Jisoo, Your neck....
Oh!! Don't mind this!
Earlier I just...
Shssh...let's talk elsewhere!
Ae..Aerin! What are you doing?!!
Hey let go of me!
What are you doing?!!
I said let go of me!
Jung Aerin...! What's the issue with you?
Why did you drag me here?
The problem is you! I can't believe you have the audacity to act so innocent
How can you show up at school with a visible kissing mark on your neck?!!!
See for yourself! What the hell this is?!!!
Ah...that thing... Why is everyone so curious about that?
You...dumb! Anybody who sees this suspicious mark would undoubtedly raise questions
Where did you get that from?
I...
Wait... I have no intention of sharing this with you
It's not like you care
Was it so important that I don't care?
Considering our past relationship, whether as friends or girlfriends. Can't you just simply answer?
I don't want to answer
We were not involved in any relationship
We both know how it ended and why.
You're the one who pretended to like me! It was all a game to you!
Why bother with me now if you always looked down on me?
I didn't expect our meeting to be pleasant. I guess I should have known better
So stop feeding me false hope. I beg you...
...Are you saying you still like me?
Wh-?
Ah...Haha
Yeah! I still have feelings for you
I wish I could say that I hate you. That I despise you for toying with my emotions.
I want to be angry with you, to lash out and make you feel the pain you caused me.
You clearly never intended to reciprocate my feelings
Does it make a difference whether I still like you or not?
IT DOESN'T CHANGE THE FACT THAT THE PERSON YOU LIKE IS JIHYUN UNNIE! NOT ME.
NOTHING'S GOING TO CHANGE THAT.
