of here and warn sensei.'

"Don't worry. This won't hurt... At least I don't think it will hurt." The leader said with a smile as he took the needle from Kota. "What is your name?"

"I won't tell you anything."

"Well, my name is Kage, and I'm the leader of the Shadow Blades. I would like to welcome you into our clan. We've been waiting to get new members like yourself. And you get the honor of being the first special member."

"Like hell, I would join you! You're up to something evil and I don't want any part of it!"

"Well, well... I'd like to tell you... But where's the fun in that," Kage said as he quickly and surgically poked Kenji right in his nipples and once in his pelvis.

"Ow! What the fuck!"

The other ninjas let Kenji go, and he fell to his knees.

"That wasn't so bad, was it? Now, enjoy the ride."

'What did he do? He did something to my nipples and dick. Is that how the mind control works?'

Kenji wasn't sure what was going to happen but he thought he could overpower it with his will.

'You got this, Kenji! You are the hero! You have the willpower and strength to resist whatever they have planned. Nothing can beat the main character! I'm not afraid of you Kage!'

Kenji looked up at Kage with defiance.

"Hmm. I wonder what your face looks like underneath the mask."

"Huh?"

'Is this dude gay!? Why would he want to see my face? Wait... He's just messing with me! Stay focused!'

Kenji tried to stand up but his pelvis was numb and he couldn't move as he stumbled to his knees again.

'What did he do!? My legs aren't moving. My dick feels numb and there's a dull pain underneath my nipples. What did he do!? Fuck. Focus Kenji. Focus. Don't let him win.' Kenji shook his head and looked up at Kage again.

"Oh? So you are starting to feel it," Kage said while examining Kenji with excitement.

"Feel what?" Kenji asked.

Kage just smiled, and then he turned to his men. "Leave me with him."

"But, master..." One of the guards said.

"Now!" Kage shouted.

"Yes, master." The guards and ninjas as they all left the room and closed the door behind them.

'Great. Now I just have to deal with this creepy asshole alone. I like these odds—Augh!? M-My chest feels weird. Fuck. It's tingling. What is he planning?'

"W-what are you going to do?" Kenji asked as he swayed his hips. Trying to get back the feeling in his legs.

"I'm not going to do anything... Yet." Kage said with a smile.

The numbness was spreading down his thighs and his crotch felt smaller.

"Y-you think you can control me! I won't be brainwashed. I have the willpower to fight whatever you have planned."

"Hahaha! That's cute. But you're wrong. This isn't brainwashing. It's just a little experiment that I've been working on. And you're going to be the first. You should be honored."

'What the fuck is he talking about? What does this have to do with the flower? Augh? Oh!' Kenji's thoughts were interrupted by a wave of pleasure that came from his chest. 'What is this feeling? It's like a wave of pure ecstasy flowing through my body.'

Kenji started panting and his cock was getting hard.

"Oh? I think the changes are starting." Kage said with an amused grin.

'W-what is this feeling? Augh. N-no. I can defeat this. I'm the hero of the story. I can beat anything.'

Kenji was trying to ignore the feeling, but it was getting stronger as his hips swayed back and forth as he moaned.

'N-no. I can't let him win. Focus! Don't let the bad guy see you sweat. Hah... This is nothing. Augh.'

Kenji's nipples were getting harder and his chest was starting to look a little bloated as his pecs started to jiggle and his nipples grew.

"Mm. Mmph. Hah..."

'This is a trick. It has to be. Augh. W-why am I panting like this? He's trying to humiliate me. Well, I'm not gonna give him the satisfaction. Mmph. My chest feels funny. N-no. That doesn't matter. Focus, Kenji. Don't let the enemy see you squirm.'

Kenji took a deep breath and stood up, trying to ignore the pleasurable feeling running through his body.

"Ha... You really think you can beat me with some toxin? You are the one who is underestimating me."

Kage smiled more, "You are a special one. Ryu was a fool to throw you away."

'Huh? I'm getting tired of his smug handsome face! W-Wait! Why am I thinking about him as handsome? Damn. Stay focused. You are a ninja. A trained assassin. This isn't any different from all the missions you have been sent on. Just because your body is reacting weirdly. Doesn't mean that you will lose. You can win. You are the hero! The main character!'

"You look like you have some energy left. Would you like to have a friendly sparring match with me?"

"You're on!" Kenji said.

