

## *Restrained*

There's just something impossibly sexy about being completely at the whim of your dominant lover. A certain animalistic pleasure that comes with being tied up and used to your heart's content. Dip your toes into the big world of bondage with *Restrained*.

My newest hypnvideo will get you riled up whenever you think about handcuffs or ropes, salivating at the very idea of your lover having complete sexual control over you, and begging to have your hands and feet tied to your bed posts.

Get the rope out of the closet because it's time for you to start embracing your perfect kinky life.
