The Dark Elven Ring

Chapter Two: Eliza's Descent into Motherhood

They both walked through the temple and they found the others gathered around a fire. They decided to approach stealthily to not alert their friends.

Eliza was sitting next to Stephanie. Steph looked around the ruins of the temple.

"I wonder what's taking them so long this time?," wondered Steph.

Stephanie was having trouble adjusting to the dark once the sun set. She was scared of the dark and would sleep in the light of the moon or a small candle.

"Are you ok Steph?" asked Eliza as she noticed Stephanie's obvious fear.

"Yes," answered Steph. "I just wish Kip and Stacy would hurry up."

"They'll be here soon," said Eliza.

"Have you two been together long?" asked Stephanie.

"We started the group together after me and Stacy made a name for ourselves, fighting that monster stampede at Baldwin Horn Village," said Eliza. "Actually, Kip was desperate to join us. We were looking for warriors but none wanted to fight alongside a woman. So he offered himself up a few weeks later and we gained our first members and haven't looked back since."

"That's really cool," said Stephanie. "I've never met anyone like you guys."

"Thanks," said Eliza.

As they spoke a loud noise came echoing through the Temple Ruins. They look around in confusion to see what happened.

"What in hells is that," whispered Stephanie.

"I don't know," answered Eliza. "I'll go and check it out, you stay here."

"Ok," answered Stephanie.

Eliza walks through the ruins towards the source of the noise. Her eyes widened when she saw a naked Dark Elf lying on the floor. It was Stacy, but Eliza didn't recognize her friend at all.

"Oh my gods," gasped Eliza. "It's a Dark Elf!"

Eliza couldn't believe her luck. A Dark Elf would catch a fortune on the slave market.

"I thought they were extinct?," Eliza said to herself.

She quickly approached the Dark Elf and put a knife to its throat. It didn't seem to notice her yet.

"What do you want with me?," asked the Dark Elf.

"I want you to come with me, elf," replied Eliza.

"And why would I do that Eliza?" asked the Dark Elf.

"Because you're worth a lot of.... huh? How do you know my name?," asked Eliza as her heart raced as she was on high alert.

"I'm not going anywhere with you Eliza," said the Dark Elf.

"You're going to put it won't go well for you, elf," said Eliza.

The two stared at each other eye-to-eye for a minute as the Dark Elf started to stand up. Eliza felt strange as she was staring into the eyes of a female Dark Elf. Her nipples became hard, hips started to tingle and her pussy was hot and wet.

'Gods, is it hotter in here than normal?' Eliza thought as she tried to adjust her armor.

The Dark Elf just smiled at her. As Eliza couldn't stop fidgeting as she lost her combat stance and squeezed her thighs together because of tingling in her loins.

'By the Gods! She's doing something to me!? I don't think I can kill her? I-I should let her go.' Eliza thought as she couldn't stop grinding her thighs together which caused her to shake her butt.

"F-Fine," said Eliza. "I'll let you go. But you'd better not try anything funny. If you do, I will kill you, got it."

"Like what?," Asked the Dark Elf calmly.

What Eliza didn't know was the Fertility Ring was affecting her as Kip was hiding in the shadows. If she was aware she would have noticed her body changing slowly as her once proud muscles of a ranger were softening becoming more feminine and fatter by the second. The ring was making her body change to become a voluptuous woman as her breast grew under her armor plate with almost no wiggle room as they continued to grow. Her hips widened and her pussy began dripping with desire for a man. Her skirt was starting to flare out with her expanding ass.

'F-Focus! This Dark Elf must be using some foul magic to make me aroused?' Eliza thought to herself.

"Like, whatever magic you're using now on me! S-Stop it!," Eliza stuttered as she trembled from lust.

"What magic?," asked the Female Dark Elf as she took a step forward. Making Eliza take a step back.

"I-I can't answer that," stammered Eliza. "You know what you're doing to me." as she took another step back.

Eliza could feel a soreness just under her nipples as her breasts swelled out with the power of the ring. Her short brown hair started to become curling and grew longer and thicker causing her to get sweaty as it grew past her eyes.

'My hair!' Eliza thought. 'It's getting so long...'

Her body was covered in a fine layer of fat as her chest grew bigger than ever. Her eyes were turning from dark brown to a deep azure color of the dark elves. Her nose was slightly more pointy and her lips fuller. Her hands now had slim feminine fingers. And her arms were becoming more feminine as her biceps shrunk down to a smaller size.

