A 3D rendered character, likely a woman, is shown from the back. She is wearing a dark blue, form-fitting bikini. Her buttocks are prominently displayed, and there is a noticeable bulge in the center. A pink speech bubble with the word "Bulge!" is positioned to the left of the character. The background is a bright, sandy beach with some blurred objects in the foreground, including what appears to be a wooden chair and some white items. The overall style is that of a high-quality 3D render, possibly from a video game or a digital art piece.