'This is my chance. If I can beat this arrogant asshole, then he might be willing to tell me his plan. All I have to do is hold off the weird feelings in my body and kick his ass.' Kenji thought as his hips widened and his clothes got tighter.

"Let's begin. No magic. Just our skills."

'I can't use my magic so that's good. This will be an easy win.'

"Hah!" Kenji launched forward, throwing a punch at Kage.

Kage dodged and flipped over Kenji. Causing Kenji to land on his butt. But instead of his usual firm manly ass. It was now a pair of plump feminine buttocks.

"Oof! What the heck! Is the floor made of marshmallows!?"

"Hmm? Or maybe you're getting softer? It would be a shame to hurt your precious booty. Haha!"

"Ugh! S-Shut up!"

Kenji gets up and tries to sweep-kick Kage's leg.

"Nice move... But you're too slow."

Kage jumped over the sweep. And landed behind Kenji.

"You are good. But I like you better on your back." Kage said in a low husky voice.

Kenji's cheeks blushed and he felt his pants getting tighter. But his crotch was getting smaller and his shoulders were shrinking.

'What is happening? I feel weird. My body is getting hot and tingly.'

"Agh! Why can't I hit you!"

Kenji turns around to attack Kage, but instead, he trips on his own feet and falls on his ass again.

"Augh!"

Kage chuckles and walks up to him.

"Why can't I win!? Augh! Why is it so hard to move."

"Oh? Do you feel weak? Maybe you need to be trained by a real man."

"S-Shut up. You haven't hit me once."

"Maybe. But you haven't been able to hit me either. But that's nothing we can't fix." Kage said as he stared at Kenji with hungry eyes

'W-what is happening. My whole body feels like it's on fire and tingling. What is he going to do to me? Augh! It's making me so hot. F-Fight it, Kenji. You have to stay strong. But it's getting harder. Hah.'

Kenji was struggling to keep his thoughts straight, as the pleasure coursed through his body and his crotch and nipples were becoming numb. His waist was slimming down and his butt was growing, filling out his tight ninja pants.

"Augh... Hah..."

'What's happening? My clothes are getting tighter and I can't think straight.'

"Your belt is loose. Do you want me to fix it for you?"

"I-I can do it myself."

"Haha! You're so cute. Don't worry, I'm a pro at taking off belts."

Kage walked up to Kenji and started unknitting his belt.

"Hey, stop that!" Kenji's voice cracked and his voice was getting higher.

"I'm only trying to help."

"Well, don't."

"So stubborn. But it's hard to get mad at someone who has a great ass."

Kenji's cheeks blushed and his hips widened. Stretching out his pants some more.

"What did you say?"

"Oh, you know what I said. Your ass is fat. And I love it."

Kenji normally would have been mortified and would try to fight any guy who tried to flirt with him. But his body was betraying him. He didn't understand why he was enjoying the attention.

"You are an arrogant asshole."

"Maybe. But that's what makes me so attractive."

Kenji shook his head trying to get rid of these thoughts that were running through his mind. But when he shook his head, longer strands of beautiful chestnut hair fell down to his shoulders.

'W-why is my hair longer? And why is it so silky?'

"It's time for a makeover."

"Yeah! For you! Hiya! Huh?" Kenji tried to throw a sucker punch but Kage caught it.

"I think you should take off the mask."

"I-I think-k you should get your ass beat! Huh? What's happening to my voice? It's getting all squeaky."

"Oh, just a little side effect of the experiment."

"You're going to pay for this. Uh!" Kenji grunted as Kage pushed him on his back while holding both his hands above his head.

"Hah... Hah..."

"You can struggle all you want, but the effects are already starting to take hold."

"I-I can beat you. Mmph. A-Are you humping me? Get off you pervert! I'm not gay!" Kenji squeaked in a cute voice.

"Of course, you are not. Why would a beautiful woman like you want to have sex with another woman? When your needs can only be satisfied by a real man." Kage said in a low husky voice that made Kenji shiver in delight.

"What? N-no. I'm not a girl. Augh! I-I can't... Think. You're trying to mind control me! I-I won't submit. I'm an n-ninja! Augh. I'm the hero of this story!" Kenji yelled out as her breasts began to expand, making her shinobi shozoku top strain.

"That's the spirit. Keep resisting. It'll only make the transformation sweeter." Kage said as he grinds his hips in between Kenji's legs. Making her whimper and moan.

"Ahh... Ha... Fuck you!"

"Soon. You will be begging for it."

"No. I'll never submit."