'What is happening to me?' Eliza thought to herself as sweat started to form on her forehead.

Her legs were getting weaker as her knees started to buckle. Eliza tripped over a rock and fell to the ground.

"Oh what a cute little Ranger you are," said the female Dark Elf.

"I'll leave you alone...for now," said Eliza as she trying to get on to her feet

"Where are you going!?", asked the Dark Elf.

"I said I'll leave you alone!," Eliza replied as she continued to struggle to get on her feet.

"I told you no!," said the Dark Elf as she grabbed the dagger from Eliza.

"Hey!" cried Eliza. "Let go of me!,"

As the Dark Elf drew closer to Eliza the ring was taking its toll on her. Her muscle mass was decreasing and her bones were changing as her muscle density decreases. Her ranger outfit which consists of a dress that looks like an off shoulder France maids dress with leather armor over it and knee high boots were struggling to contact her plump soft skin as her body started to become fat in most areas while others began to get more slender and shorter. Her jawline started to recede. Her face became more feminine with a rounder chin and smaller nose. Her ears became smaller and pointed with her once short brown hair started to grow long curly hair that became a lighter shade of brown. Her breasts grew larger as her waist got thinner giving her an hourglass look. Her ass got bigger as her hips became wider which started to strain her belt that held her sword. Her skirt flared out with a large thigh gap between her thighs and her panties were showing. Her hair was so long it reached down to her shoulders. As her hands went up to push the Dark elf away her fingers grew longer with a feminine nail.

Kip was watching from the shadows as Eliza changed into a beautiful female who looked like a French Maid. He watched as the Fertility Ring did its work on her. The ring was turning her into a fine woman. He knew it was his time to act and help Eliza to find her true self.

As he moved out of the shadows Eliza was shocked when she saw him. "Oh my Goddess! Another Dark Elf! Why are there two of you here!?"

"I'm sorry but we need you to stay here with us," said Kip.

The ring was still working on Eliza as her body. As the former proud rugged female warrior was changing into a stunningly beautiful woman who looked out of place in her ranger armor.

"Let me go or I'll kill you where you stand!" said Eliza as she tried to pull the sword out of her belt.

'Whoa!? M-My sword's too heavy!?' Eliza was struggling to lift her sword in her new weakened state.

Kip smiled at her as he easily removed the sword from her hand. "You don't need this anymore. You're going to become my woman."

"No I won't. I will never be your woman. Look at me, I'm a ranger! I've been trained to fight!" said Eliza while desperately trying to find anything she can use to protect herself with.

"You were very good at fighting, Eliza. But after tonight you'll be a different person. You will be my personal wife," said Kip.

"Wife!? Wait, wait, wait. How can you say that? I'm not some damsel in distress. I'm a ranger and I'm going to....," Eliza argued.

"That's exactly why you are perfect for me. A brave strong woman like yourself would make a wonderful mate. Now come with me and you will become my wife," said Kip.

"How dare you say that to me. I'm a ranger and you're nothing but a common thief," said Eliza.

"A thief? That's what you think of me?" Kip said as he stared into Eliza's eyes.

Eliza was stunned by the intensity in Kip's stare. She couldn't look away no matter how hard she tried. The ring was still working on her. Her muscles were shrinking. Her body started to thin out as her back curved forward. Her breast started to swell up and her hips widened. Her butt got bigger and her skirt grew shorter revealing her thick thighs. Her hair was growing longer as she kept backing away from Kip as he came closer to her and until she hit the boulder behind her halting her escape.

"Please stop this. This is crazy. Let me go please," said Eliza.

"Don't worry about love. You're going to be our wife," said Kip as he pulled Eliza closer to him.

"Stop! Stop! Please just let me go," pleaded Eliza.

"Oh no. I want to enjoy this. It's been a long time since I had sex with a Ranger. You're going to be my wife and you're going to be a great one," said Kip.

"This is wrong! This isn't fair!" yelled Eliza.

"What's unfair about it? This ring is turning you into what you always wanted," said Kip.

"No I didn't," said Eliza.

"Yes you did. You're becoming a fertile woman. I can see the ring working on you," said Kip.

Eliza was getting scared. She knew she couldn't win against him. The Fertility Ring was forcing her to change into the female form he wanted. She felt her heart starting to race as the ring began to take over her body. Her warrior muscles were no more as her legs became long and slender. Her shoulder shrank down as her chest got bigger and her belly flat. She was becoming more feminine as the ring forced her to change.

