

**ACHOOODO!!!!**

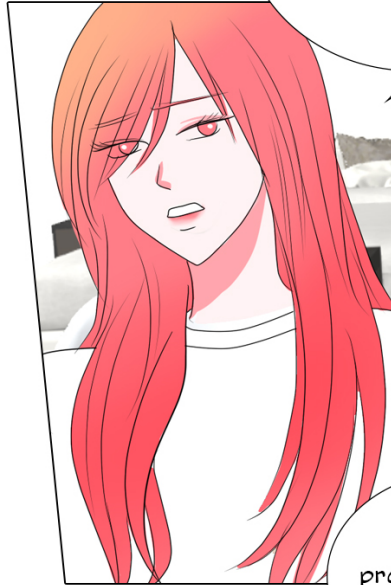

I...I'm sorry,  
my fever has gotten  
worse after being  
in the cold water  
for too long...

We can stop  
here if you  
want.

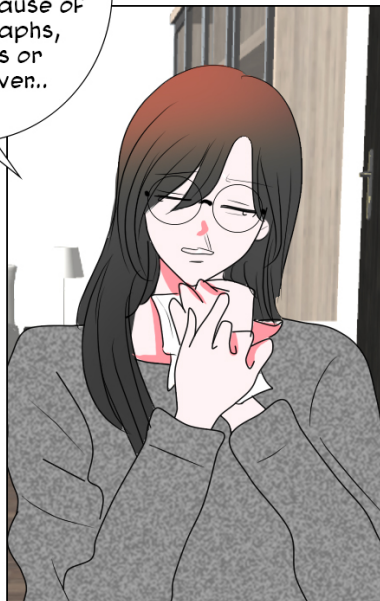

I noticed your  
physical health  
is really bad.

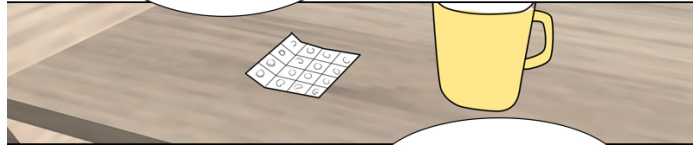

..Ah..That's  
probably because  
I don't exercise  
much...

Luckily  
today's lesson  
is over...  
Or else I would have  
fainted because of  
the bar graphs,  
fractions or  
whatsoever..

Why don't you just  
take your medicine?  
It was left untouched  
since I came in.

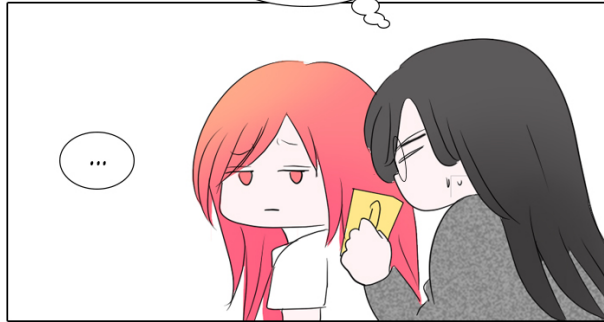

Ah! AH yeah!  
Right

No...  
This tastes so  
awful....  
I don't want to  
eat it....

I must not let her know what sort of a loser I am..

Anyway, Aerin!  
what did you say  
earlier?

I hate  
Jihyun unnie's  
girlfriend

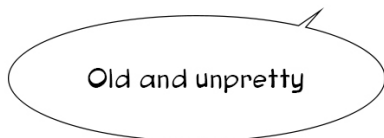

.....!

I don't want  
to remember her  
age but she's  
almost 15 years  
older than her

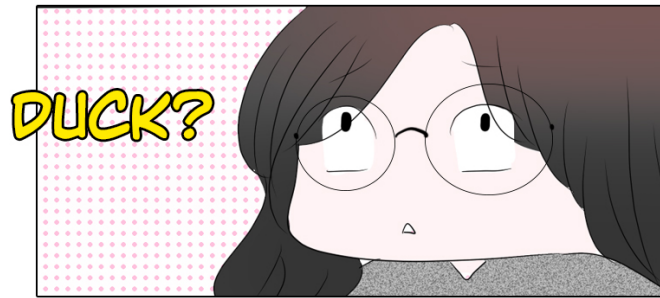

Old and unpretty

With that  
short brown hair,  
small eyes and thick lips  
on her square face.  
She always looks like  
a duck to me

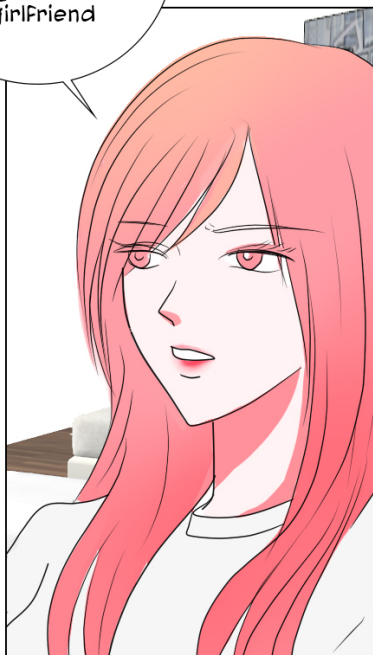

But all of that  
doesn't matter

...?