"Is that so?" Kage said as he moved one of his hands lower, caressing her hips.

'W-What's he doing!? I-I can't break free! This isn't how this was supposed to go. Augh. His touch is making me crazy.'

"Hmm. So you are still a little bit strong. Well, let's test that strength."

Kage's hand slides under her black shirt and his fingers trace her nipples.

"Ahh! Ooh. Y-you're the one who's gay."

"If this makes me gay then I don't want to be straight," Kage said in a playful tone.

'He's playing with me! Argh! I-It tickles.'

"Oh? You're really sensitive aren't you."

"Sh-shut up!"

'I'm not. My chest feels like it's on fire. A-and my nipples are tingling. F-Fuck! Why does my loins itch!? No. Focus. You are not gay. You are not a woman. You are a man!'

Kage starts groping and massaging Kenji's boobs.

"Mmph! I-I w-won't submit-aunh!? Y-You asshole. N-no mo-re!"

"Mm... So cute. I bet you have a pretty face under that mask."

"N-No. Stop! Hah... I-I'll kill you!"

Kage moves his hips and presses his crotch against Kenji's.

"Oooh!" Kenji moaned in a cute voice.

"Oh? Does the little ninja like being touched by a big strong man."

"N-no! Augh... stop rubbing your cock on mine! I'm not into dudes." Kenji whimpered as her hips started swaying to Kage's motion.

"That's a lie. Look at your hips. They're gyrating."

"No! I-I'ts your fault! Ngh. You're making me do this."

"That's right, it's my fault. Let's compare dick sizes. You first."

"N-no way. I'm not gonna fall for your trick. Ugh! Hah... Mm... No! Stop that. You're trying to hypnotize me. You're not gonna win."

Kage continues groping her and rubbing his crotch on hers.

"It's okay. Let's get comfortable with each other. Then you can show me your pretty face. I bet it's beautiful."

"Ugh. No... Mm. Stop that! I-I'm not a girl. Ah!"

Kenji tried shaking her head in hopes of getting rid of Kage's seductive words. But the pleasure was becoming too much, and her head shook to the rhythm of the sensual grinding. Her long silky brown hair flowed with the movement and her hips bucked against Kage's crotch as he humped her.

'H-He's trying to break my resolve with pleasure! Aungh!? I've never been this horny in my life. No. This is just another trick. He's not that hot. Hah... Fuck. His crotch feels so warm and big. I can't give in. But why does his cock feel so good rubbing on mine? I-I'm n-not gay. B-but-'

Kenji wasn't as tall as she used to be as she shrunk down by five inches and her body was becoming more slender. Her arms were getting thinner and her thighs were getting thicker.

"Now... Let me see that beautiful face of yours." Kage said as his fingers traced her chin and slowly peeled off her mask.

"N-No! S-Stop! Ahh! Mmph! I-I-I'm not-ahh. Beautiful! Agh!"

Kenji tried to resist but she was losing the will to fight as Kage slowly peeled off her mask and tossed it aside. Revealing beautiful cherry lips, a small delicate nose, and bright sparkling green eyes.

"Oh... I was wrong. You're not beautiful. You're gorgeous. Your lips are perfect. Your skin is so smooth. And your eyes are so vibrant. I could look into them all day."

"I-I-I'm not-"

"Shh. You're too loud. Let's not ruin the moment."

Kage leaned back and slid his pants down, showing off his massive erect cock.

'H-How is that thing so big! I can let him see mine! He'll make fun of me! I-I mustn't lose to him!'

Kenji tried to keep her cock hidden from Kage, but her new feminine body betrayed her. She was unable to keep her legs closed and her thighs spread open as Kage slowly opened her pants.

"N-no. Don't look! Mmph! Augh..."

Once her pants slid past her wide hips and down her thighs revealed a pretty clitoris with puffy pussy lips.

"Mm. Look at this pretty pink flower. It's so beautiful."

"N-no. T-that's not a flower. It's a- Huh!? Where's my cock!? What did you do to it!?"

Kenji's cock was gone.

"That's what the love lotus does. It's a very special flower that only grows in the deepest, darkest parts of the forest. Where the succubi live. They're very protective of this flower. I almost lost my life to get it."

"No. It can't be. I'm not a woman. Augh. My cock. W-where did it go?"

"Don't worry, you can have mine," Kage said as he slowly slipped his cock between Kenji's legs.

"N-no. Wait. I can't. It's too big!"