"I can see the conflict in you. Give in my little ranger," said Kip while he grabbed her hands and placed them around his neck.

"Please...", Eliza begged.

Kip stared deep into her eyes. His handsome face filled with lust for her. She could tell that he was going to do whatever he needed to do to get her to accept her changes. He took her chin between his fingers and tilted her head back. Then he leaned in and kissed her deeply. The kiss went on for a few minutes as she struggled to try and break free from him.

"Mmmmmh!!! Aahh!! No!" she moaned as she pushed him away.

Kip smiled as he pulled her close to him again. This time he held her tight as he continued to kiss her lips. Her body was limp and she was unable to move. The ring was controlling her lust and she had no choice but to let him continue kissing her. He pulled her body tighter against his as he kissed her neck and ears. He moved down to her breasts that were hiding under leather armor that no longer fit Eliza's new boobs as they wished to break free from their imprisonment.

Pop! Pop! Pop!

The leather straps broke on Eliza's armor when Kip used the ring's power to force her breasts to firm up. The armor slid off of her body and fell onto the ground leaving only the French maid style of dress covering her.

"Ohhh!" moaned Eliza as she looked down at her new chest that was stretching out her poor dress. She blushed as she realized what was happening to her while she was embarrassed. The only thing she could do was put her hands over her tits to try and cover her shame.

"You don't need to hide those beautiful tits of yours. I love them just the way they are," said Kip as he reached up and grabbed the front of her dress to pull it down exposing her smooth round breasts.

"Stop! Please stop this," begged Eliza.

"Not yet, dear wife. Not yet. I want to keep enjoying this before my fun is over," said Kip.

"Ahhh!!!" Eliza screamed as Kip's mouth attacked her nipples. She desperately tried to push away from him but she was too weak to even lift a finger. Kip's tongue licked and sucked on each nipple as he teased them with his teeth. He alternated between sucking on them or biting down on them.

Eliza's mind was lost as he did all these things to her. She couldn't think straight anymore. Her body was completely under his control. The ring was making her feel so good. She couldn't remember why she was fighting him. All she knew was that she loved it.

Kip stood up and picked her up off the ground. She was still wearing her boots but he carried her across the cave floor towards the fire. Once they were near the flames, he laid her on her back. As soon as he sat her down on the ground he ripped open her dress. Because of that her dress fell off of her body and landed on the ground. He knelt down in front of her and pulled her legs apart. Then he began to lick her pussy.

"Aaaaahh!!!" Eliza screamed as Kip licked her pussy.

His tongue was moving so fast it was driving her crazy. She couldn't believe how much pleasure he was giving her. His tongue was swirling all over her pussy like he was searching for something. He ran his tongue along her slit and up to her clit.

This wasn't Eliza's first time having a sexual experience. But this was the first one that her body was enjoying and refused to stop giving her enormous amounts of pleasure. Her pussy was soaking wet with excitement and blood flow. She gasped as he licked her clit. Then he stuck his tongue inside of her and tasted her juices. No man has ever given her head before and her body was loving it.

"Aunh!"

Her body was shaking as she lay on the ground beneath Kip. He continued to lick her pussy. She was feeling so hot and turned on. It was as if her body was responding to him in ways she never experienced before. She didn't know her body could be so sensitive. She felt her orgasm building inside of her. She wanted to scream for him to stop but she couldn't even talk.

"Mmmmmh! Aungh!"

Kip was amazed by how quickly her body was reacting to his touch. He knew she was close to cumming. He wanted to make sure he was able to enjoy her delicious taste.

He grabbed her hips and pulled her closer to him. Then he pushed his tongue deeper into her pussy.

"W-Wait! Aunh! T-That's not what I want!" she cried out.

She wanted to resist him but she couldn't. Even though she was screaming and begging him to stop, she couldn't help but feel more excited than she ever felt in her life.

"Mmmmmh! Ahh!"

Eliza's body tensed up as she had an intense orgasm. She shook as her whole body jerked violently. Her body was going through so many emotions. Kip's tongue was licking her pussy and it was stimulating every nerve in her body. The ring was pushing her to do all kinds of things she never thought possible.

"Aaaaaaaghhh!!" Eliza screamed as she came.