What matters is  
her condescending  
attitude

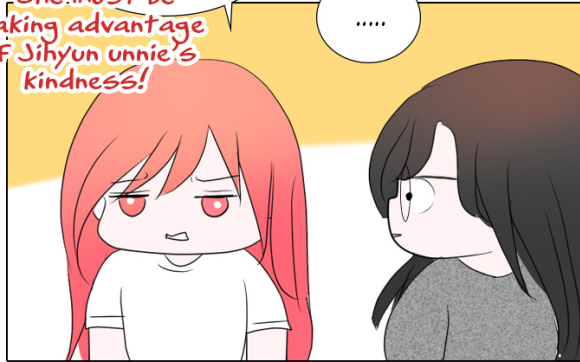

I still can't  
bring myself to like  
her even if she's not  
Jihyun unnie's  
girlfriend

That old woman  
somehow gets  
on my nerves!

*She must be  
taking advantage  
of Jihyun unnie's  
kindness!*

.....

**PFTTTT!**  
**Ahahaha!**

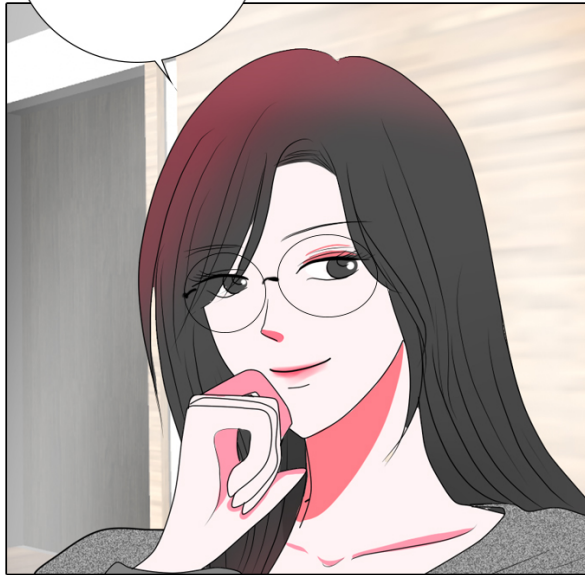

What are you  
laughing at?

Ah I'm sorry.  
I've just found out  
that...