"That's okay. We have all the time in the world to adjust to it."

"N-no. Aunh? Oooh! My! God! Ah!"

Kage slowly inserts his cock into Kenji's dripping pussy. Sending waves of pleasure that Kenji never dreamt of. Even after going through long masturbation sessions when he was back on Earth didn't come close to experiencing what a woman's pleasure was.

'I-Impossible! It's too intense! Why haven't I climaxed yet!? How is he staying so calm and composed? Augh! My whole body is shaking.'

"You are so tight. I love it."

"Y-you're such an asshole. Ugh. You think you can break m— AUNGH! I-I'll never submit to a cock. Ooh. I-I'm not ga— AUNGH! FUCK! YES! I-I mean- Augh! Hah! S-stop that! Y-You're just a weakling with a big co- AUNGH! Oh fuck! D-don't rub my c-clit!" Kenji was arching her back because Kage was now thrusting in and out of Kenji, pushing her limits and breaking her resolve.

'I-I always thought women were stuck-up bitches! But I understand now! I'm sorry! I didn't know! Ooh! Fuck! My brain! Why can't I cum!?! I would have blown a load if I was a guy! And w-why is he holding back? F-fuck. I'm sorry for judging women. Aungh! I'm sorry for all the slutty anime girls I called whores! Please forgive me! I-I won't judge them ever again! Please! I'm sorry, just let me cum!'

Kenji was about to say the word, but she held her tongue due to embarrassment. She didn't want Kage to hear her admit she needed to cum.

'No. I can't. He's using my weakness against me. He's trying to humiliate me. I can't let him win. Even if the pleasure is almost too much to bear. He won't WIN!'

Kage smirked at Kenji as he picked up the pace causing her boobs to bounce and her legs to wrap around his waist.

"Ooh! Ahh... Augh... Ngh!"

'No. I won't let you win! Hah... F-fuck! This is so intense! My loins are burning. H-how do girls not lose their sanity? I should have cum minutes ago! I'm so close, but so far! It makes no sense! Oooh. GAWD! This is so fucking awesome!'

Kenji's eyes were rolling in the back of her head as her breasts started to grow out of her black ninja top. Her ass was jiggling and her hips were moving on their own.

'This is the greatest moment of my life. I wish I could stay like this forever. I-I can't fucking believe this. This is so fucking amazing!'

Kenji was having an inner conflict and she didn't notice that her boobs were growing. Causing her ninja shirt to stretch tight before her breasts pop out.

'I'm gonna win! I'll make him submit to me. Fuck! My body feels so good. I can't give up! I have to focus. Focus! I need to make him cum first! Then he will pass out! And I can complete the mission! Master has to know a way to change me back!' Kenji thought as her hands moved up Kage's strong back and wrapped her arms around him.

'Oh my god. He's so fucking sexy. H-his dick is hitting my womb!?! I don't know! Ahh... F-Fuck!'

Kage was now slamming his cock in and out of Kenji's wet pussy faster now causing her liquids to fly everywhere. Making her eyes roll and her tongue hang out.

"Hah... Mm. Yes. Your pussy is so tight. Hah. So fucking perfect."

"F-Fuck you! Oooh. I'm not a s-slut. Aungh! Fuck!"

"I'm not saying you're a slut. I'm saying that you are a goddess that will be my wife."

"A-And I said fuck you! Ugh. I won't submit to you. You're the devil! Ooh... You're trying to brainwash me!"

"Am I? Or is it you that is falling for me."

"I-I'll kill you! Hah... Augh. I'll make you pay for this. You asshole!"

"Then why haven't you killed me yet? It has to be because you are in love with me."

"T-That's not it at all. Oooh. Y-you're not that hot."

"But I am hot? That's good to know."

"Y-You're twisting my words! AUNGH! I'm not a woman!"

"But you are the hottest woman I have ever met. And soon you will be the sexiest. You never told me your name."

"I-It's Kenji. B-but I'm not a girl."

She told him her name without a second thought. She didn't realize it at the time. But she was under his love.

"That's because you are a gorgeous mature woman. And I love you, Kenji, from the bottom of my heart."

When Kage said those words with such conviction. It triggered something in the back of Kenji's mind and before she knew it. Her pussy was gushing out juices and her mind went blank.

'He said he loves me! W-Why does my heart beat so fast? H-he's such an asshole. I... I... Fucking... Hate—'

"LOVE YOU KAGE! AAAUUUUUUGGGGHHH!"