"Ha ha. Now that's a good wife. Let me reward you properly." Kip said while he turned Eliza over on her stomach so she could be on all fours.

'W-What does he mean by reward? Oh goddess! I feel so weak right now!' Eliza thought to herself.

Kip stood up and moved behind her. He spread her ass cheeks apart and stuck his cock inside of her pussy.

"W-What areeeaaahhhh!! Aaaaauuuughh!!" Eliza screamed as Kip rammed himself deep inside of her.

'It when in me! Oh goddess! My body accepted it! I can't understand why this feels so right!?' Eliza tried to understand why her body was being taken over by such powerful desires.

Kip began to fuck her hard. He was pounding her tight little pussy. Her body was responding to his every move.

"Oh fuck yeah! That's it baby. Fuck your wife's pussy hard. Make her feel good. Show her who's in charge here. You're fucking her harder and faster now," Stacy coached Kip as she was watching them once Kip took over handling Eliza.

"Yes, yes! Yes! This is my wife! I'm fucking the shit out of her!" Kip yelled as he pounded his cock into Eliza's pussy.

'Aunh! Why did he want me as his wife? AUNGH! There has to be better women out there than me? Aaaunngghh!' Eliza thought to herself.

The power of the ring made her body shake uncontrollably as Kip fucked her. She couldn't believe how great this felt. It was like she never felt anything like this before.

"I'm gonna cum inside you! I'm going to fill you full of my seed!" Kip warned Eliza.

As soon as he said that, she heard the sound of his balls slapping against her clit.

"Ah! Aunh! Aaaaahhhhhh!!!" Eliza screamed as she came again.

"FFFFUUUUCKKKKKKKKKKKKKKKKKKK ELIZA!" Kip filled Eliza's pussy with his cum. He was still thrusting his cock into her tight pussy.

"Aaaahhhhhh!!!" Eliza screamed as Kip's cock throbbed.

"You feel amazing! Thank you for letting me be your husband!" Kip told her as he finished filling her pussy.

"A-Are you serious?" Eliza asked. 'Why would he say that? Does he know what he just did to me?!"

"Of course we do. We have to go get the others now," Stacy answered.

"Well first I need to give you this Eliza." Kip said as he handed over the Dark Elf Fertility Ring.

"Wha... What?" Eliza asked, confused.

"This is our gift to you. Please accept it," Kip replied.

"Okay, I will take it from you," Eliza said as she took the ring off of Kip's finger. And before she knew it the ring magically went on her finger.

"I'm sorry. But you have to put it on," Stacy explained.

"I can't take it off!?" Eliza asked.

"It will help you get pregnant and turn you into a Dark Elf as well," Stacy explained.

"How? And why did you tell me tha-" Eliza stopped herself when she felt a foreign energy enter her body. "Oooohhhh!" Eliza gasped as she felt her body change.

'Aaaahngghh! I'm getting bigger! I can feel it! Oh god! This is happening right now!' Eliza thought to herself. As her skin started to get darker, her hair grew longer and her breasts got larger than her head, she couldn't believe what was happening.

"What is going on?!" Eliza gasped as she looked down at her body.

"That ring has changed you. It's making you into a Dark Elf," Stacy informed her.

"But I didn't know how to be a Dark Elf..." Eliza argued as her long beautiful curly hair became platinum silver.

"All you have to do is accept the ring," Stacy explained.

Eliza's face was turning paler as her boobs got bigger, and her hips widened. The ring was starting to make her look more like a female dark elf than she ever did before when her ears grew and pointed upward.

"My hair! My hair! Is it silver?! What is happening to me?!" Eliza screamed as she realized what was happening.

"Just relax. You'll be okay," Stacy reassured her.

"No! No! This isn't real! I'm not a human anymore. I'm a monster! Who are you and why did you do this to me!?" Eliza cried as tears formed in her eyes.

"Well it's my fault for finding that ring when I fell in that pitfall. I failed at being a thief. Sorry Eliza." Stacy said with a chuckle.

"You found the ring in that pitfall? W-Wait Stacy!?" Eliza asked, surprised.

"Hehe, yep the one and only and it was Kip's idea to turn you into his second wife," Stacy confessed.

"H-He's Kip!? You! You jerk!" Eliza yelled at Stacy and Kip.

Stacy laughed. "Ha ha! Hey I wasn't the one to stick a knife on my throat? I was almost afraid that you might have killed me Eliza? Not cool."