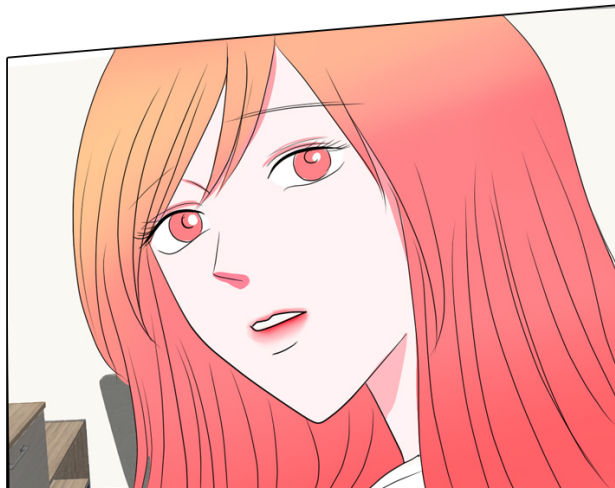

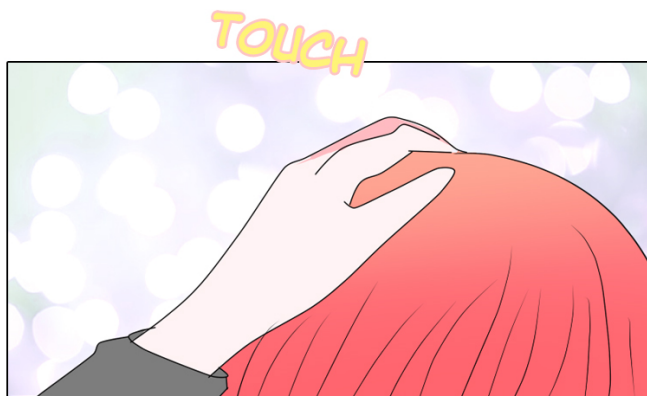

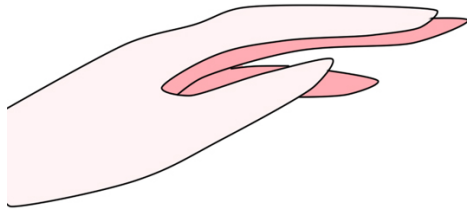

You're so cute  
when you get  
angry

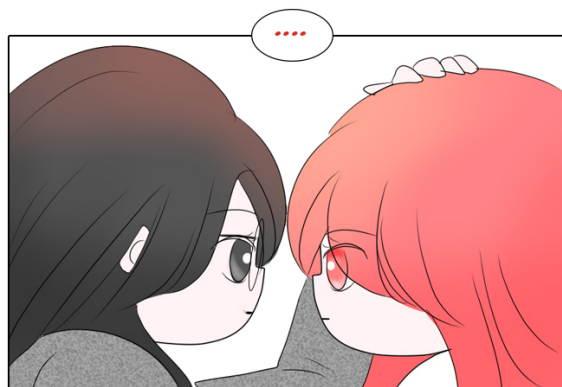

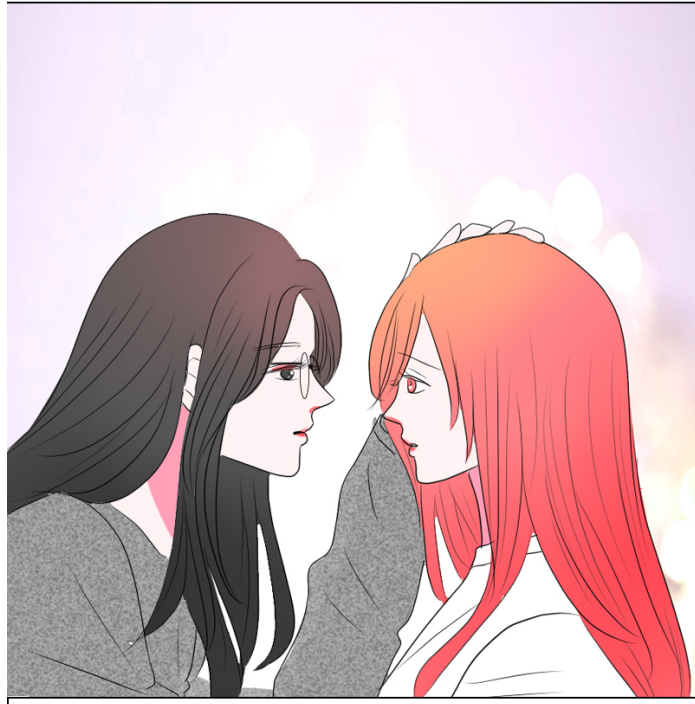

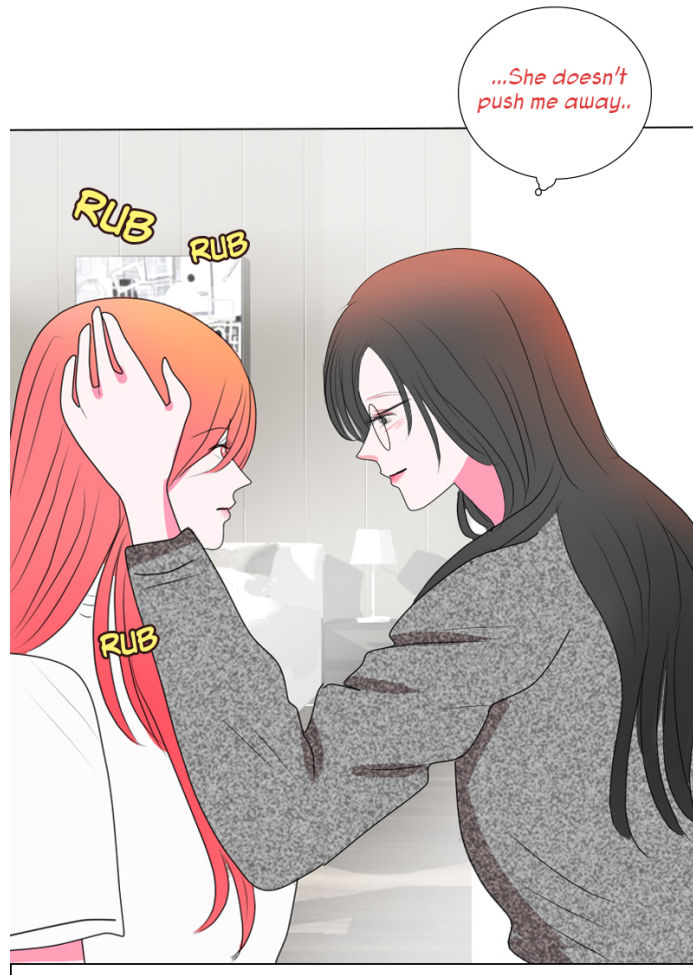

Like a kid  
whose candies  
were taken  
away.

...?

Perhaps...  
I slowly know how to approach her  
now.