Kenji was finally able to orgasm as a woman, and her entire body was convulsing, her nails dig into his back, and her pussy clenched around his dick like a vice. Her vision went white and her eyes rolled to the back of her head. Her very soul was washed away by a tsunami of ecstasy. An ecstasy she never achieved before as a man. And she finally submitted to him.

Kenji's tits were now spilling out of her top and her ass and thighs were stretching out the fabric of her pants that ripped in half.

"Hah. Mm. There you go. Cum for me, my love."

"Hah. Mmm. Ngh... Ahhh... Oooh... Ngh. Fuck... ME!!! Ahh... Yes... FUCK ME!!!"

'I'm not gay. I'm not gay. I'm not gay. I'm not a man! I'm a woman!!!'

"YES!! FUCK ME!! FILL ME WITH YOUR SEED!! AGH!"

Kenji was screaming out as her transformation was reaching its peak. Her nipples were becoming pink, her lips were swelling, her hair was turning blonde, and her hips were growing wide.

'Please breed me, Kage! Impregnate me! Make me a mother! Agh. Please fill me with your seed.'

Kenji's ninja top was torn open, revealing her giant boobs.

Kage smiled and looked into her eyes, "As you wish."

Kage pumped his dick into her pussy. Making her scream out.

"Ahh!! Aungh... Y-yes!! Give it to me. Augh. Kage... You're so amazing! I-I can't get enough."

"Mmm. You are perfect. I love you, Kenji."

"I love you too."

'Yes. I'm not a guy anymore. I want to be his wife. I'll have his babies. Agh. This is the greatest day of my life.'

"I'm cumming! Take it, Kenji. Take it all!"

"Yes! Fill me up, Kage. Fill me—AUNGH! AAAAAHHHH! AAAUUUUUGGGHH!!!"

Kenji's womb was filling with Kage's seed, and her entire body was shaking and convulsing as her boobs bounced wildly and her thighs were expanding, tearing apart her pants as her second orgasm washed over her.

'Yes. YES. Aaaauggghhh. Oh fuck. Yes. That's the spot. F-fuck... Ngh... I'm gonna cum again. I can feel the warmth spreading through my loins... Nothing compares to this feeling. It's like heaven. Oh god. I'm gonna cum again. This is the greatest feeling in the world.'

Kenji was squirting her pussy juice on his cock and she was cumming uncontrollably. It was a strange experience to hit the peak and it was taking even longer to come down from that peak. But the ecstasy was indescribable. She can only feel it and not put into words how amazing the sensation was.

Kenji was in a state of bliss and she had a massive smile on her face, as Kage pumped her pussy full of his cum.

"So? Will you join me and the Shadow Blades? Together we can help humanity gain a foothold in the world and create the largest human empire this land has ever seen."

"I-I'd love to." She said in a dreamy voice.

Kenji was panting and gasping for air, her boobs were heaving up and down, and her mind was lost in a state of bliss.

Kage was slowly pulling his dick out, and it was covered in his white sticky cum and Kenji's creamy pussy juice.

"Then we should seal our engagement with a kiss."

"Y-yes please."

Kenji was still dazed, but she was looking up at Kage with loving eyes.

Kage moved in closer to Kenji and pressed his lips on her.

"Mmm."

Kenji kissed him back and the two shared a passionate kiss. The kiss was filled with so much love and devotion. Their tongues intertwined and danced around each other. It was a dance of love and affection.

'He tastes so good. I never thought kissing a guy would be so amazing. I'll do whatever it takes to keep him. He's the best thing that's ever happened to me. And his dick is so fucking huge. I can't wait until he fucks me again. I need him. I love him.'

"Mm. Ahh. Ngh..."

"Mmm. Ahh. Mmm..."

Kenji was fading fast. She could feel the exhaustion setting in and her eyes were becoming heavy.

"Ahh... Ngh. Mmph... Ugh... Mmm. Ngh."

"Mm. Ngh... Mmm. Mm."

Kage broke the kiss and looked at his tired lover.

"I-I love you," Kenji said in a hushed whisper as her mind was drifting away into sleep.

"I love you too, Kenji. Get some rest."

"Mm. Ngh. Okay. Goodnight, my love."

Kage hummed with delight and watched his fiance pass out from their intense love-making session.

"Goodnight, my princess," Kage said as fixed his clothing before picking up Kenji princess-style and walked out of the storage room.