"You don't understand! I-I... I'm becoming a monster!" Eliza sobbed.

"No you're not Eliza. You're as beautiful as the first day I laid eyes on you." Kip said as he hugged Eliza.

"W-What you liked me like that Kip? But I'm not a pretty woman. No man ever wanted-mmmmmh." Eliza moaned out loud as she felt Kip's hard cock inside her again.

"N-No. I'm not a-wom-men! I'm a monster!" Eliza said as she moaned louder and faster.

Kip smiled as he pushed his cock into Eliza's pussy. 'She feels so good!' he thought as he continued to fuck her.

"Ahhhhh! Nnnnuhhhhhhhh!!" Eliza screamed as Kip pounded her pussy. "Mmmph! Mmmmmpph!" Eliza grunted as she came for the third time that night. As the Fertility Ring helped speed up Eliza's embryo production, each orgasm gave her a little bit of strength back.

'I-I need to stop this I need-' Eliza started to say before she interrupted with another voice in her head.

<Procreate!> the voice said.

'Aunh! What is that? This ring is too strong! I can't think straight!' Eliza thought and she could feel something inside her. It was trying to push its way through her.

<Procreate!> the voice said again

'N-NO! I won't let it! I can't get pregnant! I can't do this! I can't!' Eliza tried to shout but before she could get the words out Kip finished fucking her and cumming inside of her womb.

"Kip!? Aungh! My womb! I'm pregnant! I'm pregnan- Ahhhhhh! Kip! Nnooooo!" Eliza moaned as she felt her womb stretching to accommodate the new life growing inside of her.

<You've done well, Dark Elf.> the voice said.

"Y-y-yes! Yes! Y-Yes! I'm Pregnant! I'm pregnant! I-I'm pregnaant!" Eliza cried as she felt her belly start to grow bigger.

"Now I see why they call it the fertility ring," Stacy said with a laugh.

"It's your fault you know?" Eliza said angrily at Stacy.

"Hey now! I just found the ring. Plus Kip got me pregnant too, you know. So you're going to have to take some responsibility here." Stacy said with a grin.

"S-Shut up Stacy! How are you so calm about this!" Eliza exclaimed.

"Well I always knew I would be a mom. I never expected it to happen that quick though," Stacy admitted.

"So you planned for all of this? You and Kip?" Eliza asked.

"Yep." Stacy said with a smile while Kip nodded.

"But what about our jobs? Our lives?" Eliza asked.

"Well you have yourself a man after all and I kinda like being a Dark Elf," Kip said with a smirk.

"And there is nothing wrong with wanting to be a mom either," Stacy added.

"Oh yeah? Well I... I just ah. Oh. Mmmm. I-I can feel something moving around my belly? I'm pregnant!?" Eliza asked, shocked.

"Yeah. And I will keep you safe from the world while you two grow our family," Kip said with a smile.

"I can't believe that you guys would go along with this. What if this is the ring's plan," Eliza said as she looked at Stacy and Kip.

"Well I still feel like myself, personally wise. I'm a go with the flow type of gal." Stacy said with a shrug.

"I guess I should have expected that from you. You were the one who wanted to be a mother trying to steal men's hearts," Eliza said while looking at Stacy.

"Kip? Did you really want me? Do you wish for me to carry your child? Because if you~" Eliza was interrupted by Kip's lips.

"I always wanted you but you never looked at me. I knew you liked men that were bigger and stronger than you. And this ring helped me become that man you hoped to have. Didn't I?" Kip said as he kissed Eliza gently on the lips.

After all this time Eliza didn't notice how stunning Kip had become. With him having a now warrior physique that she hoped to have in a partner.

'H-He is way more manlier. A-And I always liked Kip as are comrade. Gods, he was always there to cheer me up after my failures in my love life. A-And here he is. Making me feel like a woman I never felt before? I think he does love me! Oh Gods! Why was I so blind!?' Eliza thought to herself while blushing red like a tomato after realizing that she was starting to fall in love with Kip.

"Now we can't leave without Stephanie. Do you know where she's at right now Eliza? We really need to get out of here." Kip said.

"Oh goddess I forgot she's probably back at the campsite which is, hmmm? That way," Eliza said, pointing in one direction down a hallway.

"Okay. Let's get her and then find a place to lay low from other adventurous," Stacy said.

While Kip helped Eliza up off the floor as the group made their way towards Stephanie.
